DESIGN AND CONSTRUCTION

■ PUBLIC HEARINGS

PLEASE TAKE NOTICE, that in accordance with Section 201-204 (inclusive) of the New York State Eminent Domain Procedure Law ("EDPL"), a public hearing will be held by the City of New York ("City") acting by and through its Department of Design and Construction, in

connection with the acquisition of properties for roadway improvements in East 72nd Street from Avenue M to Royce Place (Capital Project HWK002377) in the Borough of Brooklyn ("the Project").

The time and place of the hearing is as follows:

DATE: Wednesday, January 8, 2025
TIME: 11:00 A.M.
LOCATION: Community Board 18
1097 Bergen Avenue, Brooklyn, NY 11234

Please note that you may also join this hearing virtually through Microsoft Teams by visiting our website at <https://www.nyc.gov/site/ddc/projects/ProjectAcquisitionEvents.page> for the link to the Capital Project HWK002377 – East 72nd Street, Brooklyn public hearing - at the above scheduled date and time.

The purpose of this hearing is to inform the public of the proposed roadway acquisition, the impact on unlotted streetbed listed below, to review the public use to be served by the Project, and the impact on the environment and residents. The scope of this Capital Project, within the acquisition area defined herein, will include reconstruction of the roadway, sanitary sewer replacement, and water main replacement.

The unlotted streetbed properties proposed to be acquired are within the acquisition limits as shown on the City's Damage and Acquisition Map, dated 2/11/22, last revised 8/5/2024, as follows ("the acquisition area"):

- East 72nd Street from Avenue M to Royce Place

The unlotted streetbed properties proposed to be acquired include the following locations, as shown on the Tax Map of the City of New York for the Borough of Brooklyn:

ADJACENT BLOCK #	ADJACENT LOT #
8362	29, 40

8372	21
8373	40, 42

There are no proposed alternate locations.

Any person in attendance at this meeting, either in person or virtually, shall be given a reasonable opportunity to present oral or written statements and to submit other documents concerning the proposed acquisition. Each speaker shall be allotted a maximum of five (5) minutes. In addition, written statements may be submitted to the General Counsel at the mailing or email addresses stated below, provided the comments are received by 5:00 P.M. on January 15, 2025 (five (5) business days from the public hearing date).

NYC Department of Design and Construction
Office of General Counsel, 4th Floor
30 – 30 Thomson Avenue
Long Island City, NY 11101

Acquisition_Unit@ddc.nyc.gov

Please note: Those property owners who may subsequently wish to challenge condemnation of their property via judicial review may do so only on the basis of issues, facts and objections raised at the public hearing.

PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

ADMINISTRATION FOR CHILDREN'S SERVICES

CHILD AND FAMILY WELL-BEING

■ INTENT TO AWARD

Human Services/Client Services

CHILDCARE ASSISTANCE/ PROMISE NYC- BX AND MN

- Negotiated Acquisition - Other - PIN#06825N0012 - Due 1-7-25 at 4:00 P.M.

The Administration for Children's Services, intends to enter into a negotiated acquisition contract, pursuant to Sections 3-04(b)(2)(i)(D) and 3-04(b)(2)(ii) of the Procurement Policy Board Rules, with Northern Manhattan Improvement Corporation for the provision of Childcare Assistance for Immigrant Families. The contract period is July 1, 2025 through June 30, 2026 with three one-year options to renew. Pursuant to Section 3-04 (d)(1) of the Procurement Policy Board Rules, due to the time constraint on the available funding, ACS is publishing this notice of intent for informational purposes.

A competitive process for procuring services from CBOs is incompatible with the time sensitive nature of the funding process. Additionally, there are a limited number of CBOs with demonstrated operational/

administrative capacity and a history running programs targeting this population, especially within the specific neighborhoods identified as having the highest populations of undocumented children. Given this, ACS also makes this request pursuant to Section 3-04(b)(2)(ii) of the PPB rules.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Administration for Children's Services, 150 William Street, 9th Floor, New York, NY 10038. Onajite Edah (212) 341-3518; onajite.edah@acs.nyc.gov

FY25 RENEWAL COMMUNITY SCHOOL SERVICES -R1191 - Renewal - PIN# 04020I0001027R001 - AMT: \$1,673,704.00 - TO: Center for Supportive Schools, Inc., 911 Commons Way, Princeton, NJ 08540.

The New York City Department of Education (DOE) is seeking qualified community-based organizations (Lead CBOs) to work with schools to implement the community school strategy in approximately 165 DOE schools ranging from elementary, middle, and high schools. Robust school and community partnerships will create supportive school environments and coordinate personalized social, emotional, and academic supports that are responsive to identified needs and build on the strengths of students, families, and communities. While there may be multiple partners working in DOE schools, the Lead CBO

coordinates all partners and aligns services with the DOE school's goals.

The DOE recommends the use a new award selection method for this RFP to be released through PASSPort, the City's digital Procurement and Sourcing Solutions Portal. This new method will allow for principals or his or her authorized representative, as well as at least two additional representatives from the School Leadership Team (SLT) to make an award selection (subject to a responsibility determination) after all proposals have been evaluated by a committee, following Section 3-03(i)(1) of the PPP rules.

AGENCY RULES

BUILDINGS

■ NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, Pursuant to the authority vested in the Commissioner of Buildings by section 643 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, DOB is amending section 103-12 of Subchapter C of Chapter 100 of Title 1 of the Rules of the City of New York.

This rule was published on October 4, 2024, and a public hearing was held on November 7, 2024. DOB received and considered written and oral comments from the public.

Dated: 12/16/2024 /S/
New York, New York James S. Oddo
Commissioner

Notice of Adoption

Pursuant to the authority vested in the Commissioner of Buildings by section 643 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, DOB is amending section 103-12 of Subchapter C of Chapter 100 of Title 1 of the Rules of the City of New York.

This rule was published on October 4, 2024, and a public hearing was held on November 7, 2024. DOB received and considered written and oral comments from the public.

Statement of Basis and Purpose

The Department of Buildings (“DOB” or “Department”) is amending section 103-12 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York to establish the filing requirements for applications for an adjustment to annual building emission limits in accordance with section 28-320.7 of the Administrative Code for the purpose of compliance with the greenhouse gas (GHG) emissions limits established by article 320 of chapter 3 of Title 28 of the Administrative Code. A building owner may qualify for such an adjustment to the annual building emissions limit where the building is subject to another provision of law or affected by a physical condition that prevents compliance with the limits. The proposed amendments would

also allow buildings subject to article 321 of chapter 3 of Title 28 of the Administrative Code to apply for an adjustment where the building owner is experiencing financial constraints.

The Department received and considered comments during the public comment period, including testimony submitted at the public hearing. One comment noted the law does not require buildings applying for an adjustment of the GHG Emission limits pursuant to Section 28-320.7(1) to purchase renewable energy credits. In response to this comment, the rule was changed to reflect that buildings need only purchase greenhouse gas offsets in connection with such an application. Several comments were submitted relating to the adjustment for buildings constrained by finances pursuant to Section 28-320.7(2). In particular, comments reflected:

- The view that the metric for condos and co-ops is too lenient;
- A request that the adjustment be made available to safety net hospitals; and
- A recommendation that special consideration be given to buildings housing residents with fixed incomes.

No changes were made in response to these comments. DOB believes the rule reflects industry best practices and treats buildings appropriately as required by the law. In addition, safety net hospitals may qualify for the adjustment. DOB will continue to monitor the implementation of the rule, with a particular focus on affordability concerns, in order to determine whether a future change to the rules would best support full and equitable compliance with the law.

DOB made other changes to the rule for consistency in formatting and process, including to clarify that the timeline for submitting an adjustment application is the same as the timeline for submitting the annual emissions report, to require the inclusion of the most recent annual emissions instead of historical benchmarking data in such applications, and to require the inclusion of actual results of compliance work in the adjustment application for buildings facing an external constraint.

The Department's authority for these rules is found in Sections 643 and 1043(a) of the New York City Charter and Article 320 of Chapter 3 of Title 28 of the New York City Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 103-12 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

§103-12. Requirements for Filing Applications for an Adjustment of Annual Greenhouse Gas Emission Limits [for Not-for-Profit Hospitals and Healthcare Facilities].

(a) [Purpose and Applicability. This section establishes the requirements for filing an application for an adjustment of the Greenhouse Gas (GHG) Emission limits for buildings owned by or leased to not-for-profit hospitals and healthcare facilities pursuant to Section 28-320.9 of the Administrative Code.

(b) Procedures for filing an application for an adjustment [under] of the Greenhouse Gas (GHG) Emission limits pursuant to Section 28-320.9 for buildings owned by or leased to not-for-profit hospitals and healthcare facilities. Applications for an adjustment must be filed by a registered design professional. Applications must include the following:

(1) 2018 benchmarking data submitted in accordance with Article 309 of Title 28 of the Administrative Code. Applicants must demonstrate:

- (i) the actual building emissions for calendar year 2018,
- (ii) the gross [square footage] floor area, where the whole building is occupied by a not-for-profit healthcare organization, or the total area occupied exclusively by a not-for-profit healthcare organization, and
- (iii) the occupancies in the building.

The documentation should confirm the building emissions intensity based on actual emissions for 2018 for the purpose of establishing a new limit if an adjustment is approved. Energy benchmarking data from 2018 may be modified if an applicant can justify the reason for a correction to the energy consumption data, gross floor area, and/or occupancies recorded for the covered building.

(2) Documentation of not-for-profit status. Applicants must submit a copy of the New York City Department of Finance Notice of Property Value as documentation of the owner's designation as

a not-for-profit organization. For buildings with a not-for-profit healthcare organization as a tenant, partial adjustments may be granted for area occupied exclusively by a not-for-profit healthcare organization for the purposes of healthcare services. An owner must submit a copy of the tenant's 501(c)(3) determination letter from the Internal Revenue Service.

(3) Documentation of separate metering for electricity. Owners may seek an adjustment for space leased to a not-for-profit healthcare tenant only if the space leased to the tenant is separately metered or sub-metered for electricity.

(4) Documentation of the lessor/lessee agreement. Applicants with a tenant that is a not-for-profit healthcare organization whose space is separately metered or sub-metered must submit documentation of the terms of the lessor/lessee agreement, including the term of the lease and the total area of space leased to the tenant for their exclusive use, in the form of an affidavit, signed by the owner. The current lease or a prior lease for the same space must have been effective for the entirety of calendar year 2018. If the lease is terminated and not renewed at any time between 2024 and 2034, the adjustment will be terminated for that space. The Department may request additional documentation as needed to support the adjustment.

(5) Effective period. An adjustment granted pursuant to Section 28-320.9 may be effective for the reporting years 2025 through 2034, provided that, when granted to an owner for a not-for-profit tenant, the tenant remains in the building. Owners may be required to provide additional documentation, as requested by the Department, to support the application for an adjustment.

(b) Procedures for filing an application for an adjustment of the GHG Emission limits pursuant to Section 28-320.7(1) for buildings subject to a provision of law or affected by a physical condition. Applications for an adjustment must be filed with the annual building emissions report by a registered design professional. Applications must include the materials listed in paragraphs (1) through (6) below. Owners may be required to provide additional documentation, as requested by the Department.

(1) Confirmation that the building was in existence, or that a permit for construction of such building was issued, prior to November 15, 2019; and

(2) The annual building emissions report for the calendar year prior to the submission of the application for an adjustment, submitted in accordance with Article 320 of Title 28 of the Administrative Code and section 103-14 of these rules; and

(3) A detailed description of the provision of law or physical condition of the building or building site preventing compliance with the annual building emissions limit and a technical explanation of how such provision or condition makes it not reasonably possible for the building to achieve strict compliance with the annual building emissions limit; and

(4) A technical explanation of the building's efforts to achieve compliance with the annual building emissions limit to the maximum extent possible, including:

(i) all carbon reduction alterations and energy efficiency measures implemented since 2019, including actual emissions reductions and efficiency increases achieved,

(ii) a plan for decarbonizing such building to the maximum extent possible, and

(iii) all alternative methods to achieve compliance considered and why such methods were not deemed reasonably possible; and

(5) An affidavit from an entity funded by the city to provide compliance resources, pursuant to guidance issued by the Department, stating the owner availed itself of all city, state, federal, private, and utility incentive programs related to energy reduction or renewable energy, for which they could reasonably apply; and

(6) Evidence that the owner has purchased the maximum amount of greenhouse gas offsets authorized under section 103-14 of these rules and pursuant to guidance issued by the Department.

(7) Effective period. An adjustment granted pursuant to this subdivision may be effective for a maximum of three calendar years.

(c) Procedures for filing an application for an adjustment of the GHG Emission limits pursuant to Section 28-320.7(2) for buildings constrained by finances. Applications for an adjustment must be filed with the annual building emissions report by a registered design professional. Applications must include the materials listed in

paragraphs (1) through (4) below. Owners may be required to provide additional documentation, as requested by the Department.

(1) Confirmation that the building was in existence, or that a permit for construction of such building was issued, prior to November 15, 2019; and

(2) The annual building emissions report for the calendar year prior to the submission of an application for an adjustment, submitted in accordance with Article 320 of Title 28 of the Administrative Code and section 103-14 of these rules; and either paragraph 3 or 4 below;

(3) For the most recent calendar year(s) prior to the application for an adjustment:

(i) An affidavit from an entity funded by the city to provide compliance resources, pursuant to guidance issued by the Department, stating that:

(a) the owner has been working with such entity in an effort to comply with the applicable building emissions limit prior to the application; and

(b) the owner availed itself of all city, state, federal, private, and utility incentive programs related to energy reduction or renewable energy, for which they could reasonably apply; and

(c) the owner availed itself of all programs funded by the city or enabled by local law that provide financing for the purpose of energy reduction or sustainability measures, in which they could reasonably participate; and

(ii) Evidence that the owner has purchased the maximum amount of greenhouse gas offsets or renewable energy credits authorized under section 103-14 of these rules and pursuant to guidance issued by the Department; and

(iii) Documentation prepared by a certified public accountant demonstrating one of the following:

(a) For buildings held in a condominium or cooperative form of ownership: a 3-year average increase in annual carrying charges per unit of 5% above the average rate of inflation for the same 3-year period; or

(b) For buildings exempt from real property taxes pursuant to sections 420-a, 420-b, 446, or 462 of the real property tax law and applicable local law: the building owner had negative revenue after subtraction of expenses for the combined 2 years prior to the application; or

(c) For buildings that are party to an affordable housing regulatory agreement and buildings with no debt: the building's income-expense ratio, as calculated pursuant to guidance issued by the department, is less than 1.05; or

(d) For all other building types: the building's debt service coverage ratio, as calculated pursuant to guidance issued by the department, is less than 1.15; or

(4) For the combined 2 calendar years prior to the application for an adjustment:

(i) Attestation that the building had arrears of property taxes or water or wastewater charges that resulted in the property's inclusion on the Department of Finance's annual New York City tax lien sale list; or

(ii) Attestation that the building had outstanding balances under the Department of Housing Preservation and Development's emergency repair program that resulted in the property's inclusion on the Department of Finance's annual New York City tax lien sale list.

(5) Effective period. An adjustment granted pursuant to Section 28-320.7(2) may be effective for a maximum of 1 calendar year.

[(c)] (d) Fees. Owners seeking an adjustment pursuant to this section must pay a filing fee as provided in Section 101-03 of these rules.

§ 2. Subdivision (f) of section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended by adding new paragraphs (3) and (4), to read as follows:

(3) Where an owner has been granted an adjustment to their building emissions limit pursuant to § 28-320.7(1) of the Administrative Code, the adjustment expires no later than January 1 of the calendar year three years following the first year covered by the building's adjustment.

(4) Where an owner has been granted an adjustment to their building emissions limit pursuant to § 28-320.7(2) of the

Administrative Code, the adjustment expires no later than January 1 of the calendar year following the year covered by the building's adjustment.

§ 3. Paragraph (1) of subdivision (g) of section 103-17 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

(1) The Department may offer a mediated resolution to an owner not in compliance with § 28-321.2.1 or § 28-321.2.2 of the Administrative Code [of the City of New York], provided that the Department [shall] will offer such resolution only where[,] such owner has applied for or been granted an adjustment by the Department in accordance with § 28-320.7(2) of the Administrative Code and clause c of subparagraph iii of paragraph 3 of subdivision c of section 103-12 of this subchapter, or the following criteria are met by May 1, 2025:

(i) Such owner submits an attestation in a form and manner determined by the Department that such owner is not in compliance with § 28-321.2.1 or § 28-321.2.2 of the Administrative Code; and

(ii) Such owner submits benchmarking information for the previous calendar year to the benchmarking tool in accordance with Article 309 of Chapter 3 of Title 28 of the Administrative Code and rules promulgated thereunder as applicable, or the data required by § 28-309.4 of the Administrative Code for the prior calendar year; and

(iii) Such resolution would facilitate the building owner achieving compliance with Article 321 of Chapter 3 of Title 28 of the Administrative Code.

Commissioner

Notice of Adoption

Pursuant to the authority vested in the Commissioner of Buildings by section 643 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, DOB is amending section 103-07 of Subchapter C of Chapter 100 of Title 1 of the Rules of the City of New York.

This rule was first published on October 4, 2024, and a public hearing was held on November 7, 2024. DOB received and considered written and oral comments from the public. No changes have been made to the rule.

Statement of Basis and Purpose of Rule

The Department of Buildings ("DOB" or "Department") is amending subdivision (n) of section 103-07 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York to add Energy Management Professional Certification offered by the Energy Management Association to the list of qualifications for energy auditors. DOB is also removing the provision that the Department will not accept new Energy Efficiency Report ("EER") submissions until the building owner has paid outstanding penalties associated with failure to submit previous EERs. The removal of this provision does not remove the Department's discretion to require satisfaction of all penalties, but allows the Department to support buildings working to achieve compliance rather than mandating the issuance of penalties. This approach allows for consistency in enforcement across DOB's sustainability laws.

The Department's authority for this rule is found in sections 643 and 1043(a) of the New York City Charter, and article 308 of chapter 3 of Title 28 of the New York City Administrative Code.

[Deleted material is in brackets.]

Section 1. Paragraph 1 of subdivision (c) of section 103-07 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

- (1) The energy auditor performing or supervising the audit may not be on the staff of the building being audited. The energy auditor must be a registered design professional, and the energy auditor or an individual under the direct supervision of the energy auditor must be one of the following:
- (i) a Certified Energy Manager or Certified Energy Auditor, certified by the Association of Energy Engineers (AEE);
 - (ii) a High-Performance Building Design Professional certified by ASHRAE;
 - (iii) a Building Energy Assessment Professional certified by ASHRAE; [or]
 - (iv) for audits of multifamily residential buildings only, a Multifamily Building Analyst, certified by the Building Performance Institute[]; or
 - (v) an Energy Management Professional certified by the Energy Management Association.

§ 2. Subdivision (n) of section 103-07 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

(n) *Violation and penalty.* Failure to submit an acceptable EER is a Major (Class 2) violation which may result in a penalty of \$3,000 in the first year and \$5,000 for each additional year until the EER is submitted to the department. [The department will not accept any outstanding EER submission if outstanding penalties are not paid in full.]

◀ d20

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, Pursuant to the authority vested in the Commissioner of Buildings by section 643 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, DOB is amending section 101-03 of Subchapter A of Chapter 100 of Title 1 of the Rules of the City of New York.

This rule was published on October 4, 2024, and a public hearing was held on November 7, 2024. DOB received and considered written and oral comments from the public. No changes have been made to the rule.

Dated: 12/16/2024 /S/ James S. Oddo
New York, New York Commissioner

Notice of Adoption

Pursuant to the authority vested in the Commissioner of Buildings by section 643 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, DOB is amending section 101-03 of Subchapter A of Chapter 100 of Title 1 of the Rules of the City of New York.

This rule was published on October 4, 2024, and a public hearing was held on November 7, 2024. DOB received and considered written and oral comments from the public. No changes have been made to the rule.

Statement of Basis and Purpose of Rule

The Department of Buildings (“DOB” or “Department”) is amending section 101-03 of subchapter A of chapter 100 of Title 1 of the Rules of the City of New York by:

- Adding fees for filing of lighting and sub-metering reports as required under section 28-310.3 and 28-311.5 of the New York City Administrative Code (“the Administrative Code”).
- Adding fees for simple and complex filings for annual building emission reports required under section 28-320.3.7, requests for extensions of the time for filing of annual building emission reports permitted by section 28-320.3.7.1 and Good Faith Effort Reports submitted pursuant to section 28-320.6.1 of the Administrative Code.
- Adding fees for filing compliance reports required by section 28-321.3.1 or 28-321.3.2 of the Administrative Code.
- Adding fees for filing applications for an adjustment of the annual building emission limits pursuant to section 28-320.7 of the Administrative Code.

The Department’s authority for these rules is found in sections 643 and 1043 of the New York City Charter, sections 28-112.1 and sections 28-310.3, 28-311.5 and Articles 320 and 321 of Title 28 of the Administrative Code.

New material is underlined.

Section 1. Section 101-03 of subchapter A of chapter 100 of Title 1 of the Rules of the City of New York is amended by adding the following entries at the end of the table set forth in that section:

<u>Filing fee for reporting required upgrades to lighting systems and required installation of electrical sub-meters pursuant to sections 28-310.2 and 28-311.5.</u>	<u>\$115</u>
<u>Filing fee for annual building emissions reports pursuant to RCNY § 103-14:</u> <ul style="list-style-type: none">• <u>Simple Reports</u>• <u>Complex Reports</u>• <u>Requests for Extensions</u>• <u>Good Faith Efforts Report</u>	<u>\$210</u> <u>\$615</u> <u>\$60</u> <u>\$950</u>
<u>Annual Emission Limits Compliance Reports for Certain Buildings pursuant to RCNY § 103-17</u> <ul style="list-style-type: none">• <u>Compliance Report</u>• <u>Mediated Resolution Reports</u>	<u>\$210</u> <u>\$800</u>
<u>Filing fee for application for adjustment to the annual building emissions limit pursuant to 28-320.7</u> <ul style="list-style-type: none">• <u>External constraints pursuant to RCNY § 103-12(b)</u>• <u>Financial constraints pursuant to RCNY § 103-12(c)(3)</u>• <u>Financial constraints pursuant to RCNY § 103-12(c)(4)</u>	<u>\$3,540</u> <u>\$690</u> <u>\$300</u>

◀ d20

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, Pursuant to the authority vested in the Commissioner of Buildings by section 643 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, DOB is amending section 103-14 of Subchapter C of Chapter 100 of Title 1 of the Rules of the City of New York.

This rule was published on October 4, 2024, and a public hearing was held on November 7, 2024. DOB received and considered written and oral comments from the public.

Dated: 12/16/2024 /S/ James S. Oddo
New York, New York Commissioner

Notice of Adoption

Pursuant to the authority vested in the Commissioner of Buildings by section 643 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, DOB is amending section 103-14 of Subchapter C of Chapter 100 of Title 1 of the Rules of the City of New York.

This rule was published on October 4, 2024, and a public hearing was held on November 7, 2024. DOB received and considered written and oral comments from the public.

Statement of Basis and Purpose of Rule

The Department of Buildings (“DOB” or “Department”) is amending section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York to further specify how to comply with article 320 of chapter 3 of Title 28 of the New York City Administrative Code, which requires the establishment of annual greenhouse gas (GHG) emissions limits for buildings. These amendments:

- Establish a coefficient for calculating the emissions resulting from the use of certain biofuels,
- Amend the equations for calculating the coefficient for campus-style electricity,
- Establish a coefficient for certain co-generation systems,
- Amend the equation for calculating deemed electric use for qualifying beneficial electrification, and
- Set forth the type and amount of GHG offsets that may be used as a deduction from annual building emissions to achieve Local Law 97 (LL97) compliance.

The offsets that may be used for LL97 compliance are offsets generated by the New York City Affordable Housing Reinvestment Fund (AHRF). The AHRF is a fund established by the Department and the

Department of Housing Preservation and Development (HPD), and administered by a third-party pursuant to a contract with the City. AHRF offsets are generated in connection with qualifying building electrification projects at affordable housing buildings in New York City pursuant to a methodology developed by HPD, which uses a deemed savings approach and assumptions vetted by an independent, qualified third-party to estimate the emissions reductions for such projects. AHRF offsets are the only offsets eligible for LL97 compliance because they are high-integrity offsets that reduce emissions from the built environment and result in environmental, health, and economic benefits in New York City, and are therefore the only offsets DOB recognizes as furthering the goals of LL97. AHRF offsets exemplify principles of environmental integrity, as identified by the federal government in the “Voluntary Carbon Markets Joint Policy Statement and Principles” published May 2024: they are real and quantifiable, permanent, additional, verifiable, unique, and based on robust baselines for estimating emissions reductions. AHRF offsets operate in a controlled, local environment to provide verifiable emissions reductions and contribute to building decarbonization in New York City.

The Department received and considered comments during the public comment period, including testimony submitted at the public hearing, and subsequently made changes to the rule, as follows:

- Clarify that the minimum annual average efficiency for qualified generation facilities is based on the previous year’s NYC GHG inventory coefficient for electric emissions;
- Clarify that the alternative GHG coefficients for qualified generation facilities will be available until such systems are no longer cleaner than the grid based on the annual operating efficiency of the system; and
- Clarify that deductions for offsets are available in each compliance period.

No changes were made relating to the coefficient for biofuels. The rule reflects the life-cycle emissions for biofuel blends based on published U.S. Environmental Protection Agency data, which demonstrates that biofuels have a lower net life cycle emissions compared to other fossil fuels. DOB will provide additional calculations for particular biofuel blends in Department guidance.

The Department’s authority for these rules is found in sections 643 and 1043(a) of the New York City Charter and article 320 of chapter 3 of Title 28 of the New York City Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subdivision (a) of section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended by adding the following new definitions, to be inserted in alphabetical order:

Affordable Housing Reinvestment Fund (AHRF). The AHRF is a third-party fund established by the Department in collaboration with the New York City Department of Housing Preservation and Development (HPD) to receive, encumber, and distribute funds for qualifying building electrification projects and generate offsets for such activities.

Biofuel. Biofuel means biodiesel and renewable diesel.

Fund Administrator. The fund administrator is a third party retained to administer the Affordable Housing Reinvestment Fund pursuant to a contract with the City.

Qualified generation facility. A qualified generation facility is any combined heat and power system, permitted prior to September 1, 2024, that (i) operates at a minimum annual average efficiency as established by this rule, (ii) emits levels of Nitrogen Oxide (NOx) below the limits established by this rule, (iii) is not owned by a utility, and (iv) meets the requirements of the New York City Air Pollution Control Code.

§ 2. Subparagraph (i) of paragraph (3) of subdivision (d) of section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

- (i) Greenhouse gas coefficients for certain fuels combusted or consumed on premises for calendar years 2024 - 2034. For building emissions reports for calendar years 2024 - 2034, the GHG coefficients for fuel types combusted or consumed on premises provided in section 28-320.3.1.1 of the Administrative Code apply, except as provided in this subparagraph (i) or in subparagraph (ii) of this paragraph[, provided that for any fuel type with a biogenic blend, the owner may propose an alternate coefficient pursuant to clause c of this subparagraph].

- a. For the following fuel types combusted or consumed on premises, greenhouse gas emissions must be calculated as generating the following amounts of tCO₂e per kBtu:

Fuel	Emissions Coefficient (tCO ₂ e per kBtu)
Butane	0.00006502
Butylene	0.00006897
Diesel	0.00007421
Distillate Fuel Oil No. 1	0.00007350
Ethane	0.00005985
Ethylene	0.00006621
Gasoline	0.00007047
Isobutane	0.00006519
Isobutylene	0.00006911
Kerosene	0.00007769
Naphtha (< 401 deg F)	0.00006827
Other Oil (> 401 deg F)	0.00007647
Pentanes Plus	0.00007027
Propane	0.00006425
Propylene	0.00006802
Special Naphtha	0.00007259
Coke Oven Gas	0.00004689
Fuel Gas	0.00005925
Biofuel	0.00007389

- b. *Exceptions.* Notwithstanding any other provision of this subparagraph, for building emissions reports for calendar years 2030 – 2034:

1. Number two (No. 2) fuel oil combusted on the premises of a covered building shall be calculated as 0.00007421 tCO₂e per kBtu.
2. Number four (No. 4) fuel oil combusted on the premises of a covered building shall be calculated as 0.00007529 tCO₂e per kBtu.

- c. For any fuel type that is combusted or consumed on site, not listed in this subparagraph or section 28-320.3.1.1 of the Administrative Code and not prohibited by applicable rule or law, the owner must propose a carbon coefficient, in tCO₂e per kBtu, that serves the public interest of reducing GHG emissions, to be used for calculating greenhouse gas emissions for such fuel type. Such proposed coefficient and documentation supporting such proposed coefficient shall be provided to the Department, in a form and manner determined by the Department. Such proposed carbon coefficient is subject to approval by the Department, which may alternatively assign a different coefficient for such fuel type.

§ 3. Subparagraph (iv) of paragraph (3) of subdivision (d) of section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

- (iv) *Greenhouse gas coefficient for campus-style electric systems.* The greenhouse gas coefficient for electricity generated by a campus-style electric system, where electricity consumed by any covered building served by such system is generated in whole or in part on the premises of the campus, must be calculated in accordance with this subparagraph (iv).

- a. The GHG coefficient for electricity generated by the campus-style electric system, must be calculated as follows:

$$g_{ce} = \frac{\sum_n (m_n \bullet g_n)}{m_{ce}}$$

(Equation 103-14.7)

Where:

g_{ce} = the on-site campus generated electricity GHG coefficient in tCO₂e per kWh.

m_n = the plant input energy for each energy source consumed, n , in kBtu.

g_n = the GHG coefficient for each plant input energy source, n , in tCO₂e per kBtu as provided pursuant to Article 320 of Chapter 3 of Title 28 of the Administrative Code or this paragraph.

m_{ce} = the total electricity consumed by buildings and other campus loads from the campus-style electric system, in kWh, during the year being reported, [excluding] including any electricity delivered into the utility grid, provided that such electricity delivered into the utility grid results in lower GHG emissions than grid purchased electricity.

b. Where a covered building consumes electricity generated by the campus-style electric system and also consumes utility electricity, the combined GHG coefficient for campus electricity must be calculated as follows:

$$g_e = \frac{(m_{ue} \bullet g_{ue}) + (m_{ce} \bullet g_{ce})}{m_{ue} + m_{ce}} \quad \text{(Equation 103-14.8)}$$

Where:

g_e = the GHG coefficient for electricity generated by a campus-style electric system on-site, in tCO_{2e} per kWh.

m_{ue} = the total electricity consumed by buildings and other campus loads from the utility grid, in kWh.

g_{ue} = the GHG coefficient for utility electricity, in tCO_{2e} per kWh, provided pursuant to Article 320 of Chapter 3 of Title 28 of the Administrative Code or this paragraph.

m_{ce} = the electricity consumed by buildings and other campus loads from the campus-style electric system, in kWh, [excluding] including any electricity delivered into the utility grid, provided that such electricity delivered into the utility grid results in lower GHG emissions than grid purchased electricity.

g_{ce} = the on-site campus generated electricity GHG coefficient in tCO_{2e} per kWh (see Equation 103-14.7).

c. Where electricity consumed by any covered building on the campus is generated on the site of the campus, and the owner elects to calculate emissions from such electricity based on time of use (TOU), the GHG coefficient shall be calculated as follows:

$$g_e = \frac{(\sum (m_{ueh} \bullet g_{TOU})_h) + (m_{ce} \bullet g_{ce})}{m_{ue} + m_{ce}} \quad \text{(Equation 103-14.9)}$$

Where:

g_e = the GHG coefficient for electricity generated by a campus-style electric system on-site, in tCO_{2e} per kWh.

m_{ueh} = the total electricity consumed by buildings and other campus loads from the utility grid, in kWh.

G_{TOU} = the hourly TOU GHG coefficient, as calculated in accordance with subparagraph (iii) of this paragraph for the calendar year being [reporting] reported, in tCO_{2e} per kWh.

m_{ce} = the electricity consumed by buildings and other campus loads from the campus-style electric system, in kWh, [excluding] including any electricity delivered into the utility grid, provided that such electricity delivered into the utility grid results in lower GHG emissions than grid purchased electricity, see Equation 103-14.7.

g_{ce} = the on-site campus generated electricity GHG coefficient in tCO_{2e} per kWh, see Equation 103-14.7.

m_{ue} = the total electricity consumed by buildings and other campus loads from the utility grid, in kWh, see Equation 103-14.8.

§ 4. Clause a of subparagraph (vi) of paragraph (3) of subdivision (d) of section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

a. *GHG coefficient for certain distributed energy resources.* Except as provided in clause b, c, [or] d or e of this subparagraph, the GHG coefficient for energy generated by distributed energy resources, such as microturbines, combined heat and power generation, and fuel cells, including natural gas powered fuel cells that commenced operation on or after January 19, 2023, shall be determined in accordance with subparagraph (i) or (ii) of this paragraph, for the energy source used to generate the energy for such distributed energy resource and the calendar year being reported. Where an owner chooses to utilize a utility electricity GHG coefficient based on TOU to account for operation of distributed energy resources, such owner must use a TOU coefficient for all utility electricity consumption for their reporting.

§ 5. Subparagraph (iv) of paragraph (3) of subdivision (d) of section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended by adding a new clause e, to read as follows:

e. *GHG coefficients for qualified generation facilities.* For the purposes of reporting emissions, an owner of a qualified generation facility may utilize the coefficients listed in section 28-320.3.1.1 of the Administrative Code for electricity and district

steam where such owner is able to demonstrate in a form and manner established by the Department that such co-generation plant operates as a qualified generation facility. For annual electric output of the plant, the coefficient for utility electricity may be utilized, and for annual heat output of the plant, the coefficient for district steam may be utilized, provide that:

1. Average annual efficiency. The average annual efficiency of the plant, as calculated pursuant to Department guidance based on all generation units, must be no less than the efficiency of the utility grid identified by the Department in guidance based on the published Inventory of New York City Greenhouse Gas Emissions.

Exceptions. A co-generation plant may be eligible as a qualified generation facility without meeting the minimum efficiency requirement if:

(1) The co-generation plant operates year-round and is essential to prevent voltage drops serving a critical facility; or

(2) The co-generation plant serves a building in an area designated by the Department as having limited spare electrical capacity as verified by the utility.

2. Nitrogen oxide (NO_x) emissions limit. For each power generation unit that is part of the co-generation plant, the owner must confirm that the NO_x emissions are below 1.6 lbs-Nox/MWh, or 4.4 lbs-Nox/MWh if the interconnection application and/or air permit application were accepted on or before January 1, 2017.

§ 6. Equation 103-14.14 in clause b of subparagraph (iii) of paragraph (4) of subdivision (d) of section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

$$[ASde = (\frac{HC}{3.412}) \times (\frac{1}{1.51} \times EFLH \times SF)]$$

$$ASde = (\frac{HC}{3.412}) \times (\frac{1}{1.51} \times EFLH) \quad \text{(Equation 103-14.14)}$$

§ 7. Subdivision (e) of section 103-14 of subchapter C of chapter 100 of Title 1 of the Rules of the City of New York is amended by adding a new paragraph (3), to read as follows:

(3) Deductions from reported annual building emissions for offsets. Deductions from reported annual building emissions for offsets may be made to annual building emission calculations for each compliance period as follows:

(i) Offsets generated by the New York City Affordable Housing Reinvestment Fund (AHRF) are eligible for compliance with this section.

(ii) The AHRF will be administered by the fund administrator.

(iii) The fund administrator will receive, encumber, and distribute funds for qualifying building electrification projects and generate offsets for such activities pursuant to a methodology developed by HPD, which uses a deemed savings approach and assumptions vetted by an independent, qualified third-party to estimate the emissions reductions for such projects.

(iv) The AHRF will be used to finance qualifying building electrification projects at buildings subject to affordable housing regulatory agreements in New York City. In order to qualify, such projects must demonstrate the following principles of environmental integrity:

a. Additionality: The projects are not otherwise required to be completed in order to reduce emissions by international, federal or local law;

b. Unique: The projects allow for tracking of each offset to ensure that such offset corresponds to one tCO_{2e} reduced;

c. Real and quantifiable: Emissions reductions accomplished through the project represent genuine impact that is replicable in accordance with a credible, transparent methodology determined by HPD and vetted by an independent, qualified third party in consultation with HPD;

d. Validation and verification: The project designs are validated and verified by an independent, qualified third party in consultation with HPD;

e. Permanence of greenhouse gas benefits: The projects replace fossil fuel equipment, thereby resulting in permanent emissions reductions; and

f. Robust baselines: The baselines for such projects are

verified by an independent, qualified third party to ensure that only incremental emissions reductions are counted in order to avoid over-crediting.

(v) A building owner may purchase offsets from the fund administrator as described by the Department in guidance. The fund administrator shall provide confirmation of a building owner's offset purchase.

(vi) The price for an offset representing one tCO₂e will be set by the fund administrator, in consultation with the Department and HPD, taking into consideration the cost of compliance with this rule and the cost of the work associated with the offset projects.

(vii) AHRF offsets may be applied to reduce a building's annual emissions up to a maximum of 10 percent of a building's annual building emissions limit.

(viii) The fund administrator will maintain a registry to track each offset purchase, the assignment of each offset to a specific project, the retirement of each offset, and the emissions reductions corresponding to each offset.

◀ d20

TAXI AND LIMOUSINE COMMISSION

■ PUBLIC HEARINGS

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing? The Taxi and Limousine Commission ("TLC") is proposing to amend its rules to improve wheelchair accessible taxicab service by (1) replacing the Accessible Dispatch Program with a streamlined regulatory approach and (2) changing how the Taxi Improvement Fund is administered.

When and where is the Hearing? TLC will hold a public hearing on the proposed rule. The public hearing will take place at 10:00 am on January 22, 2025. The public hearing will be held online using Zoom. There will be no in person public hearing. The public hearing will be livestreamed on TLC's website at www.nyc.gov/tlc. To participate in the public hearing, please e-mail the TLC at tlcrules@tlc.nyc.gov or call TLC at 212-676-1135 by January 21, 2025. After you have signed up to speak, TLC will provide you with a Zoom URL to enter in on your computer or dial-in via phone number if you prefer to call in.

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

- **Website.** You can submit comments to the Taxi and Limousine Commission through the NYC rules website at www.nyc.gov/nycrules.
- **Email.** You can email comments to tlcrules@tlc.nyc.gov.
- **Mail.** You can mail comments to the Taxi and Limousine Commission, Office of Legal Affairs, 33 Beaver Street – 22nd Floor, New York, NY 10004.
- **Fax.** You can fax comments to the TLC at 212-676-1102.
- **By speaking at the hearing.** To sign up to speak and provide testimony, you must e-mail the TLC at tlcrules@tlc.nyc.gov or call 212-676-1135 by 5:00 p.m. on January 21, 2025. Speakers will not be able to sign up to testify the day of the hearing. Those who did not sign-up in advance to testify are welcome to view the live-stream of the meeting on TLC's website. Please note that the hearing is for accepting oral testimony only and is not held in a "Question and Answer" format.

Is there a deadline to submit written comments? Yes, you must submit written comments by January 21, 2025.

Do you need assistance to participate in the Hearing? You must tell the Office of Legal Affairs if you need a reasonable accommodation of a disability at the Hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 212-676-1135. You must tell us by January 21, 2025. This location has the following accessibility option(s) available: Simultaneous transcription for people who are deaf or hard of hearing and audio only access.

Can I review the comments made on the proposed rules?

You can review the comments made online on the proposed rules by going to the website at www.nyc.gov/nycrules. A few days after the hearing, copies of all comments submitted online, copies of all written

comments, and a summary of oral comments concerning the proposed rule will be available to the public at the Office of Legal Affairs.

What authorizes the Commission to make this rule? Sections 1043 and 2303 of the City Charter and Section 19-503 of the New York City Administrative Code authorize the Commission to make this proposed rule. This proposed rule was not included in TLC's regulatory agenda for fiscal year 2025 because it was not contemplated when the Commission published the agenda.

Where can I find the Commission's rules? The Commission's rules are in Title 35 of the Rules of the City of New York.

What rules govern the rulemaking process? TLC must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose

These proposed rules will streamline how passengers request trips for Wheelchair Accessible Taxis and Wheelchair Accessible Street Hail Liveries (SHL), commonly known as "Green" and "Yellow" taxis. Licensed E-Hail Application Providers already must provide a wheelchair accessible vehicle (WAV) option on their apps. With the increase in Taxicab and SHL WAVs and the increase in E-Hail Application Providers that offer this WAV option to their customers, a separate vendor to operate the Accessible Dispatch program is no longer necessary. While customers can already request a WAV from the E-Hail Application Provider of their choice, this rule package would ensure that customers can also request a WAV from the apps via a telephone call.

The change from a single vendor handling WAV dispatches to permitting individual apps to conduct their own WAV dispatches is made possible by the rise in accessible vehicles on New York City streets. In January of 2018, there were only 2,223 accessible vehicles affiliated with medallions, or 16% of the city's 13,587 privately owned medallion taxicabs. As of October 2024, the number of accessible taxicabs increased to 3,992, or 41% of the taxi fleet, and this number will continue to increase until 50 % of the taxi fleet is wheelchair accessible. With thousands of accessible taxicabs on the road at any time, and E-Hail technology greatly improved, this new approach will help customers better connect with a WAV when they need one.

The proposed rule also includes new penalties for failure to comply with the new E-Hail Application requirements.

The TLC anticipates that substantial cost savings will accrue to TLC's Taxicab Improvement Fund by sunseting the Accessible Dispatch program. Specifically, the money that TLC used to pay to the Accessible Dispatch program provider will now remain in the Taxicab Improvement Fund. This annual savings of \$6 million will be reallocated to fund the TIF hack-up payments that assist medallion owners in the purchase and hack-up of Accessible Vehicles.

New material is underlined.

[Deleted material is in brackets.]

*** indicates unamended text.

Section 1. Section 51-03 of Title 35 of the Rules of the City of New York is amended by deleting the definitions of "Accessible Taxi Dispatcher" and "Dispatch Equipment", amending the definition of "E-Hail", and adding a definition of "Accessible E-Hail Request", in alphabetical order, to read as follows:

[Accessible Taxi Dispatcher. The Accessible Taxi Dispatcher is the entity which, under contract with the Commission, will convey dispatches, or requests for accessible service to Drivers of Accessible Taxicabs and to Drivers of Accessible Street Hail Liveries to provide transportation for a Passenger or group of Passengers, at least one of whom must be mobility-impaired, for trips that originate in New York City.]

[Accessible E-Hail Request. An Accessible E-Hail Request is any request for an Accessible Taxicab or Accessible Street Hail Livery that is initiated via a TLC-licensed E-Hail Application Provider.

[Dispatch Equipment. The "Dispatch Equipment" is the communications equipment provided by the Accessible Taxi Dispatcher or an acceptable interface with the Taxicab Technology System and the Street Hail Livery Technology System, that allows Approved Drivers operating Accessible Vehicles to receive dispatches from the Accessible Taxi Dispatcher.]

E-Hail is a Hail requested through an E-Hail Application, which can either be a metered fare trip or a Flex Fare trip. An E-Hail can be requested for a trip that is fulfilled by either a Wheelchair Accessible Vehicle or a non-accessible vehicle.

Section 2. Chapter 53 of Title 35 of the Rules of the City of New York, relating to accessible taxicabs and accessible street hail vehicles, is **REPEALED**.

Section 3. Subdivision (g) of section 58-34 of Title 35 of the Rules of the City of New York, relating to dispatch equipment in accessible vehicles, is **REPEALED**.

Section 4. Subdivision (d) of section 63-12 of Title 35 of the Rules of the City of New York is amended to read as follows:

(d) [Dispatch Equipment] Technology System Capable of Servicing Accessible E-Hail Requests.

- (1) An Agent must not dispatch an Accessible Taxicab unless it is equipped with [Dispatch Equipment] a Technology System capable of servicing Accessible E-Hail Requests.

§63-12(d)(1)	Fine: \$200	Appearance NOT required
--------------	-------------	-------------------------

- (2) An Agent must replace or repair [Dispatch Equipment] a Technology System that is not capable of servicing Accessible E-Hail Requests promptly upon being notified to do so and in no event later than 48 hours after receiving notification.

§63-12(d)(2)	Fine: \$250 and suspension until compliance	Appearance NOT required
--------------	---	-------------------------

- (3) An Agent must not allow an Accessible Taxicab to operate with [inoperable Dispatch Equipment] a Technology System that is not capable of servicing Accessible E-Hail Requests [, that is, without the ability to accept dispatches,] for more than 48 hours without repair or replacement of [the Dispatch Equipment] such Technology System.

§63-12(d)(3)	Fine: \$250 and suspension until compliance	Appearance NOT required
--------------	---	-------------------------

- (4) An Agent must not
- Tamper with the [Dispatch Equipment] Technology System; or
 - Tamper with the geographic locator equipment; or
 - Disable the [Dispatch Equipment] Technology System's ability to receive Accessible E-Hail Requests; or
 - Render the [Dispatch Equipment] Accessible E-Hail Request functionality inoperable in any way.

§63-12(d)(4) (i-iv)	Fine: \$350 and/or suspension up to 30 days	Appearance Required
------------------------	---	---------------------

Section 5. Subparagraph (i) of paragraph (1) of subdivision (c) of section 66-02 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (i) the Respondent files an appeal of the decision issued by the [Taxi and Limousine Tribunal] OATH Hearings Division within the time required by Chapter 5 of Title 48 of the Rules of the City of New York, in which case the payment of the fines will be deferred until 30 days after the date of the appeal decision.

Section 6. Section 66-22 of Title 35 of the Rules of the City of New York, relating to duties of the Technology System Provider, is **REPEALED**.

- (a) The Technology System Provider must make commercially reasonable efforts, as described in this section, to cooperate with the Commission, its designees and any contractor(s) of the Commission, including the Accessible Taxi Dispatcher as defined in section 51-03 of these rules:

- (1) in the development and support of any application(s) developed by the Commission or the Commission's designees, where such applications are developed specifically for the purpose of interoperating with the Technology System (including but not limited to smartphone applications); and

§66-22(a)	Penalty: \$5,000 and suspension until compliance	Appearance Required
-----------	--	---------------------

- (b) The Technology System Provider must provide a data connection for TLC's Accessible Dispatch Program. The data connection will,

at a minimum, provide the following functionality in the manner specified by the Accessible Taxi Dispatcher:

- Automatically indicate the log on/off status of the Vehicle;
- Automatically switch to the appropriate log on/off status in response to the Driver's response to an Accessible E-Hail Request;
- Driver must be within 0.35 of a mile in order to indicate that the vehicle is at the pickup location.
- Notify the Driver of a Dispatch ride initiated by using the Technology System's driver interface in a manner that identifies such dispatch as coming from the Accessible Taxi Dispatcher; and
- Transmit all Trip Data to the Accessible Taxi Dispatcher's system as it is collected.

§66-22(b)	Penalty: \$5,000 and suspension until compliance	Appearance Required
-----------	--	---------------------

- (c) The Technology System Provider may only charge the Accessible Taxi Dispatcher for the costs of labor, equipment, data, data connections, or any other expense resulting from the data connection to the Accessible Dispatch Program. All expenses charged to the Accessible Taxi Dispatcher must be clearly documented.

Section 7. Paragraphs (3) through (7) of subdivision (a) of section 66-24 of Title 35 of the Rules of the City of New York are renumbered paragraphs (4) through (8), and a new paragraph (3) is added, to read as follows:

- (3) Valid TLC and any state Department of Motor Vehicle credentials. The Technology System must interact with the Taximeter only upon successful log-in, which requires system-initiated search of Valid Department of Motor Vehicle and TLC Licenses (including both a TLC Driver License number and the Medallion number).

§66-24(a)(3)	Fine: \$500	<u>Appearance REQUIRED</u>
--------------	-------------	----------------------------

Section 8. The introductory paragraph and paragraph (1) of subdivision (e) of section 66-24 of Title 35 of the Rules of the City of New York are amended to read as follows:

- (e) Public API. All Technology System Providers must maintain an application programming interface (API) that is available to any licensed E-Hail Provider [and the Accessible Taxi Dispatcher].

- The API must include but is not limited to the following functionalities:
 - Allow the E-Hail Application Provider [or Accessible Taxi Dispatcher] to query and obtain a list of a specified number (at least 5) and type (e.g., WAV, SUV, etc.) of Vehicles that are available for hire and closest to a designated pickup location, and, for each Vehicle listed in the response to such query, access real-time meter status, GPS coordinates and direction for no less than 1 minute following such query. The Vehicle or list of Vehicles provided in response to any such query must include the medallion or SHL permit number, vehicle make and model, car type (e.g., SUV, minivan, etc.), wheelchair accessibility, and Driver name and TLC license number;
 - Allow the E-Hail Application Provider [or Accessible Taxi Dispatcher] to send an E-Hail or dispatch via the Technology System to the Driver of any or all of the Vehicles included in the list of Vehicles provided in response to a query, including the pickup time and location, and, if applicable, the pre-arranged fare and drop-off location;
 - Return the Driver's acceptance or rejection of the E-Hail or dispatch, or, if the driver takes no action within 30 seconds, return a timeout;
 - Allow the E-Hail Application Provider Licensee [or Accessible Taxi Dispatcher] to cancel any E-Hail or dispatch regardless of whether a Driver has responded;
 - For any Driver that has accepted an E-Hail or dispatch from an E-Hail Application Provider [or

Accessible Taxi Dispatcher] for the duration of the trip from acceptance through meter off or cancellation, provide the E-Hail Application Provider [or Accessible Taxi Dispatcher] with a data feed of real-time GPS location and ride/meter events, and allow the E-Hail Application Provider [or Accessible Taxi Dispatcher] to communicate with such Driver via the Technology System, including:

- i. allowing the E-Hail Application Provider [or the Accessible Taxi Dispatcher] to provide the Driver with the passenger's name and phone number and drop-off location, as well as other relevant trip information (e.g., "passenger waiting at south entrance," "passenger uses a wheelchair," etc.),
 - ii. allowing the Driver to report trip events to the E-Hail Application Provider [or the Accessible Taxi Dispatcher] (e.g., "passenger in vehicle," "passenger no-show," etc.), and
 - iii. [providing onsite event] when Driver reports being onsite, provide a no-show event if the Driver indicates a passenger no-show, and provide a cancel event if the Driver cancels or retracts his or her acceptance of an E-Hail or [dispatch] Accessible E-Hail Request.
- (F) For licensed E-Hail Applications that provide E-Payment, the API must include the following payment functionality:
- i. Provide access to itemized fare data including time-and-distance fare, tolls, surcharges, extras, and taxes from the Technology System and Taximeter, in real time, when the trip has been completed and the Driver has disengaged the Taximeter;
 - ii. Receive from the E-Hail Application Provider [or Accessible Taxi Dispatcher] a confirmation that electronic credit card payment for the total fare amount has been successfully processed; and
 - iii. Receive relevant payment information from the E-Hail Application Provider [or Accessible Taxi Dispatcher] to the extent necessary to display the total charges, including E-Hail service fee and tip (if applicable) on the receipt and collect and transmit Trip Data.
 - iv. Provide the name of the credit card merchant.
- (2) The Technology System Provider may charge the E-Hail Application Provider [or Accessible Taxi Dispatcher] a fee not to exceed one dollar (\$1.00) per E-Hail request accepted by a Driver for use of the API. The Technology System Provider may not charge the E-Hail Application Provider [or Accessible Taxi Dispatcher] credit card processing fees greater than the wholesale fees collected by the credit card issuer and credit card network for that transaction.
- (3) The Technology System Provider may require E-Hail Application Provider sending E-Hails to Drivers via the Technology System to charge a uniform Passenger cancellation and/or no-show fee.
- (4) Separate Violations. Each failure on the part of a Technology System Provider to cooperate with the E-Hail Application Provider [or Accessible Dispatcher] for the purpose of maintaining an API as provided in paragraph (1) of this subdivision will constitute a separate violation of this rule.

\$66-24(e)	Fine: \$1,000 for first offense. \$5,000 for second offense. \$10,000 for third offense.	<u>Appearance REQUIRED</u>
------------	--	--------------------------------

Section 9. Paragraph (3) of subdivision (k) of section 66-24 of Title 35 of the Rules of the City of New York is amended as follows:

- (3) the Technology System's connection to [the Accessible Dispatch vendor] any entity licensed by the Commission to route Accessible E-Hail Requests, including any other Technology System Provider; and

Section 10. Title 35 of the Rules of the City of New York is amended by adding a new section 66-26, to read as follows:

§66-26 Trip Request Capabilities

- (a) The Technology System must be capable of servicing Accessible and non-Accessible E-Hail Requests to Drivers of Taxis and Street Hail Liveries via a TLC-licensed E-Hail Application Provider or other solution approved by the TLC.
 - (1) The Technology System must be capable of the following functions:
 - (i) Automatically send Accessible E-Hail Requests to Drivers any time the taximeter or the Technology System, or both the taximeter and the Technology System, are on or engaged.

\$66-26(a)-	Fine: \$500	<u>Appearance NOT Required</u>
-------------	-------------	------------------------------------

Section 11. Subparagraph (i) of paragraph (1) of subdivision (c) of section 78-02 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (i) the Respondent files an appeal of the decision issued by the [Taxi and Limousine Tribunal] OATH Hearings Division within the time required by Chapter 5 of Title 48 of the Rules of the City of New York, in which case the payment of the fines will be deferred until 30 days after the date of the appeal decision.

Section 12. Subdivision (b) of section 78-15 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (b) Fares. An E-Hail Application and an E-Hail Application Provider must NOT charge any Passenger a fare for a trip that exceeds the fare as calculated by the Taximeter, permitted in §58-26 and §82-26 of these Rules, unless it is a Flex Fare Trip. The E-Hail Application and the E-Hail Application Provider may however charge additional fees to a Passenger above the fare for the trip in accordance with subdivision (c) below so long as such fees are clearly delineated and not called a fare or tip or gratuity. Any fare charged for a Wheelchair Accessible Vehicle must not exceed the fees charged for a non-Accessible Vehicle.

Section 13. Section 78-17 of Title 35 of the Rules of the City of New York is amended by adding a new subdivision (h), to read as follows:

- (h) Accept E-Hails by Telephone. E-Hail Application Providers must maintain a call center for customers to request a trip or to ask about the status of a trip over the phone, which must be available to take calls 24 hours a day and seven days a week. These calls must be handled by a customer service representative and not by an automated service.

\$78-17(h)	Penalty: \$500 per violation and suspension until compliance	<u>Appearance REQUIRED</u>
------------	--	--------------------------------

Section 14. Subdivision (a) of section 78-21 of Title 35 of the Rules of the City of New York is amended by adding new paragraph (7), to read as follows:

- (7) The E-Hail Application must
 - (h)(i) Automatically send Accessible E-Hail Requests to Drivers any time the E-Hail Application is on or engaged (except where the Driver opts out of the E-Hail function).
 - (ii) Display the Passenger's request for service to the Driver in a way that does not indicate to the Driver that the Passenger will require additional assistance to enter or exit the Vehicle.

\$78-21(a)(1)-(7)	Fine: \$500	<u>Appearance Required</u>
-------------------	-------------	----------------------------

Section 15. Subdivision (d) of section 78-21 of Title 35 of the Rules of the City of New York, relating to the Automatic Trip Dispatcher in an E-Hail Application, is **REPEALED**, subdivisions (e) through (g) are relettered subdivisions (d) through (f), and subdivision (d), as relettered by this section, is amended to read as follows:

- (d) Public API. The E-Hail Application Provider must maintain an application programming interface (API) that includes but is not limited to the following functionalities:
 - (1) Dispatching
 - (i) For any Driver that has accepted an E-Hail or dispatch from an E-Hail Application Provider [or the Accessible Taxi Dispatcher], provide:

- (A) a cancel event if the Passenger cancels or retracts his or her E-Hail or dispatch; and
- (B) a unique E-Hail request identification number;

(2) *E-Payment*

- (i) Receive from the E-Hail Application Provider or Accessible Taxi Dispatcher access to itemized fare data including time-and-distance fare, tolls, surcharges, extras, and taxes from the Technology System and Taximeter, in real time, when the trip has been completed and the Driver has disengaged the Taximeter, or access to itemized fare data for Flex Fare Trips;
- (ii) Provide to the E-Hail Application Provider or Accessible Taxi Dispatcher a confirmation that electronic credit card payment for the total fare amount has been successfully processed; and
- (iii) Provide relevant payment information to the E-Hail Application Provider or Accessible Taxi Dispatcher to the extent necessary to display the total charges, including E-Hail service fee and tip (if applicable) on the receipt and collect and transmit Trip Data.

(e) *Trip Data Collection and Transmission.* An E-Hail Application and its third party designee, if any, must be capable of automatically collecting and transmitting E-Hail request data and Trip Data as described below.

- (1) The E-Hail Application and its third part designee, if any, must be capable of automatically collecting and transmitting to the Commission data on all E-Hail requests and the outcome of those requests (including pickup and drop-off locations specified by latitude and longitude), in a format, schedule and layout prescribed by the Commission, including (if the trip was fulfilled):
- (i) the date and time the Passenger requested the trip, and
- (ii) the date and time the vehicle arrived at the pickup location
- (iii) An E-Hail Provider must submit accurate and complete trip data for a month's trips no later than the last day of the following month. For example, all September trip records will be due on October 31st. The following penalties accrue with respect to each untimely, inaccurate or incomplete submission of trip records:

§78-21(d)	<u>Fine: \$100 for each day past the date the complete, accurate records are due if plead guilty before a hearing and suspension until compliance; \$150 for each day past the records are due if found guilty following a hearing and suspension until compliance. Fine amount not to exceed \$10,000.</u>	<u>Appearance NOT Required</u>
-----------	---	--------------------------------

* * *

(f) *Security.*

- (1) If the E-Hail Application provides for E-Payment, all features of the E-Hail Application related to E-Payment required by this section, including the collection, transmission and maintenance of data by the E-Hail Application Provider, must conform to applicable PCI Standards.

(g) *Data Retention.* All data required to be collected, transmitted and maintained pursuant to this section must be maintained for at least three (3) years.

Section 16. Paragraph (6) of subdivision (a) of section 80-20 of Title 35 of the Rules of the City of New York is amended to read as follows:

(6) *Accessible [Dispatch Program] E-Hail Requests.*

- (i) While operating an Accessible Vehicle, a Driver [must accept a dispatch from the Accessible Taxi Dispatcher], after accepting any E-Hail based on the metered rate of fare received through the Technology System or from licensed E-Hail Application providers, must not refuse to transport a Passenger.
- (ii) An Approved Driver who does not [accept a dispatch] provide service after accepting an E-Hail Request based on the metered rate of fare has refused to provide

service and will be subject to Mandatory Penalties for a refusal under subdivision (e) of this section.

(iii) A Driver must not operate an Accessible Vehicle unless the Technology System is turned on.

§80-20(a)(6)(i)-(iii)	Mandatory penalties as set forth in §80-02(e)	Appearance NOT Required
-----------------------	---	-------------------------

(iv) *Assisting the Passenger. A Driver*

- (A) Must assist a passenger who uses a wheelchair or a passenger with other disabilities when:
- (I) Entering the vehicle from the sidewalk; and
- (II) Exiting from the vehicle to the curbside.
- (B) Must secure a passenger with a disability and their mobility device within the Vehicle in a manner as specified in an approved TLC Education Provider training course.

§80-20(a)(6)(iv)	<u>Fine: \$50 and suspension if plead guilty before a hearing; \$150 if found guilty following a hearing and suspension. The suspension is deferred for 60 days if the Driver completes the Vision Zero and Accessibility Remedial course within the 60-day period, and the Driver will not be suspended.</u>	<u>Appearance NOT Required</u>
------------------	---	--------------------------------

(v) *Packages.* Upon a Passenger's request, a Driver must place the packages and parcels of a passenger with a disability in the Vehicle and secure them and must retrieve them for the Passenger at the end of the trip.

§80-20(a)(6)(v)	<u>Fine: \$50 and suspension if plead guilty before a hearing; \$150 if found guilty following a hearing and suspension. The suspension is deferred for 60 days if the Driver completes the Vision Zero and Accessibility Remedial course within the 60-day period, and the Driver will not be suspended.</u>	<u>Appearance NOT Required</u>
-----------------	---	--------------------------------

(vi) *Service Animal(s) and Companions.* A Driver must accept and provide transportation in the Accessible Taxicab for the Service Animal(s) of a passenger with a disability and for as many companions as can be legally seated in the vehicle.

§80-20(a)(6)(vi)	<u>Fine: Mandatory Penalties as set forth in §80-02(e) of these Rules.</u>	Appearance NOT Required
------------------	--	-------------------------

(vii) *Assist with payment.* Upon a Passenger's request, the Driver must assist the Passenger with completing payment, including but not limited to helping the Passenger to access the credit card reader and counting cash aloud.

§80-20(a)(6)(vii)	<u>Fine: \$50</u>	<u>Appearance NOT Required</u>
-------------------	-------------------	--------------------------------

Section 17. Paragraph (15) of subdivision (b) of section 80-20 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (15) The Vehicle is a Taxicab or Street Hail Livery and the Driver has accepted [a trip from the accessible dispatch program pursuant to section 53-08 of these Rules or] an Accessible E-Hail Request from an approved E-Hail App and is logged on but unavailable for street-hail in the Technology System.

Section 18. Subdivision (c) of section 80-25 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (c) *Unavailable Procedures for a Taxicab and Street Hail Livery.* Upon accepting [a trip from the] an Accessible E-Hail Request [Dispatch Program pursuant to section 53-08 of these Rules or a Licensed E-Hail Application or a Pre-Arranged Trip], a Driver must be logged on but unavailable for street hail in the Technology System.

Section 19. Subdivision (a) of section 82-42 of Title 35 of the Rules of the City of New York is amended by adding new paragraphs (1) and (2), to read as follows:

- (1) Accessible E-Hail Requests. While an Accessible Street Hail Livery is in operation, the Technology System must be turned on and able to receive Accessible E-Hail Requests.
- (i) If the Technology System becomes incapable of receiving Accessible E-Hail Requests:
- (A) The Licensee, Agent or Base must replace or repair the Technology System promptly upon being notified to do so (as specified by the Commission) and in no event later than 48 hours after receiving such notification.

§82-42(a)(1)(i)	Fine: \$250 and suspension until compliance	Appearance NOT Required
-----------------	---	-------------------------

- (ii) An Accessible Vehicle with a Technology System that is not capable of receiving Accessible E-Hail Requests cannot operate for more than 48 hours without repair or replacement of the Technology System.

§82-42(a)(1)(ii)	Fine: \$250 and suspension until compliance	Appearance NOT Required
------------------	---	-------------------------

- (2) No Tampering. An Agent or Licensee must not
- (i) Tamper with the Technology System;
- (ii) Tamper with the geographic locator equipment;
- (iii) Disable the Technology System's ability to receive Accessible E-Hail Requests; or
- (iv) Render the Accessible E-Hail Request functionality inoperable in any way.

§82-42(a)(2)	Fine: \$350 and/or suspension up to 30 days	Appearance REQUIRED

CERTIFICATION PURSUANT TO
CHARTER §1043(d)

RULE TITLE: Amendment of Accessible Dispatch Rules

REFERENCE NUMBER: 2024 RG 063

RULEMAKING AGENCY: Taxi and Limousine Commission

I certify that this office has reviewed the above-referenced proposed rule as required by section 1043(d) of the New York City Charter, and that the above-referenced proposed rule:

(i) is drafted so as to accomplish the purpose of the authorizing provisions of law;

(ii) is not in conflict with other applicable rules;

(iii) to the extent practicable and appropriate, is narrowly drawn to achieve its stated purpose; and

(iv) to the extent practicable and appropriate, contains a statement of basis and purpose that provides a clear explanation of the rule and the requirements imposed by the rule.

/s/ STEVEN GOULDEN

NOTE:

1. Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
2. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
3. Items 1 - 4 on contract 4287148 and 5 - 20 on contract 4287149 are effective as of June 1st, 2022.
4. Items 1 - 4 on contract 4387063 are effective as of December 19, 2022.
5. Federal Superfund Tax is included in the DCAS weekly pricing schedule, and it should not show as an additional fee.

REMINDER FOR ALL AGENCIES:

All entities utilizing DCAS fuel contracts are reminded to pay their invoices **on time** to avoid interruption of service. Please send inspection copy of receiving report for all gasoline (E70, UL PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre St, 18 Floor NY, NY 10007.

- April 1st – October 31st transition to non-winter fuel.
- November 1st – March 31st transition to winter fuel.

**REQUEST FOR COMMENT
REGARDING AN APPLICATION FOR A
CERTIFICATION OF NO HARASSMENT**

Notice Date: December 16, 2024

To: **Occupants, Former Occupants, and Other Interested Parties**

Property:	Address	Application #	Inquiry Period
	447 West 162 nd Street, Manhattan	83/2024	November 12, 2021 to Present
	176 Mac Donough Street, Brooklyn	87/2024	November 12, 2021 to Present
	122 West 131 st Street, Manhattan	96/2024	November 18, 2021 to Present

Authority: SRO, Administrative Code §27-2093

Before the Department of Buildings can issue a permit for the alteration or demolition of a single room occupancy multiple dwelling, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at **CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038** by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call (212) 863-5277 or (212) 863-8211.

For the decision on the Certification of No Harassment Final Determination please visit our website at www.hpd.nyc.gov or call 212-863-8266.

	122 West 131 st Street, Manhattan	96/2024	November 18, 2021 to Present

Autoridad: SRO, Código Administrativo §27-2093

Antes de que el Departamento de Edificios pueda conceder un permiso para la alteración o demolición de una vivienda múltiple de ocupación de cuartos individuales, el propietario debe obtener una "Certificación de No Acoso" del Departamento de Preservación y Desarrollo de la Vivienda ("HPD") que indique que tiene no haber sido hostigado a los ocupantes legales del edificio durante un periodo de tiempo especificado. El acoso es una conducta por parte de un dueño de edificio que pretende causar, o causa, que los residentes se vayan o renuncien a cualquiera de sus derechos legales de ocupación. Puede incluir, entre otros, no proporcionar servicios esenciales (como calefacción, agua, gas o electricidad), bloquear ilegalmente a los residentes del edificio, iniciar demandas frívolas y utilizar amenazas o fuerza física.

El dueño del edificio identificado anteriormente ha solicitado una Certificación de No Acoso. Si tiene algún comentario o evidencia de acoso en este edificio, notifique a HPD al **CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038** por carta con matasellos no mas tarde que **30 días** después de la fecha de este aviso o por una declaración en persona realizada dentro del mismo periodo. Para hacer una cita para una declaración en persona, llame al **(212) 863-5277 o (212) 863-8211**.

Para conocer la decisión final sobre la Certificación de No Acoso, visite nuestra pagina web en www.hpd.nyc.gov o llame al 212-863-8266.

MANAGEMENT AND BUDGET

■ NOTICE

**COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM -
DISASTER RECOVERY**

PUBLIC NOTICE OF AVAILABILITY

TO ALL INTERESTED RESIDENTS, GROUPS, COMMUNITY BOARDS, AND AGENCIES: On Monday, December 16, 2024, the City of New York will release a substantial amendment to its Community Development Block Grant-Disaster Recovery (CDBG-DR) Action Plan for Hurricane Ida Recovery.

To access the plan beginning December 16, 2024, please visit: <https://www.nyc.gov/site/cdbgdr/hurricane-ida/ida-action-plan.page>. Executive Summaries will be available in English, Spanish, Chinese, Russian, Bengali, Haitian, Korean, Arabic, Urdu, French, and Polish. The online materials will also be accessible for the visually impaired. Paper copies of the Action Plan, including in large print format (18pt. font size), will be provided upon request.

The substantial amendment is subject to a 30-day public comment period, which will begin on December 17, 2024. Comments must be received no later than Wednesday, January 15, 2025 at 11:59 P.M. (EST). Written comments may be submitted to CDBGComments@omb.nyc.gov or to the Mayor's Office of Management and Budget, Attention: Julie Freeman, Director of Community Development, 255 Greenwich Street, 8th Floor, New York, New York 10007.

At the end of the comment period, all comments shall be reviewed, and City responses will be incorporated into the Action Plan. The final Ida Action Plan, containing a summary of the comments and the City's

responses, will be submitted to HUD and posted on the City's CDBG-DR website.

City of New York: Eric Adams, Mayor

Jacques Jiha, Ph.D., Director, Mayor's Office of Management and Budget

d12-20

NYC Mayor's Office of Management and Budget (NYC OMB)
255 Greenwich Street, 8th Floor
New York, NY 10007
(212) 788-6130

On or about December 30, 2024, the City of New York ("the City") will submit a request to the U.S. Department of Housing and Urban Development for the release of Community Development Block Grant-Disaster Recovery (CDBG-DR) funds authorized under the Community Development Act of 1974, as amended, and the Continuing Appropriations Act, 2023 (Public Law 117-180), to undertake a project known as NYCHA Green Infrastructure for the purpose of managing stormwater runoff across seventeen (17) New York City Housing Authority ("NYCHA")-owned developments. The funds will be requested for three (3) of these sites (GI Sites):

1. Ocean Hill Apartments
2. Stuyvesant Gardens I
3. Stuyvesant Gardens II

These three (3) sites are also a part of the NYCHA preservation initiative: Permanent Affordability Housing Together ("PACT") program. Through PACT, NYCHA intends to submit application(s) to the U.S. Department of Housing and Urban Development ("HUD") for the disposition of public housing property, including Ocean Hill Apartments, Stuyvesant Gardens I and II, as authorized under Section 18 of the U.S. Housing Act of 1937 as amended and implementing regulations at 24 C.F.R. Part 970 ("Section 18"), the Rental Assistance Demonstration ("RAD") created by the Consolidated and Further Continuing Appropriations Act of 2012 (Public Law 112-55) and the corresponding Notice H 2019-09 PIH 2019-23 (September 5, 2019). The City of New York acting through the New York City Department of Housing Preservation & Development ("NYC HPD") is serving as the Responsible Entity ("RE") for NYCHA pursuant to the National Environmental Policy Act ("NEPA") 24 C.F.R. Part 58. Approval of the disposition and conversion of public housing property will facilitate the PACT program and the rehabilitation and preservation of such housing as long-term, project-based Section 8 assisted housing. NYCHA will convey the (3) sites through a ground lease to Bed Stuy Collective LLC, a joint entity consisting of Kalal Companies and Dantes Partners. There is a separate public notice available for review and to issue comments on the PACT project at the HPD website: <https://www.nyc.gov/site/hpd/services-and-information/environmental-review.page>.

The City proposes to award \$3,502,998.48 in CDBG-DR funds to NYCHA, which will procure a contractor to install green infrastructure at the GI Sites as part of the NYCHA Green Infrastructure project. The GI Sites will include a total of four (4) assets. These include sub-surface slow-release detention chambers, which will temporarily store rainwater below ground and then release it slowly into the combined sewer after the storm has passed and capacity has returned, and retention chambers, which are designed to collect rain and channel it to below-ground natural aquifers.

The green infrastructure practices in this project are all located in parking lots or other open spaces on NYCHA properties. Excavation is required to install subsurface chambers and reconstruct catch basins and outlet control structures that are reconnected to existing sewer pipes. Once installation and reconstruction are complete, the area will be backfilled, resurfaced, and restored to its pre-existing condition; features at or above ground level will be replaced in kind. For each green infrastructure practice, the sewer's capacity is fixed.

The primary addresses of the of the GI Sites locations include:

Ocean Hill Apartments –
30 Mother Gaston Boulevard, Brooklyn, NY 11233

Stuyvesant Gardens I –
835 Gates Avenue, Brooklyn, NY 11221

Stuyvesant Gardens II –
150 Malcolm X Boulevard, Brooklyn, NY 11221

The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements. An Environmental Review Record (ERR) that documents the environmental determinations for this project will be made available to the public for review either electronically or by U.S. mail. Please submit your request by U.S. mail to Julie Freeman, Senior Assistant Director, New York City Office of Management and Budget,

at 255 Greenwich Street, 8th Floor, New York, NY 10007, or by email to CDBGComments@omb.nyc.gov.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the New York City Office of Management and Budget (NYC OMB) at the above address or via email to CDBGComments@omb.nyc.gov. All comments received by December 27, 2024, will be considered by NYC OMB prior to authorizing submission of a request for release of funds.

ENVIRONMENTAL CERTIFICATION

NYC OMB certifies to HUD that the City and Julie Freeman, in her capacity as Certifying Officer of the City's CDBG-DR Program, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City to use CDBG-DR Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and NYC OMB's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYC OMB; (b) NYC OMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to CPDRROFNyc@hud.gov. Potential objectors should contact HUD to verify the actual last day of the objection period.

City of New York: Eric Adams, Mayor

Jacques Jiha, Ph.D., Director, NYC OMB

Julie Freeman, Certifying Officer, NYC OMB

MAYOR'S OFFICE OF CONTRACT SERVICES

■ NOTICE

Notice of Intent to Issue New Solicitation Not Included in FY25 Annual Contracting Plan and Schedule

NOTICE IS HEREBY GIVEN that the Mayor will be issuing the following solicitation(s) not included in the FY 2025 Annual Contracting Plan and Schedule that is published pursuant to New York City Charter § 312(a):

Agency: Department of Design and Construction
Description of Services to be Provided: Design Services Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030
Anticipated Procurement Method: Task Order
Job Titles: Administrative Architect, Administrative Architect NM, Administrative City Planner NM, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Project Manager, Administrative Project Manager NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Landscape Architect, Assistant Mechanical Engineer, Assistant Urban Designer, Associate Project Manager, Associate Urban Designer, City Planner, Civil Engineer, Civil Engineer Intern, Electrical Engineer, Highways and Sewers Inspector, Landscape Architect, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern
Headcounts: 514

Agency: Department of Design and Construction
Description of Services to be Provided: Construction Management Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: Administrative Architect, Administrative Architect NM, Admin Community Relations Specialist NM, Administrative Community Relations Specialist, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Environmental Engineer, Assistant Mechanical Engineer, Assistant Landscape Architect, Associate Project Manager, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Industrial Hygienist, Landscape Architect, Highways and Sewers Inspector, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Surveyor
Headcounts: 663

Agency: Department of Design and Construction

Description of Services to be Provided: Resident Engineering Inspection Services Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City

Anticipated Contract Start Date: 2/1/2025

Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: Administrative Architect, Administrative Architect NM, Admin Community Relations Specialist NM, Administrative Community Relations Specialist, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Project Manager, Administrative Project Manager NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Environmental Engineer, Assistant Landscape Architect, Assistant Mechanical Engineer, Associate Project Manager, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Highways and Sewers Inspector, Industrial Hygienist, Landscape Architect, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Surveyor
Headcounts: 663

Agency: Department of Design and Construction

Description of Services to be Provided: Consultant Contract Administration: research, training, data analysis, and expert testimony, including services related to damages for delay claims, Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City

Anticipated Contract Start Date: 2/1/2025

Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: Accountant, Administrative Accountant NM, Administrative Architect, Administrative Architect NM, Administrative City Planner NM, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Manager, Administrative Project Manager, Administrative Project Manager NM, Administrative Staff Analyst, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Landscape Architect, Assistant Mechanical Engineer, Assistant Urban Designer, Associate Investigator, Associate Project Manager, Associate Urban Designer, City Planner, Civil Engineer, Civil Engineering Intern, Community Coordinator, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Estimator (Mechanical), Landscape Architect, Management Auditor, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Staff Analyst, Supervisor of Electrical Installations & Maintenance
Headcounts: 732

Agency: Department of Design and Construction

Description of Services to be Provided: Construction Support Services: asbestos, boring, testing, monitoring, sampling, site safety, inspections and environmental, Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City

Anticipated Contract Start Date: 2/1/2025

Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: Admin Construction Project Manager (Non Mgrl Formerly at M1), Administrative Construction Project Manager, Administrative Project Manager, Asbestos Handler, Assistant Civil Engineer, Assistant Environmental Engineer, Assistant Mechanical Engineer, Associate Project Manager, City Research Scientist, Civil Engineer, Construction Project Manager, Engineering Technician, Geologist, Industrial Hygienist, Project Manager, Project Manager Intern, Surveyor
Headcounts: 477

Agency: Department of Design and Construction

Description of Services to be Provided: Contract Administration:

fiscal audit, reconciliation of accounts, preparation of change orders, analyzing and finalizing financial transactions and contract close out, Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City

Anticipated Contract Start Date: 2/1/2025

Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: Account, Administrative Accountant NM, Administrative Architect, Administrative Architect NM, Administrative City Planner NM, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Manager, Administrative Project Manager, Administrative Project Manager NM, Administrative Staff Analyst, Architect, Assistant Architect, Assistant Landscape Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Mechanical Engineer, Assistant Urban Designer, Associate Investigator, Associate Project Manager, Associate Urban Designer, City Planner, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Estimator (Mechanical), Landscape Architect, Management Auditor, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Staff Analyst, Supervisor of Electrical Installations & Maintenance
Headcounts: 675

Agency: Department of Design and Construction

Description of Services to be Provided: Community Outreach Consultants Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City

Anticipated Contract Start Date: 2/1/2025

Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: None

Headcounts: 0

Agency: Department of Design and Construction

Description of Services to be Provided: Owner's Representative Requirements Contracts Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City

Anticipated Contract Start Date: 2/1/2025

Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: Administrative Architect, Administrative Architect NM, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Project Manager, Administrative Project Manager NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Landscape Architect, Assistant Mechanical Engineer, Associate Project Manager, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Highways and Sewers Inspector, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Surveyor
Headcounts: 635

Agency: Department of Design and Construction

Description of Services to be Provided: Commissioning Services Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City

Anticipated Contract Start Date: 2/1/2025

Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: Admin. Construction Project Manager NM, Administrative Architect, Administrative Architect NM, Administrative City Planner NM, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Environmental Engineer, Assistant Mechanical Engineer, Assistant Urban Designer, Associate Urban Designer, City Planner, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Engineering Technician, Mechanical Engineer, Mechanical Engineering Intern, Supervisor of Electrical Installations & Maintenance
Headcounts: 407

Agency: Department of Design and Construction

Description of Services to be Provided: Special Inspections and Laboratory Testing Services Upgrade of Combined sewer, water main, regulators and outfall along 37th Avenue between 12th Street and East River in Long Island City

Anticipated Contract Start Date: 2/1/2025

Anticipated Contract End Date: 6/30/2030

Anticipated Procurement Method: Task Order

Job Titles: Admin. Construction Project Manager NM, Administrative Architect, Administrative Architect NM, Administrative City Planner NM, Administrative Construction Project Manager, Administrative

Engineer, Administrative Engineer NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Environmental Engineer, Assistant Mechanical Engineer, Assistant Urban Designer, Associate Urban Designer, City Planner, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Engineering Technician, Mechanical Engineer, Mechanical Engineering Intern, Supervisor of Electrical Installations & Maintenance
Headcounts: 407

Agency: Department of Design and Construction
Description of Services to be Provided: Design Services Reconstruction of underbuilt streets in the Soundview neighborhood
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030
Anticipated Procurement Method: Task Order
Job Titles: Administrative Architect, Administrative Architect NM, Administrative City Planner NM, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Project Manager, Administrative Project Manager NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Landscape Architect, Assistant Mechanical Engineer, Assistant Urban Designer, Associate Project Manager, Associate Urban Designer, City Planner, Civil Engineer, Civil Engineering Intern, Electrical Engineer, Highways and Sewers Inspector, Landscape Architect, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern
Headcounts: 514

Agency: Department of Design and Construction
Description of Services to be Provided: Construction Management Reconstruction of underbuilt streets in the Soundview neighborhood
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030
Anticipated Procurement Method: Task Order
Job Titles: Administrative Architect, Administrative Architect NM, Admin Community Relations Specialist NM, Administrative Community Relations Specialist, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Environmental Engineer, Assistant Mechanical Engineer, Assistant Landscape Architect, Associate Project Manager, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Industrial Hygienist, Landscape Architect, Highways and Sewers Inspector, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Surveyor
Headcounts: 663

Agency: Department of Design and Construction
Description of Services to be Provided: Resident Engineering Inspection Services Reconstruction of underbuilt streets in the Soundview neighborhood
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030
Anticipated Procurement Method: Task Order
Job Titles: Administrative Architect, Administrative Architect NM, Admin Community Relations Specialist NM, Administrative Community Relations Specialist, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Project Manager, Administrative Project Manager NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Environmental Engineer, Assistant Landscape Architect, Assistant Mechanical Engineer, Associate Project Manager, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Highways and Sewers Inspector, Industrial Hygienist, Landscape Architect, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Surveyor
Headcounts: 663

Agency: Department of Design and Construction
Description of Services to be Provided: Consultant Contract Administration: research, training, data analysis, and expert testimony, including services related to damages for delay claims, Reconstruction of underbuilt streets in the Soundview neighborhood
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030
Anticipated Procurement Method: Task Order
Job Titles: Accountant, Administrative Accountant NM, Administrative Architect, Administrative Architect NM, Administrative City Planner NM, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Project Manager, Administrative Project Manager NM, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Environmental Engineer, Assistant Landscape Architect, Assistant Mechanical Engineer, Associate Project Manager, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Highways and Sewers Inspector, Industrial Hygienist, Landscape Architect, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Surveyor
Headcounts: 635

Manager NM, Administrative Staff Analyst, Architect, Assistant Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Landscape Architect, Assistant Mechanical Engineer, Assistant Urban Designer, Associate Investigator, Associate Project Manager, Associate Urban Designer, City Planner, Civil Engineer, Civil Engineering Intern, Community Coordinator, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Estimator (Mechanical), Landscape Architect, Management Auditor, Mechanical Engineer, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Staff Analyst, Supervisor of Electrical Installations & Maintenance
Headcounts: 732

Agency: Department of Design and Construction
Description of Services to be Provided: Construction Support Services: asbestos, boring, testing, monitoring, sampling, site safety, inspections and environmental, Reconstruction of underbuilt streets in the Soundview neighborhood
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030
Anticipated Procurement Method: Task Order
Job Titles: Admin Construction Project Manager (Non Mgrl Formerly at M1), Administrative Construction Project Manager, Administrative Project Manager, Asbestos Handler, Assistant Civil Engineer, Assistant Environmental Engineer, Assistant Mechanical Engineer, Associate Project Manager, City Research Scientist, Civil Engineer, Construction Project Manager, Engineering Technician, Geologist, Industrial Hygienist, Project Manager, Project Manager Intern, Surveyor
Headcounts: 477

Agency: Department of Design and Construction
Description of Services to be Provided: Contract Administration: fiscal audit, reconciliation of accounts, preparation of change orders, analyzing and finalizing financial transactions and contract close out, Reconstruction of underbuilt streets in the Soundview neighborhood
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030
Anticipated Procurement Method: Task Order
Job Titles: Account, Administrative Accountant NM, Administrative Architect, Administrative Architect NM, Administrative City Planner NM, Administrative Construction Project Manager, Administrative Engineer, Administrative Engineer NM, Administrative Landscape Architect, Administrative Landscape Architect NM, Administrative Project Manager, Administrative Project Manager NM, Administrative Staff Analyst, Architect, Assistant Architect, Assistant Landscape Architect, Assistant Civil Engineer, Assistant Electrical Engineer, Assistant Mechanical Engineer, Assistant Urban Designer, Associate Investigator, Associate Project Manager, Associate Urban Designer, City Planner, Civil Engineer, Civil Engineering Intern, Construction Project Manager, Electrical Engineer, Estimator (General Construction), Estimator (Mechanical), Landscape Architect, Management Auditor, Mechanical Engineering Intern, Project Manager, Project Manager Intern, Staff Analyst, Supervisor of Electrical Installations & Maintenance
Headcounts: 675

Agency: Department of Design and Construction
Description of Services to be Provided: Community Outreach Consultants Reconstruction of underbuilt streets in the Soundview neighborhood
Anticipated Contract Start Date: 2/1/2025
Anticipated Contract End Date: 6/30/2030
Anticipated Procurement Method: Task Order
Job Titles: None
Headcounts: 0
