No. 2309-2009); and

WHEREAS, a 2031 Coordinated Street Furniture Agreement with a term of 3 years, 8 months, and 24 days would expire on March 22, 2035, the same day as the proposed expiration of the Public Communication Structures Agreement; and

WHEREAS, the coterminous expiration of the 2031 Coordinated Street Furniture Agreement and the Public Communication Structures Agreement would allow the City to explore a combined franchise, potentially allowing for greater capital investment and sustained revenue for the City; and

WHEREAS, the City Council has determined that the authorization of the 2031 Coordinated Street Furniture Agreement will be in the public interest by enhancing the health, welfare, convenience, and safety of the public;

NOW THEREFORE, BE IT RESOLVED,

That the City Council hereby authorizes DOT to enter into a 2031 Coordinated Street Furniture Agreement with a term of up to 3 years, 8 months, and 24 days with the Coordinated Street Furniture Franchisee, or its successors and assigns, as determined in the discretion of DOT, and to incorporate additional rights and responsibilities agreed upon by the parties, on condition that the 2031 Coordinated Street Furniture Agreement is consistent with all terms and conditions set forth in Res. No. 1004-2003. 131-60 SPECIAL PERMIT FOR AUDITORIUMS

[MOVING PROVISIONS TO CPC SPECIAL PERMIT FOR ARENAS SECTION 74-182]

The special permit set forth in this Section is established to allow outdoor entertainment #uses# on a limited-term basis in a unique beachfront location within the #Special Coney Island District#. The development of such #uses# on a temporary basis pursuant to this special permit provides for the opportunity for a valuable public amenity to exist within an area that, while approved for future #residential development# pursuant to the #Special Coney Island District# plan, is currently underutilized and does not exhibit the characteristics of a well-developed #residential# neighborhood. Any special permit granted under this Section shall be subject to a term of years, in order to ensure that such #uses# are consistent with, and do not impede, the goal of long-term revitalization of the surrounding area, pursuant to the #Special Coney Island District# plan.

In the Coney West Subdistrict, for Parcels B and G, the City Planning Commission may approve, by special permit, open-air auditoriums with greater than 2,000 seats, for a term no greater than 10 years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued, provided that the proposed auditorium meets the conditions of paragraph (a) and the findings of paragraph (b) of this Section, in addition to the #sign# provisions of paragraph (c) and parking provisions of paragraph (d) of this Section.

For any application for such special permit, the applicant shall provide plans to the Commission including, but not limited to, a site plan, signage plan, parking and loading plan, lighting plan and an operations plan (the "Proposed Plans").

- (a) The Commission may permit open-air auditoriums with a maximum of 5,100 seats, provided the Proposed Plans demonstrate that:
 - (1) at all times when Riegelmann Boardwalk is open to the public, all publicly accessible space, as shown on the Proposed Plans, will remain accessible to the public, except that access may be restricted as necessary during scheduled events, for the setup and takedown for such events, and in connection with maintenance activities. Any barriers erected for the purpose of restricting access or visibility during such events shall be completely removed at all other times;
 - (2) the height of all structures, temporary or fixed, does not exceed 70 feet in height, as measured from the level of Riegelmann Boardwalk;
 - (3) any roof or structural canopy above the open-air auditorium seating area will be removed prior to the month of November and shall remain removed during the entire off-season period between November through April, as well as in advance of severe weather events;
 - (4) the signage plan and parking and loading plan comply with the provisions of paragraphs (c) and (d) of this Section, respectively; and
 - (5) the City and applicant will enter into an agreement under which Parcel G will be returned to the City as of the expiration of the term of the special permit in a condition set forth in such agreement appropriate for #use# as a #public park#.
- (b) In granting such permit, the Commission shall find that:
 - (1) such open-air auditorium will not unduly impair the essential character or the future #use# or #development# of the surrounding area, pursuant to the goals and objectives of the #Special Coney Island District# plan;
 - (2) the outdoor lighting for such open-air auditorium is located and arranged so as to minimize any negative effects on nearby #residences# and #community facilities#, and that the Proposed Plans include noise attenuation features and measures which serve to reduce the effect of noise from the open-air auditorium on the surrounding area, including nearby #residences# and #community facilities#;
 - (3) the construction of a stage as part of any #building# on Parcel B, for the purpose of accommodating an open-air auditorium #use#, will:

- (i) enable the stage area to be closed to the outdoor portion of the open-air auditorium during the off-season when the open-air auditorium is not in use, so as to be operated for indoor entertainment #uses# with an eating and drinking establishment or other #use# permitted on Parcel B; and
- (ii) allow for such #building# to be operated, subsequent to the expiration of the special permit, for #uses# permitted on Parcel B, such as eating or drinking establishments with entertainment;
- (4) appropriate visual and pedestrian connections are maintained in the general area of the former street bed from the termination of West 22nd Street to Riegelmann Boardwalk;
- (5) the portions of the site not dedicated to the stage area or event seating are so designed to serve as a full-time park-like resource for the public, and the portions of the site designed for open-air auditorium #use# serve as a high-quality open-space resource when not in auditorium use;
- (6) any roof or structural canopy above the open-air auditorium seating area will be visually unobtrusive, and maximize openness and visibility between the site and Riegelmann Boardwalk;
- (7) the operations plan, which shall include a protocol for queuing for concertgoers, demonstrates that there would be no interference with the public use and enjoyment of adjacent public facilities; and
- (8) the site plan, signage plan and lighting plan incorporate good design, effectively integrate the site with surrounding streets and Riegelmann Boardwalk, and are consistent with the purposes of the #Special Coney Island District#.
- (c) The Commission may, through approval of the Proposed Plans, permit #signs# notwithstanding the applicable #sign# regulations, except that #flashing signs# shall not be permitted and only #advertising signs# that are oriented toward the interior of the open-air auditorium and not visible from Riegelmann Boardwalk or other public area shall be permitted.

In order to permit such #signs#, the Commission shall find that proposed signage is appropriate in connection with the permitted open-air auditorium #use#, is not unduly concentrated within one portion of the site, and will not negatively affect the surrounding area.

- (d) The Commission may, through approval of the Proposed Plans, reduce or waive required parking or loading requirements, provided the Commission finds that the open-air auditorium will be adequately served by a combination of surrounding public parking facilities and mass transit. In addition, the Commission shall find that the proposed loading facilities on the site are located so as not to adversely affect the movement of pedestrians or vehicles on the #streets# surrounding the auditorium.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area. Such conditions and safeguards may include, but are not limited to, restrictions on signage or requirements for soundproofing of auditoriums, shielding of floodlights or screening of open #uses#.

Upon the first issuance of this permit for an open-air auditorium, the effective period of the permit shall be 10 years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued. DISTRICT ATTORNEY - BRONX COUNTY

■ SOLICITATION

Human Services/Client Services

BRONX RESTORE AT FORDHAM - Negotiated Acquisition - Other - PIN#902BXRESTOREFORDHAM - Due 1-30-26 at 5:00 P.M.

Purpose

The Bronx District Attorney's Office (BXDA) seeks proposals from qualified service provider(s) to develop and implement a program for teens and young adults identified by BXDA as being at high risk of engaging in serious violent crime. This initiative supports BXDA's broader strategy to reduce gang and crew-related violence in the Bronx through proactive, public health-based interventions informed by research on youth desistance from crime.

Program Description

The program – Bronx Restore – will take place in the 46th precinct, in the Fordham area of the Bronx. Applicants should propose program models that provide intensive support and investment for participants in the identified high-risk population. Services and treatments should aim to address root causes of violence such as trauma and poverty-induced barriers to stable employment, education, housing, and community engagement. BXDA encourages meaningful partnerships with community-based organizations, to leverage their unique expertise. The goal is to support long-term community safety in the Fordham area through preventative interventions.

This program will be voluntary for participants who will be identified in consultation with BXDA. Applicants should identify specific age parameters and outreach and engagement strategies for identified teens and young adults. Programs are expected to serve approximately 15 participants at any given time, with programming of up to 20 hours per week for a maximum of one year, though ideal program length and weekly hours should be specified in the proposal. Participants will receive a stipend of \$25 per hour for each hour of participation. Services should be provided in both English and Spanish.

Proposal Requirements

Given the participants' age, gang/crew involvement, and likely history of trauma, the proposal should, at minimum, include the aspects listed below.

- A specific description of the components of programming; these may include case management, credible mentorship, life skills training, behavioral interventions, education and internship opportunities, and any other components deemed necessary.
- Ages to be served, ideal number of programming hours per week, and program length; reasons for those parameters should be specified.
- Identified community partners.
- A location or proposed location, in the Fordham area, for the program.

- A description of the applicant's experience in the provision of services and the administrative aspects of programming and capabilities and competencies; include a brief description of how service provision and client participation is tracked, as well as any relevant experience participating in an evaluation or study.
- An itemized budget that includes cost of personal services, fringe, and indirect/other than personal services expenses, and participant's stipend. The budget will also need to include a budget narrative explaining each line item and justifying anticipated cost.

Reporting Requirements and Evaluation

Grantees will be required to document progress, maintain records, and submit reports to BXDA regarding implementation of projects and milestones achieved. Such reports will be submitted 30 days after the end of each quarter and should include a description of the progress undertaken in the prior quarter.

Grantees will be required to fully participate in an independent implementation and outcome evaluation. Specific required data elements will be determined in consultation with BXDA and the evaluator based on the program model.

Funding Amount/Contract Terms

The total award should not exceed \$1,400,000, over two years.

Evaluation of Proposals

Proposals will be evaluated based on the quality of the proposer's approach and program design. In addition, the evaluation will assess the applicant's successful, relevant experience providing similar services. Proposals will also be evaluated based on the organization's staffing model and organizational structure as it relates to the capacity to deliver these services.

Scoring will be based on the following criteria:

1. **Alignment with agency goals:** Consistency with BXDA's goals of preventative, trauma-informed, public health interventions guided by research on youth desistance from crime.
2. **Program Location:** Location in area that is accessible – transportation and safety-wise – to participants.
3. **Program Components:** Inclusion of appropriate programming elements (life skills training, case management, mentorship, behavioral interventions, internships, etc.).
4. **Experience:** Demonstrated experience in serving high-risk youth and young adults.
5. **Administrative capabilities:** Demonstrated experience in administration of service provision.
6. **Community Partnership:** Identification of community partners.
7. **Budget:** Clear and itemized budget including staffing, stipends, and operation costs.
8. **Evaluation participation:** Demonstrated ability and willingness to participate in evaluation.
9. **Other:** Site visits and interviews may take place.

NOTE:

1. Biodiesel tax credit expired on 12/31/2024. New invoices will not reflect the credit.
2. Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
3. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
4. Federal Superfund Tax is included in the DCAS weekly pricing schedule, and it should not show as an additional fee.

REMINDER FOR ALL AGENCIES:
