EPIC COMMUNITY CONNECT PROGRAM - Negotiated Acquisition - Other. PIN# 81625N0003 - Due 12-31-24 at 7:00 P.M.

In accordance with Section 3-04(b)(2)(ii) of the NYC Procurement Policy Rules, the New York City Health Department will enter into negotiations for a 10 year Negotiated Acquisition (NA) agreement with OCHIN, Inc. to access Epic, Inc. ("Epic") licenses, software and support services through the Epic Community Connect program to support its clinical services and other public health work. The NYC Health Department determined that it is in the City's best interest to procure this NA with OCHIN, Inc. as they are the only instance/Connect Accredited Site with the relevant NYC resident population data that can fulfill the agency's need. Vendors who believe they can legally provide these services may submit an expression of interest to swillia9@health.nyc.gov no later than 12/31/2024.

The NYC Health Department determined it would not be practicable or advantageous to the City to competitively procure these services. The NYC Health Department requires a partner that understands the agency's workflows and have experience with onboarding other public health clinics to Epic. It is important that the partner selected is accredited by Epic as they follow best practices and demonstrate high adoption of Epic. The program is designed to help members of the Epic community ensure that they have a strong foundational system, as well as an appropriate governance and support structure. In addition, accreditation is awarded for achieving a high-level of system adoption

by meeting key performance metrics and staying current with Epic software. This will ensure a successful transfer to Epic from our legacy systems, therefore The NYC Health Department determined that it is in the City's best interest to procure a Negotiated Acquisition with OCHIN to use their instance of EPIC Community Connect to access the required software, licenses, and hardware.

AGENCY RULES

ENVIRONMENTAL PROTECTION

■ NOTICE

NOTICE OF ADOPTION OF FINAL RULE NEW YORK CITY DEPARTMENT OF ENVIRONMENTAL PROTECTION

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE COMMISSIONER OF THE DEPARTMENT OF ENVIRONMENTAL PROTECTION by Section 1403(c) of the New York City Charter and Sections 24-105 and 24-149.6 of the New York City Administrative Code, that the Department of Environmental Protection ("DEP") is adopting a rule that sets standards for renewal of the certificate of operation of any stationary reciprocating compression ignition internal combustion engine on or after January 1, 2025. These amendments were proposed and published in the City Record on September 20, 2024 and a public hearing was held on October 21, 2024. No comments were received.

Statement of Basis and Purpose

Local Law 38 of 2015 revised the Air Pollution Control Code to add section 24-149.6 governing stationary engines. Subsection (b) provides that a certificate of operation for a stationary reciprocating compression ignition internal combustion engine may be renewed on or after January 1, 2025, only if the owner or operator of such engine can demonstrate in accordance with department rules that the engine meets the tier four emissions standards established by the United States environmental protection agency as set forth in 40 CFR § 60.4201 or any subsequent United States environmental protection agency emissions standard for such engine that is at least as stringent. These stationary engines are used in a variety of applications from generating electricity to powering pumps and compressors in power and manufacturing plants. The law contains an exception that applies to stationary engines used as emergency generators.

Local Law 38 of 2015 establishes a more stringent standard than is set forth in the federal regulations, in section 60.4201 of Title 40 of the code of federal regulations. While the federal regulations apply only to newly registered engines, the Local Law requires that all engines, not just newly registered engines, must be Tier IV compliant by January 1,

2025, in order to receive a renewed certificate of operation.

Requiring all engines to meet Tier IV emission standards will significantly reduce emissions of nitrogen oxides and particulate matter. The Tier IV standards result in a total emission reduction of 90% NOx, compared to the previous Tier III standard. This substantial decrease in harmful exhaust pollutants contributes to cleaner air quality and improved environmental impact.

The rule implements the Local Law.

New material is underlined.

Section 1. Title 15 of the Rules of the City of New York is amended by adding a new Chapter 63, to read as follows:

Chapter 63

Stationary Engines

§63-01 Definitions.

Emergency Stationary Reciprocating Compression Ignition Combustion Engine means the same as set forth in section 63.6640(f) of title 40 of the code of federal regulations.

Selective Catalytic Reduction (SCR) Technology means a control device that creates a chemical reduction via a reducing agent and a catalyst.

Stationary reciprocating compression ignition internal combustion engine (RICE) means the same as set forth in section 60.4219 of title 40 of the code of federal regulations.

§63-02 Requirements for Renewal of Certificate of Operation

A certificate of operation for a stationary reciprocating compression ignition combustion engine (RICE) that is required to obtain a certificate of operation pursuant to section 24-122 of the Air Pollution Control Code may be renewed on or after January 1, 2025, only if the RICE meets the Tier IV requirements set forth in 40 CFR 60.4201, or any subsequent United States Environmental Protection Agency emissions standard for such engines that is at least as stringent. The certification standards are set forth in Table 1 of 40 CFR 1039.101. Compliance with the Tier IV requirement may be demonstrated by submitting proof in a form satisfactory to the Department that SCR Technology has been installed.

NOTICE OF ADOPTION OF FINAL RULE

Department of Environmental Protection

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE COMMISSIONER OF THE DEPARTMENT OF ENVIRONMENTAL PROTECTION by Section 1403(c) of the New York City Charter and Sections 24-105, 24-178, 24-204 and 24-257 of the New York City Administrative Code, that the Department of Environmental Protection ("DEP") has amended the Air Code Penalty Schedule, set forth in Chapter 43 of Title 15 of the Rules of the City of New York, and the Noise Code Penalty Schedule as set forth in Chapter 47 of Title 15 of the Rules of the City of New York to provide that all violations can be admitted to without going through the stipulation process. These amendments were proposed and published in the City Record on September 20, 2024 and a public hearing was held on October 21, 2024. No substantive comments were received.

Statement of Basis and Purpose

Chapter 43 of Title 15 of the Rules of the City of New York sets forth the penalties that may be imposed for violations of the Air Pollution Control Code. Chapter 47 of Title 15 of the Rules of the City of New York sets forth the penalties that may be imposed for violations of the Noise Control Code.

Consistent with Chapter 6 of title 48 of the Rules of the City of New York, DEP is amending sections two, three and seven of section 43-01 of title 15 of the Rules of the City of New York and amending the schedule set forth in section 43-02 of such title to provide that respondents may admit to all violations contained in Section 43-02 instead of entering into a stipulation.

Currently, the Department of Environmental Protection ("DEP") makes a stipulation offer on many Air Code violations, in accordance with section 24-183 of the Administrative Code. Acceptance of the stipulation offer entails admitting the violation, paying the stipulated penalty, and promising to correct the violating condition within a prescribed time. This rule, by providing for admissions in addition to stipulations, will allow respondents to admit to violations and pay summonses online through the Office of Administrative Trials & Hearings ("OATH") website, instead of waiting to receive a stipulation offer from DEP. This will expedite the handling of all cases and reduce the administrative burden on DEP and OATH as well as the time

required for the respondent.

Subdivision (c) of section 1403 of the New York City Charter and sections 24-105, 24-178, 24-204 and 24-261 of the Administrative Code authorize the Department to issue this rule.

New text is underlined.

The text of the rule follows:

§ 1. Subdivision 7 of section 43-01 of Title 15 of the Rules of the City of New York is amended to read as follows:

7. Each summons [for a violation of section 24-163] shall provide that a respondent may admit to such violation and pay the corresponding penalty amount set forth in section 43-02.

§ 3. The table set forth in section 43-02 of Title 15 of the Rules of the City of New York is amended by changing the column headings as follows:

Section of Law	Violation Description	Compliance	1st Offense Stip. Or Admit (\$)	1st Offense (\$)	Default Penalty (\$)	2nd Offense (\$)	2nd Stip. or Admit (\$)	3rd and Subsq. Offense (\$)	3rd and Subsq. Stip. or Admit (\$)
----------------	-----------------------	------------	---------------------------------	------------------	----------------------	------------------	-------------------------	-----------------------------	------------------------------------

§3. The second paragraph of Section 47-02 of Title 15 of the Rules of the City of New York is amended to read as follows:

[A] An admission or stipulation penalty is imposed if there is a “Y” (Yes) in the Stipulation or Admission column in the Penalty Schedule

rather than a “N” (No), and if a stipulation is offered and accepted, or the violation is admitted, at a hearing.

§ 5. The table set forth in section 47-02 of Title 15 of the Rules of the City of New York is amended by changing the column headings as follows:

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

Notice of Adoption

NOTICE IS HEREBY GIVEN THAT pursuant to Section 467-m of the New York Real Property Tax Law and in accordance with Sections 1043 and 1802 of the City Charter, the Department of Housing Preservation and Development (HPD) is adopting a new Chapter 64 to Title 28 of the Rules of the City of New York to implement the Affordable Housing from Commercial Conversions Tax Incentive Benefits program adopted by the New York State Legislature in Chapter 56 of the Laws of 2024.

A notice of proposed rulemaking was published in the City Record on October 3, 2024. A public hearing was held on November 6, 2024.

Commissioner Adolfo Carrion, Jr.
December 16, 2024

Statement of Basis and Purpose of Rule

Statutory Background

In 2024, the Legislature amended the New York State Real Property Tax Law (“RPTL”) to add a new section 467-m (the “Act”), which established the Affordable Housing from Commercial Conversions Tax Incentive Benefits program (“AHCC Program Benefits”) in order to provide real property tax exemptions for the conversions of non-residential buildings, other than a hotel or other class B multiple dwelling, to residential use. AHCC Program Benefits are available to eligible multiple dwellings, as that term is defined in the Act, that contain six or more dwelling units, where the conversion commenced after December 31, 2022, and on or before June 30, 2031, and completed on or before December 31, 2039. Eligible multiple dwellings must be operated as rental housing.

AHCC Program Benefits

AHCC Program Benefits vary depending upon the location and timing of the project. The Act divides projects into two geographic groups: projects located in the Manhattan prime development area—defined as a tax lot entirely south of 96th Street in Manhattan—receive a greater level of exemption from real property taxes, whereas projects located anywhere in the City outside the Manhattan prime development area receive a lower exemption. The Act also groups projects based on their commencement date, as that term is defined in the Act. All qualifying projects receive a 100% exemption for up to three years during construction.

- An eligible multiple dwelling that has a commencement date on or before June 30, 2026, receives for the first 30 years following the “construction period”, as that term is defined in the Act: (A) within the Manhattan prime development area, a 90% exemption; and (B) outside of the Manhattan prime development area, a 65% exemption. In both instances, this is followed by a 5-year phase out of the exemption.

- An eligible multiple dwelling that has a commencement date on or before June 30, 2028, receives for the first 25 years following the construction period: (A) within the Manhattan prime development area, a 90% exemption; and (B) outside of the Manhattan prime development area, a 65% exemption. In both instances, this is followed by a 5-year phase out of the exemption.
- An eligible multiple dwelling that has a commencement date on or before June 30, 2031, receives for the first 20 years following the construction period: (A) within the Manhattan prime development area, a 90% exemption; and (B) outside of the Manhattan prime development area, a 65% exemption. In both instances, this is followed by a 5-year phase out of the exemption.

Prevailing Wages for Building Service Employees

All eligible multiple dwellings must pay prevailing wages to building service employees—defined in the Act to refer to those who are regularly employed at and care and maintain such eligible multiple dwelling—unless such eligible multiple dwelling contains less than 30 dwelling units or is the result of a conversion carried out with the substantial assistance of grants, loans or subsidies provided by a federal, state or local governmental agency or instrumentality pursuant to a program for the development of affordable housing. Furthermore, any eligible multiple dwelling that does not qualify for an exemption from the prevailing wage requirements must submit annual sworn affidavits to the Comptroller ensuring compliance. HPD must publish a list annually of the eligible multiple dwellings subject to this requirement.

Affordable Housing Unit Requirements

The Act defines the term “affordable housing unit” to refer to units that meet certain specified affordability criteria, and the Act requires that all such units be permanently rent stabilized.

The Act further requires that all affordable housing units in an eligible multiple dwelling have a unit mix (i.e. assortment of one-bedrooms, two-bedrooms, etc.) that is proportional to the unit mix for such eligible multiple dwelling’s market units (defined in the Act as units other than affordable housing units). Alternatively, at least 50% of the affordable housing units must have two or more bedrooms and no more than 25% can have less than one bedroom. These requirements do not apply if preempted by the requirements of a federal, State or local housing program.

All rental dwelling units in an eligible multiple dwelling must share the same common entrances and common areas as market units and must not be isolated to a particular floor or area of an eligible multiple dwelling.

Affordable housing units cannot be rented on a temporary, transient or short-term basis, and each lease and renewal thereof must be for one or two years, at the option of the tenant. Such units cannot be converted to cooperative or condominium ownership.

By rule, HPD may establish requirements it deems appropriate for the marketing of affordable housing units, monitoring of compliance, and establishment of marketing bands.

Program Restrictions and Penalties

Concurrent exemptions or abatements are prohibited, but projects may voluntarily renounce or terminate AHCC Program Benefits if HPD so authorizes in connection with a new tax exemption pursuant to either the Private Housing Finance Law or Real Property Tax Law Section 420-c.

HPD may terminate or revoke AHCC Program Benefits for failure to comply with the provisions of the Act other than the prevailing wage requirements, and also may revoke AHCC Program Benefits if a Covered Building Service Employer, as defined in subdivision 7 of the Act, has committed three violations of the building service employee prevailing wage requirements within a five year period. Such violations are determined by a finding by the Comptroller. The Comptroller must notify applicants after a second such violation and publish a list on its website of all applicants with two such violations. If AHCC Program Benefits are revoked, all affordable housing units remain subject to rent stabilization and all other requirements of the Act in perpetuity.

HPD also has the authority to impose penalties for violations of the affordability requirements established by the Act on and after the expiration date of the benefit period and to establish the schedule and method of calculation of such fines by rule.

Applications and Fees

Applications must be filed no earlier than the completion date and not later than one year after the completion date with a filing fee of \$3000 per dwelling unit. HPD is authorized to promulgate rules imposing a lesser fee for governmentally assisted housing and to require a portion of the filing fee to be paid upon the submission of information—defined in the Proposed Rules as the “Workbook”—HPD requires to commence the marketing process for Affordable Housing Units.

The Adopted Rules

The adopted rules, among other things:

- provide application procedures and requirements;
- enumerate the types of permits that would determine the commencement date;
- specify that the gross cubic content of an eligible multiple dwelling must be comprised of at least 50% of the pre-existing non-residential building, as defined in the Act, that was converted;
- establish the rent and income restrictions that apply to the affordable housing units, including the marketing band for initial rents;
- require that tenants of affordable housing units be offered either a one- or two-year rent stabilized lease, at their option;
- prohibit affordable housing units from being operated as a hotel or rented to corporations, partnerships or other entities;
- establish distribution requirements regarding the location of affordable housing units in relation to market units in the multiple dwelling; and
- provide the method for calculating penalties that may be imposed for violations of the affordability requirements of the Act on or after expiration of the benefit period and for the publication of the penalty schedule on HPD's website.

HPD's authority for these rules is found in sections 1043 and 1802 of the New York City Charter, and Section 467-m of the Real Property Tax Law.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

(2) Notwithstanding paragraph (1) of this subdivision and the definition of "Permitted Rent" in section 64-01 of this chapter, where an Eligible Multiple Dwelling is receiving tax exempt bond proceeds or tax credits, the Agency may authorize the following changes to the information in the Workbook concerning the Affordable Housing Units in such Eligible Multiple Dwelling after the Agency has provided an initial approval thereof:

(i) with respect to the Actual Rents listed in such Workbook, the Agency may authorize changes to the Utility Allowance and Multifamily Tax Subsidy Project Income Limits for the New York, New York HUD FMR Area until the marketing advertisement for such Affordable Housing Units has been published through Housing Connect, provided that the tax credit monitoring agency for such Eligible Multiple Dwelling has approved such changes; and

(ii) with respect to the Legal Rents listed in such Workbook, the Agency may authorize changes to the Utility Allowance and Multifamily Tax Subsidy Project Income Limits for the New York, New York HUD FMR Area until Permanent Conversion, provided that such changes do not alter the Actual Rents for such Affordable Housing Units published in the marketing advertisement through Housing Connect.

(b) The Application must be submitted with the non-refundable filing fee established by the Act, provided that twenty-five percent of such filing fee shall be submitted with the initial Workbook submission, and provided further, however, that the Agency may waive such filing fee for any Application for an Eligible Conversion in which all of the Dwelling Units are Affordable Housing Units constructed with the substantial assistance of grants, loans or subsidies provided by a federal, state or local agency or instrumentality pursuant to a program for the development of affordable housing. Any superintendent unit required by the Housing Maintenance Code or Multiple Dwelling Law to be in the Eligible Multiple Dwelling containing such Affordable Housing Units shall not disqualify such Eligible Conversion from the

filing fee waiver the Agency may provide pursuant to this subdivision.

(c) Each Application shall include:

(1) Evidence satisfactory to the Agency that a restrictive declaration in a form satisfactory to the Agency:

(i) has been executed by the fee owner and any ground lessee of the Eligible Multiple Dwelling;

(ii) has been recorded against the real property containing the Eligible Multiple Dwelling;

(iii) identifies each Affordable Housing Unit in the Eligible Multiple Dwelling, the number of bedrooms in such Affordable Housing Unit, the applicable prescribed percentage of Area Median Income for such Affordable Housing Unit, and provides that the rents to be charged to the tenants of each such Affordable Housing Unit shall be established pursuant to this chapter, and provides that the Affordable Housing Units in such Eligible Multiple Dwelling shall during the Restriction Period be rented to eligible tenants at or below the Permitted Rent and be subject to Rent Stabilization; and

(iv) provides that such Eligible Multiple Dwelling must comply with all of the requirements for AHCC Program Benefits during the Restriction Period.

(2) Evidence satisfactory to the Agency that:

(ii) the Notice of Intent to begin marketing the Affordable Housing Units was filed with the Agency.

(3) Proof that the Agency determined that:

(i) an Eligible Multiple Dwelling will meet the unit mix requirements for Affordable Housing Units established pursuant to paragraph (b) of subdivision six of the Act, or, in accordance with such paragraph, is exempt from such unit mix requirements; and

(4) An executed Monitoring Contract.

(5) An affidavit from a registered architect or professional engineer licensed to practice and in good standing with the New York State Department of Education that, among other things, calculates the Aggregate Floor Area of the Eligible Multiple Dwelling and the Aggregate Floor Area of Ineligible Space in the Eligible Multiple Dwelling.

(d) All Applications must be submitted on forms approved by HPD.

§64-03 Legal Instrument. The restrictive declaration required pursuant to paragraph one of subdivision c of section 64-02 of this chapter shall constitute the legal instrument, in accordance with subparagraph (v) of paragraph (j) of subdivision six of the Act, by which the requirements associated with AHCC Program Benefits will be recorded and enforced.

§64-04 Commencement Date.

(a) The Commencement Date for an Eligible Conversion shall be the date of the initial issuance by the Department of Buildings to a Non-Residential Building of one of the following types of permits:

(2) Job Type: "Alteration CO"; Work Type: "General Construction"; or

(3) Job Type: "Alteration Type 1"; Work Type: "OT - General Construction".

§64-06 Distribution Requirements.

(a) If a Story in an Eligible Multiple Dwelling contains one or more Affordable Housing Units, not less than thirty percent of the Dwelling Units on such Story shall be Market Units, provided, however, that the Agency may waive such requirement where either:

(1) the Affordable Housing Units comprise more than fifty percent of the units in such Eligible Multiple Dwelling; or

(2) there is only one Dwelling Unit on such Story.

(b) Each Building Segment in an Eligible Multiple Dwelling must contain one or more Affordable Housing Units and have the same or similar proportion of Affordable Housing Units to Market Units.

(c) All Common Areas in an Eligible Multiple Dwelling shall be open and accessible to the residents of all of the rental Dwelling Units in such Eligible Multiple Dwelling, including the residents of any Affordable Housing Units.

(d) The Agency may disapprove any Building configuration that would frustrate the intent and purpose of paragraph (a) of subdivision six of the Act and subdivisions (a) through (c) of this section by segregating Affordable Housing Units or limiting the ability of residents of Affordable Housing Units to access an Eligible Multiple Dwelling's Common Areas.

§64-07 Rent and Income During the Restriction Period.

(a) The rent for an Affordable Housing Unit shall not exceed the Permitted Rent;

No Eligible Multiple Dwelling that is operated as a Hotel shall be eligible for AHCC Program Benefits.

§64-09 Penalties for violations of affordability requirements.

(a) On or after the expiration date of the AHCC Program Benefits provided pursuant to the Act, the Agency may impose, after notice and an opportunity to be heard in accordance with the procedures established pursuant to chapter 39 of this title, a penalty for any violation by an Eligible Multiple Dwelling of the affordability requirements of subdivision six of the Act.

(b) The Agency shall compute the penalties under this section as a percentage of the capitalized value of all AHCC Program Benefits on the Eligible Multiple Dwelling, calculated as of the first year that benefits were granted, not to exceed one thousand percent.

Notice of Adoption

NOTICE IS HEREBY GIVEN THAT pursuant to Section 485-x of the New York State Real Property Tax Law and in accordance with Sections 1043 and 1802 of the City Charter, the Department of Housing Preservation and Development (HPD) is adopting a new Chapter 63 to Title 28 of the Rules of the City of New York to implement the

Affordable Neighborhoods for New Yorkers Tax Incentive program adopted by the New York State Legislature in Chapter 56 of the Laws of 2024.

A notice of proposed rulemaking was published in the City Record on October 3, 2024. A public hearing was held on November 6, 2024.

Commissioner Adolfo Carrion, Jr.

December 16, 2024

Statement of Basis and Purpose

Statutory Background

In 2024, the Legislature amended the New York State Real Property Tax Law ("RPTL") by adding a new section 485-x to provide exemptions from real property taxes to housing developments that meet certain affordability thresholds. That legislation (the "Act") created the Affordable Neighborhoods for New Yorkers Tax Incentive program ("ANNY Program Benefits" or the "Program"). ANNY Program Benefits are available to housing created from the construction of new buildings or certain conversions of existing buildings. ANNY Program Benefits are not available to properties that are used as hotels. To receive ANNY Program Benefits, a development must contain six or more dwelling units and construction must have started after June 15, 2022, and on or before June 15, 2034, and be completed on or before June 15, 2038. The Act conferred sole rulemaking authority to HPD with respect to the Program in all areas other than construction wages and prevailing wages, for which the Comptroller also was conferred rulemaking authority.

The amount of the tax exemption granted under the Program varies depending upon the size of the project as well as whether the project is for rental or homeownership units. Depending on these characteristics, developments are placed into categories. Each category has different eligibility requirements to receive ANNY Program Benefits. The categories are:

- **Small Rental Projects:** Small Rental Projects must have more than five and less than eleven residential rental dwelling units and be located outside Manhattan on a zoning lot that permits a residential floor area of no more than 12,500 square feet and maintain at least 50% of those units as permanently rent stabilized. Small Rental Projects that comply with all Program requirements will receive a 100% exemption from real property taxes for the "construction period", as that term is defined in the Act, and for the first ten years after the construction period.
- **Modest Rental Projects:** Modest Rental Projects must have more than five and less than one hundred residential rental dwelling units. In addition, at least 20% of those units must be permanently rent stabilized "affordable housing units", as that term is defined in the Act, with no more than three tenant income bands with a weighted average not to exceed 80% of the Area Median Income and no individual income band exceeding 100% of the Area Median Income. Modest Rental Projects that comply with all Program requirements will receive a 100% exemption from real property taxes for the construction period and for the first 25 years after the construction period. For the next ten years after that, a Modest Rental Project will receive a real property tax exemption equal to the "affordability percentage", which the Act defines as the percentage of total units in the development that meet the affordability criteria.
- **Large Rental Projects:** Large Rental Projects must have at least 100 residential rental dwelling units. In addition, at least 25% of those units must be permanently rent stabilized affordable housing units with no more than three tenant income bands with a weighted average not to exceed 80% of the Area Median Income and no individual income band exceeding 100% of Area Median Income. Large Rental Projects that comply with all Program requirements will receive a 100% exemption from real property taxes for the construction period and for 35 years after the construction period.
- **Very Large Rental Projects:** Very Large Rental Projects must be located in Zone A (which includes Manhattan south of 96th Street, Williamsburg, Greenpoint, and Long Island City) or Zone B (which includes Downtown Brooklyn, DUMBO, Brooklyn Heights, Fort Greene, Clinton Hill, Carroll Gardens, Cobble Hill, Gowanus, Red Hook, Park Slope, Prospect Heights, and Astoria) and have at least 150 residential rental dwelling units. In addition, at least 25% of those units must be permanently rent stabilized affordable housing units with no more than three tenant income bands with a weighted average of 60% of the Area Median Income and no individual income band exceeding 100% of Area

Median Income. Very Large Rental Projects in Zone B that comply with all Program requirements will receive a 100% exemption from real property taxes for the construction period and for 40 years after the construction period. Very Large Rental Projects in Zone A that comply with all Program requirements will receive a 100% exemption from real property taxes for the "extended construction period", as that term is defined in the Act, and a 100% property tax exemption for the first 40 years after the extended construction period. All Very Large Rental Projects are exempt from paying real property taxes on the assessed value of land and improvements in effect during the tax year prior to the date when construction started.

- **Homeownership Projects:** Homeownership Projects must be located outside of Manhattan. 100% of the dwelling units must have an average assessed value per square foot of no more than \$89 upon the first assessment following the completion of the project and each unit owner must agree in writing to maintain the unit as their primary residence for no less than five years from acquisition. Homeownership Projects that comply with all Program requirements are entitled to a 100% exemption from real property taxes for the construction period and for 14 years after the construction period. For the following six years after that, Homeownership Projects will receive a 25% exemption from real property taxes.

In addition to the important affordability requirements described above, the Act imposes numerous other requirements on Program participants. Notable requirements relevant to these Adopted Rules include:

- **Procurements from MWBEs:** All projects must, over the course of their design and construction, make reasonable efforts to spend at least 25% of applicable costs on contracts with minority and women owned business enterprises.
- **Requirements for Restricted Units:** The Act uses the term "restricted unit" to refer to rental dwelling units that are "affordable housing units," as that term is defined in the Act, or units that are subject to rent stabilization in accordance with Affordability Option C, as defined in the Act. The Act provides that in the event a restricted unit is occupied by an approved tenant and HPD denies the ANNY Program Benefits application or such application is never filed or is withdrawn after filing, such restricted unit must remain rent stabilized until such tenant vacates. In addition, restricted units cannot be rented on a temporary, transient or short-term basis. Each initial lease and lease renewal must be for one or two years, at the option of the tenant. Restricted units cannot be converted to cooperative or condominium ownership.
- **Unit Mix:** All affordable housing units must have a mix of unit sizes (one-bedroom, two-bedroom, etc.) proportional to the mix for market units. Alternatively, at least 50% of the affordable housing units must have two or more bedrooms and no more than 25% can have less than one bedroom.
- **Common Spaces:** All affordable rental dwelling units must share the same common entrances and common areas as rental market units. Affordable housing units cannot be isolated to a particular floor or area.
- **Replacement Ratio:** If the land on which a project is located contained any dwelling units three years prior to the start of construction, the project must provide at least one affordable housing unit (or in the case of Small Rental Projects, one restricted unit) for each dwelling unit that existed three years prior to the start of construction and was thereafter demolished, removed or reconfigured.
- **Concurrent Benefits:** Concurrent exemptions or abatements are prohibited, but projects may voluntarily renounce or terminate ANNY Program Benefits if HPD so authorizes in order to commence a new tax exemption pursuant to either the Private Housing Finance Law or Real Property Tax Law Section 420-c.
- **Program Applications:** Prospective applicants must file a form with HPD stating their intention to apply for ANNY Program Benefits and will be subject to a penalty not to exceed 100% of the application filing fee for failure to do so. Applications must be filed not later than one year after the completion date with a filing fee of (a) \$3,000 per dwelling unit for projects with more than five and less than eleven residential rental dwelling units, (b) \$4,000 per dwelling unit for projects with more than eleven and less than one hundred residential rental dwelling units, (c) \$4,000 per dwelling unit

for any Homeownership Project; and (d) \$5,000 per dwelling unit for any project with at least one hundred residential rental dwelling units. The Act authorizes HPD to promulgate rules imposing a lesser fee for governmentally assisted housing and to require a portion of the filing fee to be paid upon the submission of information HPD requires to commence the marketing process for Modest Rental Projects, Large Rental Projects and Very Large Rental Projects.

- **Penalties for Violations:** Finally, HPD has the authority to impose penalties for, among other things, violations of the affordability and rent stabilization requirements on and after the expiration date of the relevant benefit period and to establish the schedule and method of calculation of such fines by rule.

The Adopted Rules

The Adopted Rules address five topics: (i) the form and process of applications for ANNY Program Benefits; (ii) rent and tenant income levels; (iii) the composition of a Program project in terms of the size and location of affordable units and design of common spaces; (iv) provisions pertaining to hotels, motels, and tourist cabins; and (v) penalties. In particular, the Adopted Rules provide as follows:

ANNY Program Benefit Applications

Under the Adopted Rules, applications for ANNY Program Benefits cannot be filed prior to a project's completion date. The Act defines the "completion date" as the date that the Department of Buildings issues the first temporary or permanent certificate of occupancy covering all residential areas of an eligible multiple dwelling, as that term is defined in the Act. There are two exceptions to this rule. First, if an application for a rental project includes two or more eligible multiple dwellings on the same zoning lot, the application deadline is set at one year after the last completion date for such eligible multiple dwellings. However, an applicant could file the application after the completion date of the first such eligible multiple dwelling and subsequently amend the application following the completion date of any other eligible multiple dwelling on the lot. In a project with more than one eligible multiple dwelling, ANNY Program Benefits cannot be granted to such additional buildings and will be revoked for any that already received the benefits unless all such eligible multiple dwellings in such application remain in full compliance with all of the Program eligibility requirements. Second, Homeownership Projects cannot submit an application until after the first assessment following the completion date and board authorization and consent forms and deeds have been filed for each unit in the Homeownership Project.

The Adopted Rules further provide that applicants must file an applicant registration form before they can file an application for ANNY Program Benefits. Failure to comply will result in a penalty fee. All Program applications must include the non-refundable filing fee, provided, however, that a Modest Rental Project, Large Rental Project and Very Large Rental Project must submit 25% of the applicable non-refundable filing fee with its initial workbook submission to HPD. (The workbook is a form that contains all of the information HPD needs to review and approve before it can begin the marketing process for the affordable housing units.)

Finally, the Adopted Rules set forth the documentation applicants must submit to receive ANNY Program Benefits. An application must include:

- 1) Evidence satisfactory to HPD that the applicant has recorded a restrictive declaration for any rental project that identifies each restricted unit in each eligible multiple dwelling, identifies each affordable housing unit in each eligible multiple dwelling, including its Area Median Income limit and number of bedrooms, and requires that the rents of each such affordable housing unit shall be set in accordance with these Adopted Rules. This restrictive declaration must also provide that all such affordable housing units must be rented to eligible tenants at or below the rent ceiling established by these Adopted Rules and that all such restricted units be rent stabilized. The restrictive declaration for a Homeownership Project must provide the requirements for building size, post-completion square footage assessment cap and primary residency.
- 2) For Modest Rental Projects, Large Rental Projects and Very Large Rental Projects only, an executed monitoring contract with an approved marketing monitor, satisfactory evidence that the workbook was filed within the time periods specified in these Adopted Rules, and proof of the filing of the notice of intent to begin marketing the affordable housing units.

- 3) An affidavit from a licensed architect or professional engineer that, among other things, calculates the floor area for purposes of determining the limitations on benefits for non-residential space.
- 4) For Homeownership Projects, the deed and the board authorization and consent form for every unit in such Project.
- 5) Proof that the project has met the participation goal for minority and women owned business enterprises or made reasonable efforts to do so.

Rent and Tenant Income Levels

The Adopted Rules establish the rent and income restrictions that apply to the affordable housing units during the restriction period (which is defined by the Act as a period commencing on the completion date and extending in perpetuity for rental projects). The Adopted Rules also require that with respect to the initial rent up of the affordable housing units, a Marketing Band for the initial rents shall be established by deducting three percentage points from the applicable Area Median Income, adjusted by unit size and the applicable Utility Allowance. Finally, the Adopted Rules also require that tenants of restricted units be offered either a one- or two-year rent stabilized lease, at their option.

Composition of Program Projects

The Adopted Rules establish that on any story containing one or more affordable housing units, at least 30% of the dwelling units on that story must be market units. The Adopted Rules authorize HPD to waive this requirement if the affordable housing units comprise more than 50% of the dwelling units in the eligible multiple dwelling or where there is only one dwelling unit per story. In addition, every building segment within a Modest Rental Project, Large Rental Project, or Very Large Rental Project must contain one or more affordable housing units and the same or similar proportion of affordable housing units to market units in each building segment. In other words, these requirements prohibit confining affordable housing units to one area of an eligible multiple dwelling. Further, all rental dwelling units, including affordable housing units, must share common areas. The Adopted Rules would authorize HPD to disapprove any building configuration that frustrates the intent and purposes of the Act and HPD's rules by segregating affordable housing units or limiting the ability of residents of affordable housing units to access common areas. Finally, the Adopted Rules provide that for purposes of these distribution and non-isolation requirements, a building comprised of two or more residential condominium units constitutes one eligible multiple dwelling, as that term is defined in the Act.

Hotel Prohibition

The Adopted Rules prohibit projects participating in the Program from being operated as a hotel and restricted units from being rented to corporations, partnerships or other entities.

Penalties

The Adopted Rules provide that penalties for violations of the rent stabilization and affordability requirements will be calculated as a percentage of the capitalized value of all ANNY Program Benefits at that site as of the first year that benefits were conferred and not to exceed 1,000%. The Adopted Rules provide that a penalty schedule will be published on HPD's website.

HPD's authority for these rules is found in sections 1043 and 1802 of the New York City Charter, and section 485-x of the Real Property Tax Law.

(a) No Application shall be filed with respect to any Rental Project or Homeownership Project that failed to file the Applicant Registration Form and did not pay the penalty imposed by the Agency in accordance with subdivision 16 of the Act.

(b) No Application shall be filed with respect to any Rental Project before the Completion Date of such Rental Project.

(c) Notwithstanding the provisions of subdivision b of this section, where a Rental Project is composed of two or more Eligible Multiple Dwellings on the same zoning lot that are part of a single Application, such Application shall be filed no later than one year after the last Completion Date of such Eligible Multiple Dwellings, provided, however, that:

(1) an Application may be filed for the first Eligible Multiple Dwelling in such Rental Project that meets all of the eligibility requirements for ANNY Program Benefits after the Completion Date of such Eligible Multiple Dwelling and such Application may be amended after the Completion Date of each additional Eligible Multiple Dwelling in such Rental Project;

(2) the Notice of Intent filed with the Application shall include the Affordable Housing Units in such first Eligible Multiple Dwelling as well as any Affordable Housing Units in each additional Eligible Multiple Dwelling in such Rental Project with a Completion Date that will be less than three years after the Completion Date of the first Eligible Multiple Dwelling, and any Eligible Multiple Dwellings in such Rental Project with a Completion Date that will be three years or more after the Completion Date of such first Eligible Multiple Dwelling shall be required to file separate Notices of Intent and provide proof thereof at the time such Application is amended; and

(3) no ANNY Program Benefits shall be granted to any Eligible Multiple Dwelling that is part of such Application unless all of the Eligible Multiple Dwellings in such Application that were previously granted such benefits remain in full compliance with all of the eligibility requirements for such benefits.

(d) No Application shall be filed with respect to any Homeownership Project before (1) the first assessment following the Completion Date; and (2) there are Board Authorization and Consent Forms and Deeds for each unit in such Homeownership Project.

(e)

(1) The Agency may authorize changes to any information provided in the Workbook;

(i) after the Agency has provided an initial approval thereof until the Notice of Intent has been accepted by the Agency; and

(ii) after the Notice of Intent has been accepted by the Agency only if such information conflicts with the requirements of a regulatory agreement with a federal, state or local governmental agency or instrumentality, provided, however, that with respect to both subparagraphs (i) and (ii) of this paragraph, the Agency shall not authorize any changes to the Utility Allowance and Multifamily Tax Subsidy Project Income Limits for the New York, New York HUD FMR Area after the first Workbook is submitted.

(2) Notwithstanding paragraph (1) of this subdivision, where, in accordance with paragraph (1) of subdivision (c) of this section, an Application has been filed for a Rental Project composed of two or more Eligible Multiple Dwellings on the same zoning lot, after the Completion Date of the first such Eligible Multiple Dwelling that meets all of the eligibility requirements of the ANNY Program and before the Completion Date of all additional Eligible Multiple Dwellings in such Rental Project, the Agency may authorize changes to the Utility Allowance and Multifamily Tax Subsidy Project Income Limits for the New York, New York HUD FMR Area after the Workbook is submitted solely with respect to any Eligible Multiple Dwelling in such Rental Project whose Completion Date is three or more years after the Completion Date of the first Eligible Multiple Dwelling for which the Application was filed for such Rental Project in accordance with paragraph (1) of subdivision (c) of this section, and provided further, in accordance with paragraph (2) of subdivision (c) of this section, that such changes shall only be authorized until a Notice of Intent has been filed for any such Eligible Multiple Dwelling in such Rental Project whose Completion Date is three or more years after the Completion Date of the Eligible Multiple Dwelling for which such Application was first filed.

(3) Notwithstanding paragraph (1) of this subdivision and the definition of "Permitted Rent" in section 63-01 of this chapter, where an Eligible Multiple Dwelling is receiving tax exempt bond proceeds or tax credits, the Agency may authorize the following changes to the information in the Workbook concerning the Affordable Housing Units in such Eligible Multiple Dwelling after the Agency has provided an initial approval thereof:

(i) with respect to the Actual Rents listed in such Workbook, the Agency may authorize changes to the Utility Allowance and Multifamily Tax Subsidy Project Income Limits for the New York, New York HUD FMR Area until the marketing advertisement for such Affordable Housing Units has been published through Housing Connect, provided that the tax credit monitoring agency for such Eligible Multiple Dwelling has approved such changes; and

(ii) with respect to the Legal Rents listed in such Workbook, the Agency may authorize changes to the Utility Allowance and Multifamily Tax Subsidy Project Income Limits for the New York, New York HUD FMR Area until Permanent Conversion, provided that such changes do not

alter the Actual Rents for such Affordable Housing Units published in the marketing advertisement through Housing Connect.

(f)

(1) The Application must be submitted with the non-refundable filing fee established by the Act, provided, however that the Agency may waive such filing fee for any Application for a Rental Project in which all of the dwelling units are Affordable Housing Units constructed with the substantial assistance of grants, loans or subsidies provided by a federal, state or local agency or instrumentality pursuant to a program for the development of affordable housing. Any superintendent unit required by the Housing Maintenance Code or Multiple Dwelling Law to be in the Eligible Multiple Dwelling containing such Affordable Housing Units shall not disqualify such Rental Project from the filing fee waiver the Agency may provide pursuant to this subdivision.

(2) Notwithstanding anything to the contrary contained in paragraph (1) of this subdivision, a Modest Rental Project, Large Rental Project or Very Large Rental Project shall submit twenty-five percent of the applicable non-refundable filing fee with its initial Workbook submission.

(g) Each Application shall include:

(1) Evidence satisfactory to the Agency that a restrictive declaration in a form satisfactory to the Agency:

(i) has been executed by the fee owner and any ground lessee of the Eligible Multiple Dwelling;

(ii) has been recorded against the real property containing the Eligible Multiple Dwelling;

(iii) with respect to a Rental Project, (A) identifies each Restricted Unit in each Eligible Multiple Dwelling; (B) identifies each Affordable Housing Unit in each Eligible Multiple Dwelling, including with respect to each such Affordable Housing Unit the number of bedrooms and the applicable prescribed percentage of Area Median Income; (C) provides that the rents to be charged to the tenants of each such Affordable Housing Unit shall be established pursuant to this chapter; (D) provides that the Affordable Housing Units in each such Eligible Multiple Dwelling shall during the Restriction Period be rented to eligible tenants at or below the Permitted Rent; and (E) provides that each Restricted Unit in each such Eligible Multiple Dwelling shall be subject to Rent Stabilization for the Restriction Period;

(iv) with respect to a Homeownership Project, provides the Building Size Requirement, the Post-Completion Square Foot Assessment Cap Requirement and the Primary Residence Requirement; and

(v) provides that each Eligible Multiple Dwelling must comply with all of the requirements for ANNY Program Benefits during the Restriction Period.

(2) Evidence satisfactory to the Agency that the Workbook was filed:

(i) for Modest Rental Projects containing no more than ten residential dwelling units, no earlier than six months before the Completion Date and no later than two months after the later of (A) the Completion Date; or (B) the effective date of this rule;

(ii) for Modest Rental Projects containing more than ten residential dwelling units and less than one hundred residential dwelling units, no earlier than nine months before the Completion Date and no later than two months after the later of (A) the Completion Date; or (B) the effective date of this rule; or

(iii) for Large Rental Projects and Very Large Rental Projects, no earlier than twelve months before the Completion Date and no later than two months after the later of (A) the Completion Date; or (B) the effective date of this rule; and

(3) Evidence satisfactory to the Agency that the Notice of Intent to begin marketing the Affordable Housing Units was filed with the Agency or, with respect to any Application filed in accordance with subdivision (c) of this section, one or more Notices of Intent were filed in accordance with paragraph (2) of subdivision (c) with such Application and any amendment thereto.

(4) Proof that the Agency determined that:

(i) an Eligible Site will meet the unit mix requirements for Affordable Housing Units established pursuant to paragraph (b) of subdivision eight of the Act, or,

in accordance with such paragraph, is exempt from such unit mix requirements; and

(ii) an Eligible Multiple Dwelling will meet the distribution requirements for rental dwelling units established pursuant to paragraph (a) of subdivision eight of the Act and section 62-03 of this chapter.

(5) An executed Monitoring Contract for a Modest Rental Project, Large Rental Project and Very Large Rental Project.

(6) An affidavit from a registered architect or professional engineer licensed to practice and in good standing with the New York State Department of Education that, among other things, calculates the Aggregate Floor Area of each Eligible Multiple Dwelling in the Eligible Site and the Aggregate Floor Area of all Ineligible Space in each Eligible Multiple Dwelling in the Eligible Site.

(7) With respect to a Homeownership Project, the Deed and the Board Authorization and Consent Form for every unit in such Homeownership Project.

(8) An affidavit that such Rental Project or Homeownership Project either:

(i) met the Participation Goal; or

(ii) made Reasonable Efforts to meet the Participation Goal.

§63-03 Distribution Requirements.

(a) If a Story in an Eligible Multiple Dwelling contains one or more Affordable Housing Units, not less than thirty percent of the dwelling units on such Story shall be Market Units, provided, however, that the Agency may waive such requirement where either:

(1) the Affordable Housing Units comprise more than fifty percent of the units in such Eligible Multiple Dwelling; or

(2) there is only one dwelling unit on such Story.

(b) Each Building Segment in an Eligible Multiple Dwelling in a Modest Rental Project, Large Rental Project or Very Large Rental Project must contain one or more Affordable Housing Units and have the same or similar proportion of Affordable Housing Units to Market Units.

(c) All Common Areas in an Eligible Multiple Dwelling in a Rental Project shall be open and accessible to the residents of all of the rental dwelling units in such Eligible Multiple Dwelling, including the residents of any Affordable Housing Units.

(d) Notwithstanding any inconsistent provision of this chapter, for the purpose of paragraph (a) of subdivision eight of the Act and subdivisions (a) through (c) of this section, a Building comprised of two or more Residential Condominium Units constitutes one Eligible Multiple Dwelling.

(e) The Agency may disapprove any Building configuration that would frustrate the intent and purpose of paragraph (a) of subdivision eight of the Act and subdivisions (a) through (c) of this section by segregating Affordable Housing Units or limiting the ability of residents of Affordable Housing Units to access an Eligible Multiple Dwelling's Common Areas.

§63-04 Rent and Income During the Restriction Period.

(a) The rent for an Affordable Housing Unit shall not exceed the Permitted Rent;

(b) Pursuant to paragraph (j) of subdivision 8 of the Act, the Marketing Band for the initial rents of Affordable Housing Units shall be established by deducting three percentage points from the applicable Area Median Income, adjusted by unit size and the applicable Utility Allowance;

(c) Each Affordable Housing Unit shall be occupied by a household whose income at the time that such household initially occupies such Affordable Housing Unit is not more than the maximum percentage of the Area Median Income specified for such Affordable Housing Unit pursuant to the Act;

(d) An Affordable Housing Unit shall be leased, both upon initial rent-up and upon any subsequent vacancy, pursuant to such marketing guidelines as may be published by the Agency;

(e) No Affordable Housing Unit shall be held off the market for a period that is longer than reasonably necessary;

(f) No Affordable Housing Unit shall be offered to a corporation, partnership or other entity;

(g) No lease for an Affordable Housing Unit can be executed until the Agency verifies the eligibility of the proposed tenants; and

(h) Each tenant of an Affordable Housing Unit shall be offered a rent

stabilized lease for a term of either one or two years, at such tenant's option.

§63-05 Hotels, Motels and Tourist Cabins.

(a) Eligible Sites located on land that contained dwelling units designated as Motel rooms or as Tourist Cabins on the certificate of occupancy in effect three years prior to the Commencement Date shall not be subject to subdivision ten of the Act with respect to any dwelling units in such Motel or Tourist Cabin that existed on such date and that were thereafter demolished, removed or reconfigured.

(b) No Eligible Multiple Dwelling that is operated as a Hotel shall be eligible for ANNY Program Benefits.

§63-06 Penalty Provisions.

On or after the expiration date of the Ten Year Benefit, Twenty Year Benefit, Thirty-Five Year Benefit or Forty-Year Benefit, as applicable, the Agency may, after providing notice and an opportunity to be heard in accordance with the procedures established pursuant to chapter 39 of this title, impose a penalty for any violations of the Rent Stabilization requirements or the affordability requirements established pursuant to subdivision eight of the Act, on the owner of such Eligible Site at the time of such violation, in accordance with the following method of calculation: A penalty imposed under this section shall be computed as a percentage of the capitalized value of all ANNY Program Benefits on the Eligible Site containing such Rental Project, calculated as of the first year that benefits were conferred, not to exceed one thousand percent. The Agency shall establish a schedule in accordance with this formula.

Community Development Block Grant Program

Final Notice and Public Explanation of a Proposed Activity in a Federal Flood Risk Management Standard (FFRMS) Designated Floodplain

To: All Interested Agencies, Groups and Individuals

This is to give notice that the City of New York's Mayor's Office of Management and Budget (OMB) has conducted an evaluation as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Wetlands Protection. The activity is funded under the NYC Department of Housing Preservation and Development's (HPD) Demolition Program and under U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) grant #B-24-MC-0104.

The proposed project is located at 706 Ocean View Avenue, Brooklyn (Kings County), New York (Block 8677, Lot 5). The extent of the FFRMS floodplain was determined using a Climate Informed Science Approach (CISA).

The subject property is a 1,178-square-foot, multiple-dwelling, detached building with wood framing and masonry walls. This is a residential structure that includes two stories and a cellar. The building is vacant, open, and unguarded; the brick walls are heavily deteriorated with bulging and cracking indicating stress failure at those locations. At least two walls are structurally compromised, and their potential collapse poses a danger to the public adjacent property. The Supreme Court of the State of New York has found sufficient reason to order the building's demolition, which would include the removal of asbestos-containing materials (if applicable), demolition of the structure, removal of the foundation, grading the property, replacing the sidewalk, and the safe disposal of all debris in accordance with all NYC Department of Buildings rules and regulations.

The building sits on a 2,400-square-foot lot (approximately .06 acres), two structures in from the western corner of Brighton 7th Street and Ocean View Avenue. The surrounding community of Brighton Beach is a developed, mixed-use area situated in both a 100-year floodplain and a 500-year floodplain bounded approximately by Brighton Beach Avenue on the south, the Belt Parkway on the north, Ocean Parkway on the west, and the Sheepshead Bay on the east.

OMB has considered the following alternatives and mitigation measures to minimize adverse impacts and to restore and preserve natural and beneficial values: taking no action, fencing the property, sealing/stabilizing the building, erecting sidewalk sheds, and rehabilitating the property. The City does not have the legal authority to rehabilitate the property, and none of the remaining alternatives would alleviate the health and safety threat.

OMB has reevaluated the alternatives to demolishing this structure and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988, will be provided for public inspection as

noted in the last paragraph of this notice for receipt of comments.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by OMB on or before December 17, 2024: CDBGComments@omb.nyc.gov or City of New York Mayor's Office of Management and Budget, Attention: Julie Freeman, Director of Community Development, 255 Greenwich Street, 8th Floor, New York, New York 10007.

A full description of the project may also be reviewed from 10:00 A.M. to 6:00 P.M. at the address provided and at www.nyc.gov/cdbgdr. Comments may also be submitted via email at CDBGComments@omb.nyc.gov.
