CONSULTANT SERVICES, HUNTS POINT SITE D ETRU HUB INFRASTRUCTURE DELIVERY AND YARD MANAGEMENT SERVICES RFP - Request for Proposals - PIN# 11669 - Due 6-25-26 at 4:00 P.M.

New York City Economic Development Corporation (NYCEDC), on behalf of the City of New York, is seeking proposals from qualified respondents for one or both service categories related to an electric transport refrigeration unit (eTRU) shore power hub at the Hunts Point Food Distribution Center: (1) Infrastructure Delivery Services, including design, engineering, permitting, construction, installation, energization, and potential decommissioning or repurposing of hub infrastructure; and/or (2) Yard Management Services, including eTRU parking management, trailer coordination, shore power connection tracking, monitoring, reporting, and related site operational support. Respondents may propose for Infrastructure Delivery Services only, Yard Management Services only, or both service categories, provided that proposals for both clearly distinguish the scope, pricing, staffing, responsibilities, and assumptions for each category. NYCEDC seeks

proposals that prioritize rapid deployment, operational reliability, verified emissions reductions, incentive eligibility, operational simplicity, cost optimization, and flexibility for future adaptation, while minimizing interference with ongoing market operations and future redevelopment activities.

The proposed hub is intended to support near-term electrification of cold storage operations at the Hunts Point Food Distribution Center by providing grid-connected shore power for eTRUs. The hub will be located at Site D, a remediated brownfield site within the Hunts Point Food Distribution Center and will be implemented in a manner that accounts for applicable site constraints, ongoing market operations, and future redevelopment needs.

NYCEDC plans to select one or more consultants on the basis of factors stated in the RFP which include where applicable, but are not limited to: completeness and quality of proposal, infrastructure delivery feasibility and readiness, yard management and operational feasibility, commercial structure(s) and cost optimization, schedule and deployment speed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee.

It is the policy of NYCEDC to comply with all federal, state and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-owned Business Enterprises (MWBES) share in the economic opportunities generated by NYCEDC's projects and initiatives.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit an M/WBE Participation Proposal with their response. FPHNY GRANT DEVELOPMENT AND FUNDRAISING - Request for Information - PIN# 81626Y0839 - Due 6-10-26 at 2:00 P.M.

Pursuant to Section 3-05 of the New York City Procurement Policy Board Rules, the Department of Health and Mental Hygiene (DOHMH) intends to enter into negotiations for a five-year agreement with Fund for Public Health in New York, Inc. (FPHNY) for the purchase of grant acquisition, fundraising, grant management and project management needs.

FPHNY was created in 2002 as an independent nonprofit organization to partner closely with NYC DOHMH to further its mission of improving the health of all New Yorkers. FPHNY contributes to the advancement of public health in NYC by: a) soliciting funds for both project and general support from public and private funding sources and donors who would or could not ordinarily support government initiatives, and; b) by providing a vehicle for effective administration of grant funds for pilot projects or time-sensitive grant programs. FPHNY is the only non-profit organization that is solely dedicated to soliciting funding, facilitating partnerships, and providing administrative support to advance DOHMH's public health priorities. As such, it plays a unique role and does not duplicate the efforts of other agencies or organizations.

DOHMH has determined that FPHNY, is the only viable vendor to provide these services because FPHNY's unique ability to generate strong public and private sector support otherwise inaccessible to NYC DOHMH, bring additional partners and needed funds to NYC DOHMH projects, and greatly impact NYC DOHMH projects with such additional support. Further, FPHNY plays a unique role for NYC DOHMH, with FPHNY's significant and flexible administrative capacity augmenting NYC DOHMH's ability to meet rigorous funder requirements. FPHNY's ability to raise funds and facilitate partnerships for NYC DOHMH, coupled with its ability to efficiently administer such relationships, is invaluable to many NYC DOHMH programs and cannot be achieved by any other contractor.

Any vendor that believes it can legally provide these services is invited to submit an Expression of Interest directly to this RFI- EPIN 81626Y0839 by the due date and time.

Additionally, stability would be maintained and better service would be provided due to the continuity of care through these contracts. This will also allow HRA/H CSP time to focus on the vendors adherence to the New York State regulations, contract monitoring, performance evaluations, and implementing compliance indicators with NYSDOH regulatory changes. Being that HRA reserves the right to terminate the contract, providing a nine-year term will ultimately allow the awardees to provide excellent personal care services to HRA/H CSP clients.

Judgment is required in evaluating competing proposals, and it is in the best interest of the City to require balancing of price, quality and other factors.
