93-58 Special Permit for Modification of Height and Setback Regulations

Within the #Special Hudson Yards District#, except within C1-7A Districts, or C2-5 Districts mapped within R8A Districts, for #developments# or #enlargements# on #zoning lots# with at least 20,000 square feet of #lot area# or #developments# or #enlargements# on any size #zoning lot# that occupy the entire #block# front along a #wide street#, the City Planning Commission may modify the regulations set forth in Sections 93-40 (HEIGHT AND SETBACK REGULATIONS), inclusive, and 93-50 (SPECIAL HEIGHT AND SETBACK REGULATIONS), inclusive; and, within Subdistrict F, may modify or waive the regulations set forth in Sections 93-10 (USE REGULATIONS), inclusive, 93-70 (PUBLIC ACCESS REQUIREMENTS FOR SPECIAL SITES), inclusive, and 13-242 (Maximum width of curb cuts), provided the Commission finds that:

CD 4 C 250024 MMM

IN THE MATTER OF an application submitted by WRY Tenant LLC pursuant to Sections 197-c and 199 of the New York City Charter for an amendment to the City Map involving the change of grades on West 33rd Street between Eleventh Avenue and Twelfth Avenue and the delineation of a public access easement, including authorization for any acquisition or disposition of real property related thereto, in Community District 4, Borough of Manhattan, in accordance with map No. ACC. 30276, dated November 8, 2024 and signed by the Borough President.

NOTICE

On Wednesday, February 19, 2025, a public hearing is being held by the City Planning Commission (CPC), accessible inperson and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by WRY Tenant LLC. The area subject to the Proposed Actions encompasses the Western Rail Yard Site, comprising Block 676, Lots 1 and 5 (the "Development Site") in the Hudson Yards neighborhood of Manhattan, Community District 4. It occupies the entire area bounded by West 30th and West 33rd Streets and Eleventh and Twelfth Avenues and comprises the western portion of the John D. Caemmerer West Side Yard, an active rail yard where the Long Island Rail Road (LIRR) stores commuter trains.

The Proposed Actions include a zoning text amendment, a special permit, an amendment to the City Map, and a modification of the previously approved Restrictive Declaration for the Development Site. In addition to the requested actions, as a related action, the Applicant will seek a revocable consent from DOT for the installation of a staircase and elevator in the West 33rd Street sidewalk at Twelfth Avenue to provide additional access for the public and visitors to the Site as well as an approval from the New York City Public Design Commission for the design of the staircase and elevator to be installed pursuant to the revocable consent. In addition, the proposed gaming facility for the Proposed Project requires discretionary approval from the New York State Gaming Facility Location Board, which will serve as an Involved Agency for the environmental review under the New York State Environmental Quality Review Act (SEQRA).

The Proposed Actions would facilitate the Proposed Project. comprising three buildings and approximately 6,226,560 gross square feet (gsf), including 1,208,623 gsf of residential area (1,507 dwelling units with 324 units would be permanently affordable), 2,667,400 gsf of hotel resort with gaming uses, 2,179,899 gsf of office area, 130,000 gsf of community facility use to be used as a school and a day care facility, 16,000 gsf of cultural space, 4.58 acres of new open space, and 725 parking spaces. Because the Proposed Project's gaming use requires an approval from the New York State Gaming Facility Location Board, an Alternative Scenario was also developed the reflects a similar density of open space configuration as the Proposed Project, but does not include the gaming use. Under the Alternative Scenario, the Proposed Actions would be expected to result in 1,482,476 gsf of residential area (1,816 dwelling units with 324 units permanently affordable), 3,745,932 gsf of office space, 849,894 gsf of hotel use, 34,868 gsf of retail area, 130,000 gsf of community facility use to be used as a school and a day care facility, 16,000 gsf of cultural space, 4.58 acres of new open space, and 675 parking spaces. The anticipated build year of either scenario is 2031.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, March 3, 2025.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DCP091M.

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a webbased system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Pregualification, may be viewed, at https://passport. cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit https://www.nyc. gov/site/mocs/hhsa/hhs-accelerator-guides.page
