■ PUBLIC HEARINGS

**PLEASE TAKE NOTICE** that a public hearing will be held on June 12, 2025 at 250 Broadway, 16th Floor Committee Room at 11:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 576-a (2) of the Private Housing Finance Law, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-owned property (collectively, "Disposition Area") in the Borough of Manhattan:

Address	Block/Lot
100 East 111th Street	1638/ p/o 1

The Disposition Area is a portion of privately-owned Lot 1 containing a surface parking lot. The City previously conveyed the entirety of Lot 1 (formerly Lots 1, 4, 5, 67, 69, and 72) to a housing development company for a new construction project, pursuant to a UDAAP approved by the City Council on September 13, 2000 (Resolution No. 1539) and by the Mayor on September 13, 2000 (Calendar No. 20) Construction was completed for the building and parking lot, but the parking lot portion remained underutilized. HPD will re-acquire the Disposition Area and then dispose of it to facilitate the proposed project.

Under the Senior Affordable Rental Apartments ("SARA") Program, HPD provides gap financing in the form of low interest loans to support the construction and renovation of affordable housing for low income seniors. Projects developed with SARA funding must also set aside 30% of units for homeless seniors referred by a City or State agency, typically the New York City Department of Homeless Services.

Under the proposed project, the City will sell the Disposition Area to Ascendant CVA Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct one building containing a total of approximately 210 units for occupancy by homeless and low income seniors, plus one unit for a superintendent, and community facility space. The Land Debt or City's capital subsidy may be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. ### HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic

proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at [https://passport.cityofnewyork.us/page.aspx/en/rfp/request\\_browse\\_public](https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public)

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

# AGENCY RULES

## CONSUMER AND WORKER PROTECTION

### ■ NOTICE

#### Notice of Adoption

Notice of Adoption to amend rules relating to credit card limitations to ensure consistency with New York General Business Law § 518.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer and Worker Protection ("DCWP") by sections 1043 and 2203(f) of the New York City Charter and section 20-702 of the New York City Administrative Code, and in accordance with the requirements of section 1043 of the New York City Charter, that the Department amends Title 6 of the Rules of the City of New York. This rule was proposed and published on February 12, 2025. A public hearing was held on March 14, 2025, and ten comments were received from various members of the public. These comments did not address the substance of the rule, and therefore, DCWP did not make any further changes to the proposed rule.

#### Statement of Basis and Purpose of Rule

DCWP is amending section 5-24 of chapter 5 of title 6 of the Rules of the City of New York ("RCNY") to ensure consistency with New York General Business Law § 518 ("GBL § 518"), which was recently amended to limit the surcharge a seller may impose for a customer's use of a credit card and to require clear and conspicuous posting of the total price for using a credit card.

DCWP rules currently require a seller who accepts credit cards to clearly and conspicuously disclose every limitation they impose on such use at or near every entrance to the seller's business premises and in all advertising that indicates credit cards are accepted.

GBL § 518 prohibits sellers from imposing credit card surcharges that are greater than the amount the seller is charged by the credit card company and specifies acceptable forms of notice where such surcharges are imposed.

For consistency with GBL § 518, and consistent with DCWP's authority to regulate to prevent deceptive or unconscionable trade practices, DCWP is amending its rules to ensure that businesses that impose credit card limitations comply with the requirements of GBL § 518. Such an amendment is necessary to ensure consumers are not deceived by a businesses' failure to disclose a higher price for a purchase made using a credit card.

The effective date of the rule is August 5, 2025.

Sections 1043 and 2203(f) of the New York City Charter and Section 20-702 of the New York City Administrative Code authorize the Department of Consumer and Worker Protection to make these rules.

New material is underlined.  
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used

interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 24 of chapter 5 of Title 6 of the Rules of the City of New York is amended to read as follows:

#### § 5-24 Credit Card Limitations.

- (a) A seller who accepts credit cards must conspicuously disclose every limitation the seller imposes on their use and must comply with all provisions of New York General Business Law § 518.
- (b) Disclosures required by this section must appear at or near every entrance to the seller's business premises and in all advertising that indicates credit cards are accepted. Where a disclosure is required by this section to be consistent with the notice requirements of New York General Business Law § 518, such disclosure must be clearly and conspicuously posted in compliance with such section.

Section 2. This rule takes effect on August 5, 2025.
