In addition to the primary required carport solar PV system element of the Developer's proposal, the proposals may include as an option for Project, at the Developers discretion and subject to NYCEDC's approval, terms to design, finance, install, own, operate, monitor, repair, maintain, and ultimately decommission, a battery energy storage system ("BESS") at other sites within the Brooklyn Army Terminal ("Additional Proposed BAT Sites").

As part of its commitment to New York City's Green Economy Action Plan and meeting the emissions reduction targets set by New York City Local Law 97, NYCEDC has developed a Strategic Energy Master Plan to guide the decarbonization of its leased, owned, and managed real estate portfolio. Through this initiative, numerous strategic pillars have been identified to create a glidepath to net zero, including energy conservation measures, deep energy retrofits, and the deployment of solar PV Carport systems and, as an option, Battery Energy Storage Systems (BESS), as determined through audits conducted across NYCEDC's portfolio. Implementing these strategies is projected to bring the portfolio 80% of the way toward achieving net zero emissions. This RFP represents one of many necessary steps in reaching that goal.

NYCEDC plans to select a developer(s) on the basis of factors stated in the RFP which include, but are not limited to: team qualifications and experience, program design, technical approach, and construction plan, operations, repairs, maintenance, and security plan, project financials, economic impact to NYCEDC, the City of New York, the site's tenants, and the general public, M/WBE participation, and inclusion of workforce development initiatives.

It is the policy of NYCEDC to comply with all federal, state and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-owned Business Enterprises (M/WBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives.

■ INTENT TO AWARD

ARCHITECTURAL & ENGINEERING SUPPORT SERVICES

- Negotiated Acquisition - PIN# 07126N0004 - Due 1-30-26 at 3:00 P.M.

The Department of Homeless Services (DHS) is requesting a one year Negotiated Acquisition Extension (NAE) Contract with RKTB Architects, P.C. to extend architectural & engineering support services. All DHS projects were delayed for FY25 registration. There are six DHS managed projects in construction procurement and one in construction during FY25 with a budget of \$22M. There are three DHS managed projects in design- Rose McCarty Facade & Windows, Briarwood Roof & Facade, Jamaica Family Building facade, 07122B0001001 Bushwick Roof Reconstruction has commenced on actual construction work, and two in construction, Flatlands Roof Reconstruction and Fannie Barns Exterior Reconstruction, would be slated to start during FY26 with a cumulative total of \$21M.

The design consultants are critical to the advancement and completion of these projects. This is the fifth NAE for this contract because the anticipated new architectural and engineering contract was not bid and awarded as planned during the previous fiscal year. The evaluation phase under new RFP, EPIN 07122P0034 is nearly complete, and critical services still need to be performed until the anticipated 7/1/26 start date for the new awards. This NAE with the incumbent vendor will ensure the continuity of critical services needed by DHS while a

new RFP 07122P0034 for On Call Architectural and Engineering Design Services for Renovation Projects at Shelter Sites is being processed to be released in late winter. The term for this NAE is from July 1, 2025 to June 30, 2026 with the contract amount of \$800,000. Procurement and award are in accordance with PPB Rules Section 3-04(b)(2)(iii) for the reasons set forth herein.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

I. Explanation, Basis, and Purpose

The Board Rules are codified in Chapter 52 of the Rules of the City of New York.

The Campaign Finance Board (the "CFB" or "Board") is a nonpartisan, independent City agency that empowers New Yorkers to make a greater impact in City elections. The CFB administers the City's campaign finance system, overseeing and enforcing the regulations related to campaign finance and holding candidates accountable for using public funds responsibly. The CFB publishes detailed public information about money raised and spent in City elections by candidates and independent spenders, and engages and educates voters through community outreach, the Voter Guide pursuant to § 3-709.5 of the Administrative Code, and the Debate Program pursuant to § 1053 of the City Charter.

A proposed version of these amendments was published in the City Record on November 5, 2025. A public hearing was held on December 5, 2025.

The CFB received one written comment and no oral testimony at the public hearing.

Upon careful consideration of this comment and internal discussion, the CFB adopted all amendments with no changes.

■ NOTICE

Notice of Adoption of Final Rule Relating to Notice and Hearing Requirements for Abandoned Vehicles

NOTICE IS HEREBY GIVEN in accordance with the requirements of sections 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation (DSNY) by sections 753 and 1043(a) of the New York City Charter that DSNY adopts the following rule relating to notice and hearing requirements for owners, lessors, lienholders and other interested parties of certain abandoned vehicles removed pursuant to the New York State Vehicle and Traffic Law. DSNY published a Notice of Opportunity to Comment on the proposed rule in the *City Record* on December 16, 2025. On January 15, 2026, DSNY held a public hearing on the proposed rule. DSNY received written and oral comments before and during the hearing. After considering the comments that were submitted, DSNY did not make any changes to the rule in response. DSNY made one change to the rule to add an effective date of March 16, 2026.

Statement of Basis and Purpose of Rule

The New York City Department of Sanitation (DSNY) is responsible for the removal of certain abandoned vehicles within New York City. An abandoned vehicle, as described in section 1224(2) of the New York State Vehicle and Traffic Law (VTL), includes vehicles parked on the street, without license plates, for more than 6 hours.

This rule sets forth notice requirements to ensure that registered owners and other ascertainable interested parties (including any lienholders or other persons with a legal claim or security interest in an abandoned vehicle) are notified and provided an opportunity

to claim the vehicle before the abandoned vehicle is dismantled, destroyed, or disposed of. This rule also establishes procedures for an interested party to challenge the removal of an abandoned vehicle by DSNY or the fees imposed for towing and storage of an abandoned vehicle.

Specifically, this rule:

- (1) Establishes a notice process by which DSNY will send ascertainable owners and interested parties, by certified mail, return receipt requested, or by email, if authorized, a notice containing the following information:
 - a brief description of the abandoned vehicle;
 - the date of such vehicle's removal;
 - instructions on how to redeem such vehicle;
 - all applicable towing and storage fees;
 - instructions on how to request a hearing to challenge the removal of the vehicle and/or the imposition of towing and storage fees;
 - examples of documents to demonstrate that the interested party is entitled to redeem such vehicle; and
 - a statement of DSNY's right to have such vehicle dismantled, destroyed or otherwise disposed of, unless, within 10 calendar days after the date on which such notice is sent, an interested party presents proof to the Department establishing lawful entitlement to possession of such vehicle and pays all applicable fees or requests a hearing.
- (2) Provides an owner or interested party with an opportunity, within 10 calendar days from the date of the notice, to either redeem an abandoned vehicle or to challenge the removal of such vehicle and/or the imposition of any fees imposed.
- (3) Describes the procedure by which an abandoned vehicle can be redeemed.
- (4) Sets forth the procedure to challenge the removal of an abandoned vehicle or the fees imposed, which would include a virtual hearing scheduled within 72 hours of a hearing request, subject to modification based on a request for a reasonable accommodation. A decision would be rendered within 5 business days and would constitute a final agency determination.
- (5) States the applicable towing and storage fees based on the weight of a vehicle.

This rule will ensure that all interested parties receive notice and an opportunity to be heard prior to an abandoned vehicle being dismantled, destroyed, or disposed of by DSNY.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subdivision (j) of section 1-05 of Title 16 of the Rules of the City of New York is amended to read as follows:

The Commissioner or his duly authorized representative is hereby empowered to declare any such derelict property as worthless and valueless and, in accordance with the procedures set forth in section 1-05.2 of this chapter, is authorized to dispose of such property at Department of Sanitation disposal points or, in [his] their discretion, to have such derelict vehicles and other worthless property removed and disposed of by private contractors.

§ 2. Chapter 1 of Title 16 of the Rules of the City of New York is amended by adding a new section 1-05.2 to read as follows:

(2) The Department shall notify any owner or interested party the Department ascertains pursuant to paragraph (1) of this subdivision that the Department has determined that the vehicle is abandoned pursuant to subdivision 2 of section 1224 of the New York State Vehicle and Traffic Law, that the Department has removed the abandoned vehicle, and that such vehicle is held in storage. (vi) examples of documents to submit to the Department to demonstrate that an owner or interested party is entitled to redeem such vehicle; and

(vii) a statement of the Department's right to have such vehicle dismantled, destroyed, or otherwise disposed of, unless, within 10 calendar days after the date on which such notice is sent, an owner or interested party presents proof to the Department establishing lawful entitlement to possession of such vehicle and pays applicable fees in accordance with paragraph (2) of subdivision (d) of this section, or requests a hearing in accordance with paragraph (1) of subdivision (e) of this section.

(c) An owner or interested party of an abandoned vehicle removed by the Department may: (i) redeem such vehicle pursuant to subdivision (d) of this section, or (ii) within 10 calendar days of the date the Department sends notice pursuant to subdivision (b) of this section, challenge the removal of such vehicle and/or the imposition or amount of any fees imposed pursuant to subdivision (e) of this section.

(d) Procedure for Redemption of Vehicle.

(1) An owner or interested party that is lawfully entitled to possession of an abandoned vehicle removed by the Department may redeem and obtain possession of such vehicle in accordance with this subdivision.

(2) Except as provided in paragraph (3) of this subdivision, such an owner or interested party must, no later than 10 calendar days after the Department sends notice pursuant to subdivision (b) of this section:

(i) submit to the Department, in a form and manner specified by the Department in such notice, adequate proof, including but not limited to, registration, title, or proof of lien, to establish that such owner or interested party is lawfully entitled to redeem possession of an abandoned vehicle removed by the Department; and

(ii) make payment to the Department or a vendor contracted by the Department, as directed by the Department, for all applicable towing and storage fees as set forth in subdivision (f) of this section.

(3) An owner or interested party that, pursuant to subdivision (e) of this section, has received a final hearing determination entitling such owner or interested party to redeem possession of an abandoned vehicle must, no later than 10 calendar days after the Department issues such final hearing determination, make payment to the Department or a vendor contracted by the Department, as directed by the Department, for all applicable towing and storage fees as set forth in subdivision (f) of this section.

Such notification shall state: that the vehicle must be removed within 2 business days of such notification; that the failure to remove such vehicle within such time period may result in the imposition of additional storage fees; and that the failure to remove such vehicle within 10 calendar days of such notification may result in the dismantling, destruction, or disposal of such vehicle.

(5) If such owner or interested party lawfully entitled to possession of the vehicle does not remove such vehicle within 10 calendar days of the notification provided pursuant to paragraph (4) of this subdivision,

the Department may dismantle, destroy, or otherwise dispose of such vehicle pursuant to section 1224 of the New York State Vehicle and Traffic Law.

(e) Procedure to Challenge the Removal of a Vehicle and/or Fees Imposed.

(1) An owner or interested party of an abandoned vehicle removed by the Department may, within 10 calendar days of the date the Department sends notice pursuant to subdivision (b) of this section, in accordance with the instructions provided on such notice, request a hearing to challenge the removal by the Department of such abandoned vehicle and/or the imposition or amount of any fees imposed for storage and/or removal of such vehicle.

(2) The Department will schedule a hearing within 72 hours of such a request.

(3) The Department shall conduct such hearing virtually, provided that an owner or interested party may request a reasonable accommodation for the Department to conduct such hearing by others means, including, but not limited to, a phone call or an in-person hearing.

HOUSING AUTHORITY**■ NOTICE**

NOTICE OF INTENT TO PROCURE PLUMBING AND
RELATED RESIDENTIAL BUILDING RENOVATIONS AT
NYCHA'S HOUSING DEVELOPMENTS

The New York City Housing Authority ("NYCHA"), through its Comprehensive Modernization Department, intends to initiate a competitive, two-step procurement process for design-build services at housing developments in Northern Manhattan.

The project scope includes work at one 17-story building and one 20-story building (152 and 160 dwelling units, respectively), which are part of a larger multi-building campus. Anticipated work may include, but is not limited to: (i) plumbing and waste line replacement; (ii) repairs to gas risers, kitchens, bathrooms, and impacted electrical systems; and (iii) related services, including asbestos and lead abatement and temporary resident relocation. The project rough order of magnitude (ROM) is \$28 million to \$33 million.

NYCHA seeks integrated design-build teams capable of delivering end-to-end services, including design, hazardous material abatement, construction, resident engagement, and relocation services. This project aligns with NYCHA's Comprehensive Modernization framework and the Waste Plumbing Initiative, funded by the City of New York, and is intended to address persistent leaks, mold, and related conditions caused by deteriorated plumbing systems, thereby improving residents' quality of life.

NYCHA anticipates advertising a single Request for Qualifications (RFQ) in the City Record in February 2026. Statements of Qualifications (SOQs) will be evaluated in accordance with the RFQ, and the highest-ranked teams will be invited to participate in the second phase of the procurement through a Request for Proposals (RFP).

This Notice of Intent ("NOI") is issued solely for informational and planning purposes to alert interested firms to the anticipated solicitation. This notice does not constitute a solicitation.

All NYCHA contracts require compliance with U.S. Department of Housing and Urban Development requirements including, without limitation, Section 3 of the Housing and Development Act of 1968 (12 U.S.C. 1701u), New York City Mayor's Office of Contract Services (MOCS) PASSPort registration requirements, compliance with Project Labor Agreement inclusive of weekly certified payrolls, etc.

CONTACT: Interested firms are encouraged to use the link below to indicate their interest in the forthcoming RFQ to assist NYCHA in assessing market participation.
