HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. AGENCY RULES

CONSUMER AND WORKER PROTECTION

■ PUBLIC HEARINGS

Notice of Adoption

Notice of Adoption to amend rules related to parking lots and garages.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer and Worker Protection by sections 1043, 2203(f) and 2203(h)(1) of the New York City Charter and section 20-104 of the New York City Administrative Code and in accordance with the requirements of section 1043 of the New York City Charter, that the Department amends Title 6 of the Rules of the City of New York.

This rule was proposed and published on August 22, 2024. A public hearing was held on September 23, 2024, and four comments were received.

Statement of Basis and Purpose of Rule

The Department of Consumer and Worker Protection ("DCWP" or "Department") is amending rules related to parking lots and garages.

Parking lots and garages are permitted to charge customers different rates based on their method of payment (e.g., credit card, debit card, cash). They may also change rate schedules for monthly parking as long as they provide sufficient notice to customers, post an updated rate schedule, and submit a copy of such schedule to DCWP. These rules clarify the obligations of the owner of a parking lot or garage with respect to these policies.

The rules also clarify the documentation required to establish the maximum permissible motor vehicle capacity for a parking garage and insurance requirements for parking lots and garages.

Specifically, these new rules:

- Clarify the requirements with respect to charging customers different rates based on their method of payment;
- Clarify the requirements for a change to a new rate schedule for monthly parking rates;
- Clarify that a certificate of occupancy or temporary certificate of occupancy is required for new premises or when a licensee requests an increase to the maximum vehicle capacity at previously licensed premises; and,
- Clarify the required minimum insurance coverage limits for parking lots and garages.

Sections 1043 and 2203(f) of the New York City Charter and Section 20-104(b) of the New York City Administrative Code authorize the Department of Consumer and Worker Protection to make these rules.

New material is underlined.
[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subchapter Q of Chapter 2 of Title 6 of the Rules of the City of New York is amended as follows:

Subchapter Q: Operation of Parking Lots and Garages

§ 2-161 Operation of Parking Lots and Garages.

No additional report shall be required to be made concerning any such vehicle, unless it shall have remained unclaimed for an additional thirty or more consecutive days. In such case, an additional report or reports [shall] must be made at least every thirty days after such prior report, during the period for which such vehicle [shall have] remains[ed] unclaimed. (vii) The Commissioner may, upon due application by a licensee, vary any of the foregoing requirements, provided such variance is not inconsistent with the aim and purpose of this subdivision (g) nor detrimental to the public welfare. The sign posted at parking facilities accessory to multiple dwellings, which provide parking services exclusively to the residential tenants of the accessory multiple dwelling, and are subject to the Rent Stabilization Law and Code in regard to the charges for such services, may contain the following information on rates: “No transients or non-residents permitted. Residential tenants only. Rates as fixed by rent laws,” or wording to such effect.

(viii) Licensees required to provide space for parking bicycles [shall] must post the rate schedules for rates the licensee is authorized to charge for parking bicycles in the same manner as required for posting the rate schedule for vehicles, which may be on the same sign or separate signs. The signs for the rate schedule applicable to each type of conveyance shall be clearly marked as DAY or NIGHT RATES for VEHICLES or DAY or NIGHT RATES for BICYCLES, as appropriate.

(ix) The rates initially posted for parking bicycles on or after the effective date of Local Law Number 51 for the year 2009 by licensees required to provide space for parking bicycles by such law shall remain in effect without having been filed with the Commissioner until January 14, 2010, provided such licensee files such rates with the Commissioner prior to such date. No rate shall be in effect thereafter unless a rate change is implemented as provided by law and this subchapter.

(x) Licensees who elect to maintain different rates based on payment method, in accordance with State and local requirements, must clearly and conspicuously display at the public entrance or entrances to the garage or parking facility or, if such display is impossible, in immediate proximity thereto, the rate and any discount or incentive offered for each payment method accepted (e.g., credit card, debit card, cash).

(xi) Licensees may charge different prices to consumers for monthly parking or storage services so long as each such rate charged, and the qualifications or requirements for obtaining such rate, are clearly and conspicuously posted on a sheet of paper at least eight inches (8”) by ten inches (10”) at the place designated by the Licensee

for the payment of charges, such that it can be readily seen by the customer. A copy of such rate sheet must be provided to each consumer who purchases monthly parking or storage services by mail, or email where agreed to by the consumer, prior to the consumer’s initial purchase and at least sixty days prior to the effective date of any change in rates.

(3) (i) The sign must be sufficiently illuminated, clearly visible and readable.
