HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. NEIGHBORHOOD YOUTH TEAM SPORTS - Negotiated Acquisition/Pre-Qualified List - Other - PIN#26024N0500024 - AMT: \$50,000.00 - TO: Bameso USA, 17 Fort George Hl, Apt 11D, New York, NY 10040-2519.

In accordance with section 3-04 (b)(2)(i)(B) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) is requesting approval to procure Youth Team Sports (YTS) services through the Negotiated Acquisition (NAQ) method. DYCD would release a competitive NAQ which could potentially lead to DYCD negotiating with those who respond and would be found viable to operate Youth Team Sports program and who do not currently hold a DYCD contract to expand the provider pool and capacity. DYCD makes this request pursuant to Section 3-04(b)(2)(i)(B) as funds available from the New York State Office of Children and Family Services (OCFS) will be lost to the City if DYCD is unable to start the competitive NAQ. The New York State Office of Children and Family Services (OCFS) created the new fund in the state's fiscal year 2023-2024 budget to provide awards to support youth team sports programs for underserved youth under age 18. The funding supports youth development through team sports programs and would be awarded to local community-based organizations and nonprofits. Grant requires the City to have funds awarded and expensed prior to the grant end date of September 30, 2024. Therefore, DYCD is allocating \$1,500,000 of this grant for an opportunity to recruit new providers. It's anticipated the new providers will operate programs between April 1, 2024 to June 30, 2024 to ensure DYCD is within the grant's award terms.

■ NOTICE

EMERGENCY EXECUTIVE ORDER NO. 687

November 9, 2024

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated that steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which "represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island"; and

WHEREAS, although there has been improvement in excessive staff absenteeism, extraordinarily high rates of attrition due to staff retirements and other departures continue to seriously affect the Department of Correction's (DOC's) staffing levels and create a serious

risk to DOC's ability to carry out the safety and security measures required for the maintenance of sanitary conditions; and access to basic services, including showers, meals, visitation, religious services, commissary, and recreation; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC's staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140 of 2022, Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 684, dated November 4, 2024, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 688

November 9, 2024

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction ("DOC"), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor ("Monitor") prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as by transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to "evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect" [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024, and Emergency Executive Order 682, dated October 30, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct section 1 of Emergency Executive Order No. 685, dated November 4, 2024 is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

November 9, 2024

WHEREAS, over the past several months, thousands of asylum seekers have been arriving in New York City, from the Southern border, without having any immediate plans for shelter; and

WHEREAS, the City now faces an unprecedented humanitarian crisis that requires it to take extraordinary measures to meet the immediate needs of the asylum seekers while continuing to serve the tens of thousands of people who are currently using the DHS Shelter System; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 224, dated October 7, 2022, and Emergency Executive Order No. 538, dated December 27, 2023; and

WHEREAS, the state of emergency based on the arrival of thousands of individuals and families seeking asylum, first declared in Emergency Executive Order No. 224, dated October 7, 2022, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:
