HOUSING PRESERVATION AND DEVELOPMENT

PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held on February 11, 2026 at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below. The public hearing will be held via conference call. The public hearing will be held via Conference Call. Call-in #: 1-646-992-2010; Access Code 717 876 299.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-owned property (collectively, "Disposition Area") in the Borough of the Bronx:

Address	Block/Lot(s)
1640 Anthony Avenue	2888/23

Under the Open Door Program, eligible sponsors purchase City-owned or privately owned land and construct cooperative or condominium buildings affordable to moderate- and middle-income households. Where dictated by lot size, the program may also fund the construction of new one- to three-family homes. Construction financing may be provided through loans from the City ("City Subsidy"), the New York State Affordable Housing Corporation, private lenders and developer equity. The City provides a tax exemption for the homes.

Upon construction completion, the sponsor will sell the homeownership units to households who agree to owner-occupy their units for the length of the regulatory period. If the homeowner sells or refinances during the regulatory period, the homeowner must do so in accordance with HPD requirements intended to preserve the home's affordability. Upon resale, the homeowner will also be required to sell to a household earning no more than the project's income limit.

The proposed project consists of the new construction of one building containing a total of approximately 65 cooperative units, plus one unit for a superintendent on the Disposition Area.

Under the proposed project, the City will sell the Disposition Area to Claremont Homeownership Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct one building containing a total of approximately 66 units on the Disposition Area.

Upon construction completion and conversion to a cooperative, a community land trust housing development fund company ("CLT") will acquire the Disposition Area and enter into a ground lease with the HDHC cooperative, which will repay the Land Debt and City Subsidy, if any, attributable to the property by delivering a note and mortgage and/or conditional grant agreement to the City. At such time, HPD may unsecure or forgive all or a portion of the Land Debt, and unsecure, but not forgive, all or a portion of the City Subsidy, based on the appraised value of a homeownership unit and/or, in the case of forgiveness of Land Debt, if HPD determines that the forgiveness is necessary to reduce the taxable consideration for a unit. The sum evidenced by the note and secured by the mortgage will be reduced to zero upon maturity of the Land Debt and City Subsidy, respectively, if the owner has complied with the program's restrictions.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination by emailing

Margaret Carey at careym@hpd.nyc.gov on business days during business hours.

To make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office of Contract Services ("MOCS") via e-mail at disabilityaffairs@mocs.nyc.gov or via phone at (212) 298-0734. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS at least three business days in advance of the hearing to ensure availability.

PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● **Win More Contracts, at nyc.gov/competetowin**

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and

building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

For electronic bid submissions, please note the following procedures:

Bid submissions must be sent via electronic mail ("The Bid Submission Email") to DCPSubmissions@schools.nyc.gov (the "Bid Submission Email Address"). Bid Submissions sent to any other email address will be disregarded. The subject line of your Bid Submission Email must include the solicitation number and the name of the submitting vendor (e.g. B5929 – Enter Company Name). Please attach the completed Request for Bids and the Bid Blank documents to the Bid Submission

Email as separate files. Please name the bid blank attachment "Bid Blank" and the completed Request for Bids attachment "RFB".

If the files accompanying your bid submission are too large to be transmitted as email attachments, please include in the first line of your Bid Submission Email a link to a Microsoft OneDrive folder containing all of your bid-related documents. Please note that if you are using OneDrive, do not attach any documents to the Bid Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate bid blank file. Please name this folder and the bid blank file "Bid Blank". The name of your OneDrive folder must match the subject line of your bid submission, and your OneDrive folder must not contain any files unrelated to the Bid Submission.

Guidance for first-time Microsoft One-Drive Users:

Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those bid submission documents which are too large to transmit via electronic mail:

1. Conduct an internet search for "Microsoft OneDrive;"
2. Navigate to the official Microsoft website and sign up for a free account;
3. Once you have created a folder for the solicitation whose name matches the subject line of your Bid Submission Email, upload the documents relevant to your bid submission in this folder.
4. Create a share link for this folder;
5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and
6. Include the link which you have created as the first line of your Bid Submission Email.

The Bid opening will be conducted virtually via Microsoft Teams on Friday, February 27th, 2026, from 11:00 A.M. to 2:00 P.M. Bidders who have submitted their Bid Submission Email by the Bid Submission Deadline will receive a reply to their Bid Submission Email with a link to be able to view a livestream of the Bid opening online. If you do not receive a confirmation email of the DOE's receipt of your electronic bid submission, please email: [Gabriel Soriano at GSorian@schools.nyc.gov](mailto:Gabriel.Soriano@GSorian@schools.nyc.gov) and/or Juanne Inniss at jinniss@schools.nyc.gov.

For hard copy (paper) bid submissions, please follow the below instructions:

Further to prior instructions regarding submissions of bids. In addition to electronic submission via email, Bidders may choose to hand deliver their bid packages to NYC DOE at any time prior to the Bid Due Date/Time. If you plan to submit a paper bid, you must provide notice by e-mailing DCPSubmissions@schools.nyc.gov, including "Paper Submission Request for Solicitation # B5929 in the subject line, at least three (3) business days in advance of the anticipated date and time and place you or your agent plan to arrive at 65 Court Street, Brooklyn, NY 11201, Rm 1201 to drop off your bid. Bidders should include in their notification e-mail the name of the person who will be delivering the bid or advise that the Bid Package will be arriving by messenger. AGENCY RULES

HOMELESS SERVICES

■ NOTICE

Notice of Adoption of Chapter 6 of Title 31 of the Rules of the City of New York

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Commissioner of the New York City Department of Social Services pursuant to Section 603 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that has adopted the above final rule.

This rule was published as a proposed rule in the City Record on October 8, 2025, and a public hearing was held on November 12, 2025. DHS received two comments on the proposed rule, both from DHS Contracted Outreach Providers

Statement of Basis and Purpose

The Department of Homeless Services (“DHS” or the “Department”) provides temporary emergency shelter to homeless New York City residents in accordance with State and local law. DHS implements regulations and court orders with the goal of moving shelter residents into permanent housing in the community as quickly as possible. DHS’s Street Homeless Solutions (“SHS”) provides a range of services to help individuals experiencing street homelessness transition into transitional or permanent housing and address behavioral health, substance use, and other issues along the way.

DHS contracts with not-for-profit providers to operate outreach teams, drop-in centers, and low-barrier transitional housing sites, including stabilization beds and safe havens. Outreach teams operate across all five boroughs, 24 hours a day, seven days a week, 365 days a year. These teams engage individuals experiencing unsheltered homelessness and connect people who are unsheltered to dedicated services and resources, including low-barrier transitional housing programs, which can be a first step toward permanent housing.

SHS manages contracts for nine drop-in centers, two welcome centers, 29 safe havens, and 12 stabilization bed sites. Together, the welcome centers, safe havens and stabilization sites provide approximately 4,000 overnight beds dedicated to New Yorkers experiencing street homelessness. In addition, SHS manages six street outreach programs with multiple teams operating throughout the city.

Drop-In Centers are publicly accessible specialized facilities that operate 24/7 and provide hot meals, showers, laundry facilities, clothing, medical care referrals, recreational space, employment referrals, and other social services to homeless individuals and families. Staff assist individuals with accessing and coordinating sleeping arrangements at other DHS low-barrier transitional housing sites or shelters.

Low-barrier transitional housing, such as stabilization bed and safe haven sites offer a less restrictive alternative to traditional shelter for those living outdoors for extended periods. These sites offer temporary sleeping accommodations, food and social services and are operated exclusively by not-for-profit providers; DHS does not directly operate any safe haven sites. Outreach teams coordinate with SHS’s Joint Command Center (“JCC”) to make referrals for entry.

Stabilization Beds are transitional housing placements with flexible requirements and light touch case management. These low-barrier environments without curfews are intended to serve individuals with significant periods of street homelessness and limited case management needs. When a client is referred to the JCC, the JCC will check the StreetSmart and CARES record for such client and confer with the referring entity. If the records or the referring entity indicate a need for more significant case management, the client will not be referred to a stabilization bed and may instead be referred to a safe haven.

Safe Havens are transitional housing resource placements that also feature flexible program requirements but offer more robust case management services. They are intended to serve individuals with significant periods of street homelessness and high clinical needs.

The goal of each low-barrier transitional housing program is to bring people off the streets into a supportive setting focused on helping them transition to permanent housing.

DHS is amending Title 31 of the Rules of the City of New York by adding a new Chapter 6 establishing criteria for placement of unsheltered homeless adults into low-barrier transitional housing. Placement into a low-barrier transitional housing program does not replace or diminish the right to shelter in New York City. Rather, it offers a low-threshold option for individuals seeking temporary shelter who are unable or unwilling to enter the traditional shelter system.

Based on testimony submitted by providers during the Notice and Comment period, DHS has revised § 6-02(d) to allow the agency to consider input from DHS-contracted Outreach Providers when determining whether to grant an exception to the general low-barrier placement process established in § 6-02(a), in addition to the other factors already listed in § 6-02(d).

The Department's authority for this final rule is found in sections 389, 612, and 1043 of the Charter.

New material is underlined.

[Deleted material is in brackets.]

Asterisks (***) indicate unamended text.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 31 of the Rules of the City of New York is amended by adding a new chapter 6 to read as follows:

Chapter 6: Placement Process for DHS Low-Barrier Transitional Housing

§ 6-01 Definitions.

For the purposes of this chapter, the following terms have the following meanings:

- a) "CARES" means Client Assistance Re-Housing Enterprise System, the shelter case management system used by the New York City Department of Homeless Services.
- b) "Client" means any person seeking services through the SHS or who has been offered assistance by outreach workers contracted by DHS.
- c) "DHS" means the New York City Department of Homeless Services.
- d) "DHS-administered facility" means a city-administered facility managed directly by DHS or by a provider under contract or similar agreement with DHS.
- e) "Drop-in center" means a DHS-administered facility open twenty-four hours a day, seven days a week that provides single adults with basic necessities, such as hot meals, washroom and laundry facilities, clothing, medical care, recreational space, employment referrals and/or housing placement services, but not an overnight bed.
- f) "Intake facility" means a DHS administered facility open twenty-four hours a day, seven days a week to accept and process applications for Temporary Housing Assistance.
- g) "Intermittent Shelter Stays" means repeatedly entering and leaving a city-shelter, over at least a six month period, with no stay lasting more than seven consecutive days.
- h) "Joint Command Center" or "JCC" is a unit within DHS' Street Homeless Solutions that coordinates with homeless advocate organizations, community groups, other city agencies and entities tasked with safely engaging individuals experiencing unsheltered homelessness.

Safe Havens and Stabilization beds are examples of low-barrier placements.
- j) "Proof of Street Homelessness" means documentation, including, but not limited to, case management, medical records, written statements from social service providers or interested parties submitted on a client's behalf confirming that their nighttime residence is in a place that is not meant for human habitation. Such documentation may be submitted by a social service provider, outreach provider, medical facility, or other interested party, depending on the specific facts and circumstances of an individual client's case, who can vouch for the duration of time a client has experienced street homelessness; if documentation is unavailable, proof of street homelessness can also be

demonstrated through at least three engagements with an outreach team within thirty days.

- k) "Safe Haven" means a DHS-administered facility that provides immediate alternative temporary housing for street homeless individuals. Safe Havens are low-barrier placements facilities intended to serve individuals who have experienced significant street homelessness or have significant clinical needs.
- l) "Significant clinical needs" means a physical health, mental health or substance use issue which substantially impairs a person's ability to function in daily life.

- ii. If a client has at least six-months of either (i) documented street homelessness as reflected in StreetSmart, or (ii) documented intermittent shelter stays as reflected in CARES, and does not have documented significant clinical needs as reflected in StreetSmart or CARES, the JCC will refer such client to a Stabilization Bed.
- iii. If a client has less than six months of (i) documented street homelessness as reflected in StreetSmart and (ii) documented intermittent shelter stays as reflected in CARES, and does not have documented significant clinical needs as reflected in StreetSmart or CARES, the JCC will refer such client to Intake.
- iv. If a client has at least six months of (i) documented street homelessness as reflected in StreetSmart, or (ii) documented intermittent shelter stays in CARES, and has documented significant clinical needs as reflected in StreetSmart or CARES, the JCC will refer such client to a Safe Haven. If a client has less than six months of (i) documented street homelessness as reflected in StreetSmart, or (ii) documented intermittent shelter stays as reflected in CARES, and has documented significant clinical needs as reflected in StreetSmart or CARES, the JCC will consult with a manager within the JCC or with the Program Administrator overseeing outreach.

(b) In each case, the JCC will review the list of available beds and work with the Outreach Team to identify an appropriate placement for each client.

(c) Managerial or higher-level titled staff will review each case where a low-barrier placement was not provided.

(d) Assistant Commissioner titles and higher may grant exceptions to this policy based on the totality of the circumstances and considering factors including but not limited to:

- ii. Indicators of significant mental health, physical health or substance use issues;
- iii. Documentation from a partner city agency corroborating six months of street homelessness and/or significant clinical needs not captured in Street Smart or CARES; and
- iv. Input from DHS Contracted Outreach Providers, who based on their experience working with a particular individual, recommend placement in a Low-Barrier setting.

(e) Outreach teams will provide street homeless individuals with information about the appropriate DHS Intake site if a low-barrier

placement is not provided or declined.

(f) The JCC may set aside up to five percent of available beds, subject to availability, for clients not known to outreach teams who are referred by non-city agencies or non-city contracted entities that do not have access to StreetSmart or CARES.

Statement of Basis and Purpose of Proposed Rule

In 2019, New York City enacted Local Law 199 requiring the establishment of a new program for the collection of commercial waste. The program, known as the Commercial Waste Zones (CWZ) program, is a safe, efficient, and competitive collection system designed to provide high-quality service to New York City businesses while advancing the City's waste diversion and sustainability goals. Pursuant to Local Law 199, codified in Title 16-B of the New York City Administrative Code, the geographic area of New York City has been divided into 20 CWZs. Pursuant to a request for proposals process, three private carters providing commercial waste collection services were selected by the Department to serve businesses within each CWZ, and five carters were selected to provide citywide containerized commercial waste collection services to businesses that use dumpsters and compactors. The selected carters are referred to as "awardees." The resulting contracts with the awardees include standards for pricing, customer service, safety, environmental health, and requirements to promote the City's commitment to recycling and sustainability.

Local Law 199 requires the Department to issue rules setting forth an implementation start date and a final implementation date for each CWZ established. See Ad. Code § 16-1002(e)(3). Different implementation start and end dates may be established for different CWZs. The Department previously set the implementation start and end dates for the first seven CWZs: Queens Central, Bronx East, Bronx West, Queens Northeast, Brooklyn South, Queens West, and Lower Manhattan. This rule would set the implementation start date and final implementation date for the next two zones: Midtown South and Staten Island. Subsequent rules will set the implementation dates for the remaining 11 zones.

Additionally, Section 16-116(a) and (b) of the New York City Administrative Code require commercial establishments to have a Business Integrity Commission (BIC) licensee remove their waste, and post a sign noting the day and time that such establishment's trade waste is picked up or, if such establishment removes its own waste, the sign must note the registration number issued by the BIC. Section 16-116(c) exempts from these requirements any commercial establishment that generates infrequent or insignificant amount of waste, and authorizes the Sanitation Commissioner to promulgate rules determining what constitutes infrequent waste or insignificant amounts of waste. Section 1-06 of Title 16 of the Rules of the City of New York currently provides that commercial establishments must generate less than one gallon of trade waste within a seven-day period to meet the definition of infrequent waste or insignificant amounts of waste to be exempt from the requirements of Section 16-116(a) and (b). This rule would create an application process for commercial businesses to apply to be considered a generator of infrequent waste. This rule is necessary to ensure the Department has a system for determining if a business is a generator of infrequent waste and exempt from the requirements Section 16-116(a) and (b).

The Department's authority for these rules is found in Section 753 and Section 1043(g) of the New York City Charter and Titles 16 and 16-B of the New York City Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subdivision (a) of Section 1-06 of Title 16 of the Rules of the City of New York is amended to read as follows:

(a) Any commercial establishment generating an amount of waste over a period of seven consecutive days that may be contained in a one gallon bag or any other container or containers having a volume of one gallon or less shall be considered infrequent waste or insignificant amounts of waste for purposes of subdivision (c) of § 16-116 of the Administrative Code. [Such] A commercial establishment [need not comply with] that is a generator of infrequent waste or insignificant amounts of waste must submit an application in a form prescribed by the Department in order to be exempted from the requirements of subdivisions (a) and (b) of § 16-116 of the Administrative Code. The Department may require a commercial establishment to periodically recertify that such commercial establishment continues to qualify as a generator of infrequent waste or insignificant amounts of waste.

§ 2. Subdivision (b) of section 20-02 of Title 16 of the Rules of the City of New York is amended to read as follows:

(b) Awardees for one or more of the commercial waste zones set forth in subdivision (a) of this section and for citywide containerized service are authorized to commence service in the awarded zones on the following implementation start and final implementation dates:

Zone name	Implementation start date	Final implementation date
Queens Central	September 3, 2024	January 2, 2025
Bronx East	October 1, 2025	November 30, 2025
