## HOUSING PRESERVATION AND DEVELOPMENT

### ■ PUBLIC HEARINGS

**PLEASE TAKE NOTICE** that a public hearing will be held on April 9, 2025 at 10:00 a.m., or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below. The public hearing will be held via conference call. Call in #: 1-646-992-2010; Access Code 717 876 299

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-owned property (collectively, "Disposition Area") in the Borough of Bronx. The public hearing will be held via conference call.

<u>Address</u>	<u>Block/Lot(s)</u>
1093-1095 Jerome Avenue	2505/26 and 28

Under HPD's Neighborhood Construction Program, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create up to 80 units of affordable rental housing on infill sites. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing to low income, moderate income, and middle income families. Subject to project underwriting, up to 30% of the units may be rented to formerly homeless families and individuals.

Under the proposed project, the City will sell the Disposition Area to New Heights II Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value. The Sponsor will then construct one building containing a total of approximately 60 rental dwelling units, plus one unit for a superintendent on the Disposition Area.

The Land Debt or the City's capital subsidy may be repayable out of resale or refinancing profits for a period of at least thirty (30) years

following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination by emailing Margaret Carey at [careym@hpd.nyc.gov](mailto:careym@hpd.nyc.gov) on business days during business hours.

To make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office of Contract Services ("MOCS") via e-mail at [disabilityaffairs@mocs.nyc.gov](mailto:disabilityaffairs@mocs.nyc.gov) or via phone at (212) 298-0734. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS at least three (3) business days in advance of the hearing to ensure availability.

**RESIDENTIAL PROPERTY APPRAISAL PILOT** - Demonstration Project - Other - PIN# 83625D0001001 - AMT: \$2.00 - TO: C3ai Inc, 1400 Seaport Blvd, Redwood City, CA 94063.

This Demonstration Project is a six (6) months pilot program for C3 AI Residential Property Appraisal Application for the New York City Department of Finance to explore the use of Artificial Intelligence (AI) for valuing residential condominium properties. DOF will partner with C3 AI, a leading AI company with a unique product offering residential property appraisals through machine learning and based on current sales and market data. This pilot project will investigate the feasibility of using the sales comparison approach for condominiums with more than ten units. This approach is considered a more fair and transparent way to assess properties and yet it has a dependency on recent sales data which is out of DOF's reach. Using C3 AI's application would enable us to access and analyze recent sales data of comparable properties. The pilot's success could lead to a more efficient, accurate, and thereby increase property tax revenues for homes throughout the counties.

## HEALTH AND MENTAL HYGIENE

### AGENCY CHIEF CONTRACTING OFFICER

#### ■ INTENT TO AWARD

#### *Human Services / Client Services*

**RELAY SERVICE** - Negotiated Acquisition - PIN# 81625N0025 - Due 3-10-25 at 5:00 P.M.

The Department of Health and Mental Hygiene (the Health Department) intends to enter into Negotiated Acquisition (limited pool) contracts with 12 vendors to deliver the Relay Service program. This method is chosen due to the impracticability or disadvantage of using Competitive Sealed Bidding or Competitive Sealed Proposals, as only a limited number of vendors can provide these essential services.

The Relay Service program operates in hospital Emergency Departments (EDs) across New York City, focusing on non-NYC Health + Hospitals (H+H) facilities that report the highest incidences of opioid overdose symptoms. These facilities are identified based on syndromic surveillance data from 2018 to 2022, which highlights the hospitals that not only show the highest overdose rates but also represent geographic diversity and primarily serve NYC residents.

The Health Department proposes contracts with the following 12 hospitals, as these are the number of facilities that can be funded:

1. BronxCare Health System
2. New York University
3. Maimonides Medical Center
4. Jamaica Hospital Medical Center
5. Montefiore Medical Center
6. New York and Presbyterian Hospital - Columbia Medical Center & Allen
7. St. Barnabas Hospital
8. The Mount Sinai Hospital
9. Brookdale Hospital Medical Center
10. Brooklyn Hospital Center (The) -Downtown Campus
11. Wyckoff Heights Medical Center
12. Interfaith Medical Center

These contracts will ensure the Relay Service program is implemented at each hospital, which includes providing medical care, post-overdose referrals, liaison with hospital administration to develop policies and procedures around naloxone distribution, staff clearance, and training

about the Relay Service program. Each participating hospital will have a Relay ED Champion, a trained doctor or nurse with substance use experience, working with Relay staff at the Health Department to implement the program. This initiative is critical, given the current opioid crisis in NYC, with one person dying every three hours from a drug overdose. The Relay Service program is an innovative and compassionate approach that saves lives, supports recovery, and helps mitigate the crisis.

The proposed term for each contract is nine years, starting from July 1, 2025. This notice is for informational purposes only.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
