NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS FOR THE OPERATION AND MAINTENANCE OF A HIGH-QUALITY FOOD STAND AND OUTDOOR CAFE AT MADISON SQUARE PARK - Negotiated Acquisition - PIN#M52-SB - Due 3-13-25 at 3:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks") intends to enter into a negotiated concession for a license agreement for the operation and maintenance of a high quality food stand and outdoor cafe at Madison Square Park.

The concession will have a term not to exceed one (1) year with up to two (2) one (1)-year renewal options. With the current license agreement scheduled to expire on November 27, 2025, this new term is anticipated to begin immediately thereafter. The concession will be operated pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered.

With regard to license fees resulting from this agreement, pursuant to an agreement between the Madison Square Park Conservancy (MSPC) and Parks dated May 6, 2013, which provides for payment to MSPC of 100% of the annual concession fees otherwise due to the City in order to provide support to Madison Square Park and Worth Square, the selected licensee shall make the license fee payments set forth in the agreement directly to MSPC. Pursuant to the agreement between MSPC and Parks, MSPC receives no operating funds from the City and is fully responsible for raising the park's operating budget and maintaining and programming the park without City staff or financial support, other than the annual concession fees referenced above.

At this time, it is neither practicable nor advantageous to award this concession by competitive sealed proposals or competitive sealed bids due to ongoing conditions at Madison Square Park which would restrict the number of years that could presently be offered as a concession term.

MSPC is in the process of initiating a master plan for the southern end of Madison Square Park. This is necessitated by flooding conditions under the current concession structure and overall water conditions in this section of the park. While that plan is developed, it is yet to be determined if the master planning will impact any elements of the concession, including its current footprint. NYC Parks cannot issue a competitive solicitation for a concession term of significant length when questions surrounding the concession's footprint are not yet determined.

Until questions related to the master planning are answered that would inform the length of a term that can be offered, it is in the best interest of the City to seek a negotiated short-term concession. Without one, the current concession will expire and the facility will remain vacant since Parks does not have the capability or the resources to operate, maintain or secure the facility. Service to the public will be interrupted and significant revenue will be lost in concession fees.

This negotiated concession is meant to act as a short-term solution to bridge the gap until a new competitive RFP solicitation, evaluation, and award process have concluded and to allow time for the finalization of the scope of the master plan before the start of any longer term concession.

For all of these reasons, it is in the best interest of the City to pursue a negotiated concession for this facility.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Phil Abramson, Director of Concessions Communications for NYC Parks, at (212) 360-3426 or via e-mail at Phil.Abramson@parks.nyc.gov by March 13, 2025 at 3:00 P.M. Thereafter, there will be a process for submission of proposals. Parks will evaluate the proposals on the bases of proposed capital investments; operating experience and financial capability; planned operations; fee offer; and integrated sustainability. The award of this concession is anticipated to be conditioned upon the successful completion of PASSPort (the

Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission. Please note that the concession award is subject to applicable provisions of federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity. The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Phil Abramson, Director of Concessions Communications for NYC Parks, at (212) 360-3426 or via e-mail at Phil.Abramson@parks.nyc.gov (Office of the Concessions Division, City of New York Parks, The Arsenal-Central Park, 830 Fifth Avenue- Room 407, New York, NY 10065).

AGENCY RULES

ENVIRONMENTAL PROTECTION

■ NOTICE

NOTICE OF ADOPTION OF FINAL RULE
NEW YORK CITY DEPARTMENT OF ENVIRONMENTAL PROTECTION

Pursuant to the authority vested in the Commissioner of the Department of Environmental Protection by Section 1043 of the New York City Charter and Sections 24-204, 24-237 and 24-713 of the Administrative Code of the City of New York, the Department of Environmental Protection is promulgating a rule to amend the Noise Code Penalty Schedule, codified in chapter 47 of Title 15 of the Rules of the City of New York, and the Community Right-To-Know Law Penalty Schedule, codified in chapter 54 of Title 15 of the Rules of the City of New York, to conform to changes made to the Administrative Code by Local Law 151 of 2023. A public hearing on the proposed rule was held on February 3, 2025. No comments were received.

Statement of Basis and Purpose

Local Law 151 of 2023, which was enacted on November 17, 2023, made a number of changes to the Administrative Code in order to reduce penalties for small businesses, allow opportunities to cure for certain violations, and eliminate certain requirements for commercial establishments.

Among these changes was the elimination of section 24-237(c) from the Noise Control Code. This subdivision, which prohibited the use of a steam whistle attached to a stationary boiler except as a notice of the time to stop and start work or as a signal of imminent danger, was obsolete and no longer enforced.

Also, Local Law 151 amended section 24-713(b) of the Administrative Code, which sets forth penalties for violations of the Community Right-To-Know Law, to reduce the minimum penalty for a first violation of sections 24-706, 24-711 or 24-718 from \$500 to \$100.

In light of these changes, DEP is amending the Noise Code Penalty Schedule (15 RCNY Chapter 47) to remove the penalty for former section 24-237(c) and change former 24-237(d) to 24-237(c).

DEP is also amending the Community Right-To-Know Penalty Schedule (15 RCNY Chapter 54) to reduce the penalty for a first offense violation of sections 24-706, 24-711 and 24-718 to \$100.

Pursuant to section 1043(d)(4)(ii), this rule is exempt from review under Charter section 1043(d).

New material is underlined.

Section 1. The entry for Administrative Code §24-237(c) set forth in the table in section 47-02 of Title 15 of the Rules of the City of New York is REPEALED, and the entry for Administrative Code §24-237(d) is amended, to read as follows:

Section of Law	Violation Description	Compliance	Offense	Penalty	Default Penalty	Stipulation
24-237[(d)] (c)	Improper use of sound signal device (food vendor)	Cease use of sound signal device forthwith	1st	350	1000	Y
			2nd	700	2,000	Y
			3rd	1,050	3,000	Y

§2. Section 54-02 of Title 15 of the Rules of the City of New York is amended to read as follows:

Statement of Basis and Purpose of Proposed Rule

The New York City Identification Card Program (“IDNYC Card Program”) was established to ensure that New Yorkers are provided with the opportunity and peace of mind that come with possessing a government-issued photo identification. The program was officially launched on January 12, 2015. To date, the program has enrolled approximately 1.7 million individuals. In an ongoing effort to serve New York's most vulnerable populations, IDNYC further seeks to expand and refine the number and types of reliable and verifiable documents that can be accepted as proof of identity and residency.

IDNYC has previously adapted its program to increase access for all New Yorkers, including:

- In December 2021, in partnership with the Department of Correction, IDNYC began accepting the DOC Photo Database as proof of identity for those applicants who were formerly incarcerated. This helped bridge the gap to identity for this population.
- In 2022, IDNYC restarted its partnership with the Department of Education to streamline accessibility to identity documents for young New Yorkers to better assist them as they work to gain access to higher education along with employment opportunities, such as the Summer Youth Employment Program. This partnership has been extremely successful with thousands of public school students having attained the IDNYC card.
- In late 2022, IDNYC began accepting an internal verification document that provides proof of identity as part of the Department of Social Services benefits access process. This change was particularly valuable for active clients, including those who are unhoused.
- Finally, in 2024, IDNYC updated its requirements for establishing residency to further increase access and remove barriers to obtaining an IDNYC card for asylum seekers housed by the City of New York.

Based on the experience over the past two years, and on recommendations from stakeholders, including applicants, advocates, IDNYC enrollment staff, and members of the City Council, the IDNYC program is now proposing revisions and additions to the IDNYC rules. Specifically, the proposed rule adds 23 different types of documents that can be used as proof of identity or residency.

HRA's authority for this rule may be found in Sections 603 and 1043 of the City Charter, Administrative Code Section 3-115, and Executive Order No. 6 of 2014.

PARKS AND RECREATION

■ NOTICE

NOTICE OF ADOPTION

Revision of New York City Department of Park & Recreation's Rules

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Parks & Recreation ("the Department") by Sections 389 and 533(a)(9) of the New York City Charter and in accordance with the requirement of Section 1043 of the New York City Charter, the Department hereby revises Chapter 1 to Title 56 of the Official Compilation of the Rules of the City of New York to amend sections 1-04 and 1-05 and to add rows to the table in section 1-07.

Four written comments regarding the rules were received in accordance with the notice published in the City Record or electronically through NYC RULES at www.nyc.gov/nycrules and a public hearing was held on October 9, 2024 at Chelsea Recreation Center, 430 West 25th Street, New York, NY 10001.

Statement of Basis and Purpose

The Department is amending sections 1-04, 1-05 and 1-07 of chapter 1 of title 56 of the Rules of the City of New York. The amendments expand the categories of illegal behavior for which the Department's Enforcement Officers can issue a notice of violation (sometimes called a summons) in order to protect the natural environments under the jurisdiction of the Department and increase the penalties associated with certain violations.

Specifically, the new rules:

Amend section 1-04 of the Department's rules to prohibit the abandonment of animals. Early in 2023, the Parks Department made national and international news when employees rescued an abandoned alligator from a lake in Prospect Park. Although the Department brought the wild animal to receive medical care, the alligator did not survive. Unfortunately, this was an example of behavior that happens all too often: pet owners, other individuals (including well-meaning individuals), pest control companies, and other companies release or relocate unwanted animals—exotic or otherwise—into parks. Many of these animals do not survive as they do not know where to find food, water, den sites, or other resources, and have no cognitive map of escape routes to flee from predators. Some of these animals are invasive and may permanently disrupt natural ecosystems. Abandoning animals is already prohibited by New York State Law, but the amended city rule prohibiting such abandonment now authorizes Department officers to write summonses for such behavior and ultimately help decrease the number of animals abandoned in parks. The amended rule falls under the Department's existing authority under NYC Administrative Code section 18-146(c)(7) to issue violations for "Failure to control animals." Specifically, this provision states that "No person owning, possessing or controlling any animal shall cause or allow such animal to be unleashed or out of control in a manner prohibited by the rules of the department."

The Department understands that there are limited circumstances where an animal might be responsibly released into New York City's natural areas, including parks. Therefore, the amended rule includes exceptions for licensed New York State wildlife rehabilitators and Department employees who have received express written permission from the Commissioner.

Amend section 1-05 of the Department rules relating to fishing to explicitly prohibit the collection of bivalves. Bivalves (such as oysters, clams, mussels, and scallops) serve as natural water filters, and are therefore active contributors to the health of New York City's waterways. Although in other regions bivalves are harvested for food, the New York State Department of Environmental Conservation Rules prohibit the collection of bivalves for food within the waters in and surrounding the five boroughs of New York City. Nevertheless, the collection of these animals happens with some regularity. Ingestion of bivalves taken from New York City waters may carry health risks. In addition, removal of bivalves slows down the restoration of the City's waterways. Such removal also reduces water clarity, which results in a reduction of the amount of light that penetrates the water. This reduction can have a significant impact on other marine creatures.

This amended rule prohibits the collection of bivalves from waters under the jurisdiction of the Department, using access points under the jurisdiction of the Department, and using vessels launched from an access point under the jurisdiction of the Department. The rule contains an exception for sample collecting as part of a scientific study, with the express approval of the Commissioner.

Amend section 1-07 of the Department's rules to add a penalty for abandonment of animals, increase the penalties for illegal dumping and add a penalty for subsequent instances of illegal dumping. Illegal dumping is rampant in every borough of New York City and the Department uses a great amount of staff time to address and correct these conditions. The Department's previous penalty for illegal dumping was \$1,000, which was substantially less than the \$4,000 penalty for illegal dumping assessed by the Department of Sanitation ("DSNY"). The amendment to the rule increases the amount of the penalty for violations issued by the Department to make them comparable to the violations assessed by DSNY. The Department believes that these increased penalties will help to deter illegal dumping. The new civil penalty is \$5,000 for the first dumping offense. The Department is also adding a penalty of \$10,000 for each subsequent offense within 12 months of the first offense in the hopes of deterring repeat offenders.

The Department's authority for these rules is found in sections 389, 533(a)(9), and 1043 of the New York City Charter.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New text is underlined and deleted text is in brackets:

Section 1. Subdivision (i) of section 1-04 of chapter 1 of title 56 of the Rules of the City of New York is amended by adding a new paragraph (4) to read as follows:

(4) Except for Department employees or licensed wildlife professionals authorized in writing by the Commissioner, no person owning, possessing, or controlling any animal shall knowingly cause or allow such animal to be abandoned or relocated into any park or onto any property under the jurisdiction of the Department under any circumstances. This paragraph shall not prohibit any individual from

releasing wildlife that was accidentally trapped on, under, or inside of any building or structure under the jurisdiction of the Department.

Section 2. Subdivision (h) of section 1-05 of chapter 1 of title 56 of the Rules of the City of New York is amended by adding a new paragraph (6), to read as follows:

(6) Except for collections for scientific purposes expressly approved by the Commissioner, no bivalves (e.g., oysters, clams, mussels, and scallops) may be removed or harvested (i) from waters under the jurisdiction of the Department, (ii) utilizing an access point under the jurisdiction of the Department, or (iii) utilizing a vessel launched from an access point under the jurisdiction of the Department.

Section 3. The table set forth in section 1-07 of chapter 1 of title 56 of the Rules of the City of New York is amended by adding a new row, to be placed in the table in alphanumeric order, to read as follows:

Section/Rule	Description	Penalty	Default Penalty
56 RCNY § 1-04(i)(4)*; Admin. Code § 18-146(c)(7)	Uncontrolled animal-animal abandonment	\$1,000	\$1,500

Section 4. The table set forth in section 1-07 of chapter 1 of title 56 of the Rules of the City of New York is amended by amending the row relating to the violation described as Unlawful dumping and by adding a new row immediately following that row, to read as follows:

Section/Rule	Description	Penalty	Default Penalty
56 RCNY § 1-04(c)(3)*; Admin. Code § 18-146(c)(3)	Unlawful dumping	[\$1,000]\$5,000	[\$1,500]\$5000
56 RCNY § 1-04(c)(3)*; Admin. Code § 18-146(c)(3)	Unlawful dumping-2nd or subsequent violation within 12 month period.	\$10,000	\$10,000

**Draft Scope of Work for an Environmental Impact Statement (EIS)
 Kingsbridge Armory Project**

 SEQRA Classification: Type I
 Bronx, Community District 7

Lead Agency
 Office of the Deputy Mayor for Housing,
 Economic Development and Workforce
 100 Gold Street, 2nd Floor
 New York, NY 10038

NOTICE IS HEREBY GIVEN that a public scoping meeting for the Kingsbridge Armory Project (the proposed project) was held on

Tuesday, February 11, 2025, at 4:00 P.M. The purpose of the scoping meeting is to provide the public with the opportunity to comment on the Draft Scope of Work proposed to be used to develop an Environmental Impact Statement (EIS) for the proposed project.

The public comment period deadline to submit comments on the Draft Scope of Work was extended. The Lead Agency will be accepting written comments until Tuesday, March 4, 2025, at 10:00 P.M., at the contact address below.

Directing that an Environmental Impact Statement (EIS) be prepared, the lead agency issued an Environmental Assessment Statement (EAS), Positive Declaration, and Draft Scope of Work on January 10, 2025. These documents are available for review on CEQR Access, see <https://a002-ceqraccess.nyc.gov/ceqr/> (search CEQR # 25DME006X) and from the contact person listed below.

The Co-applicants, the New York City Economic Development Corporation (NYCEDC) and the New York City Department of Citywide Administrative Services, are leading a collaborative process to reuse and redevelop a portion of Block 3247 in the Kingsbridge Heights neighborhood of the Bronx, New York (the "Proposed Project"). That portion includes the Kingsbridge Armory (the "Armory") Site at 1 West Kingsbridge Road (Block 3247, Lot 10), which is currently owned by NYCEDC, and the New York National Guard ("National Guard") Site (the "National Guard Site") at 10 West 195th Street (Block 3247, Lot 2), which is currently owned by the National Guard and occupied by two National Guard buildings (the "Project Site"). The Project Site occupies the portion of Block 3247 that is bounded by West 195th Street, Reservoir Avenue, West Kingsbridge Road, and Jerome Avenue.

The Proposed Project includes the adaptive reuse of the vacant, approximately 588,765-gross-square-foot (gsf) Armory, providing up to 760,000 gsf of floor area including a mix of new commercial, community facility, and light industrial uses. Further, it is assumed that the existing National Guard functions would be relocated, and the National Guard Site redeveloped with 500 new permanently affordable residential units (up to 497,000 gsf) in two buildings, replacing a one-story garage and a two-story office building. The Proposed Project would include a total of up to 1,257,000 gsf of new development at the Project Site.

The following discretionary actions would be required to facilitate the Proposed Project:

- Disposition of City-owned property to a private developer. The disposition of the Armory Site and the National Guard Site would require approval pursuant to New York City Charter Section 197-c and separate Mayoral and Borough Board approval pursuant to City Charter Section 384(b)(4).
- Acquisition of property from New York State for the redevelopment of the National Guard Site.
- A zoning map amendment to rezone the project block to accommodate a wider range of uses, such as light industrial.
- A zoning special permit may be required to permit an arena.
- Zoning text amendments may be required to increase permitted arena capacity, or to modify other requirements. A zoning text amendment may be required to modify minimum distance between buildings on the same zoning lot and maximum base height restrictions. A zoning text amendment pursuant to ZR Section 74-182(b) may be required to increase permitted arena capacity and allow parking in excess of what is currently permitted.
- Potential public financing by the New York City Department of Housing Preservation and Development and/or the New York City Housing Development Corporation (HDC) to facilitate the proposed permanently affordable housing units on the National Guard Site.

Since the Armory is a New York City Landmark, any proposed changes to the exterior of the Armory and the landmark site would require a Binding Report from the New York City Landmarks Preservation Commission (LPC) pursuant to the New York City Charter and the New York City Landmarks Law.

It is also anticipated that the Proposed Project would receive City, State, and Federal funding. Receipt of State funding would require review by the New York State Office of Parks, Recreation, and Historic Preservation (OPRHP) pursuant to Section 14.09 of the State Historic Preservation Act (SHPA). The Proposed Project may also involve Federal historic preservation tax credits for the proposed adaptive reuse of the Armory, which is a non-discretionary action that would require consultation with the National Park Service (NPS) and the New York State Historic Preservation Office (SHPO). The proposed alterations to the Armory would also be undertaken in accordance with the Secretary of Interior's Standards for Rehabilitation. In addition, receipt of federal funding would require consultation with SHPO and

Federally recognized Tribal Nations in accordance with Section 106 of the National Historic Preservation Act (NHPA).

Copies of the EAS, Positive Declaration, and Draft Scope of Work for the project may be obtained by any member of the public from: CEQR Access, <https://a002-ceqraccess.nyc.gov/ceqr/> (search CEQR # 25DME006X).
