No. 8

CD 1 **C 250326 MMK**
IN THE MATTER OF an application submitted by GO Quay, LLC and The Greenpoint Monitor Museum pursuant to Sections 197-c and 199 of the New York City Charter for an amendment to the City Map involving the elimination of a portion of Inlet Park between Quay Street and the U.S. Bulkhead Line including authorization for any acquisition or disposition of real property related thereto, in Community District 1, Borough of Brooklyn, in accordance with Map No. X-2780 dated December 15, 2025, and signed by the Borough President.

NOTICE

On Wednesday, March 18, 2026, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by GO Quay, LLC (the Project Developer) and the New York State Metropolitan Transportation Authority (MTA) (an affiliate of the New York City Transit Authority [NYCTA]) (collectively, the Applicants). The Applicants are seeking several discretionary actions including a zoning map amendment, zoning text amendment, zoning special permits, certification, and a City Map amendment (collectively, the Proposed Actions) that would apply to a rezoning area consisting of Brooklyn Block 2590, Lot 25, the majority of Lot 1, and the northern half of the former Quay Street in the Greenpoint neighborhood of Brooklyn, Community District (CD) 1 (the Rezoning Area); the remaining portion of Lot 1 (which would not be rezoned); and a relocation site that would house two NYCTA facilities that are being relocated from their existing locations and consolidated into a new turnkey facility located at 213 Meadow Street (Block 2951, Lots 1, 5, and 45) in the East Williamsburg neighborhood of Brooklyn CD 1 (the NYCTA Relocation Site) that would be constructed by the Project Developer. The Rezoning Area, the remaining portion of Lot 1 that would not be rezoned, and the NYCTA Relocation Site are, collectively, the Affected Area.

To facilitate the Proposed Development, the Applicants are seeking the approval of Proposed Actions, which would apply to the Rezoning Area: (I) a zoning map amendment to rezone (1) Block 2590, Lot 25 from M3-1 to R8; (2) a portion of Block 2590, Lot 1 from (a) R6 to R8/C2-4 and (b) R6/C2-4 to R8/C2-4; (3) the northern half of former Quay Street from M3-1 to R6; and (4) modify the park boundary to exclude Lot 25 and the northern half of former Quay Street; (II) zoning text amendments to the Zoning Resolution (ZR), as amended will include: (1) To amend ZR Section 62-361 (Special Floor Area Regulations) to allow the underlying MIH FAR to apply to MIH sites within BK-1; (2) To amend ZR Section 62-931 (Waterfront Access Plan BK-1: Greenpoint-Williamsburg) to remove the park identification of Block 2590, Lot 25 and the former Quay Street and update WAP BK-1 maps; (3) To amend ZR Section 62-363 (Special Height and Setback Regulations) to update special height and setback regulations for R8/

MIH sites within BK-1; (4) To amend ZR Appendix F to map an MIH area coterminous with the Development Site; (5) To amend ZR Section 74-745 to allow the waiver or reduction of required loading berths as part of a Large Scale special permit within WAP BK-1; (III) zoning special permits pursuant to ZR Sections 74-743(a)(2) and 74-745 for Large Scale General Development (LSGD) applicable to the Development Site to allow the following modifications in order to achieve a superior site plan: ZR 62-343, 62-363, 36-62, and 62-332(a) (height and setback, maximum tower width, maximum tower size, loading, and waterfront yard depth); (IV) a zoning certification by the Chairperson of the City Planning Commission pursuant to ZR Section 62-811 (Waterfront public access and visual corridor; and (V) an amendment to the City Map to remove the existing park identification from Lot 25 and the former Quay Street to facilitate development of a publicly accessible open space and a permanent home for the Greenpoint Monitor Museum as part of the Proposed Development.

The Proposed Actions would facilitate construction of the Proposed Development: a mixed-use development on the Development Site (Brooklyn Block 2590, Lots 1 and 25) comprising three buildings totaling approximately 1,215,000 gross square feet (gsf), including 1,106,500 gsf of residential space for up to approximately 1,150 total dwelling units (DUs), 230-345 of which would be affordable), 36,500 gsf of commercial (local retail) space, 37,000 gsf of below-grade accessory parking (approximately 140 spaces), approximately 35,000 gsf of community facility space earmarked as a permanent home for the Greenpoint Monitor Museum, and 50,000 gsf of open space (including 43,000 sf of public open space). It is the Project Developer's intent to pursue Mandatory Inclusionary Housing (MIH) Option 1, under which 25 percent (up to approximately 300) of the proposed DUs would be affordable at an average of 60 percent Area Median Income (AMI), pursuant to MIH requirements; however, the Project Developer intends to provide the affordable units at an average of 56 percent AMI. The anticipated build year is 2031.

In order to allow for the redevelopment of the Development Site, the Proposed Actions also involve the relocation and consolidation of two existing critical NYCTA facilities to a new 143,000-gsf turnkey facility at the NYCTA Relocation Site. The proposed NYCTA Relocation Site would accommodate the NYCTA Mobile Wash Unit and Materials Storage currently located on a portion of the Development Site (Block 2590, Lot 1) (the NYCTA Facility), and the NYCTA Emergency Response Unit (ERU) facility currently located on 65 Commercial Street (Block 2472, Lot 415) (the ERU Site).

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 PM on Monday, March 30, 2026.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 25DCP068K.

05626Y0234-PHOTOMANAGER - Request for Information - PIN# 05626Y0234 - Due 3-25-26 at 12:00 A.M.

Pursuant to Section 3-05 of the New York City Procurement Policy Board Rules, the New York City Police Department ("NYPD") intends to enter into negotiations with DataWorks Plus ("DataWorks") to provide comprehensive maintenance, software assurance, and hardware refresh for the PhotoManager Solution currently deployed at the New York City Police Department (NYPD).

NYPD has determined that DataWorks is the sole source for these services because DataWorks developed, updates, and supports the proprietary software source code that is used in all core systems. Due to the proprietary nature of the system, NYPD believes only DataWorks can legally provide the required services. As such, the NYPD believes that no other vendor is legally authorized to provide comprehensive maintenance, software assurance, and hardware refresh for the PhotoManager Solution deployed at NYPD.

Any vendor besides DataWorks that believes that it can provide the services is invited to do so. Complete specifications are found in Passport. To respond in PASSPort, please upload a Capability Statement in the Documents Submission Section of the Manage Responses tab. If you have any questions about the details of the RFX, please submit them through the Discussion with Buyer tab and e-mail Jordan Glickstein and Margaret Budzinska at jordan.glickstein@nypd.org and margaret.budzinska@nypd.org.

ENTERPRISE RISK MANAGEMENT AND INTERNAL AUDIT SERVICES - Request for Proposals - PIN# 224009_2026 - Due 3-26-26 at 4:00 P.M.

The New York City Public Housing Preservation Trust ("the Trust") is pleased to invite you to submit a proposal for Enterprise Risk Management and Internal Audit Services. This engagement represents the Trust's first-ever, organization-wide Enterprise Risk Management exercise. While the Trust has developed Risk Registers for individual capital projects — all of which are delivered through a DesignBuild alternative delivery method — we do not yet have an enterprise-level risk framework. We are seeking a qualified Consultant to partner with us in building that foundation: identifying and documenting organization-wide risks, establishing our risk tolerance, strengthening internal controls, and ultimately developing and executing a risk-based Internal Audit Plan.

If Respondents have questions about the RFP, they are encouraged to submit them as soon as possible via Bonfire, the Trust's procurement tool, but no later than Thursday 03/19/2026 by 4:00 P.M. ET. Note that questions must be submitted via Bonfire. Any questions submitted directly to the RFP Contact Person or any other Trust employee, the Trust will not be obligated to answer. Respondents should submit

questions in a timely manner so that the Trust has sufficient time to consider and respond before the aforementioned date. The Trust will respond to questions it considers appropriate to the RFP and of interest to all Respondents, but reserves the right, in its discretion, not to respond to any question, nor will the Trust be obligated to answer any questions received after the deadline, or any questions submitted in a manner other than as instructed above. The Trust will endeavor to answer these questions in publicly posted addenda on a rolling basis before the Proposal submission deadline.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

HEALTH AND MENTAL HYGIENE

■ NOTICE

Opportunity for U.S. Veterans and People With Disabilities to Apply for a Mobile Food Vendor Citywide Supervisory License

The NYC Health Department is releasing mobile food vendor citywide supervisory license applications for U.S. veterans and people with disabilities. A citywide supervisory license allows you to apply for one full-term (year-round) citywide mobile food vending permit.

You can apply to be on this waiting list if you have a current, nonexpired mobile food vendor license (ID badge) from the NYC Health Department and are a U.S. veteran or have a disability. This waiting list will have a limited number of positions, which will be in this order:

- Group 1: U.S. veterans with disabilities
- Group 2: People (non-U.S. veterans) with disabilities
- Group 3: U.S. veterans without disabilities

You can only be on one supervisory license waiting list. If you are on another supervisory license waiting list and now want to be on this waiting list because you are a U.S. veteran or have a disability, you will be removed from the other supervisory license waiting list you are currently on. You will need to provide proof you are a U.S. veteran or have a disability when you apply for the supervisory license.

The citywide supervisory license waiting list application form and instructions on how to fill out the application are available at nyc.gov/health/mobilefood. You can also call 311 and ask for “mobile food” to have the application mailed to you.

Waiting list applications must be sent by email or mail and postmarked no later than April 28, 2026.

For more information, visit nyc.gov/health/mobilefood.

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

Notice of Concept Paper

The New York City Human Resources Administration Department of Social Services/Human Resources Administration (DSS/HRA), in partnership with the NYC Housing Authority (NYCHA), the Mayor’s Office for Economic Opportunity (NYC Opportunity) and NYC Young Men’s Initiative (YMI), is pleased to announce a strategic update to our Jobs-Plus program. We are preparing to release a Request for Proposals (RFP) in 2026 for an enhanced program model that will deepen our commitment to helping New Yorkers achieve financial independence and stability. We invite you to review our proposed improvements and provide your valuable feedback to shape this vital initiative.

Since its launch in 2013, the Jobs-Plus program has successfully provided comprehensive support to tens of thousands of residents in New York City Housing Authority (NYCHA) developments. With the recent discontinuation of the Earned Income Disallowance (EID) rent incentive by the U.S. Department of Housing and Urban Development (HUD), we have undertaken a comprehensive strategic review to reimagine Jobs-Plus.

The enhanced Jobs-Plus model will build on the program’s successful foundation, retaining the core components of comprehensive employment services, financial incentives and counseling, community support, and mental health support while adapting to current social and economic realities. The enhanced model will:

- **Expand our reach:** We will grow from serving 40 NYCHA developments to 62, broadening our impact and engaging new communities across the city’s five (5) boroughs.
- **Broaden our target population:** While maintaining a strong focus on NYCHA residents, our new model will also serve a portion of eligible non-NYCHA residents from adjacent communities within specific zip codes in service areas who are not residents of targeted developments.
- **Align with labor market demands:** Sites will transition to a demand-driven approach, focusing on training and placing residents in growing sectors with accessible entry-level positions.
- **Enhance mental health support:** Building on our existing mental health services, we will adopt a more holistic approach to better address the diverse barriers to employment faced by participants.

This concept paper, which details these proposed improvements, is a direct result of initial stakeholder feedback. Your continued insights will be essential in developing a new model that delivers the most effective and enhanced services possible. We encourage you to review the concept paper and provide innovative program approaches that can effectively respond to the specific challenges faced by the program's target population.
