#### Statement of Basis and Purpose of Proposed Rule

The New York City Mayor's Office of Long-Term Planning and Sustainability (OLTPS) is proposing to add a new Chapter 23 to Title 43 of the Rules of the City of New York to establish a re-grant program to implement a New York State Energy Research and Development Authority (NYSERDA) grant. The re-grant program will be administered by a contractor, Solar One and ICF Resources, LLC., with guidance from OLTPS. This proposed rule codifies through the City Administrative Procedures Act (CAPA) the criteria and procedures, described below, that will be used to select re-grantees and that will control the distribution of awards. Re-grantees will receive funds to perform energy efficiency upgrades or conduct community campaigns to advance energy efficiency.

NYSERDA's Clean Energy Communities program provides recognition and grant funding to local governments for clean energy projects intended to reduce greenhouse gas emissions and contribute to New York's clean energy goals. In January 2023, NYSERDA notified New York City that it was selected for a \$160,000 Clean Energy Communities grant. \$95,000 of the grant award is for communitybased organizations (CBOs) to perform clean energy campaigns and \$65,000 of the grant award is for building owners to complete energy efficiency upgrades. Pursuant to the grant award, OLTPS will provide re-grant awards to CBOs and building owners (the "Clean Energy Communities Re-Grant Program" or "CEC Re-Grant Program"). CBOs will receive re-grant awards up to \$15,000.00 to complete clean energy campaigns. Building owners will receive re-grant awards up to \$25,000 to complete energy efficiency upgrades. The term "grant" refers to the \$160,000 grant award from NYSERDA to New York City. The term "re-grant" refers to the awards from New York City to CBOs and building owners to complete clean energy campaigns and energy efficiency upgrades, respectively.

The application to apply for funding opened to CBOs and building owners on February 27, 2023. OLTPS, through its contractor, invited eligible CBOs and building owners to apply for re-grants to support clean energy campaigns or energy efficiency upgrades. The initial application deadline was April 14, 2023 for CBOs and April 21, 2023 for building owners but was subsequently extended to April 24, 2023 for both CBOs and building owners.

Applications were reviewed and evaluated by members of the Steering Committee, which included representatives with expertise in the clean energy field. Two CBOs and six building owners applied for the CEC Re-Grant Program. The Steering Committee met to review each application. The Steering Committee reviewed the applications based on the criteria articulated in this rule and a set of guidelines providing more detailed direction that were published in conjunction with the launch of the application process in February 2023. The Steering Committee used the criteria and guidelines to determine which applicants would receive re-grants.

The standards set forth in this proposed rule will govern the award and distribution of re-grants to program participants going forward.

#### EMERGENCY EXECUTIVE ORDER NO. 720

January 3, 2025

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated that steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which "represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island"; and

WHEREAS, although there has been improvement in excessive staff absenteeism, extraordinarily high rates of attrition due to staff retirements and other departures continue to seriously affect the Department of Correction's (DOC's) staffing levels and create a serious risk to DOC's ability to carry out the safety and security measures required for the maintenance of sanitary conditions; and access to basic services, including showers, meals, visitation, religious services, commissary, and recreation; and

WHEREAS, this Order is given to prioritize compliance with the Nunez Action Plan and to address the effects of DOC's staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140 of 2022, Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

WHEREAS, over 80 provisions in the various Court Orders entered in  $Nunez\ v.\ City\ of\ New\ York$ , 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the  $Nunez\ Monitor\ ("Monitor")$  prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect; and
