HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

OFFICE OF FINANCIAL EMPOWERMENT

INTENT TO AWARD

Human Services/Client Services

FINANCIAL EMPOWERMENT CENTER SERVICES - Negotiated Acquisition - Other - PIN#86626N0002 - Due 6-1-26 at 6:00 P.M.

In accordance with PPB Rule Section 3-04(b)(2)(i) and (ii), the NYC Department of Consumer and Worker Protection ("DCWP") is requesting CCPO approval to enter into a Negotiated Acquisition ("NA") contract with RiseBoro Community Partnership for uninterrupted continuance of critical Financial Empowerment Center services. The ACCO has made a determination that it is not practical or advantageous to award a contract for these services by Competitive Sealed Bid ("CSB") or Competitive Sealed Proposal ("CSP") because there is a time-sensitive situation, and there are a limited number of vendors available and able to perform the work.

Given the need for continued services by 7/1/2026, there is a time-sensitive situation to retain a vendor quickly because DCWP has decided, upon the direction issued by MOCS, not to renew the existing contract in the best interest of the City. Pursuant to PPB Rule Section 3-04(b)(2)(i)(C), to ensure there are no gaps in services to provide free, professional, confidential, and individual one-on-one financial counseling and coaching services for the critical Financial Empowerment Center by 7/1/2026, DCWP is proposing to proceed with a non-competitive NA with RiseBoro Community Partnership for the amount of \$1,380,000 (\$460,000 annually) with a contract term of 7/1/2026 - 6/30/2029. DCWP is currently working on a CSP solicitation with a service start date of 7/1/2029 for all NYC Financial Empowerment Center Program contracts. Proceeding with the suggested non-competitive NA would bridge the gap while DCWP completes that Competitive Sealed Proposal solicitation. DCWP estimates that an award for these services procured via Competitive Sealed Proposal would take approximately 18-19 months to complete.

HEALTH AND MENTAL HYGIENE

■ NOTICE

**Resolution of the Board of Health
 Condemning Federal Attacks on Public Health Insurance
 Coverage and Urging Protections**

WHEREAS, New York City Charter § 556 vests the Department of Health and Mental Hygiene (Health Department) with the responsibility of protecting and promoting the health and wellbeing of everyone who lives in, works in, or visits New York City;

WHEREAS, the Health Department is responsible for determining the public health needs of the city and to prepare plans and programs addressing such needs;

WHEREAS, pursuant to New York City Charter § 558, the Board of Health is responsible for amending the Health Code and is authorized to publish additional provisions for security of life and health in the city and confer additional powers on the Department;

WHEREAS, the Health Department's work includes policy and programmatic efforts to improve access to care for both insured and uninsured residents and to expand health insurance coverage via public education, insurance enrollment, and advocacy regarding eligibility and other policy reforms;

WHEREAS, in recent years, there have been historic improvements in increasing coverage in New York City, as a result of city, state, federal, and non-governmental actions to expand coverage and assistance;

WHEREAS, the Board of Health recognizes access to healthcare as a human right, consistent with article 25 of the Universal Declaration of Human Rights and the principles of the Constitution of the World Health Organization, and recognizes that such access must be affordable and available to all without discrimination;

WHEREAS, health insurance has been shown to be an important tool to both expand access to care, especially including primary and preventive care, and to protect patients from medical debt, impaired credit, and financial disaster;

WHEREAS, the Medicaid program, in particular, has provided health and financial security for millions of low-income New Yorkers since its launch sixty years ago, in 1966;

WHEREAS, the protection of these achievements in expanding insurance coverage is critical to achievement of the City's Healthy NYC population health goals to equitably extend life expectancy;

WHEREAS, recent acts of Congress—most notably federal changes to health insurance eligibility and funding in Public Law 119-21 (H.R. 1 of 2025), including the mandate upon states to institute Medicaid “community engagement,” or work requirements with extensive administrative mandates to document beneficiaries’ fulfillment of or exemption of such requirements, as well as the failure to extend enhanced premium tax credits for exchange consumers—threaten to strip away health insurance from New Yorkers;

WHEREAS, the mandate to impose “community engagement” requirements for many beneficiaries in the Medicaid program is a misguided, regressive policy, with projected damaging effects that will fall on low-income residents, who are disproportionately Black and Hispanic; is unprecedented in the Medicaid Act since the law was enacted in 1965; and lacks any basis in evidence as an intervention purported to promote employment and self-sufficiency, based on the experiences of the several states that have already implemented versions of Medicaid work requirements;

WHEREAS, the Medicaid “community engagement” requirements threaten to render many thousands of New Yorkers ineligible for Medicaid coverage simply because of administrative challenges, difficulties in documenting intermittent employment, and difficulty in documenting certain medical conditions and disabilities, and threaten to disrupt continuity of care for this population, absent mitigation measures by the State, City, and community-based partners;

WHEREAS, the aforementioned actions of Congress have focused on populations already at risk of poor health outcomes, such as those living in poverty, individuals with health conditions, individuals seeking sexual and reproductive health care, transgender youth and adults in need of gender-affirming care, immigrants, and public-benefits recipients;

WHEREAS, the Board of Health, in its June 5, 2025 statement (“The New York City Health Department’s Continued Work is Critical to Protecting Public Health”), directed that the Health Department “monitor the impact of proposed changes in legislation, regulations, policy, program, staffing and/or budgets,” “issue public statements,” and “engage the [New York State] Department of Health and otherwise take action to maintain the health and wellbeing of New Yorkers;”¹

NOW THEREFORE, BE IT RESOLVED, that the Board of Health:

1. Condemns the recent federal attacks on public health insurance eligibility and funding, and urges Congress and federal agencies to listen to public health insurance beneficiaries and administrators and reconsider and reverse damaging changes;
2. Calls on the City and State governments to take actions to mitigate harms to insurance enrollment and access to care by seeking to (a) support as many beneficiaries as possible to maintain public health insurance coverage, and (b) help beneficiaries who lose coverage to affordably access necessary care without insurance coverage through programs such as NYC Care and community health centers or at hospitals with financial support for which patients may be entitled under the state Hospital Financial Assistance Law;
3. Requests that the Health Department develop and carry out a public education campaign and support efforts in collaboration with other City agencies, State agencies, community-based organizations, and healthcare providers;
4. Requests that the Health Department report publicly available data, where feasible, demonstrating harms caused by the federal government’s actions to reduce New Yorkers’ health insurance coverage and access to health care, and the impacts on health equity;
5. Requests that the Health Department develop and carry out a plan to assist individuals at risk of losing Medicaid as a result of federal policy changes, including through public education, benefits enrollment, exemption documentation support, and care navigation, in collaboration with other City agencies, State agencies,

community-based organizations, healthcare providers, and managed care organizations; and

6. Supports the Health Department in considering the actions it and the Board of Health can take to address the significant public health threats to New Yorkers from Congress’ assault on Medicaid and insurance coverage.

The Department of Housing Preservation and Development ("HPD") is seeking interested vendors to submit an Expression of Interest (EOI) for an upcoming emergency Request for Proposal (RFP) if a firm believes they are qualified to provide the following administrative services to enroll a portion of affected households and associated property owners/landlords under the New York City Housing Authority (NYCHA) Emergency Housing Vouchers (EHV) program to HPD's HOME-Tenant Based Rental Assistance (HOME-TBRA) program.

To prevent imminent eviction of vulnerable tenants, HPD must immediately enter into an emergency contract with a vendor to accomplish the following tasks by the end of the calendar year:

- Coordinate with HPD and NYCHA to perform tasks outlined below and adapt project timelines or deliverables as needed to remain aligned with evolving HPD guidance and priorities.
- Conduct significant outreach and communications to NYCHA EHV households referred to the HOME-TBRA program by NYCHA and to their associated property owners/landlords.
- Operate a dedicated customer service function to handle inquiries and complaints from participating households and property owners/landlords/property managers.
- Conduct all administrative operations required to enroll NYCHA EHV households in the HPD HOME-TBRA program, including all steps required prior to a property owner entering into the HOME-TBRA Rental Assistance Contract within a target timeframe of 4-5 months.
- Manage and conduct Housing Quality Standards (HQS) inspections for all units associated with referred EHV households prior to lease-up under the HOME-TBRA program. Approximately 1,700 units are expected to require inspection within a target timeframe of 4-5 months.
- Coordinate with HPD to admit households and associated property owners/landlords into the HOME-TBRA program
- Coordinate with NYCHA to end of participation in NYCHA EHV alignment with admission to the HOME-TBRA program

The City of New York is welcoming vendor responses to address this urgent need. See attached "Expression of Interest Questionnaire".

Interested organizations may submit questions about this opportunity via email until Tuesday, May 26th, 2026 at 5:00 P.M. to Tanisha.Hines@hpd.nyc.gov.

Responses to this Request for Expressions of Interest are due Wednesday, May 27, 2026 at 2:00 P.M. via email to Tanisha Hines hinsta@hpd.nyc.gov. Indicate "Expression of Interest - EHV Home TBRA" in the subject line of the email.

This Request for Expression of Interest ("EOI") is intended to determine whether there is sufficient market interest. Information that any interested party wishes to submit as part of an EOI will be submitted voluntarily, and with the understanding that this RFEI is for information gathering purposes only; it is not an offer. No contractual relationship will be automatically generated between the respondent and HPD or the City of New York by responding to this request. Any cost information submitted by respondents will be kept confidential and used solely for the purpose of market analysis. Any selected vendor who conduct business with the City must be enrolled in the City's PASSPort system.
