NOTICE

On Wednesday, May 21, 2025, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Lenox Hill Hospital (LHH, the Applicant). The Applicant is requesting a series of discretionary actions from the CPC, including a zoning map amendment to rezone from a C1-8X to a C1-9 zoning district, and from an R8B to a C1-8 zoning district; zoning text amendments; special permits; and a zoning authorization. The Proposed Actions would facilitate the enlargement and modernization of the existing LHH complex located on the 1.9-acre block bounded by Park and Lexington Avenues and East 76th and East 77th Streets (Block 1411, Lots 1 and 113) in the Upper East Side neighborhood of Manhattan Community District 8. Two building envelopes are proposed, each of which would accommodate the Proposed Project's program. Envelope 1 would include a new approximately 771,000 gross square foot (gsf), 436-foot-tall, 26-story building on Lexington Avenue and 56,000 gsf of additions to the existing hospital; Envelope 2 would include a new approximately 867,000 gsf, 395-foot-tall, 21-story building and 8,000 gsf of additions to the existing hospital. The Reasonable Worst Case Development Scenario analyzed in the DEIS also considers the as-of-right development of 111-115 East 77th Street between Lexington and Park Avenues (Block 1412, Lots 9, 10, and 11), which would be redeveloped with an approximately 46,000-gsf, six-story, 75-foot-tall building to house hospital support functions, and would be connected to the LHH complex by a utility tunnel under East 77th Street. The analysis year for the Proposed Project is 2036.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, June 2, 2025.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 23DCP079M.

PROCUREMENT DEPARTMENT

VENDOR LIST

Goods and Services

INFORMATION SESSION: PRE-QUALIFICATION LIST (PQL) FOR ELEVATOR SERVICES; MAINTENANCE AND REPAIR, MODERNIZATION – REHABILITATION, AND PROFESSIONAL

NYCHA is excited to introduce you to our pre-qualified list (PQL) for Elevator Services; Maintenance and Repair, Modernization – Rehabilitation, and Professional.

These services include removal, installation, fabrication, repair, materials, supplies, and other services performed by the Elevator trade across NYCHA developments City-wide. We are seeking experienced vendors to join our community and provide these in-demand services!

What is a pre-qualified list?

A PQL is a tool that NYCHA will use to primarily contract Elevator Services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish Elevator services contracting opportunities, and the PQL will predominantly be used to procure Elevator Services. After pre-qualifying according to specific criteria, vendors can bid on Elevator Services contracts released to the PQL.

All contractors interested in NYCHA's Elevator Services PQL must follow two important steps:

1. Vendors can obtain a copy of the Elevator Services Prequalification Application and prepare your response to the Request for Qualifications (RFQ) at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>. Vendors must prepare and submit applications to NYCHA's Elevator services PQL as follows, with information in the subject line "Elevator Services Prequalification Application Submission (and company name applying)" to email address; NYCHA Pre-

Qualified List PQL@nycha.nyc.gov to pre-qualify, vendors must meet the minimum requirements listed for experience, licensure, workforce capacity, and integrity. Applications will be evaluated by NYCHA on a rolling basis, but we recommend applying early to gain access to more PQL contracting opportunities!

- Vendors who are admitted to the PQL can then bid for Elevator Services solicitations at NYCHA. NYCHA will confirm PQL evaluation decisions with applicants via a letter of acceptance or a letter of rejection. Vendors must bid on each Elevator Service contract award, as admission to the PQL does not guarantee contract award. To bid on a specific contract, NYCHA encourages vendors to apply for a minimum of 15 days prior to the bid submission closing date to the PQL for an Elevator services contract to be considered for that solicitation.

GENERAL SCOPE OF WORK – SPECIFICATIONS

NYCHA is currently accepting applications for Elevator Services Pre-Qualified List (PQL) program. NYCHA is seeking vendors who are skilled in the field of Elevator Services to perform related work across NYCHA developments citywide. The work may include providing furnish labor, material and equipment as required at various developments. Remove, replace, repair parts, lubricate, adjust where required to maintain elevators in a safe operating condition. Upgrade or bring up to code.

Specific timeframes and additional specifications for each project will be outlined in solicitations. Additional licensing, experience and certification may be required.

An informational session will be hosted, **Wednesday, June 4, 2025**, at 11:30 A.M., and will be conducted remotely via Microsoft Teams meetings. Attendance is strongly encouraged. To join the informational session, please follow the options below: Microsoft Teams meeting (Join on your computer, mobile app, or room device).

AGENCY RULES

HEALTH AND MENTAL HYGIENE

■ NOTICE

Notice of Adoption of Rule Regarding Performance Summary Cards

A Notice of Public Hearing and Opportunity to Comment on a proposal by the Department of Health and Mental Hygiene (“Department”) to amend Chapter 3 of Title 24 of the Rules of the City of New York, regarding performance summary cards, was published in the City Record on February 25, 2025. A virtual public hearing was held on March 27, 2025. No one testified at the hearing. Two written comments were received. Following the hearing and review of the written comments, the Department decided to adopt the rule without substantive amendment, and it now adopts such rule as indicated below.

Statement of Basis and Purpose

Social Services Law section 390-j (or “the Law”) requires the Department to issue performance summary cards (“PSC(s)”) to each child care program required to obtain a permit to operate in New York City and to adopt related regulations. The Law further requires that the PSC “summarize recent [health and safety] inspection violations and suspensions as required by rules promulgated by the department issuing such card.” Effective January 28, 2018, the Department enacted such rules in a new Chapter 3 (“Performance Summary Cards and Penalties for Child Care Programs”) of Title 24 of the Rules of the City of New York.

In December 2021, the Department amended Chapter 3 to modify the contents of the PSCs. Those amendments classified PSC violations into two categories: facility maintenance violations and program operations violations. Those amendments also distinguished violations within each category based on risk level (i.e., “Low” or “High” risk), and established display ratings (i.e., “Excellent”, “Satisfactory”, or “Needs Improvement”) for each category of violations based on the number of violations a program received in that category and the risk level of such violations. The December 2021 amendments, however, provided for a level of detail in the PSC that proved unnecessary and presented complications. Specifically, the violation categories and risk levels were not easily understood by the public; the display ratings did not allow parents and caregivers to accurately compare child care facilities because such facilities were often assessed at different times; and technological constraints made implementation of Chapter 3 as written difficult.

Given these complications, the Department now adopts amendments to Chapter 3 to adhere to Social Services Law section 390-j in a manner that is consistent with the information displayed on the Department’s Child Care Connect website. Providing consistent information on the website and PSC will help caregivers and providers assess the performance of their child care programs.

The amendments are as follows:

Underlined language is new.
 Language in [brackets] is to be deleted.
 Ellipses (***) indicate unamended text.

Section 1. Section 3-02 of Chapter 3 of Title 24 of the Rules of the City of New York is amended to read as follows:
