HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_public

All current and prospective vendors should frequently review

information listed on roadmap to take full advantage of upcoming opportunities for funding. FY 26 NAE Staten Island Industrial Business Solutions Provider consultant services - SIEDC

Recognizing the importance of the industrial sector to New York City's economy, the City created a program to deliver services to Industrial Businesses operating in the City's Industrial Business Zones ("IBZs"). Since inception in October 2006, the program has served thousands of Industrial Businesses. The NYC Department of Small Business Services ("Agency") will be extending the existing services for Industrial Business Services Provider (IBSP) in the borough of Staten Island. These services will reinforce the City's efforts to support the industrial and manufacturing sector by responding to current and evolving needs while providing the conditions and resources to enable the sector to further grow and advance.

The negotiated acquisition extension will allow the agency adequate time to solicit a new RFP for this program and enable the current IBSP provider to continue to deliver a suite of business services not limited to boro-wide technical consultant services, accessing incentive programs, providing information regarding City, State and Federal programs, financing and accessing capital, navigating government, and identifying employee and workforce services. In addition to increasing awareness and access to available City programs. This is all part of the agency's and city's economic development mission.

LL63 REF # FY26NSBS20

A negotiated acquisition extension allows the agency to continue services with the existing service provider who has the capability and knowledge of the services to be provided while the current solicitation is being processed.

Statement of Basis and Purpose of Proposed Rule

The Department of Consumer and Worker Protection ("DCWP" or "Department") is proposing to add rules that implement provisions of Local Law 183 of 2025 that will take effect in September 2026. Local Law 183 enacted a broad range of reforms to DCWP licensing programs, including:

- Merging two licensed businesses categories - Electronic or Home Appliance Service Dealers, and Electronic Stores - into one license category;
Eliminating the license requirement for General Vendor Distributors;
Removing fees for replacement licenses; and
Modifying various penalties, updating certain citations, and eliminating bond and fingerprinting requirements for certain license categories.

To implement Local Law 183, this proposed rule would amend DCWP rules to:

- Remove reference to a replacement fee for replacement licenses issued by DCWP;
Remove reference to the bond requirement for process servers, modify the timing of submissions by licensed process servers of required "Housing Court certifications," and update process server penalty schedule with a new citation;
Repeal rules applicable to Electronic Stores and merge them into the existing Electronic or Home Appliance Service Dealer rule chapter, which is renamed "Electronics" and updated to reflect which rules apply to which subcategory of licensee;
Rename the Electronic or Home Appliance Service Dealer Penalty Schedule to "Electronics Penalty Schedule," add and modify violations, and update penalty amounts;
Update the Dealer in Second-Hand Articles Penalty Schedule to reflect a renumbered citation;
Remove reference to a bond requirement in the Laundries Penalty Schedule; and
Remove reference to the General Vendor Distributor license in the General Vendor Penalty Schedule.

The proposed rule includes plain language edits throughout.

Additional provisions of Local Law 183 go into effect in 2027 and will be addressed in a later rulemaking.

Sections 1043 and 2203(f) of the New York City Charter and section 20-104 of the New York City Administrative Code authorize the Department of Consumer and Worker Protection to make these proposed rules.

New material is underlined.

(m) subcontract to a service dealer that is not licensed pursuant to this subchapter, where, in the determination of this Department, a service dealer is required to be licensed.

§ 2-252 Advertising by Service Dealers.

Advertising which is untrue, misleading or deceptive is prohibited. This includes, but is not limited to, advertising which does not comply with the following requirements:

(a) advertisements [shall] must contain the true business identity of the principal service dealer, as shown on the license issued by this Department;

(b) advertisements [shall] must not list a location for a repair service unless the service dealer actually maintains a place of business where repairs are accepted at the designated location;

(c) the use of terms such as, "guarantee," "guaranteed," "warranty," "warranteed," "no fix-no pay," "service dealer warranty," "service dealer guarantee," or words of like import, are prohibited unless a summary of the significant terms or qualifications thereof are clearly and completely stated including:

(1) the nature and extent of the guarantee or warranty as to duration and whether it applies to parts or labor or both; and

(2) the identity of the guarantor or warrantor. The advertisement must clearly identify whether the service dealer, the manufacturer, the retailer or any combination thereof is the guarantor or warrantor;

(d) if such terms as "repaired in the home" or "estimates given" are included in an advertisement, where there is a charge for this service, it shall be so stated therein;

(e) when using the word "free" or other words of similar import or meaning in advertising to which this section is applicable, all the terms, conditions and obligations upon which receipt and retention of a free item of merchandise or service are contingent must be set forth, clearly and conspicuously, at the outset so as to leave no reasonable probability that the terms of the advertisement or offer might be misunderstood. Stated differently, all of the terms, conditions and obligations must appear in close conjunction with the word "free," or similar words, in advertising. Disclosure of the terms of the offer, set forth in a footnote of an advertisement to which reference is made by an asterisk or other symbol placed next to the word "free" is not regarded as making disclosure at the outset. The terms, conditions and obligations must be printed in a type size at least half as large as the word "free" or the words of similar import or meaning. Offers of "free"

merchandise or services, which may be deceptive for failure to meet the provisions of this section, may not be corrected by the substitution for the word "free" of such similar words and terms as "gift," "given without charge," "bonus," or other words and terms which tend to convey to the consuming public the impression that an article of merchandise or service is "free";

(f) terms such as "24 hour," "Day and Night," or "7-day" service, or words of like import, [shall] must not be used to describe the operations of the service dealer unless, in close conjunction with such terms, it is also specified whether the service dealer actually performs repair service, will actually complete repairs or is open solely to accept repairs within such time or times; and

(g) it [shall] must not be stated or implied in any advertisement that repairs or services will be performed by a person who is "Factory Trained," "Factory Authorized," "Authorized," "Certified," or words of like import, unless such words are true and unless the name of the organization which has trained, authorized or certified such person appears in close conjunction with such word or words. None of these terms shall be used, if its use is based upon the fact that a license has been issued to the service dealer by the Department of Consumer [Affairs] and Worker Protection.

§ 2-253 Display of Required Information by Service Dealers.

(a) *Required information on [licensee's] service dealer's sign.* Each [licensee] service dealer must prominently display in the department or area where electronic and home appliances are accepted for repair at each location of the service dealer a sign which contains the following information:

- (1) the true identity of the service dealer:
 - (i) in the case of a corporation, the true and complete corporate name;
 - (ii) in the case of a partnership, the name of the partnership;
- (2) the [licensee's] service dealer's policy to accept "cash only" or "cash or certified check only," where applicable; and
- (3) the following notice, which must be not less than 18 inches by 24 inches in dimension with letters of not less than 1 inch case print:

NOTICE NEW YORK CITY DEPARTMENT OF CONSUMER [AFFAIRS] AND WORKER PROTECTION REQUIRES THAT:

1. The customer is entitled to a Written Estimate for all repairs.
2. No repair work shall be done without the customer's authorization.
3. In most circumstances, the service dealer must return replaced parts to the customer. If the service dealer charges for a written estimate, this fact [shall] must be disclosed in Item 1 of the Notice set forth above.

§ 2-254 Disclosures Required for Repairs Made on [Licensee's] Service Dealer's Premises.

- (a) *Definitions.*
- Written estimate. For purposes of this subchapter, the term "Written estimate" [shall mean] means a signed writing containing:
- (1) a list of the parts to be replaced and the costs of the replacements, as well as a general description of the labor required for the repair and its total cost; and
 - (2) a statement of the additional charges, if any, including any already incurred for the Written Estimate, pick-up and delivery, service call, storage, installation, the temporary loan of an electronic or home appliance during the repair of the customer's property, or any other extra charges, excluding tax; and
 - (3) the estimated delivery date or range of delivery dates of the repair; and
 - (4) a statement that the final cost (excluding tax) will not exceed the estimated cost by more than 20 percent. If such statement is not provided, it shall be presumed that the final cost (excluding tax) will not exceed estimated cost; and
 - (5) the [licensee's] service dealer's policy regarding warranties and guarantees on parts and labor, including:
 - (i) the [licensee's] service dealer's warranties or guarantees given in connection with repairs, and
 - (ii) any manufacturer's warranties or guarantees honored by the [licensee] service dealer with respect to the servicing performed; and
 - (6) a brief description of the item's malfunction by the person or persons who diagnosed the repair.

(b) *Work order required.* Any [licensee] service dealer or [his or her] their employee who removes an electronic or home appliance from a home or accepts the same for repair at [his or her] their place of business [shall] must, before removing or taking custody thereof, furnish the customer or [his or her] their agent with a legible copy of a Work Order, which shall also serve as a receipt, stating the following information:

- (1) the legal business identity, address, license number and telephone number of the principal licensee, as shown on the license issued by this Department;
- (2) the name and signature of the person who actually takes the electronic or home appliance into custody;

(3) a description of the electronic or home appliance, including make, model and serial number, where available, or such other features as will reasonably identify the item accepted for repair;

- (4) the date the set was accepted for repair;
- (5) the name and address of the owner of the electronic or home appliance;
- (6) a brief description by the customer of the item's malfunction;
- (7) the date or range of dates on which the customer is to receive a Written Estimate, if not already furnished;
- (8) a written schedule of charges, if any, for giving a Written Estimate, pick-up and delivery, service call, storage, installation, and the temporary loan of an electronic or home appliance during the repair of the customer's property, and any other charges; where a [licensee's] service dealer's policy is to credit any of the above charges to the final cost of the repair, such credit [shall] must be clearly indicated in computation of the Written Estimate; and

(9) notice that "Pursuant to the Regulations of the Department of Consumer [Affairs] and Worker Protection, your property is covered against loss by fire, theft or damage while in the custody of the service dealer."

(c) *Written estimate and signed authorization required.* Prior to the commencement of work, a [licensee] service dealer must provide the customer or [his or her] their agent with a Written Estimate and on the same document secure the customer or agent's signed authorization to repair at the Written Estimate price. The Work Order, Written Estimate, authorization and Final Bill may be included in the same document, so long as the information required by 6 RCNY section 2-254(a) and (b) and the provisions of 6 RCNY section 2-257 is included therein.

(d) *Return of unauthorized repair.* If, after receiving the Written Estimate, the customer or [his or her] their agent fails to authorize the repairs at the estimated cost, the electronic or home appliance [shall] must be returned within five working days in substantially the same condition as when released to the [licensee] service dealer. In this case, the [licensee] service dealer shall be entitled to receive payment only for those items specified in 6 RCNY section 2-254(b)(8) which were actually provided and disclosed on the Work Order.

(e) *Exemption from requirement of written estimate.* 6 RCNY section 2-254(c) shall not apply and the Written Estimate of the total charges for repair may be verbally communicated to the customer if the [licensee] service dealer informs the customer of the customer's right to a Written Estimate, and if:

- (1) time or distance constraints make it impractical to deliver a Written Estimate and obtain a signed authorization before the date agreed upon for repairs to commence; and
- (2) oral agreement to proceed is reached with the customer before the actual repair is commenced and the [licensee] service dealer:
 - (i) mails a copy of the Written Estimate to the customer before such repairs are commenced, and
 - (ii) a notation is made of the date, time, person receiving the authorization to commence, and the name of the person authorizing the repairs. Once oral agreement is reached and the Written Estimate is mailed, the [licensee] service dealer need not wait for the customer to receive the mailed Written Estimate or return a written consent before commencing repairs.

(f) *Charges in excess of estimate.*

- (1) Total charges (excluding tax) for repairs made [shall] must not exceed the original estimate or any subsequent estimate by more than 20 per cent, without the previous written or oral consent of the customer. Such consent may be communicated orally, provided that a notation is made of the date, time, person receiving such consent, and the name of the person authorizing the additional repairs and the [licensee] service dealer mails a copy of the Written Estimate to the customer before such repairs are commenced.
- (2) When the final total charges (excluding tax) exceed the estimate by more than 20 percent and the customer does not authorize the increased cost estimate, the [licensee] service dealer must reassemble the item and return same within five working days, without charging the customer a sum in excess of repairs completed and authorized in the Written Estimate.

(g) *Exemption.* Repairs made pursuant to an agreement between the customer and the service dealer that, for a fixed fee and for a specified time of at least nine months, an electronic or home appliance will be maintained or repaired without additional charge, are exempted from all of the provisions of this section, except 6 RCNY section 2-254(b) (1) through (6) and (8) and (9), but only to the extent of those repairs covered by such agreement.

§ 2-255 Disclosure Required for Repairs Made in the Customer's Home.

(a) *Estimate and authorization required.* Every [licensee] service dealer who makes a repair in the customer's home [shall] must not commence work without:

- (1) informing the customer of [his or her] their right to request a

Written Estimate and, if there is a charge for a Written Estimate, the amount of such charge; and

(2) furnishing the customer or [his or her] their agent with an estimate, which [shall] must be in writing if the customer so requests and which conforms in substance to the requirements of a Written Estimate, [as defined in 6 RCNY section 2-254(a)(1), (2), (4), (5) and (6)] except that such estimate need not comply with the requirements of 6 RCNY section 2-254(a)(3); and

(3) obtaining the customer's or [his or her] their agent's signed authorization to proceed with repairs, except that such authorization may be orally communicated under the circumstances and in the manner specified in 6 RCNY section 2-254(e) and (f).

(b) *Final bill required.* Every [licensee] service dealer who makes a repair in the customer's home shall not collect a fee for repair unless the [licensee] service dealer has first delivered a Final Bill, as defined in 6 RCNY section 2-257, to the customer or [his or her] their agent. If neither the customer nor [his or her] their agent is present, the Final Bill [shall] must be left at the customer's premises. The estimate, authorization and Final Bill may be contained in the same document, so long as the information required by 6 RCNY section 2-255(a) and (b) is included therein.

(c) *Charges in excess of estimate.* The total charges (excluding tax) for repairs [shall] must not exceed the original estimate by more than 20 percent, without [licensee] the service dealer first receiving the customer's written or oral consent to proceed with repairs, as provided by 6 RCNY section 2-254(f). When the customer does not authorize the increased cost estimate, the [licensee] service dealer must reassemble the item, in which case the [licensee] service dealer shall receive payment for only those repairs and costs which were authorized and completed, and only to the extent of the price provided in the estimate.

(d) *Disclosure of service call charge.* A [licensee] service dealer who charges for a service call separately from the costs of repair [shall] must fully disclose these policies prior to making a service call. If the charge for a service call is not a fixed, but a variable amount, a [licensee] service dealer must also disclose the applicable method of computation. Failure to make such disclosures shall be deemed to be an untrue and misleading practice.

§ 2-256 Estimated Completion Date by Service Dealers.

(a) A [licensee shall] service dealer must conspicuously set forth on the Written Estimate a delivery date or range of delivery dates, pursuant to 6 RCNY section 2-254(a)(3).

(b) Delivery of the repaired item, together with a Final Bill, as defined in 6 RCNY section 2-257, [shall] must be made by the latest date promised or stated for delivery in the Written Estimate, unless the customer is notified of the delay and the new anticipated delivery date or range of delivery dates in writing or by verbal communication supplemented within one day by a writing. If the customer does not accept a new delivery date, then he or she must be informed of [his or her] their right to request return of [his or her] their property, completely reassembled, in which case the [licensee] service dealer shall receive payment for only those charges specified on the Written Estimate which were authorized and actually completed. If the customer does not agree to the [licensee's] service dealer's request for an extension of time, and if the [licensee] service dealer originally picked up the property at the customer's premises, then the property [shall] must be returned to the customer's premises within five working days; in all other cases, the property [shall] must be ready within three working days to be picked up by the customer or [his or her] their agent.

(c) When failure to make timely delivery is caused solely by the customer, a strike, or an act of God, it shall not be a violation of this section, except that notice of the delay and the new anticipated delivery date or range of delivery dates [shall] must be given to the customer as soon as possible in the manner provided in 6 RCNY section 2-256(b).

§ 2-257 Final Bill Required from Service Dealers.

(a) A [licensee shall] service dealer must give a legible copy of the Final Bill, together with the repaired item, to every customer.

(b) A Final Bill [shall mean] means a [writing] document containing:

- (1) the date of the Final Bill;
- (2) the true legal identity, business address and license number of the service dealer, as shown on the license issued by this Department;
- (3) the name and address of the customer;
- (4) a description of the item serviced, including make, model and serial number, where available, or such other features as will reasonably identify the item left for repair;
- (5) the complete and legible signature of the [licensee] service dealer or [his or her] their agent, or in cases where service is performed and completed in the customer's home, the signature of the [licensee's] agent who performed the service; and
- (6) a statement of total charges.

(c) The statement of total charges [shall] must include:

- (1) an itemized list of and description of parts replaced, which must:
 - (i) include a description by make, model and serial number or by class and type of each part, where available, or such other description as will reasonably identify each part; and
 - (ii) state if a part is used, rebuilt or reconditioned, provided however that if a picture tube is installed, the description of such replacement tube shall conform to the requirements provided by 6 RCNY section 2-260; and
 - (iii) state the charge for each part replaced; and
 - (iv) not contain miscellaneous charges such as "shop materials" or "shop supplies," or other similar all-inclusive phrases, which exceed \$3.00; and
 - (v) state if any part was replaced under a warranty or guarantee arrangement or for "no charge" and
 - (vi) state the [licensee's] service dealer's policy regarding warranties and guarantees on parts and labor, including:
 - (A) the [licensee's] service dealer's warranties or guarantees given in connection with repairs, and
 - (B) warranties or guarantees honored by the licensee.
- (2) a statement or description of the labor or technical services performed for which a charge was imposed, which shall include:
 - (i) the total cost for such labor; and
 - (ii) if time is relevant to the computation of labor charges, the total time spent on repair and the labor rate per hour; or
 - (iii) any other basis used for computation and a description of the applicable method of computation.
- (3) a statement of any additional charges, if any, for the Written Estimate, pick-up and delivery, service call, storage, installation and any other charges.

§ 2-258 Copies of Service Dealer Documents.

(a) A [licensee] service dealer must immediately give each customer a copy of every document which the customer has signed and every document required by 6 RCNY section 2-254, 2-255 and 2-257.

(b) A [licensee] service dealer must retain for a period of at least three (3) years, an original or a legible copy of all documents required by these regulations.

§ 2-259 Return of Removed Parts by Service Dealers.

(a) Unless a customer waives the right to have removed parts returned to [him or her] them, pursuant to 6 RCNY section 2-259(c), all such parts [shall] must be returned to [him or to her] such customer, except such parts as the service dealer requires for return to the manufacturer or distributor under a warranty agreement and except as provided by 6 RCNY section 2-259(b).

(b) Exhibit and tender of a removed part to the customer is sufficient,

- (1) where the part:
 - (i) is replaced under a service contract or maintenance agreement for a fixed fee and for a specified time of at least nine months, where no additional charge is made to the customer for repairs; or
 - (ii) can be rebuilt and the [licensee] service dealer purchases it from the customer for that purpose and so notifies the customer by indicating the credited value in the Written Estimate; and
- (2) where the [licensee] service dealer has so informed the customer; or
- (3) where the [licensee] service dealer has determined that the part is unsafe, [he or she shall] provided that such service dealer must so inform the customer and give the customer the option of whether or not to accept the returned part.

(c) A customer may not waive the right to have all removed parts returned:

- (1) prior to the customer receiving a Final Bill, except where replacement parts are to be mailed from a distance exceeding fifty miles from the boundaries of New York City; and
- (2) in all circumstances, unless the customer has signed a statement acknowledging such waiver.

§ 2-260 Picture Tubes. [Repealed]

§ 2-261 Service Dealer Warranties and Guarantees Given in Connection with Repairs.

A [licensee shall] service dealer must warrant or guarantee:

- (a) the individual parts replaced, for a minimum period of 90 days after the repaired item is delivered to the customer; and
- (b) labor for such repairs, for a minimum period of 30 days after the repaired item is delivered to the customer. If the cause of the difficulty proves to be unrelated to parts replaced or servicing performed during

the prior service call, a charge may be made for the parts and labor required to correct the problem.

§ 2-262 Service Dealer Insurance Coverage.

(a) A [licensee shall] service dealer must at all times carry insurance which, in the opinion of the Commissioner, is adequate to protect the public. Sufficient coverage [shall] must include protection against liability for damage done to the customer's property and against loss by fire and theft of the average number of articles entrusted to the [licensee] service dealer or [his or her] their agents or left by customers at any one time with the [licensee] service dealer for service. Where special circumstances make it difficult or impossible to obtain the required insurance, an application may be made to the Commissioner for approval of a substitute means of coverage.

(b) A certificate of insurance, in which the insurance company undertakes to notify the Department of Consumer [Affairs] and Worker Protection as an interested party, [shall] must accompany every application by a service dealer for a license. (c) A [licensee shall] service dealer must notify this Department within five working days of damage to, theft or loss of customers' property which is in excess of 10 per cent of the average number of articles entrusted to the [licensee] service dealer or [his or her] their agents or left by customers at any one time with the [license] service dealer for service.

(d) Failure to maintain such insurance at all times shall be considered grounds for the suspension or revocation of a license issued to a service dealer pursuant to Subchapter 24 of Chapter 2 of Title 20 of the Administrative Code.

§ 2-263 Construction.

(a) Nothing contained in [6 RCNY §§ 2-251 through 2-263] this subchapter shall be construed to relieve a licensee from compliance with any other applicable laws of New York City, New York State or the United States.

(b) Nothing contained in [6 RCNY §§ 2-251 through 2-263] this subchapter shall be construed to waive any right that a customer may have under common law or statute.

(c) In the event that all or any part of [6 RCNY §§ 2-251 through 2-263] are this subchapter is in conflict with any other regulation of the Department of Consumer [Affairs] and Worker Protection, these regulations shall take precedence.

§ 2-264 Severability.

If any provision of [6 RCNY §§ 2-251 through 2-263] this subchapter or the application of such provision to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of these regulations which can be given effect without the invalid provision or application, and to this end the provisions of these regulations are severable.

SANITATION

■ NOTICE

Notice of Adoption of Rule Relating to the Implementation of the Eighth and Ninth Commercial Waste Zones and Infrequent Waste Generators

NOTICE IS HEREBY GIVEN in accordance with the requirements of Section 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation by sections 753 and 1043(a) of the New York City Charter and Titles 16 and 16-B of the New York City Administrative Code that the Department adopts the following rule adding the implementation schedule for the Midtown South and Staten Island Commercial Waste Zones (CWZ), removing the Queens West CWZ implementation schedule, and creating an application process for infrequent generators of commercial waste. The Department published a Notice of Opportunity to Comment on the proposed rule in the City Record on February 3, 2026. On March 5, 2026, the Department held a public hearing on the proposed rule.

Statement of Basis and Purpose of Proposed Rule

In 2019, New York City enacted Local Law 199 requiring the establishment of a new program for the collection of commercial waste. The program, known as the Commercial Waste Zones (CWZ) program, is a safe, efficient, and competitive collection system designed to provide high-quality service to New York City businesses while advancing the City's waste diversion and sustainability goals. Pursuant to Local Law 199, codified in Title 16-B of the New York City Administrative Code, the geographic area of New York City has been divided into 20 CWZs. Pursuant to a request for proposals process, three private carters providing commercial waste collection services were selected by the Department to serve businesses within each CWZ, and five carters were selected to provide citywide containerized commercial waste collection services to businesses that use dumpsters and compactors. The selected carters are referred to as "awardees." The resulting contracts with the awardees include standards for pricing, customer service, safety, environmental health, and requirements to promote the City's commitment to recycling and sustainability.

Local Law 199 requires the Department to issue rules setting forth an implementation start date and a final implementation date for each CWZ established. See Ad. Code § 16-1002(e)(3). Different implementation start and end dates may be established for different CWZs. The Department previously set the implementation start and end dates for the following CWZs: Queens Central, Bronx East, Bronx

West, Queens Northeast, Brooklyn South, Queens West, and Lower Manhattan. This rule sets the implementation start date and final implementation date for the next two zones: Midtown South and Staten Island. This rule also removes the implementation start date and final implementation date for the Queens West zone. Subsequent rules will set the implementation dates for the remaining 12 zones.

Additionally, Section 16-116(a) and (b) of the New York City Administrative Code require commercial establishments to have a Business Integrity Commission (BIC) licensee remove their waste, and post a sign noting the day and time that such establishment's trade waste is picked up or, if such establishment removes its own waste, the sign must note the registration number issued by the BIC. Section 16-116(c) exempts from these requirements any commercial establishment that generates infrequent or insignificant amounts of waste, and authorizes the Sanitation Commissioner to promulgate rules determining what constitutes infrequent waste or insignificant amounts of waste. Section 1-06 of Title 16 of the Rules of the City of New York currently provides that commercial establishments must generate less than one gallon of trade waste within a seven-day period to meet the definition of infrequent waste or insignificant amounts of waste to be exempt from the requirements of Section 16-116(a) and (b). This rule creates an application process for commercial businesses to apply to be considered a generator of infrequent waste. This rule is necessary to ensure the Department has a system for determining if a business is a generator of infrequent waste and exempt from the requirements Section 16-116(a) and (b).

The Department's authority for these rules is found in Section 753 and Section 1043(g) of the New York City Charter and Titles 16 and 16-B of the New York City Administrative Code. The Department received seven oral and written comments on the proposed rule—three in support and four that addressed different issues. The comments did not lead to any changes in the rule.

New material is underlined.
[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subdivision (a) of Section 1-06 of Title 16 of the Rules of the City of New York is amended to read as follows:

(a) Any commercial establishment generating an amount of waste over a period of seven consecutive days that may be contained in a one

gallon bag or any other container or containers having a volume of one gallon or less shall be considered infrequent waste or insignificant amounts of waste for purposes of subdivision (c) of § 16-116 of the Administrative Code. [Such] A commercial establishment [need not comply with] that is a generator of infrequent waste or insignificant amounts of waste must submit an application in a form prescribed by the Department in order to be exempted from the requirements of subdivisions (a) and (b) of § 16-116 of the Administrative Code. The Department may require a commercial establishment to periodically recertify that such commercial establishment continues to qualify as a generator of infrequent waste or insignificant amounts of waste.

§ 2. Subdivision (b) of section 20-02 of Title 16 of the Rules of the City of New York is amended to read as follows:

(b) Awardees for one or more of the commercial waste zones set forth in subdivision (a) of this section and for citywide containerized service are authorized to commence service in the awarded zones on the following implementation start and final implementation dates:

Zone name	Implementation start date	Final implementation date
Queens Central	September 3, 2024	January 2, 2025
Bronx East	October 1, 2025	November 30, 2025
