The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

The business objectives of the Current NYC initiative involve an application that would provide all landlords doing business with HRA with improved customer service, including self-service, facilitate electronic payment of rent, and make payments to landlords accurately across all programs and tenants (the "golden" record concept). The system in production facilitates CityFHEPS application submission, processing, and eligibility determinations, tracks CityFHEPS landlord and property records, and allows landlords to create an online account and perform functions that include submitting updated information, seeing limited payment history, and enrolling in electronic payments. There is a significant enhancement necessary to bring about the envisioned process improvements and to comprehensively address the original project objectives.

The New York City Department of Transportation (NYCDOT) intends to enter into negotiations with Henningson Durham & Richardson PC under the Negotiated Acquisition provision (Section 3-04) of the Procurement Policy Board Rules for an agreement whereby Henningson Durham & Richardson PC will provide planning, engineering, and architectural design and inspection services Citywide for the Agency. During the terms of this Engineering Services Agreement, projects and work assignments will be identified, the associated individual scope of services prepared, and an agreement reached with the Consultant. Work will commence immediately upon registration of individual task orders. The assignment scope of work assigned under this agreement may consist of the whole, in part, or in combination of the typical tasks listed in the original contract.

The Agency Chief Contracting Officer has determined that, pursuant to Section 3-04(iii), there is a compelling need to extend the existing services. A Negotiated Acquisition Extension permits NYCDOT to achieve the safety and maintenance benefits faster than would a competitive procurement method. DOT utilizes these contracts as a critical mechanism to facilitate Engineering work, which is among the highest priorities to the Agency and the City. It is critical to provide and maintain this continuity of services.

The term (duration) of this contract will be an additional twelve (12) months. The projected start/end dates are 07/14/25 and 07/14/26, respectively. The contract award is a time-only extension, with an awarded amount.

■ PUBLIC COMMENT

This is a Notice that the Department of Transportation is seeking comments from the public about the proposed contract below.

Contract Type: Purchase Order/Contract

Contractor: Quality And Assurance Technology Corp

Contractor Address: 18 Marginwood Drive, Ridge, New York 11961

Scope of Services: Omnissa Workspace Cloud Migration

Maximum Value: \$248,921.85

Term: 3/3/2026 through 3/2/2027

E-PIN: 884126W0040001

Procurement Method: MWBE Non-Competitive Small Purchase

Procurement Policy Board Rule: Rule 3-08 (c)(1)(iv)

What authorizes the Department to make this rule? Sections 389, 533(a)(9), and 1043 of the City Charter authorize the Parks Department to make this proposed rule. This proposed rule was not included in the Parks Department's regulatory agenda for this Fiscal Year because it was not contemplated when agencies needed to submit an agenda.

Where can I find the Department's rules? The Department's rules are in Title 56 of the Rules of the City of New York.

What rules govern the rulemaking process? The Department must meet the requirements of Section 1043 of the New York City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the Charter.

Statement of Basis and Purpose

The Department proposes to revise § 2-14 of Chapter 2 of Title 56 of the Rules of the City of New York, pursuant to which people with disabilities are eligible for significant discounts on recreation center membership fees. For example, a person with proof of disability may have their annual membership fee at a recreation center with an indoor pool discounted from \$150 to \$25. The proposed rule would add categories of documents that the Department would accept as proof that a person with a disability is eligible for the reduced recreation center membership fee.

Currently, a person with a disability is eligible for a reduced Recreation Center Membership fee if, when purchasing or renewing their membership, the individual presents one or more documents from a list of approved documents to support the individual's disability status. Following consultation with MOPD, Parks seeks to add four categories of documents to the approved list to make it easier for individuals who may not have one of the documents on the current list to receive the membership discount. These documents are all currently accepted by NYC Ferry as proof of disability for their discount program.

The Department's authority for these rules is found in Section 389, 533(a)(9), and 1043 of the New York City Charter.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. The definition of Person with Disability Membership Fee in subsection (a) of section 2-14 of chapter 2 of Title 56 of the Rules of the City of New York is amended to read as follows:

Person with Disability Membership Fee. "Person with Disability Membership Fee" means the membership fee for use of recreation centers for all patrons who present government-issued photo identification along with one of the following documents when purchasing or renewing a membership:

- New York City Department of Transportation Parking Permit for People with Disabilities (PPPD);
- MTA Access-A-Ride ID card;
- MTA Reduced Fare ID card;
- Certification from the New York State Office of Mental Health that the patron is receiving services from a program it licenses, operates, certifies, or funds;
- Certification from the New York State Office for People with Developmental Disabilities that the patron is eligible to receive services from a program it licenses, operates, certifies, or funds;
- Certification from the New York State Commission for the Blind that the patron has a central visual acuity of 20/200 or less or limitation in the field of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees in the better eye with the use of a correcting lens; [or]
- New York State Commission for the Blind registration letter;
- New York State Parks Individual Access Pass;[.]
- Disability award letter from the United States Social Security Administration, the United States Railroad Retirement Board, or the United States Postal Service;
- Letter from the United States Department of Veterans Affairs stating that the patron is entitled to veterans disability benefits; or
- Medicare Card (if patron is less than 62 years of age).

The membership does not include session fees. Membership includes, but is not limited to, use of fitness equipment, indoor pools and computer resource centers. Documents presented to the Department will not be retained after the applicant's eligibility for the membership fee is determined.
