Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at [https://passport.cityofnewyork.us/page.aspx/en/rfp/request\\_browse\\_public](https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public)

**Why weren't these proposed rules on the Board's 2025 regulatory agenda?**

The Board is proposing these rules pursuant to a rulemaking proposal submitted by Correctional Health Services on July 29, 2025.

**Statement of Basis and Purpose of Rules**

New York City Charter §626(e) authorizes the Board of Correction ("BOC" or "Board") to "establish minimum standards for the care, custody, correction, treatment, supervision, and discipline of all persons held or confined under the jurisdiction" of the Department of Correction ("DOC" or the "Department").

The Board first implemented standards on mental health care (now Chapter 2 of the Minimum Standards) in 1985, becoming the first jurisdiction in the country to voluntarily require the provision of appropriate mental health staffing and resources to incarcerated individuals. The implementation of health care minimum standards (now Chapter 3) followed in 1991, requiring the provision of health care

services consistent with "accepted professional standards and sound professional judgment and practice." It is this same goal of aligning mental health and health care afforded in the City's jails with current professional and clinical standards that has prompted the Board to propose these amendments to our Minimum Standards.

**1. Codifying Long-standing Variances (§§2-05(b)(2)(i-ii) and 3-04(b)(2)(v)(A))**

Sections 2-09 and 3-13 of Title 40 of the RCNY allow the health care body designated by New York City as the agency responsible for health services for people in the care and custody of DOC (currently Correctional Health Services or "CHS") or DOC to submit a variance from a specific section or subdivision of the Minimum Standards to the Board when compliance cannot be achieved or continued.

On November 10, 2005, the Board approved a limited six-month variance from §2-05(b)(2)(i-ii) (previously §5.2(b)(i-ii)). The variance authorizes psychiatrists to see and evaluate stable patients on psychotropic medication in general population at least every 28 days, rather than every 14 days as required by the standard. The Board has granted this variance every six months since its initial approval. In July 2025, CHS proposed amending the relevant Standard to incorporate this long-standing variance.

As recognized in 2005, the Board continues to believe that the variance helps improve patient care and make psychotropic medication prescription practices consistent with current mental health care standards. The variance allows for appropriate follow-up of general population patients receiving mental health services. The variance minimizes redundancy since follow-ups with stable patients who respond positively to their medication are not required. For these reasons, the Board proposes to codify this variance.

On September 13, 2010, the Board approved a limited six-month variance sought by the Department of Health and Mental Hygiene, then the health care provider in the jails, from §3-04(b)(2)(v)(A). This health care standard requires that a tuberculin skin test (TST) be administered during the intake screening for people in custody who do not have prior history of a positive reaction to the test. The variance authorizes the use of interferon gamma release assays instead of a tuberculin skin test for tuberculosis screening. The variance also exempts persons who have a documented negative test in the six months prior to their admission from repeat screening. Understanding that health care practices evolve and improve over time, the Board granted this variance every six months since 2010, with the last extension being approved for a full year in January 2025.

In July 2025, CHS requested that this Standard be amended to incorporate the allowance for alternative tuberculosis screening practices authorized by the variance. Given the successful implementation of this variance over the last 15 years, the Board is proposing the requested amendment. Further, to account for future advancements in tuberculosis screening, the Board proposes amending the relevant Standard to allow for the use of other tuberculosis screening methods that meet current standards of clinical practice.

**2. Aligning Variance Procedures (§§2-09 and 3-13)**

Through the years, DOC and CHS have utilized the procedures for variance requests set forth in §1-15 of the Board's Minimum Standards. However, §§2-09 and 3-13 set forth other procedures for requesting variances, which contain procedural, non-substantive differences from the requirements in §1-15, such as setting out the process for submitting variance requests prior to the implementation of the original rules. This duplication can lead to confusion and inconsistent application. The duplication is also unnecessary as §1-15 appropriately addresses all aspects of the variance process historically used by the Board. Accordingly, the Board proposes amending the variance procedures in §§2-09 and 3-13 to mirror those set forth in §1-15.

The proposed rule also defines the three types of variances that are granted by the Board:

- Limited Variance – limited time period
- Continuing Variance – indefinite time period
- Emergency Variance – up to 30 days

**3. Removing Unused "Seclusion" Practices (§2-06)**

Section 2-06 authorizes DOC and CHS to implement procedures governing the physical restraint and seclusion of persons in custody being observed or treated for mental or emotional health issues. The Standard defines "seclusion" as "the placing of [people in custody] in their cells, or a seclusion room from which they cannot leave at will, during a normal lock-out period when other [people in custody] in the housing area are given the option to lock out of their cells." Among other requirements about the use of seclusion, and the monitoring and release of individuals in seclusion, section 2-06 provides that "[p]hysical

restraint or seclusion may be used only upon the direct written order of a psychiatrist which includes the reasons for taking such action.”

However, in current practice, CHS neither authorizes nor orders the use of seclusion. Accordingly, the Board proposes removing references to the use of seclusion from §2-06.

#### 4. **Non-Substantive Language Amendments (Chapters 2 and 3)**

In 2021, the Board made a commitment to employ person-first language in its Minimum Standards and communications by deleting references to “inmates” in favor of person-first terms such as “people in custody” and using gender inclusive language in Chapter 1 of the Minimum Standards. The Board proposes continuing this vital effort in Chapters 2 and 3.

**§ 56. Section 3-12 of Title 40 of the Rules of the City of New York is amended to read as follows:**

**§ 3-12 Shackling of [Inmates] People in Custody.**

(a) Policy. The Department of Correction, the Health Authority, and the Health and Hospitals Corporation shall [develop and implement] maintain procedures governing the shackling of [inmates] people in custody who are receiving medical treatment and are housed in beds outside secure medical wards at the municipal hospitals. [Inmates] People in custody housed outside secure medical wards shall not be routinely shackled. The decision to shackle shall be made on a case-by-case basis and shall not serve as a substitute for appropriate security precautions or as punishment or for the convenience of staff. Shackling of [inmates] people in custody being transported between clinical settings shall be the least restrictive possible. All non-emergency decisions to shackle [inmates] people in custody must not be medically contraindicated.

(b) Definition. Shackling includes the use of all devices which encircle the ankle or wrist of [an inmate] a person in custody and restrict movement.

(c) Procedures. The procedures developed for [inmates] people in custody housed in hospitals in beds outside of secure medical wards must include the following:

(1) Shackling shall be used only upon the direction of the Chief Correctional Officer or [his/her] their designee after a review of the individual case. Pending the receipt of security-related information necessary to perform the review, [an inmate] a person in custody may be shackled unless [he/she] they [falls] fall into categories listed in (3) (i) through (iv) below. This security-related information must be obtained promptly.

(3) [An inmate] A person in custody who is to be restrained shall be seen by a physician. DOC will not shackle [an inmate] a person where a physician has determined that the [inmate] person in custody is:

- (i) pregnant and admitted for delivery of a baby; or
- (ii) dependent on a ventilator or respirator; or
- (iii) in imminent danger or expectation of death (unless the [inmate] person in custody while in the condition described by (i) - (iii) above attempts to escape or engages in violent behavior at the hospital which presents a danger of injury); or

(iv) where shackling is medically contraindicated. Provided, however, that should [an inmate] a person in custody, while in a condition described by (iv) above, attempt to escape or engage in violent behavior at the hospital which presents a danger of injury, [he/she] they may be restrained pending an immediate review of [his/her] their medical condition by a physician to determine whether the use of shackles threatens the [inmate's] person in custody's life. DOC shall promptly make alternative security arrangements before the restraints are removed, unless a life-threatening condition exists. In the case of a life-threatening condition, the shackles shall be removed immediately.

(4) At least daily, physicians shall update and review the medical condition of shackled [inmates] people in custody. They shall convey their findings to the Department of Correction including whether the use of mechanical restraints, while the [inmate] person in custody ambulates is medically contraindicated.

(5) A shackled [inmate] person in custody shall be given the opportunity to use the bathroom as often as the need arises unless the physician has ordered the use of bed pans instead.

(6) The decision to shackle [an inmate] a person in custody shall be reviewed on a daily basis by a Chief Correctional Officer or [his/her] their designee and must be revised immediately if a physician determines that the shackles have become medically contraindicated. In the latter case, unless a life-threatening medical emergency exists, DOC shall have the opportunity to make alternative security arrangements, if necessary, before the shackles are removed. These arrangements must be made promptly.

(7) All decisions to apply mechanical restraints will be made by the Department of Correction's [office of operations] Office of Operations.

(8) Written records shall be maintained at the hospitals which indicated the reason for shackling, the time and date of the approval for shackling, the name and title of the person giving approval, and the [inmate's] person in custody's name, book and case number and medical status.

(9) Hospital-based physicians caring for [inmates] people in custody outside secure medical wards at the municipal hospitals shall receive training in this standard.

WHEREAS, engagement that happens with an orientation of reaching the masses of everyday New Yorkers and creating sustainable, long-term—not transactional—relationships, and proving that participation in civic life changes policies and outcomes; and

WHEREAS, the City of New York has several offices and entities responsible for public, civic, and community engagement; and

WHEREAS, the Community Affairs Unit, the Civic Engagement Commission, the Public Engagement Unit, and NYC Service are currently overseen by the Mayor's Office of Civic Engagement, as led by the Chief Engagement Officer; and

**EXECUTIVE ORDER No. 8**

January 4, 2026

**PROTECTING TENANTS FROM RENTAL RIPOFFS AND ABUSIVE LANDLORD PRACTICES**

WHEREAS, the majority of New Yorkers are tenants who are entitled to safe and habitable homes, free from unsafe living conditions; and

WHEREAS, negligent and dishonest landlords must no longer endanger the health and safety of New Yorkers through hazardous code violations, untimely repairs, repeated noncompliance, and unlawful fees and price-gouging; and

WHEREAS, many tenants face abusive landlord practices such as deceptive or hidden fees, retaliation for advocating for their rights, poor housing conditions, economic discrimination, abusive eviction practices, or neglect of needed repairs; and

WHEREAS, such practices threaten New Yorkers' rights as tenants and consumers and make the City less affordable, less safe, and less healthy for all; and

WHEREAS, abusive practices in the rental market hurt the economy of the entire City, threaten the ability of New Yorkers to thrive, and can harm honest entities and businesses; and

WHEREAS, it is necessary for the City to coordinate across agencies to protect tenants and improve housing quality by using all available tools to enforce housing and consumer protection laws;

NOW, THEREFORE, by the power vested in me as Mayor of the City of New York, it is hereby ordered:

**Section 1. Establishment of "Rental Ripoff" Hearings.** The Mayor's Office to Protect Tenants ("MOPT"), the Department of Housing Preservation and Development ("HPD"), the Department of Buildings ("DOB"), and the Department of Consumer and Worker Protection ("DCWP"), in coordination with the Office of Mass Engagement ("OME"), shall organize and conduct a series of public hearings to hear from tenants, tenant organizations, social services agencies, advocacy organizations, legal service providers, landlords, property managers,

and other members of the public about illegal, unfair, abusive, deceptive, or unconscionable landlord practices as well as operational improvements that the City should adopt to strengthen housing and building code enforcement. MOPT, HPD, DOB, and DCWP shall conduct at least one hearing in each of the five boroughs; the hearings shall occur within one hundred days of the date of this order.

**§ 2. Agency cooperation.** All mayoral agencies with relevant expertise or at the request of MOPT, including, but not limited to the Mayor's Office of Special Enforcement, and the Mayor's Office of Data Analytics, shall cooperate with the MOPT, HPD, DOB, and DCWP to facilitate and coordinate these hearings. MOPT shall request the participation of the New York City Commission on Human Rights at such hearings.

**§ 3. Public report.** Within ninety days of the last hearing, MOPT, HPD, DOB, and DCWP shall submit a joint summary and report to the Mayor detailing common themes and problems raised by the public at the hearings. The report shall also propose a plan for the City to address harmful landlord practices through existing enforcement powers, improved housing and building code enforcement, consumer protection powers, and policy changes. Such plan shall be designed to ensure that violations are logged and corrected on a significantly faster timeline, and shall include, but not be limited to, enhanced coordination among agencies and between agencies and the public. Such a report shall be posted on MOPT, HPD, DOB, and DCWP's publicly accessible webpage.

**§ 4. Enforcement Priorities.** All mayoral agencies, including, but not limited to, MOPT, HPD, DCWP, DOB, and the Mayor's Office of Special Enforcement shall prioritize the faithful enforcement of laws protecting tenants and the provision of relief to those wronged or harmed by abusive landlord practices. Such agencies shall engage the New York City Commission on Human Rights as required to ensure compliance with the New York City Human Rights Law.

§ 5. This order shall take effect immediately.

## EXECUTIVE ORDER No. 9

January 5, 2026

### COMBATTING HIDDEN JUNK FEES

WHEREAS, New Yorkers face a crisis of affordability and are often misled by junk fee pricing on goods and services, where one price is advertised but a different, higher price is charged at checkout; and

WHEREAS, hidden junk fee pricing is harmful to New Yorkers because junk fee pricing hides mandatory extra charges until the end of checkout, making the initial price seem lower than what is ultimately charged; and

WHEREAS, as a matter of basic fairness and honest business practice, New Yorkers deserve clear and transparent information about goods and services, including the full cost, before deciding whether to purchase such goods and services; and

WHEREAS, honest businesses that do not use junk fee pricing are at a competitive disadvantage and are undermined when bad actors use junk fee pricing to deceive customers with artificially low prices; and

WHEREAS, the City is committed to deploying all available resources to promote business practices that help New Yorkers make informed decisions when purchasing goods and services, thereby advancing affordability for all New Yorkers; and

WHEREAS, businesses that engage in junk fee pricing must be held accountable for misleading consumers and causing financial harm to New Yorkers;

NOW, THEREFORE, by the power vested in me as Mayor of the City of New York, it is hereby ordered:

**Section 1. Establishment of a Citywide Junk Fee Task Force.** There is hereby established an interagency Citywide Junk Fee Task Force (the "Task Force"). The Task Force shall:

- Coordinate and advance the City's work to combat hidden junk fees and promote affordability for New Yorkers, including by coordinating and aligning rulemaking, enforcement, City contracting standards, and public education efforts conducted by the responsible agencies pursuant to their legal authority;

- Be co-chaired by the Deputy Mayor for Economic Justice or such Deputy Mayor's designee and the Commissioner of the Department of Consumer and Worker Protection (DCWP) or such Commissioner's designee; and
- Consist of representatives from relevant City agencies, including but not limited to the Department of Housing Preservation and Development, the Department of Health and Mental Hygiene, the Department of Transportation, the Department of Small Business Services, and the Department of Buildings, and representatives of such other City agencies as the co-chaairs deem necessary to carry out the work of the Task Force.

**§ 2. Combatting Hidden Junk Fees.** DCWP is directed to consider and take any appropriate actions it deems warranted to combat hidden junk fees, including the promulgation of rules, pursuant to its authority under subchapters 1 and 2 of Chapter 5 of Title 20 of the Administrative Code of the City of New York, Chapter 64 of the New York City Charter, and other applicable law, and make recommendations to the Task Force regarding new legislation that may be proposed relating to hidden junk fees.

**§ 3. Hidden Junk Fees Compliance and Enforcement.** As soon as practicable, DCWP shall monitor for compliance, investigate potential violations, and take such compliance and enforcement actions as are authorized by applicable law and any applicable rules and any rules promulgated to combat hidden junk fees.

§ 4. Effective Date. This Order shall take effect immediately.

## EXECUTIVE ORDER No. 10

January 5, 2026

### FIGHTING SUBSCRIPTION TRICKS AND TRAPS

WHEREAS, New Yorkers face a crisis of affordability, and nobody should be stuck paying for a subscription they do not want; and

WHEREAS, businesses too often deceptively enroll people into subscriptions and unfairly keep them stuck there, including through making it difficult to cancel; and

WHEREAS, as a matter of basic fairness and honest business practice, New Yorkers deserve to freely decide which products and services they want to enroll in and which products and services they no longer want; and

WHEREAS, subscription tricks and traps conceal or misrepresent the price of a subscription or the terms of a subscription from consumers, thereby burdening consumers with subscriptions they did not intend to purchase and for terms that consumers did not intend to agree to; and

WHEREAS, honest businesses that do not use subscription tricks and traps are at a competitive disadvantage and are economically undermined when bad actors use these tactics; and

WHEREAS, taking action against subscription tricks and traps protects consumers, promotes trust in the marketplace, and rewards businesses that compete by offering real value rather than relying on dishonest business practices; and

WHEREAS, the New York City Department of Consumer and Worker Protection is responsible for enforcing the City's Consumer Protection Law and City rules enacted to combat deceptive business practices; and

WHEREAS, the City will deploy its full tools and authorities to protect New Yorkers from underhanded business tactics that rip them off or cause financial harm and to protect honest businesses from unfair competition;

NOW, THEREFORE, by the power vested in me as Mayor of the City of New York, it is hereby ordered:

**Section 1. Cracking Down on Illegal Subscription Tactics.** The Department of Consumer and Worker Protection ("DCWP") shall prioritize monitoring, investigating, and taking enforcement action against business' subscription-related practices ("subscription tricks and traps") that deceive or mislead consumers, including but not limited to, enrolling people into subscriptions, misrepresenting or failing to disclose pricing or renewal terms, and unfairly keeping them subscribed by making it difficult to cancel, that harm New Yorkers and violate existing laws or rules.

§ 2. Identifying Further Protections. DCWP shall consider and take appropriate actions to combat subscription tricks and traps, including the promulgation of rules pursuant to its authority under Chapters 2, 4 and 5 of Title 20 of the Administrative Code of the City of New York, Chapter 64 of the New York City Charter and other applicable law, or issuance of recommendations to City Council about additional protections, resources, or authorities that are needed to fully protect New Yorkers from these underhanded tactics.

§ 3. Coordination. DCWP shall coordinate, as appropriate, with the Law Department and the New York State Attorney General to promote combating subscription tricks and traps.

§ 4. This Order shall take effect immediately.
