"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a webbased system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page

FY25 COMMUNITY SCHOOL SERVICES - R1191 - Renewal - PIN# 04020I0001136R001 - AMT: \$1,734,375.00 - TO: New York Center for Interpersonal Development Inc., 130 Stuyvesant Place, 5th Floor, Staten Island, NY 10301.

The New York City Department of Education (DOE) is seeking qualified community-based organizations (Lead CBOs) to work with schools to implement the community school strategy in approximately 165 DOE schools ranging from elementary, middle, and high schools. Robust school and community partnerships will create supportive school environments and coordinate personalized social, emotional, and academic supports that are responsive to identified needs and build on the strengths of students, families, and communities. While there may be multiple partners working in DOE schools, the Lead CBO coordinates all partners and aligns services with the DOE school's goals.

The DOE recommends the use a new award selection method for this RFP to be released through PASSPort, the City's digital Procurement and Sourcing Solutions Portal. This new method will allow for principals or his or her authorized representative, as well as at least two additional representatives from the School Leadership Team (SLT) to make an award selection (subject to a responsibility determination) after all proposals have been evaluated by a committee, following Section $3\text{-}03(\mathrm{i})(1)$ of the PPB rules.

SNAP OUTREACH SERVICES TO LOW-INCOME HOUSEHOLDS - Required/Authorized Source - PIN# 06924R0002001 - AMT: \$973,700.00 - TO: Food Bank for New York City, 39 Broadway, 10th Floor, New York, NY 10006.

The DSS/ Office of Community Outreach is requesting the one year Required Source contract with Food Bank for New York City for SNAP Outreach Services in FY 2023. Food Bank for NYC provides vital services to increase access to SNAP for low-income New Yorkers through outreach and direct client assistance. SNAP Outreach is a 50 percent reimbursement program in which New York State Office of Temporary and Disability Assistance (OTDA) reimburses approved, reasonable, and necessary SNAP Outreach expenditures. The federal funding is granted with the understanding that this funding supports the implementation of outreach activities to inform low-income households about the availability, eligibility requirements, application procedures and the benefits of SNAP. OTDA verified that SNAP Outreach Plan for FY 2023 includes Food Bank of NYC federal SNAP Outreach reimbursement in the amount of \$973,700 as 50 percent of total SNAP outreach program costs.

NEIGHBORHOOD YOUTH TEAM SPORTS - Negotiated Acquisition/Pre-Qualified List - Other - PIN# 26024N0500007 - AMT: \$50,000.00 - TO: Proscholars Athletics Inc., PO Box 73, Bronx, NY 10451.

The New York State Office of Children and Family Services (OCFS) created the new fund in the state's fiscal year 2023-2024 budget to provide awards to support youth team sports programs for underserved youth under age 18. The funding supports youth development through team sports programs and would be awarded to local community-based organizations and nonprofits. Grant requires the City to have funds awarded and expensed prior to the grant end date of September 30, 2024. Therefore, DYCD is allocating \$1,500,000 of this grant for an opportunity to recruit new providers. It's anticipated the new providers will operate programs between March 1, 2024 to June 30, 2024 to ensure DYCD is within the grant's award terms.

In accordance with section 3-04 (b)(2)(i)(B) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) is requesting approval to procure Youth Team Sports (YTS) services through the Negotiated Acquisition (NAQ) method. DYCD would release a competitive NAQ which could potentially lead to DYCD negotiating with those who respond and would be found viable to operate Youth Team Sports program and who do not currently hold a DYCD contract to expand the provider pool and capacity. DYCD makes this request pursuant to Section 3-04(b)(2)(i)(B) as funds available from the New York State Office of Children and Family Services (OCFS) will be lost to the City if DYCD is unable to start the competitive NAQ.

What laws govern the rulemaking process? NYC Department of Finance must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

Local Law 82 of 2024 (LL82) amended Chapters 1 through 4 of Title 11 of the Administrative Code of the City of New York (Administrative Code). This Local Law instituted new DOF reporting and notification requirements for real property tax collection and authorized DOF to conduct sales of tax liens through calendar year 2028. LL82 also modified and expanded real property tax payment plan programs available to certain property owners. In addition, through LL82, qualified real property taxpayers have access to new programs that allow them to seek removal of their property from a tax lien sale or elect to participate in the real property Preservation Track program. Under the Preservation Track program, a real property owner voluntarily allows the City to foreclose upon their property, the City transfers the property directly to a qualified preservation purchaser, and the purchaser leases the property back to the former owner, extinguishing the outstanding tax liens on the property in the process.

Section 17 of LL82 amended Section 11-322.1(h) of the Administrative Code to authorize DOF to promulgate rules establishing a self-certification process for property owners seeking to renew real property tax payment plan agreements made as part of the property tax and interest deferral (PT-AID) program with DOF. Section 24 of LL82 added a new Section 11-412.3 to the Administrative Code, establishing an "Easy Exit" program that allows certain property owners to request that DOF remove their tax liens from a tax lien sale, provided that certain requirements are met. Specifically, applicants must demonstrate that: (1) the property in question is their primary residence or they have received other specified exemptions that demonstrate that such property is their primary residence; (2) their household income is below the Enhanced School Tax Relief (E-STAR) threshold; and (3) they do not own other real property with the specified classifications located in the City of New York. Subdivision d of section 11-412.3 requires that DOF promulgate rules establishing procedures for making requests to remove tax liens from a tax lien sale and for appeals of denials of such requests. Specifically, the subdivision specifies that such rules may include the timeframe within which the department must respond to requests and appeals.

Section 23 of LL82 added two new subdivisions (c) and (d) to section 11-332 of the Administrative Code, which would limit a tax lien certificate holder's authority to collect tax lien surcharges, provided that the applicable property owner meets certain qualifications and submits sufficient documentation to DOF and such holder receives all other amounts that the holder is entitled to receive without commencing a foreclosure proceeding. The qualifications for an owner with respect to this limitation on the collection of tax lien certificate surcharges are similar to those for the "Easy Exit" program: applicants must demonstrate that: (1) the property in question is their primary residence or they have received other specified exemptions that

demonstrate that such property is their primary residence; (2) their household income is below the E-STAR threshold; and (3) they do not own other real property with the specified classifications located in the City of New York.

Section 24 of LL82 added sections 11-412.4 and 11-412.5 to the Administrative Code, which establish the Preservation Track program and provide that property owners can apply for the program using forms developed by DOF.

Section 1 of this proposed rule would add a new subdivision (o) to section 40-03 of title 19 of the Rules of the City of New York to permit applicants for PT-AID hardship installment agreements to self-certify, for the purpose of annual renewal, that they satisfy the statutory requirements set forth in paragraph 2 of subdivision (h) of section 11-322.1 of the Administrative Code. LL82 amended section 11-322.1 to specifically provide for such a rule. Self-certification would ease the burden on both applicants and DOF to submit and process documentation, respectively, and thereby improve the efficiency of the PT-AID program. This section would also authorize DOF to void an installment agreement in certain circumstances in which the DOF Commissioner determines that an applicant has intentionally made a material misstatement in such a self-certification. This authority would not limit DOF's existing authority to terminate an agreement for any reason set forth in subdivision (k) of section 11-322.1 of the Administrative Code.

Section 2 of this proposed rule would amend subdivision (n) of section 40-03 of Title 19 of the Rules of the City of New York to elaborate on the definition of "extenuating circumstances" that is used in determining eligibility for hardship installment agreements and how DOF makes a finding of extenuating circumstances.

Section 3 of this proposed rule would add new sections 40-04, 40-05 and 40-06 to Title 19 of the Rules of the City of New York. Section 40-04 would establish an application and appeals process for the new "Easy Exit" program. This section would require a designated reviewer to respond to "Easy Exit" applications no later than 30 days after receipt. If a designated reviewer denies an application, this rule would permit the applicant to appeal a denial to a second tier of review. This section would also establish a definition of "household income" to determine "Easy Exit" program eligibility.

Section 40-05 of this proposed rule would create an application process allowing property owners to submit documentation demonstrating their eligibility for a tax lien surcharge waiver. This section would require DOF to respond to such applications no later than 30 days after receipt. This section would also establish a definition of "household income" to determine surcharge waiver program eligibility.

Section 40-06 of this proposed rule would create an application process allowing property owners to submit application forms required for participation in the new Preservation Track program. This section would require DOF to respond to such applications no later than 30 days after receipt. This section would also establish a definition of "household income" to determine Preservation Track program eligibility.

New material is underlined.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 40-03 of chapter 40 of Title 19 of the Rules of the City of New York is amended by adding a new subdivision (o), to read as follows:

(o) Hardship installment payment renewal self-certification. An applicant seeking renewal of their hardship installment agreement may, in their application, self-certify that they are eligible to renew their agreement and meet the requirements set forth in paragraph (2) of subdivision (h) of Administrative Code section 11-322.1. In addition to the termination provisions set forth in subdivision (k) of such section, the Commissioner or a designee of the Commissioner may void any installment agreement where the Commissioner or a designee of the Commissioner determines that an applicant has intentionally made a material misstatement in their application and the Department of Finance relied on such misstatement in good faith in approving such application.

§2. Subdivision (n) of section 40-03 of chapter 40 of Title 19 of the Rules of the City of New York is amended by adding a new paragraph (3), to read as follows:

(3) For the purpose of subdivision (n) of section 11-322.1 of the Administrative Code, "extenuating circumstances" has the meaning set forth in subparagraphs (i) and (ii) of paragraph (4) of subdivision (e) of this section. An application for a finding of extenuating circumstances submitted pursuant to subdivision (n) of section 11-322.1 of the Administrative Code is subject to the requirements and procedures set forth in subparagraph (iii) of paragraph (4) of subdivision (e) of this

section.

§3. Chapter 40 of Title 19 of the Rules of the City of New York is amended by adding new sections 40-04, 40-05 and 40-06, to read as follows:

§ 40-04 Removal of Tax Liens from a Tax Lien Sale.

(a) Request for removal. (1) Submission of Request. An owner of a property or a dwelling unit, as such terms are defined in subdivision (a) of section 11-412.3 of the Administrative Code, may request removal of a tax lien from a tax lien sale pursuant to subdivision b of such section by submitting an application in a paper or electronic format

determined by the Department.

- (2) Response by the Department. When a request is submitted pursuant to paragraph (1) of this subdivision, an individual designated by the Commissioner will respond to such request no later than 30 calendar days after the date of receipt of such request, by approving the request, denying the request, or instructing such property or dwelling unit owner to provide additional documentation if such designated individual determines that additional documentation is necessary to evaluate the request. When such designated individual instructs such owner to provide additional documentation, such designated individual will respond to the request for removal no later than 30 calendar days from the date of receipt of the additional documentation.
- (3) Required documentation. Such designated individual will not approve a request submitted pursuant to this subdivision unless the documentation submitted with the request demonstrates that the owner satisfies the requirements set forth in paragraphs (1) through (3) of subdivision (c) of section 11-412.3 of the Administrative Code.
- (4) Appeal of denial. If a request submitted pursuant to this subdivision is denied, the property or dwelling unit owner may appeal such denial by filing an appeal with the Commissioner within ten calendar days from receipt of the denial. Such appeal must be in writing and must briefly state all the facts or other basis upon which such owner contests the finding of ineligibility. The Commissioner or a designee of the Commissioner will respond to such appeal in writing no later than 60 calendar days from the date of receipt of the appeal. Any such designee will not be the same individual who made the finding of ineligibility that served as the basis of the denial of the application. The denial of an appeal is a final agency determination reviewable pursuant to Article 78 of the New York Civil Practice Law and Rules.
- (b) Household income definition for application of the income threshold. For the purpose of determining eligibility for removal of a tax lien from a tax lien sale pursuant to section 11-412.3 of the Administrative Code, the term "household income" means the combined income of all owners, including both residents and non-residents, and any owner's spouse who resides at the property or dwelling unit.
 - § 40-05 Exemption from Tax Lien Surcharges.

(a) Application process.

- (1) Submission of Request. An owner of a property may request an exemption from tax lien surcharges pursuant to subdivision (c) and (d) of section 11-332 of the Administrative Code by submitting an application in a paper or electronic format determined by the Department
- (2) Response by the Department. When a request is submitted pursuant to paragraph (1) of this subdivision, an individual designated by the Commissioner will respond to such request no later than 30 calendar days after the date of receipt of such request, by approving the request, denying the request, or instructing such owner to provide additional documentation, if such designated individual determines that additional documentation is necessary to evaluate the request. When such designated individual instructs such owner to provide additional documentation, such designated individual will respond to the request no later than 30 calendar days from the date of receipt of the additional documentation. A denial of a request is a final agency determination reviewable pursuant to Article 78 of the New York Civil Practice Law and Rules.
- (3) Required documentation and approval. Such designated individual will not approve a request submitted pursuant to this subdivision unless the documentation submitted with the request demonstrates that the owner satisfies the requirements set forth in subdivision (d) of section 11-332 of the Administrative Code. Such designated individual will notify the property owner of such approval in writing. If the request is approved and the tax lien certificate complies with the requirements set forth in paragraph (2) of subdivision (c) of section 11-332 of the Administrative Code, such designated individual will also notify the holder of the tax lien certificate in writing that such holder is not entitled to collect the surcharge described in subdivision (b) of section 11-332 of the Administrative Code.
 - (b) Household income definition for application of the income

threshold. For the purpose of determining eligibility for a surcharge waiver requested pursuant to subdivision (c) of section 11-332 of the Administrative Code, the term "household income" means the combined income of all owners, including both residents and non-residents, and any owner's spouse who resides at the property.

§ 40-06 Voluntary In-Rem Action.

(a) Application process.

- (1) An owner of a property, as such term is defined in subdivision (a) of section 11-412.3 of the Administrative Code, may seek to elect to subject the tax lien or tax liens on such property to summary foreclosure pursuant to section 11-412.4 of the Administrative Code by submitting an application in a paper or electronic format determined by the Department.
- (2) Response by the Department. When an application is submitted pursuant to paragraph (1) of this subdivision, an individual designated by the Commissioner will respond to such application no later than 30 calendar days after the date of receipt of such application by approving the application, denying the application, or instructing such owner to provide additional documentation, if such designated individual determines that additional documentation is necessary to evaluate the request. When such designated individual instructs such owner to provide additional documentation, such designated individual will respond to the application no later than 30 calendar days from the date of receipt of the additional documentation. A denial of an application is a final agency determination reviewable pursuant to Article 78 of the New York Civil Practice Law and Rules.
- (3) Such designated individual will not approve an application submitted pursuant to this subdivision unless the documentation submitted with the application demonstrates that the property owner satisfies the requirements set forth in paragraphs (1) through (5) of subdivision (b) of section 11-412.4 of the Administrative Code.
- (b) Household income definition for application of the income threshold. For the purpose of determining eligibility for the voluntary in-rem action requested pursuant to section 11-412.4 of the Administrative Code, the term "household income" means the combined incomes of all owners, including both residents and non-residents, and any owner's spouse who resides at the property.

SANITATION

■ NOTICE

Notice of Adoption of Final Rule Relating to the Level of Service Commercial Waste Zone Awardees Must Provide to Assigned Customers

NOTICE IS HEREBY GIVEN in accordance with the requirements of Sections 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation by sections 753 and 1043(a) of the New York City Charter and section 16-1002(e) of the New York City Administrative Code, that DSNY adopts the following rule relating to the level of service commercial waste zone awardees must provide to assigned customers. DSNY published a Notice of Opportunity to Comment on the proposed rule in the City Record on November 27, 2024. On December 27, 2024, DSNY held a public hearing on the proposed rule. One supportive comment was provided at the hearing, and two supportive written comments were received. One written comment requested that DSNY expand the rule to give the Department the flexibility to assign businesses a greater number of days of recycling or organics collection. The Department does not anticipate a need for additional assigned recycling or organics pickups at this time. However, the Department will consider this proposed change when it reviews the implementation of the first zone.

Statement of Basis and Purpose

The Department of Sanitation is currently implementing the first zone of the Commercial Waste Zones program mandated by Local Law 199 of 2019. The private waste carters who have been awarded the right to operate within the first zone ("awardees") have been signing up customers, but the percentage of businesses that have signed up with an awardee remains low. Pursuant to 16 RCNY 20-20(e), the Department will assign an awardee to any businesses that have failed to sign up with an awardee by the final implementation date for the zone. The rules of the Department currently state that assigned businesses shall receive two days of refuse collection per week and one day of designated recyclable materials collection per week, as well as one day of source separated organics collection per week if the commercial establishment is a designated covered establishment. However, there are businesses that generate a large amount of waste such that they currently require waste collection as frequently as five days per week. If these businesses were assigned an awardee for waste collection just two days per week, their waste would not be collected in a timely manner, and it could build up on the street. Therefore, this rule will give the Department the flexibility to assign a business up to five days a week of waste collection if an assigned business generates an amount of waste that requires collection more frequently than two days a week.

New material is underlined. [Deleted material is in brackets.] Asterisks (***) indicate unamended text.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Paragraph 1 of subdivision e of section 20-26 of Title 16 of the Rules of the City of New York is amended to read:

(e) (1) If a customer has been assigned to the awardee by the Department pursuant to paragraph (4) of subdivision (e) of \S 16-1002 of the Administrative Code or rules promulgated pursuant to

such section, the standard contract that the awardee has submitted to the Department pursuant to subdivision (c) of this section shall be deemed to be in effect, and the awardee shall provide commercial waste collection service at the level of service described in paragraph (2) of subdivision (a) of 16 RCNY § 20-22 at the maximum rates the awardee is authorized to charge pursuant to the awardee's agreement with the Department pursuant to § 16-1002 of the Administrative Code, unless and until such customer and such awardee negotiate alternative terms by following the procedures in subdivision (d) of this section or the customer selects a different awardee pursuant to paragraph (4) of subdivision (e) of § 16-1002. Notwithstanding any other provision of this paragraph, the Department may require that an awardee provide up to five days of refuse collection to a commercial establishment that has been assigned to such awardee as provided in this paragraph if the Department determines that such commercial establishment requires commercial waste collection service at a higher level of service than that described in subparagraph (i) of paragraph (2) of subdivision (a) of 16 RCNY § 20-22.

Statement of Substantial Need for Earlier Implementation

I hereby find, pursuant to Section 1043(f)(1)(d) of the New York City Charter, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of a rule to alter the level of service commercial waste zone awardees shall provide to assigned customers.

The Department of Sanitation is currently implementing the first zone of the Commercial Waste Zones program mandated by Local Law 199 of 2019. This first zone is currently in a transition period, which will end on January 2, 2025, the final implementation date that has previously been set by rule. The private waste carters who have been awarded the right to operate within the first zone ("awardees") have been signing up customers, but the percentage of businesses that have signed up with an awardee remains low. Pursuant to 16 RCNY 20-20(e), the Department shall assign an awardee to any businesses that have failed to sign up with an awardee by the final implementation date for the zone.

The rules of the Department currently state that assigned businesses shall receive two days of refuse collection per week and one day of designated recyclable materials collection per week, as well as one day of source separated organics collection per week if the commercial establishment is a designated covered establishment. However, there are businesses that generate a large amount of waste such that they currently require waste collection as frequently as five days per week. If these businesses were assigned an awardee for waste collection just two days per week, their waste would not be collected in a timely manner, and it could build up on the street. Therefore, the Department proposes to give itself the flexibility to assign a business up to five days a week of waste collection if an assigned business generates an amount of waste that requires collection more frequently than two days a week. This change will ensure all commercial waste is picked up after the final implementation date, and commercial waste is not sitting out on the street due to insufficient pickups.

In order to be able to achieve these goals prior to the final implementation date of January 2, 2025, there is a substantial need for this rule to be implemented immediately upon its final publication in the City Record.

■ NOTICE

Notice of Adoption

NOTICE OF ADOPTION relating to the New York City Department of Transportation's amendment to Section 7-04(a) of Title 34 of the Rules of the City of New York to authorize the granting of revocable consents to construct or maintain electric micromobility device battery swapping and charging cabinets on, over or under City streets.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the New York City Department of

Transportation by Sections 364, 1043 and 2903(a) of the New York City Charter that DOT hereby amends Chapter 7 of Title 34 of the Rules of the City of New York.

Statement of Basis and Purpose of Adopted Rule

The New York City Department of Transportation ("DOT") is adopting this rule to authorize property owners and tenants to apply for and be granted revocable consents for the installation of electric micromobility device battery swapping and charging cabinets on sidewalks within the public right of way in front of their properties. In recent years, ridership of electric micromobility devices, such as e-bikes and e-scooters, has increased dramatically. This includes increased ridership of uncertified e-bikes and illegal e-mopeds that use low-quality and uncertified eithium-ion batteries. The proliferation of these low-quality batteries combined with unsafe charging practices has contributed to an increase in fires started by lithium-ion batteries, which are now a leading cause of fires and fire deaths in New York City. Electric micromobility device battery swapping and charging cabinets provide a safer way for e-bike users to charge and access Underwriters Laboratories (UL)-certified batteries that are designed to minimize fire risk.

This rule will encourage the safe use of electric micromobility devices in order to address this urgent fire threat. Without this rule, store owners, building owners, and battery swapping and charging cabinet providers would be unable to install these cabinets in the right of way. By amending section 7-04(a) of Title 34 of the Rules of the City of New York ("RCNY"), DOT will authorize a property owner or tenant to apply for and receive a revocable consent to install an electric micromobility device battery swapping and charging cabinet on the sidewalk in front of their property, where such cabinet would be accessible to and usable by e-bike users. Such a revocable consent would be for a fixed term and would require annual compensation to DOT. Each such revocable consent and cabinet would be subject to the procedures and general conditions set forth in chapter 7 of Title 34 of the RCNY for revocable consents.

In parallel to DOT review of applications for revocable consents for electric micromobility device battery swapping and charging cabinets pursuant to this adopted rule, the New York City Fire Department will review and approve each cabinet as part of their current Technology Management ("TM") process to ensure that such cabinets utilize appropriate fire safety technology, such as ventilation, temperature control, and automatic shutoff if a battery is overheating. Additionally, such electric micromobility device battery swapping and charging cabinets must comply with the New York City Electrical Code, as applicable.

Specifically, this rule amends subdivision (a) of section 7-04 of chapter 7 of Title 34 of the RCNY to add a new paragraph (38) to authorize the granting of revocable consents for electric micromobility device battery swapping and charging cabinets.

The proposed rule was published in the $\underline{\text{City Record}}$ on July 25, 2024, and a public hearing was held on August 26, 2024. DOT received written and verbal comments from the public and made the following revisions:

- Added new items (1) and (2) of clause (A) of subparagraph (i) of paragraph 38 of subdivision (a) of section 7-04 of Title 34 of the RCNY to provide that an electric micromobility device battery swapping and charging cabinet may be installed adjacent to a residential building with five or more dwelling units, in addition to buildings that have non-residential uses;
- Modified clause (B) of such subparagraph to increase the maximum height of electric micromobility device battery swapping and charging cabinets from eight feet to eight feet and five inches, and to increase the maximum depth of such cabinets from three feet to four feet;
- Added a new clause (C) to such subparagraph to provide that electric micromobility device battery swapping and charging cabinets must be securely affixed to the ground;
- Added a new clause (D) to such subparagraph to provide that an electric micromobility device battery swapping and charging cabinet is required to be located a minimum of three feet from an adjacent electric micromobility device battery swapping and charging cabinet, unless otherwise approved by the New York City Fire Department:
- City Fire Department;

 Added a new clause (E) to such subparagraph to provide that an electric micromobility device battery swapping and charging cabinet may only be installed above a sidewalk vault where such vault is licensed pursuant to section 19-117 of the New York City Administrative Code, and to require that a registered design professional certify that such vault has been inspected and that the sidewalk can support the electric micromobility device battery swapping and charging cabinet; and
- Added a new clause (F) to such subparagraph to provide that if an electric micromobility device battery swapping and charging cabinet is to be installed adjacent to a 90-degree or angled

parking spot then bollards must also be installed.

New material underlined.

Section 1. Subdivision (a) of section 7-04 of Title 34 of the Rules of the City of New York is amended by adding a new paragraph (38) to read as follows:

(38) Electric micromobility device battery swapping and charging cabinet.

(i) Standard.

- (A) An electric micromobility device battery swapping and charging cabinet may be installed adjacent to:
 - 1. A building where the ground floor has a nonresidential use; or
 - 2. A residential building with five or more dwelling
- (B) The height of each electric micromobility device battery swapping and charging cabinet shall not exceed eight feet and five inches. The width of each such cabinet shall not exceed four feet. The depth of each such cabinet shall not exceed four feet.
- (C) An electric micromobility device battery swapping and charging cabinet shall be securely affixed to the ground.
- (D) The distance between any two electric micromobility device swapping and charging cabinets shall be a minimum of three feet, unless otherwise approved by the New York City Fire Department.
- (E) An electric micromobility device battery swapping and charging cabinet may be installed above a sidewalk vault
 - 1. Such sidewalk vault is licensed pursuant to § 19-117 of the Administrative Code; and
 - 2. A registered design professional, as defined in section 28-101.5 of the Administrative Code, has certified that such sidewalk vault has been inspected and that the sidewalk above such vault can safely support the electric micromobility device battery swapping and charging cabinet.
- (F) An electric micromobility device battery swapping and charging cabinet may be installed adjacent to a 90-degree or angled parking spot, provided that bollards in accordance with § 7-04(a)(20) of these rules shall be installed between the electric micromobility device battery swapping and charging cabinet and such parking spot.
- (G) No revocable consent shall be granted for an electric micromobility device battery swapping and charging cabinet without the prior written approval of the New York <u>City Fire Department.</u>

(ii) Annual rate. \$25.
