NEIGHBORHOOD YOUTH TEAM SPORTS - Negotiated Acquisition/Pre-Qualified List - Other - PIN#26024N0500010 - AMT: \$50,000.00 - TO: Brooklyn Youth Sports Club, 9 Wyckoff Street, Brooklyn, NY 11201-6304.

The New York State Office of Children and Family Services (OCFS) created the new fund in the state's fiscal year 2023-2024 budget to provide awards to support youth team sports programs for underserved youth under age 18. The funding supports youth development through team sports programs and would be awarded to local community-based organizations and nonprofits. Grant requires the City to have funds awarded and expensed prior to the grant end date of September 30, 2024. Therefore, DYCD is allocating \$1,500,000 of this grant for an opportunity to recruit new providers. It's anticipated the new providers will operate programs between March 1, 2024 to June 30, 2024 to ensure DYCD is within the grant's award terms.

In accordance with section 3-04 (b)(2)(i)(B) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) is requesting approval to procure Youth Team Sports (YTS) services through the Negotiated Acquisition (NAQ) method. DYCD would release a competitive NAQ which could potentially lead to DYCD negotiating with those who respond and would be found viable to operate Youth Team Sports program and who do not currently hold a DYCD contract to expand the provider pool and capacity. DYCD makes this request pursuant to Section 3-04(b)(2)(i)(B) as funds available from the New York State Office of Children and Family Services (OCFS) will be lost to the City if DYCD is unable to start the competitive NAQ.

■ NOTICE

Early Notice and Public Review of a Proposed Activity in a Federal Flood Risk Management Standard (FFRMS) Designated Floodplain

To: All interested Agencies, Groups, and Individuals:

This is to give notice that the City of New York's Mayor's Office of Management and Budget (OMB) has determined that the following proposed action under the NYC Department of Housing Preservation and Development's (HPD) Demolition Program and under U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) Entitlement grant #B-24-MC-36-0104 is located in the FFRMS floodplain, and OMB and HPD will be identifying and evaluating practicable alternatives to locating the action within the floodplain and the potential impacts on the floodplain from the proposed action, as required by Executive Order 11988, as amended by Executive Order 13690, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Protection of Wetlands.

The proposed project is located at 706 Ocean View Avenue, Brooklyn (Kings County), New York (Block 8677, Lot 5). The extent of the FFRMS floodplain was determined using a Climate Informed Science Approach (CISA).

The subject property is a 1,178-square-foot, multiple-dwelling, detached building with wood framing and masonry walls. This is a residential structure that includes two stories and a cellar. The building is vacant, open, and unguarded; the brick walls are heavily deteriorated with bulging and cracking indicating stress failure at those locations. At least two walls are structurally compromised, and their potential collapse poses a danger to the public adjacent property. The Supreme Court of the State of New York has found sufficient reason to order the building's demolition, which would include the removal of asbestos-containing materials (if applicable), demolition of the structure, removal of the foundation, grading the property, replacing the sidewalk, and the safe disposal of all debris in accordance with all NYC Department of Buildings rules and regulations.

The building sits on a 2,400-square-foot lot (approximately .06 acres), two structures in from the western corner of Brighton 7th Street and Ocean View Avenue. The surrounding community of Brighton Beach is a developed, mixed-use area situated in both a 100-year floodplain and a 500-year floodplain bounded approximately by Brighton Beach Avenue on the south, the Belt Parkway on the north, Ocean Parkway on the west, and the Sheepshead Bay on the east.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. As this project is to demolish an existing hazardous structure that threatens the community's health and safety, alternative sites cannot be considered. However, commenters may offer methods to minimize and mitigate impacts. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by OMB at the following address on or before November 27, 2024: City of New York Mayor's Office of Management and Budget, Attention: Julie Freeman, Senior Assistant Director, 255 Greenwich Street, 8th Floor, New York, NY 10007. A full description of the project may also be reviewed from 10:00 A.M. through 6:00 P.M. at the address provided and at www.nyc.gov/cdbgdr. Comments may also be submitted via email at CDBGComments@omb. nyc.gov or via phone at (212) 788-6130.

NYC Mayor's Office of Management and Budget (NYC OMB)

255 Greenwich Street, 8th Floor

New York, NY 10007

(212) 788-6130

On or about November 18, 2024, the City of New York ("the City") will submit a request to the U.S. Department of Housing and Urban Development for the release of Community Development Block Grant-Disaster Recovery (CDBG-DR) funds authorized under the Community Development Act of 1974, as amended, and the Continuing Appropriations Act, 2023 (Public Law 117-180), to undertake a project known as NYCHA Green Infrastructure for the purpose of managing stormwater runoff across seventeen (17) New York City Housing Authority ("NYCHA")-owned developments. The funds will be requested for three (3) of these sites (GI Sites):

- 1. Bland Houses
- 2. Farragut Houses
- 3. Latimer Gardens

The City proposes to award \$2,603,962.25 in CDBG-DR funds to NYCHA, which will procure a contractor to install green infrastructure at the GI Sites as part of the NYCHA Green Infrastructure project. The GI Sites will include a total of four (4) assets. These include sub-surface slow-release detention chambers, which will temporarily store rainwater below ground and then release it slowly into the combined sewer after the storm has passed and capacity has returned, and retention chambers, which are designed to collect rain and channel it to below-ground natural aquifers.

The green infrastructure practices in this project are all located in parking lots or other open spaces on NYCHA properties. Excavation is required to install subsurface chambers and reconstruct catch basins and outlet control structures that are reconnected to existing sewer pipes. Once installation and reconstruction are complete, the area will be backfilled, resurfaced, and restored to its pre-existing condition; features at or above ground level will be replaced in kind. For each green infrastructure practice, the sewer's capacity is fixed.

The primary addresses of the of the GI Sites locations include:

Bland Houses - 40-29 College Point Boulevard, Queens, NY 11354

Farragut Houses – 251 Nassau Street, Brooklyn, NY 11201 Latimer Gardens - 34-45 Linden Place Queens, NY 11354

The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements. An Environmental Review Record (ERR) that documents the environmental determinations for this project will be made available to the public for review either electronically or by U.S. mail. Please submit your request by U.S. mail to Julie Freeman, Senior Assistant Director, New York City Office of Management and Budget, at 255 Greenwich Street, 8th Floor, New York, NY 10007, or by email to CDBGComments@omb.nyc.gov.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the New York City Office of Management and Budget (NYC OMB) at the above address or via email to CDBGComments@omb.nyc.gov. All comments received by November 15, 2024 will be considered by NYC OMB prior to authorizing submission of a request for release of funds.

ENVIRONMENTAL CERTIFICATION

NYC OMB certifies to HUD that the City and Julie Freeman, in her capacity as Certifying Officer of the City's CDBG-DR Program, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City to use CDBG-DR Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and NYC OMB's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYC OMB; (b) NYC OMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental

quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to CPDRROFNYC@hud.gov. Potential objectors should contact HUD to verify the actual last day of the objection period.
