### Chapter 3 Special Hudson Yards District

\* \* \*

### 93-50 SPECIAL HEIGHT, SETBACK AND YARD REGULATIONS

\* \* \*

#### 93-58 Special Permit for Modification of Height and Setback Regulations

Within the #Special Hudson Yards District#, except within C1-7A Districts, or C2-5 Districts mapped within R8A Districts, for #developments# or #enlargements# on #zoning lots# with at least 20,000 square feet of #lot area# or #developments# or #enlargements# on any size #zoning lot# that occupy the entire #block# front along a #wide street#, the City Planning Commission may modify the regulations set forth in Sections 93-40 (HEIGHT AND SETBACK REGULATIONS), inclusive, and 93-50 (SPECIAL HEIGHT AND SETBACK REGULATIONS), inclusive; and, within Subdistrict F, may modify or waive the regulations set forth in Sections 93-10 (USE REGULATIONS), inclusive, 93-70 (PUBLIC ACCESS REQUIREMENTS FOR SPECIAL SITES), inclusive, and 13-242 (Maximum width of curb cuts), provided the Commission finds that:

- such modifications will result in a better distribution of #bulk# on the #zoning lot# and will not adversely affect access to light and air for surrounding public access areas, #streets# and properties;
- where the #development# or #enlargement# is subject to the requirements of Sections 93-60 (MANDATORY IMPROVEMENTS), inclusive, or 93-70 (PUBLIC ACCESS REQUIREMENTS FOR SPECIAL SITES), inclusive, such modifications will not impair the quality of such public access areas on the #zoning lot#; where the regulations set forth in Section 93-70 are modified or waived, the resulting arrangement of public access areas on the #zoning lot# results in better site planning;
- such modifications are consistent with the goal of the special district to provide flexibility of architectural design and encourage more attractive building forms; and
- such modifications will result in a #development# or #enlargement# that enhances the streetscape and will be compatible with development in the surrounding area; and
- such modifications to the curb cut regulations are necessary to accommodate a turnaround area for fire apparatus and other vehicular traffic.

The Commission may establish an appropriate level or levels instead of the mean level of the public sidewalk, the mean level of the final grade of open space, the #High Line bed#, or the highest level of the public sidewalk or finished grade, as applicable, as the reference plane for the applicable regulations relating to the measurement of #building# heights within Subdistrict F.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects of the #development# or #enlargement# on the character of the surrounding area.

\* \* \*

**CD 4** **No. 7** **C 250024 MMM**  
**IN THE MATTER OF** an application submitted by WRY Tenant LLC pursuant to Sections 197-c and 199 of the New York City Charter for an amendment to the City Map involving the change of grades on West 33<sup>rd</sup> Street between Eleventh Avenue and Twelfth Avenue and the delineation of a public access easement, including authorization for any acquisition or disposition of real property related thereto, in Community District 4, Borough of Manhattan, in accordance with map No. ACC. 30276, dated November 8, 2024 and signed by the Borough President.

## NOTICE

On Wednesday, February 19, 2025, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by WRY Tenant LLC. The area subject to the Proposed Actions encompasses the Western Rail Yard Site, comprising Block 676, Lots 1 and 5 (the "Development Site") in the Hudson Yards neighborhood of Manhattan, Community District 4. It occupies the entire area bounded by West 30<sup>th</sup> and West 33<sup>rd</sup> Streets and Eleventh and Twelfth Avenues and comprises the western portion of the John D. Caemmerer West Side Yard, an active rail yard where the Long Island Rail Road (LIRR) stores commuter trains.

The Proposed Actions include a zoning text amendment, a special permit, an amendment to the City Map, and a modification of the previously approved Restrictive Declaration for the Development Site. In addition to the requested actions, as a related action, the Applicant will seek a revocable consent from DOT for the installation of a staircase and elevator in the West 33<sup>rd</sup> Street sidewalk at Twelfth Avenue to provide additional access for the public and visitors to the Site as well as an approval from the New York City Public Design Commission for the design of the staircase and elevator to be installed pursuant to the revocable consent. In addition, the proposed gaming facility for the Proposed Project requires discretionary approval from the New York State Gaming Facility Location Board, which will serve as an Involved Agency for the environmental review under the New York State Environmental Quality Review Act (SEQRA).

The Proposed Actions would facilitate the Proposed Project, comprising three buildings and approximately 6,226,560 gross square feet (gsf), including 1,208,623 gsf of residential area (1,507 dwelling units with 324 units would be permanently affordable), 2,667,400 gsf of hotel resort with gaming uses, 2,179,899 gsf of office area, 130,000 gsf of community facility use to be used as a school and a day care facility, 16,000 gsf of cultural space, 4.58 acres of new open space, and 725 parking spaces. Because the Proposed Project's gaming use requires an approval from the New York State Gaming Facility Location Board, an Alternative Scenario was also developed that reflects a similar density of open space configuration as the Proposed Project, but does not include the gaming use. Under the Alternative Scenario, the Proposed Actions would be expected to result in 1,482,476 gsf of residential area (1,816 dwelling units with 324 units permanently affordable), 3,745,932 gsf of office space, 849,894 gsf of hotel use, 34,868 gsf of retail area, 130,000 gsf of community facility use to be used as a school and a day care facility, 16,000 gsf of cultural space, 4.58 acres of new open space, and 675 parking spaces. The anticipated build year of either scenario is 2031.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, March 3, 2025.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DCP091M.

## PROCUREMENT

### “Compete To Win” More Contracts!

**Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.**

### ● Win More Contracts, at [nyc.gov/competetowin](https://nyc.gov/competetowin)

**“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”**

### HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application

using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at [https://passport.cityofnewyork.us/page/en/rfp/request\\_browse\\_public](https://passport.cityofnewyork.us/page/en/rfp/request_browse_public)

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

### EMERGENCY EXECUTIVE ORDER NO. 738

February 2, 2025

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated that steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which "represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island"; and

WHEREAS, although there has been improvement in excessive staff absenteeism, extraordinarily high rates of attrition due to staff retirements and other departures continue to seriously affect the Department of Correction's (DOC's) staffing levels and create a serious risk to DOC's ability to carry out the safety and security measures required for the maintenance of sanitary conditions; and access to basic services, including showers, meals, visitation, religious services, commissary, and recreation; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC's staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140 of 2022, Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 735, dated January 28, 2025, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

#### EMERGENCY EXECUTIVE ORDER NO. 739

February 2, 2025

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction ("DOC"), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor ("Monitor") prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as by transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to "evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect" [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024, and Emergency Executive Order 682, dated October 30, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct section 1 of Emergency Executive Order No. 736, dated January 28, 2025 is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.
