Copies of all comments submitted online, copies of all written comments, and a summary of oral comments concerning the proposed rule will be available to the public on the Conflicts of Interest Board's website

(<https://www1.nyc.gov/site/coib/public-documents/open-meetings-and-public-hearings.page>) as soon as practicable.

What authorizes the Conflicts of Interest Board to make this rule? Sections 1043 and 2603 of the City Charter authorize the Conflicts of Interest Board to make this proposed rule. This proposed rule was included in the Conflicts of Interest Board's regulatory agenda for Fiscal Year 2026.

Where can I find the Conflicts of Interest Board rules? The Conflicts of Interest Board Rules are in title 53 of the Rules of the City of New York.

What rules govern the rulemaking process? The Conflicts of Interest Board must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Solicitation of Comments

The Conflicts of Interest Board is extending the opportunity for public comment and holding a second public hearing to receive testimony regarding its proposal to amend its rules to add a public reporting requirement when City agencies accept payment by a third party for travel-related expenses, such as airfare, ground transportation, hotel accommodations, meals, and conference fees, and other conforming and technical amendments. The text of the Proposed Rule and its Statement of Basis and Purpose are below.

During the prior public comment period and public hearing, held on September 16, 2025, the Board received four written comments. Two of those comments, one from Reinvent Albany and a second from four of the City's District Attorneys, lead the Board to seek additional public comment and testimony. In its comment, Reinvent Albany reiterated its March 2020 request that the Board "prohibit travel expense payments by corporations and not for profits," arguing that "special interests are attempting to influence City officials by paying for their travel." In their comment, four District Attorneys question whether the Board can and should require the reporting of "travel expenses offered in exchange for [Continuing Legal Education] programs as 'gifts,'" arguing that this categorization would be "misleading to the public" and would "discourage staff participation in providing much sought-after CLE content," because staff would "forego participation" rather than be "singled out as the recipient" of a gift.

The Board does not seek to deprive City agencies of a source of travel resources that facilitate important City functions or that would cause public servants to refuse the acceptance of travel and travel-

related payments from third parties where such travel serves an important City function. On the other hand, the Board does not have the information necessary to conclude that these gifts of travel and travel-related expenses are, in fact, serving any important City function or that the scrutiny being applied by City agencies to the acceptance of these payments is sufficiently deterring the acceptance of such payments where the City purpose of doing so is scant.

Accordingly, the Board seeks additional comments on the proposed rule and more generally on the role that the acceptance of travel and travel-related expenses plays both in the work of City agencies and in the public's perception of the impartiality of that work. In particular, the Board requests responses to the following questions:

For the Public:

Board Rules Section 1-01(h) already requires that any gift of travel or travel-related experiences must be (1) approved by the appropriate City agency head (2) must serve a City purpose, (3) must be government-class travel, and (4) cannot be longer than reasonably necessary to achieve the City purpose of the travel. The Board seeks comments regarding what, if any, additional steps or limitations could be required to minimize any risk of a conflict of interest in the acceptance of such gifts of travel or travel-related expenses. In particular, the Board seeks comments addressing the addition of safeguards such as public reporting of the acceptance of such gifts, and/or limitations on the City purposes of such gifts, the donors of such gifts, the public servants who may accept such gifts, the geographic locations of the travel, and the procedures for review and approval. Finally, the Board seeks comments regarding the proposal to prohibit such gifts, including on the impact on City agencies having to pay for all City business travel using their City budgets.

For City Agencies:

The Board seeks information about the City purposes for which City agencies are accepting gifts of travel and travel-related expenses Board Rules Section 1-01(h), the amount of travel conducted using such gifts on an annual basis, and the impact on government functions if City agencies were required to pay for all official travel using their City agency budgets. In addition, the Board wishes to understand the impact on City agencies were such gifts to be subject to additional limitations, including public reporting and/or limitations on the City purposes of such gifts, the donors of such gifts, the public servants who may accept such gifts, the geographic locations of the travel, or additional procedures for review and approval. The Board seeks to make the most informed decision possible in its evaluation of the ongoing merits of the exception to permit the acceptance of gifts of travel and travel-related expenses, so it calls on City agencies to provide as much detail and context as possible to determine whether this exceptions is, in fact, necessary to retain for important agency operations.

Statement of Basis and Purpose

The Conflicts of Interest Board proposes to amend its rules to add a public reporting requirement when City agencies accept payment by a third party for travel-related expenses, such as airfare, ground transportation, hotel accommodations, meals, and conference fees. The Board also proposes conforming edits to implement this new requirement and additional technical edits.

Reporting of Travel-Related Expenses

Board Rules Section 1-01(h) permits, in certain circumstances, the acceptance of travel-related expenses paid by a third party for official City business. The Board proposes to add the requirement that City agencies report any such expenses of \$1,000 or more along with the name and title of the public servant who traveled, the event necessitating travel, and the date(s) and location of the event. Because City agencies must already collect this information to obtain agency-head approval under Section 1-01(h), this new reporting requirement would impose only a minimal administrative burden.

The Board proposes to add this new reporting requirement for several reasons. When the Board last amended Board Rules Section 1-01(h) in 2020, Reinvent Albany testified about the potential for corruption or abuse in permitting the acceptance by public servants of travel-related expenses non-governmental entities. The Board recognizes that the acceptance by public servants of gifts of substantial value warrants increased transparency. In addition, other large cities such as San Francisco and Chicago mandate public disclosure for travel-related expenses paid for by third parties. The information reported may inform future Board rulemaking.

Conforming and Technical Edits

The Board proposes to create a new section, proposed Board Rules Section 1-19, to consolidate the existing reporting requirements for donations to the City (Board Rules Section 1-14(c)(1)) and the new reporting requirement for gifts to the City of travel-related expenses

into a single reporting rule. In so doing, the Board aims to make these requirements as consistent and simple as possible.

To that end, the Board proposes to set the reporting threshold in the new Board Rules Section 1-19 for both donations to the City and gifts of travel-related expenses at \$1,000. This change lowers the current reporting threshold of \$5,000 in Board Rules Section 1-14(c)(1) so that it is consistent with the reporting threshold in the Annual Disclosure Law (Administrative Code Section 12-110(d)(1)(h)(2)). The proposed amendments also include legal cross-references to guide public servants.

In consolidating these reporting requirements, the Board also proposes to eliminate the requirement, currently contained in Board Rules Section 1-14(c)(2), that an agency report the names of not-for-profit organizations that were beneficiaries of fundraising by agency employees, a report of limited utility to meet the transparency aims of the rule.

The proposed amendments to Board Rules Section 1-01(h) would clarify the meaning of "travel-related expenses" by adding a list of examples and a reference to Comptroller's Directive No. 6 as defining government-class travel. Finally, the proposed amendments would require that agency-head approval of their employees' travel pursuant to Board Rules Section 1-01(h) must be in writing. This requirement, although identified in the Statement of Basis and Purpose, was inadvertently omitted in 2020 from the Board's adopted rule.

The proposed amendments do not replace or eliminate the current requirement of Administrative Code § 12-110(d)(1)(h)(2) that annual financial disclosure filers report the receipt of travel-related expenses from a third party of \$1,000 or more.

 - (iii) a not-for-profit organization subject to Chapter 9 of Title 3 of the Administrative Code over which the public servant's agency head exercises control as part of [his or her] their City position;
 - (iv) a not-for-profit organization designated by the public servant's agency head pursuant to subdivision (b) of this section, provided that the public servant is not associated, within the meaning of Charter Section 2601(5), with the organization or an employee of the organization.
 - (2) The solicitation is directed either to the general public or to [an individual] a person or firm that does not have a particular matter pending before the public servant.
 - (3) The solicitation is accompanied by a disclaimer that a contribution will not affect any business dealings with the City or provide special access to City officials.
- (b) An agency head may designate [in writing] one or more not-for-profit organizations for solicitations made by agency or office employees pursuant to subdivision (a) of this section, provided that both of the following conditions are met:
 - (1) the not-for-profit organization has a clear and direct nexus to the City and its residents and with the mission or duties of the City agency or office; and
 - (2) the agency head is not associated, within the meaning of Charter Section 2601(5), with the organization or an employee of the organization.
- (c) [Pursuant to Charter § 2604(b)(2), each agency head must report to the Board annually by February 28:
 - (1) the name of any individual or firm that made one or more donations totaling \$5,000 or more to the agency during the previous calendar year, the total amount of these donations, and whether the donation was cash or an in-kind donation; and
 - (2) the name of any not-for-profit organization designated by the agency head pursuant to subdivision (b) of this section for which agency employees solicited donations during the previous calendar year.
- (d) An agency head may submit to the Board a written request that disclosure, pursuant to subdivision (c)(1) of this section, of one or more of its donors and/or the amount of donation not be made public. The written request must be submitted no later than January 31 for the previous calendar year and must explain why the release of such information to the public may cause harm, threats, harassment, or reprisals to the donor or to individuals or property affiliated with the donor. Whether or not an agency head has submitted a request pursuant to this subdivision, the Board may on its own initiative grant privacy as to any information submitted by an agency head, upon a finding by the Board that the release of such information would pose a risk to the safety or security of any person.
- (e) For purposes of this section, an elected official, including a District Attorney, is the agency head of the staff members in [his or her] their office. The Speaker of the New York City Council is the agency head of the central staff of the Council, and a Council Member is the agency head for the staff of [his or her] their office.

Section 3. Title 53 of the Rules of the City of New York is amended by adding a new section 1-19, to read as follows:

- (2) For any reported payment of travel-related expenses pursuant to subdivision (1), the agency head must also report: the name and title of the public servant(s) who traveled; the event(s) necessitating travel; and the date(s) and location(s) of the event(s).
- (b) An agency head may request in writing that the Board withhold from public disclosure the name of a donor and/or the value of their donation. This request must be submitted no later than January 31 for the previous calendar year and must explain why disclosure may result in harm, threats, harassment, or reprisals to the donor or to affiliated persons or property. Whether or not an agency head has submitted such a request, the Board may on its own initiative withhold such information if it finds that disclosure would pose a risk to the safety or security of any person.
