You may also request the comments by telephone at 212-360-1313.

What authorizes the Department to make this rule? Sections 389, 533(a)(9), and 1043 of the City Charter authorize the Parks Department to make this proposed rule. This proposed rule was not included in the Parks Department’s regulatory agenda for this Fiscal Year because it was not contemplated when agencies needed to submit an agenda.

Where can I find the Department’s rules? The Department’s rules are in Title 56 of the Rules of the City of New York.

What rules govern the rulemaking process? The Department must meet the requirements of Section 1043 of the New York City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the Charter.

Statement of Basis and Purpose of Proposed Rule

Each year the Department issues permits to special events occurring in parks and other properties under the jurisdiction of the Department which may include the use of a particular park over several days, the erection of structures, the vending of food, apparel and other goods, the use of amplified sound, and the performance of music. To ensure the safety and proper order for many of these events, particularly those that anticipate large crowds, members of the New York City Police Department (“NYPD”) must be on-site. This diverts resources from regular assignments and increases overtime costs to the City. These events also divert NYPD from core crime fighting, public safety and counter-terrorism duties.

This year, New York City will be hosting events associated with the FIFA World Cup from June 11, 2026 through July 19, 2026, which overlaps with planned celebrations for the United States 250th anniversary from July 1, 2026 through July 9, 2026. The events associated with the FIFA World Cup and the United States 250th anniversary will require significant realignment and deployment of NYPD personnel, which will further divert resources from regular assignments or require the scheduling of NYPD overtime.

To more effectively deploy police resources and control overtime costs, the NYPD has recommended that the Department deny certain permit applications for new events between June 11, 2026 and July 19, 2026. In response to this recommendation, the Department is proposing this rule to authorize the Department to deny permit applications for special events on property under the Department’s jurisdiction during this period if: (i) the event was not held in the 2025 Calendar Year; (ii) the event is not a demonstration; and (iii) the Commissioner determines, in consultation with NYPD, that the agencies do not have sufficient resources to ensure public safety and welfare at and around such event. Events that received permits in Calendar Year 2025, demonstrations, smaller events that do not require a police presence, and events proposed on dates prior to June 11, 2026 or after July 19, 2026 are not affected by this rule.

On March 18, 2026, the Department adopted a version of this rule as an emergency rule pursuant to Section 1043(i) of the New York City Charter. The rule is in effect until May 18, 2026. An extension of the emergency rule until July 17, 2026, is necessary to afford the Department the opportunity for notice and comment and time to adopt a final rule as required by Section 1043 of the New York City Charter. This proposed rule would make the emergency rule permanent.

BOARD OF STANDARDS AND APPEALS

■ NOTICE

NOTICE OF ADOPTION

NOTICE IS HEREBY GIVEN, in accordance with the requirements of Section 1043 of the New York City Charter, and pursuant to the authority vested in the Board of Standards and Appeals (the "Board" or "BSA") by Sections 1043(a), 666, and 666-a of the New York City Charter, that the Board adopts amendments to Title 2 of the Rules of the City of New York to implement sections 666-a and 668(d-1) of the Charter and to make other conforming changes.

The Board published a notice of proposed rulemaking in the City Record on March 2, 2026, and held a public hearing on the proposed rule on April 1, 2026.

Statement of Basis and Purpose of Adopted Rule

The Board of Standards and Appeals ("Board" or "BSA") is adopting rules to implement the changes to the City Charter (the Charter) that created a streamlined process for approval of applications involving certain housing developments, known as Targeted Affordable Housing Projects ("TAHP"). The Charter changes are intended to reduce the time it takes for the City to review certain affordable housing projects and thereby help increase the number of affordable housing units in the City.

The Board is adopting the following changes:

Sections one through five amend and add to its Rules of Practice and Procedures ("Board's Rules") primarily to codify the Board's process for implementing the recently enacted Charter § 666-a TAHP process.

Specifically, the changes will:

- update the Board's Rule § 1-01.3—which quotes relevant portions of the Board's enabling Charter text for applicant and broader community awareness—to include the TAHP

- text, as well as text from a prior Charter revision that was not added to Board's Rules § 1-01.3;
- amend Board's Rule § 1-06.1 to include the TAHP as a category within the Board's appellate jurisdiction;
- amend Board's Rule § 1-06.3 to codify the filing process and additional administrative requirements for TAHP projects; and
- update the Board's rules to make conforming changes to the recent City of Yes for Economic Opportunity and Housing Opportunity text amendments.

The Board's authority for these rules is found in sections 1043 and 666 of the Charter.

The Board published a Notice of Public Hearing and Opportunity to Comment on these rules in the City Record on March 2, 2026, and held a public hearing on the proposed rule on April 1, 2026. The Board received 21 written comments and 4 oral comments were given at the public hearing. The Board also modified the initially proposed rule text based on certain public comments. Below is an overview of the public comments received and the Board's modification of the rule.

Overview of Public Comments

The public comments on this rule addressed a range of issues. Some comments concerned issues that fell outside the scope of rulemaking, for instance eligibility criteria for TAHP, environmental-review requirements, and publication of TAHP applications on City websites. Multiple commenters addressed the requirement to obtain a letter from HPD at the time of filing and the need to obtain an objection from DOB. In light of those comments, the adopted rule replaces the requirement to obtain an objection from DOB with a requirement to obtain a certified statement from a registered design professional identifying any section of applicable code, rule, or regulation that must be waived to ensure clarity regarding requested waivers.

The final rule also retains the requirement for an HPD letter, which the Board views as the best way of ensuring that TAHP filings meet the requirements set forth in the Charter. Under Charter § 666-a(3), BSA must determine, in "consultation" with HPD, that the proposed building would be "consistent with applicable affordable housing design and development standards established by [the HPD] commissioner." The HPD letter requirement ensures at the outset that the application meets that core eligibility requirement and helps ensure that filed applications are not denied on the basis that they are inconsistent with HPD standards.

In rendering a final determination on any matter before it in which any such party has proposed relevant arguments or submitted relevant evidence, the Board shall refer to such arguments or evidence in its final determination and describe the extent to which the Board considered such arguments or evidence in reaching its final determination, to the extent applicable. The Board may categorize similar comments together and respond to such categories, provided that each such categorical response indicates the testimony to which it is responding.
