NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS FOR THE OPERATION AND MAINTENANCE OF A HIGH-QUALITY FOOD STAND AND OUTDOOR CAFE AT MADISON SQUARE PARK - Negotiated Acquisition - PIN#M52-SB - Due 3-13-25 at 3:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks") intends to enter into a negotiated concession for a license agreement for the operation and maintenance of a high quality food stand and outdoor cafe at Madison Square Park.

The concession will have a term not to exceed one (1) year with up to two (2) one (1)-year renewal options. With the current license agreement scheduled to expire on November 27, 2025, this new term is anticipated to begin immediately thereafter. The concession will be operated pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered.

With regard to license fees resulting from this agreement, pursuant to an agreement between the Madison Square Park Conservancy (MSPC) and Parks dated May 6, 2013, which provides for payment to MSPC of 100% of the annual concession fees otherwise due to the City in order to provide support to Madison Square Park and Worth Square, the selected licensee shall make the license fee payments set forth in the agreement directly to MSPC. Pursuant to the agreement between MSPC and Parks, MSPC receives no operating funds from the City and is fully responsible for raising the park's operating budget and maintaining and programming the park without City staff or financial support, other than the annual concession fees referenced above.

At this time, it is neither practicable nor advantageous to award this concession by competitive sealed proposals or competitive sealed bids due to ongoing conditions at Madison Square Park which would restrict the number of years that could presently be offered as a concession term.

MSPC is in the process of initiating a master plan for the southern end of Madison Square Park. This is necessitated by flooding conditions under the current concession structure and overall water conditions in this section of the park. While that plan is developed, it is yet to be determined if the master planning will impact any elements of the concession, including its current footprint. NYC Parks cannot issue a competitive solicitation for a concession term of significant length when questions surrounding the concession's footprint are not yet determined.

Until questions related to the master planning are answered that would inform the length of a term that can be offered, it is in the best interest of the City to seek a negotiated short-term concession. Without one, the current concession will expire and the facility will remain vacant since Parks does not have the capability or the resources to operate, maintain or secure the facility. Service to the public will be interrupted and significant revenue will be lost in concession fees.

This negotiated concession is meant to act as a short-term solution to bridge the gap until a new competitive RFP solicitation, evaluation, and award process have concluded and to allow time for the finalization of the scope of the master plan before the start of any longer term concession.

For all of these reasons, it is in the best interest of the City to pursue a negotiated concession for this facility.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Phil Abramson, Director of Concessions Communications for NYC Parks, at (212) 360-3426 or via e-mail at Phil.Abramson@parks.nyc.gov by March 13, 2025 at 3:00 P.M. Thereafter, there will be a process for submission of proposals. Parks will evaluate the proposals on the bases of proposed capital investments; operating experience and financial capability; planned operations; fee offer; and integrated sustainability. The award of this concession is anticipated to be conditioned upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission. Please note that the concession award is subject to applicable provisions of federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity. The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Phil Abramson, Director of Concessions Communications for NYC Parks, at (212) 360-3426 or via e-mail at Phil.Abramson@parks.nyc.gov (Office of the Concessions Division, City of New York Parks, The Arsenal-Central Park, 830 Fifth Avenue- Room 407, New York, NY 10065).

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

■ INTENT TO AWARD

Services (other than human services)

MAINTAIN ELECTRIC VEHICLE SUPPLY EQUIPMENT (EVSE)

- Negotiated Acquisition - PIN#84125N0001001 - Due 3-10-25 at 5:00 P.M.

The New York City Department of Transportation (NYCDOT) intends to enter into negotiations with FLO Services USA Inc. ("FLO") under the Negotiated Acquisition provision (Section 3-04) of the Procurement Policy Board Rules for an agreement to continue to operate and maintain the electrical vehicle service equipment ("EVSE") at sites currently operating under the Curbside Level 2 Charging Pilot Program, a program initiated via a demonstration agreement between NYCDOT and Consolidated Edison Company of New York ("Con Edison") that expires in July 2025. FLO, under a separate agreement with Con Edison, is managing and operating the equipment at the Charger sites in the Pilot Program.

Only FLO, which already has their EVSE installed and operating in situ, is in a position to offer continued operation in a way that is feasible until new EVSE installation and operation can be assumed under a new contract. Accordingly, the Agency Chief Contracting Officer has determined that, pursuant to Section 3-04(b)(2)(i)D, there is a time sensitive situation where a vendor must be retained quickly because a compelling need for services exists that cannot be timely met through competitive sealed bidding or competitive sealed proposals and, pursuant to Section 3-04(b)(2)(ii), there is a limited number of vendors available and able to perform the work.

The term (duration) of this contract will be two (2) years (730 CCD). The projected start/end dates are 7/8/25 and 7/8/27, respectively.

Vendors may express interest in providing this service in the future by contacting David Maco, New York Department of Transportation, ACCO Office, 55 Water Street, 8th Floor, New York, NY 10041 at dmaco@dot.nyc.gov or (212) 839-9400, by no later than 5:00 P.M. on 3/10/25.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Negotiated acquisition agreement with FLO Services USA Inc. is required to continue to operate and maintain the electric vehicle supply equipment ("EVSE") at sites currently operating under the Curbside Level 2 EV Charging Pilot Program.

The specific elements of a special case applicable here are Section 3-04(b)(2)(i)D where there is a time-sensitive situation where a vendor must be retained quickly because: a compelling need for goods, services, construction, and/or construction-related services exists that cannot be timely met through competitive sealed bidding or competitive sealed proposals; and Section 3-04 (b) (2) (ii): there is a limited number of vendors available and able to perform the work. READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov; and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
