SOLE SOURCE WITH NASTAD - Request for Information - PIN# 81625Y0714 - Due 11-10-25 at 2:00 P.M.

Pursuant to Section 3-05 of the New York City Procurement Policy Board Rules, the NYC Department of Health and Mental Hygiene (DOHMH) intends to enter into negotiations for a 5 year agreement with NASTAD (National Alliance of State and Territorial AIDS Directors) for the provision of the TakeMeHome program, which provides comprehensive services related to the marketing and delivery of HIV and STI self-test kits to NYC health departments and community-based organizations. Currently, there are no other vendors offering all components of marketing, delivery, and data collection for at-home STI and HIV test kits.

OPEN-ENDED - SCHOOL BASED HEALTH CENTER SERVICES (SBHC) RFP - Competitive Sealed Proposals/Pre-Qualified List - PIN# 81622P0003 - Due 12-31-99 at 12:00 A.M.

The New York City Health Department ("Health Department") continues to seek proposals for the School Based Health Centers (Open-Ended) Request for Proposals (RFP) through the City's Procurement and Sourcing Solutions Portal ("PASSPort" system).

School Based Health Centers (SBHC) were established by Chapter 198 of the NYS Laws of 1978 "to improve the accessibility and availability of quality comprehensive and preventive physical and mental health services to preschool, elementary, middle and secondary school

students in high-risk areas of New York State. As a result of this Law, NYS Department of Health approves, licenses and monitors every SBHC in NYS. School Based Health Centers are medical health centers within the schools. They help students manage their illnesses during the school day. Because of the location, School Based Health Centers are an easy health care option for busy students with busy parents who cannot always make it to their doctor's office. School-Based Health Centers have been providing primary care to students in NYC schools for over 30 years. It's been proven that School-Based Health Centers lower school absences and parents' time away from work. They also lower the chance of an emergency room or hospital visit. If a child has a chronic illness, or suddenly gets sick, a School-Based Health Center at their school can assist the child with needed care.

RFP documents and additional details can be found by visiting the PASPort Procurement Navigator at <https://nyc.gov/businessopportunities> and searching by EPIN: "81622P0003". For the latest information regarding any changes to the RFP be sure to read all released addenda.

This RFP is issued and remains available through the PASSPort system only to those organizations that have an account and an Approved HHS Accelerator PQL qualification status in PASSPort. Proposals and prequalification applications will be accepted on an on-going basis ONLY through PASSPort. If you do not have a PASSPort account or Approved PASSPort HHS Accelerator PQL Application, please visit <https://nyc.gov/passport> to get started. If you have any questions about your HHS Accelerator Prequalification status or for assistance with creating a PASSPort account, please visit <https://nyc.gov/mocshelp>.

This is an open-ended RFP. Therefore, proposals will be accepted and reviewed on an ongoing basis until the City's needs are met.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
