HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

ECONOMIC DEVELOPMENT CORPORATION**CONTRACTS DEPARTMENT****■ SOLICITATION***Goods and Services*

ENGINEERING AND DESIGN CONSULTANT SERVICES, MANHATTAN WATERFRONT GREENWAY - INWOOD RFP - Request for Proposals - PIN# 9911 - Due 1-22-25 at 11:59 P.M.

The New York City Economic Development Corporation ("NYCEDC" or the "Corporation"), acting on behalf of New York City (the "City") and in partnership with the New York City Department of Parks & Recreation ("NYC Parks") requests proposals for engineering and design services for preparing all analyses, surveys, designs, permit applications and related documents for the development of a portion of the Manhattan Greenway between Academy Street and North Cove. As part of the Inwood NYC comprehensive plan and rezoning, NYCEDC, Department of City Planning, and NYC Parks worked with local stakeholders to define the neighborhood's open space priorities and develop a set of capital projects to enhance existing parks and recreational facilities. This builds on many years of planning and community advocacy for public access to the Harlem River waterfront, which, aside from a few street end parks, is mostly closed off and inaccessible. Through this Project, the City is advancing the plan's recommendations and repurposing public land to fill a gap in the Manhattan Waterfront Greenway.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee.

It is the policy of NYCEDC to comply with all federal, state and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (MWBES) share in the economic opportunities generated by NYCEDC's projects and initiatives. Please refer to the Equal Employment and Affirmative Compliance for Non-Construction Contracts Addendum in the RFP.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit an M/WBE Participation Plan with their response. To learn more about NYCEDC's M/WBE program, visit <http://edc.nyc/opportunity-mwdbe>. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to the <https://sbsconnect.nyc.gov/certification-directory-search/>.

NYCEDC established the Contract Financing Loan Fund programs for Minority, Women and Disadvantaged Business Enterprise (M/W/DBE) interested in working on public construction projects. Contract Financing Loan Fund facilitates financing for short-term mobilization needs such as insurance, labor, supplies and equipment. Bidders/subcontractors are strongly encouraged to visit the NYCEDC website at <http://edc.nyc/opportunity-mwdbe> to learn more about the program.

An optional informational session will be held on Wednesday, December 18, 2024 at 10:00 A.M. at One Liberty Plaza with the option to join virtually through a meeting link. Those who wish to attend should RSVP by email to InwoodGreenwayDesignRFP@edc.nyc on or before December 16, 2024.

B5901-DEDICATED INTERNET ACCESS - Competitive Sealed Bids - PIN# B5901040 - Due 2-3-25 at 4:00 P.M.

To download, please go to <https://infohub.nycfed.org/resources/vendors/open-doe-solicitations/request-for-bids>. If you cannot download, send an e-mail to vendorhotline@schools.nyc.gov with the RFB number and title in the subject line.

For all questions related to this RFB, please e-mail RFBITProcurement@schools.nyc.gov with the RFB number and title in the subject line of your e-mail.

Description: The New York City Department of Education ("DOE") is seeking qualified contractors to provide Internet access at an aggregate bandwidth of 400 Gigabits per second ("Gbps") for all schools and administrative sites for users to attain access to Internet-based information and applications. With the growth in media-rich web applications that require significantly higher bandwidth, a new contract is required to support a projected 1G to 10G bandwidth and beyond for future needs. DOE currently operates over 1,800 schools and administrative offices at almost 1,400 physical locations. DOE expects to award requirements agreements to a Contractor offering the lowest price.

For electronic bid submissions, please note the following procedures:

Bid submissions must be sent via electronic mail to DCPSubmissions@schools.nyc.gov. Bid Submissions sent to any other email address will be disregarded. The subject line of your Bid Submission Email must include the solicitation number and the name of the submitting vendor (e.g. B5901 – Enter Company Name). Please attach the completed Request for Bids and the Bid Blank documents to the Bid Submission Email as separate files. Please name the bid blank attachment “Bid Blank” and the completed Request for Bids attachment “RFB.”

If the files accompanying your bid submission are too large to be transmitted as email attachments, please include in the first line of your Bid Submission Email a link to a Microsoft OneDrive folder containing all of your bid-related documents. Please note that if you are using OneDrive, do not attach any documents to the Bid Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate bid blank file. Please name this folder and the bid blank file “Bid Blank.” The name of your OneDrive folder must match the subject line of your bid submission, and your OneDrive folder must not contain any files unrelated to the Bid Submission.

Guidance for first-time Microsoft One-Drive Users:

Microsoft OneDrive (“OneDrive”) is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those bid submission documents which are too large to transmit via electronic mail:

1. Conduct an internet search for “Microsoft OneDrive;”
2. Navigate to the official Microsoft website and sign up for a free account;
3. Once you have created a folder for the solicitation whose name matches the subject line of your Bid Submission Email, upload the documents relevant to your bid submission in this folder.
4. Create a share link for this folder;
5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and
6. Include the link which you have created as the first line of your Bid Submission Email.

For hard copy (paper) bid submissions, please follow the below instructions:

Further to prior instructions regarding submissions of bids. In addition to electronic submission via email, Bidders may choose to hand deliver their bid packages to NYC DOE at any time prior to the Bid Due Date/Time. If you plan to submit a paper bid, you must provide notice by e-mailing DCPSubmissions@schools.nyc.gov, including “Paper Submission Request for Solicitation # B5901 in the subject line, at least three (3) business days in advance of the anticipated date and time and place you or your agent plan to arrive at 65 Court Street, Brooklyn, NY 11201, Room 1201 to drop off your bid. Bidders should include in their notification e-mail the name of the person who will be delivering the bid or advise that the Bid Package will be arriving by messenger. Bidders who fail to provide advance notification of intent to hand-deliver a bid risk not having anyone to receive the bid.

The Bid opening will be conducted virtually via Microsoft Teams on “DATE” at 11:00 A.M. Bidders who have submitted their Bid Submission Email by the Bid Submission Deadline will receive a reply to their Bid Submission Email with a link to be able to view a livestream of the Bid opening online. Community Development Block Grant Program

Final Notice and Public Explanation of a Proposed Activity in a Federal Flood Risk Management Standard (FFRMS) Designated Floodplain

To: All Interested Agencies, Groups and Individuals

This is to give notice that the City of New York's Mayor's Office of Management and Budget (OMB) has conducted an evaluation as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Wetlands Protection. The activity is funded under the NYC Department of Housing Preservation and Development's (HPD) Demolition Program and under U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) grant #B-24-MC-0104.

The proposed project is located at 706 Ocean View Avenue, Brooklyn (Kings County), New York (Block 8677, Lot 5). The extent of the FFRMS floodplain was determined using a Climate Informed Science Approach (CISA).

The subject property is a 1,178-square-foot, multiple-dwelling, detached building with wood framing and masonry walls. This is a residential structure that includes two stories and a cellar. The building is vacant, open, and unguarded; the brick walls are heavily deteriorated with bulging and cracking indicating stress failure at those locations. At least two walls are structurally compromised, and their potential collapse poses a danger to the public adjacent property. The Supreme Court of the State of New York has found sufficient reason to order the building's demolition, which would include the removal of asbestos-containing materials (if applicable), demolition of the structure, removal of the foundation, grading the property, replacing the sidewalk, and the safe disposal of all debris in accordance with all NYC Department of Buildings rules and regulations.

The building sits on a 2,400-square-foot lot (approximately .06 acres), two structures in from the western corner of Brighton 7th Street and Ocean View Avenue. The surrounding community of Brighton Beach is a developed, mixed-use area situated in both a 100-year floodplain and a 500-year floodplain bounded approximately by Brighton Beach Avenue on the south, the Belt Parkway on the north, Ocean Parkway on the west, and the Sheepshead Bay on the east.

OMB has considered the following alternatives and mitigation measures to minimize adverse impacts and to restore and preserve natural and beneficial values: taking no action, fencing the property, sealing/stabilizing the building, erecting sidewalk sheds, and rehabilitating the property. The City does not have the legal authority to rehabilitate the property, and none of the remaining alternatives would alleviate the health and safety threat.

OMB has reevaluated the alternatives to demolishing this structure and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988, will be provided for public inspection as noted in the last paragraph of this notice for receipt of comments.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by OMB on or before December 17, 2024: CDBGComments@omb.nyc.gov or City of New York Mayor's Office of Management and Budget, Attention: Julie Freeman, Director of Community Development, 255 Greenwich Street, 8th Floor, New York, New York 10007.

A full description of the project may also be reviewed from 10:00am to 6:00 P.M. at the address provided and at www.nyc.gov/cdbgdr. Comments may also be submitted via email at CDBGComments@omb.nyc.gov.

EMERGENCY EXECUTIVE ORDER NO. 696 November 24, 2024

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which "represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island"; and

WHEREAS, while there has been improvement in excessive staff absenteeism, the Department of Correction's (DOC's) staffing levels continue to contribute to a rise in unrest and disorder and create a serious risk to the necessary maintenance and delivery of sanitary conditions; access to basic services including showers, meals, visitation, religious services, commissary, and recreation; and prompt processing at intake; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC's staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140; Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that the State of Emergency declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, is extended for thirty (30) days.

§ 2. I hereby direct that section 1 of Emergency Executive Order No. 693, dated November 19, 2024 is extended for five (5) days.

§ 3. This Emergency Executive Order shall take effect immediately. The State of Emergency shall remain in effect for a period not to exceed thirty (30) days or until rescinded, whichever occurs first. Additional declarations to extend the State of Emergency for additional periods not to exceed thirty (30) days shall be issued if needed.

EMERGENCY EXECUTIVE ORDER NO. 697 November 24, 2024

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction ("DOC"), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor

("Monitor") prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to "evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect" [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect;

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that the State of Emergency declared in Emergency Executive Order No. 624, dated July 27, 2024, and extended by subsequent orders, is extended for thirty (30) days.

§ 2. I hereby direct that section 1 of Emergency Executive Order No. 694, dated November 19, 2024 is extended for five (5) days

§ 3. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.
