EMERGENCY EXECUTIVE ORDER NO. 684  
November 4, 2024

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated that steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which “represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island”; and

WHEREAS, although there has been improvement in excessive staff absenteeism, extraordinarily high rates of attrition due to staff retirements and other departures continue to seriously affect the Department of Correction’s (DOC’s) staffing levels and create a serious risk to DOC’s ability to carry out the safety and security measures required for the maintenance of sanitary conditions; and access to basic services, including showers, meals, visitation, religious services, commissary, and recreation; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC’s staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140 of 2022, Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 681, dated October 30, 2024, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 685  
November 4, 2024

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction (“DOC”), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor (“Monitor”) prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as by transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public

safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to "evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect" [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024, and Emergency Executive Order 682, dated October 30, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct section 1 of Emergency Executive Order No. 682, dated October 30, 2024 is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

#### EMERGENCY EXECUTIVE ORDER NO. 686 November 4, 2024

WHEREAS, over the past several months, thousands of asylum seekers have been arriving in New York City, from the Southern border, without having any immediate plans for shelter; and

WHEREAS, the City now faces an unprecedented humanitarian crisis that requires it to take extraordinary measures to meet the immediate needs of the asylum seekers while continuing to serve the tens of thousands of people who are currently using the DHS Shelter System; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 224, dated October 7, 2022, and Emergency Executive Order No. 538, dated December 27, 2023; and

WHEREAS, the state of emergency based on the arrival of thousands of individuals and families seeking asylum, first declared in Emergency Executive Order No. 224, dated October 7, 2022, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

## READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov); and click on Prevailing Wage Schedules to view rates.

### CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

### VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

### SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

### PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

### NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

### ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
