The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

■ SOLICITATION

Services (other than human services)

THE DEVELOPMENT OF THE PUBLIC HEALTH COMMUNITY LEADERSHIP SECTOR - Competitive Sealed Proposals - Other - PIN# 81626P0019 - Due 7-15-26 at 2:00 P.M.

The New York City (NYC) Department of Health and Mental Hygiene ("NYC Health Department" or the "Agency") is seeking up to six (6) qualified Contractors who will each lead a Community Emergency Network ("CEN") that will enhance the Agency's ability to mitigate the public health impacts of emergencies in NYC. The CENs will be networks that use models inspired by Voluntary Organizations Active in Disaster (VOAD), such as Community Organizations Active in Disaster (COAD) and Long-Term Recovery Groups (LTRG). They will demonstrate focus on hyperlocal preparedness and response planning within their community (e.g. information sharing, identifying needs and gaps in services and offering a structure for community-based emergency collaboration during all phases of emergencies). Additionally, they will coordinate community-based service providers (i.e. nonprofits, businesses, congregations, clinics, associations, individual leaders, and other nongovernmental providers) in the preparedness, response, recovery, and/or mitigation phases of emergency management. The contract term is anticipated to be for six (6) years from March 1, 2027, to February 28, 2033, with no renewal options.

There will be a Pre-Proposal Conference at 1:00 P.M., ET, on June 16, 2026, via teleconference. Attendance by proposers is optional but strongly recommended by the NYC Health Department. To register for the teleconference, please RSVP for the conference by 2:00 P.M. ET on June 15, 2026, by emailing the name, title, affiliation, and email address of each attendee to RFP@health.nyc.gov. Please state "CEN Leader" in the subject line of the email. Proposers who submit an RSVP will be provided an invitation via email to attend the teleconference. All questions must be submitted in writing to the Authorized Agency Contact person via Discussion with Buyer tab in PASSPort, or preferably by e-mail at RFP@health.nyc.gov. Questions submitted by June 9, 2026, will be addressed at the pre-proposal teleconference. DYCD would release a competitive NAQ which could potentially lead to DYCD negotiating with those who respond and would be found viable to operate Youth Team Sports program and who do not currently hold a DYCD contract to expand the provider pool and capacity. DYCD makes this request pursuant to Section 3-04(b)(2)(i)(B) as funds available from the New York State Office of Children and Family Services (OCFS) will be lost to the City if DYCD is unable to start the competitive NAQ. The New York State Office of Children and Family Services (OCFS) created the new fund in the state's fiscal year 2025-2026 budget to provide awards to support youth team sports programs for underserved youth under age 18. The funding supports youth development through team sports programs and would be awarded to local community-based organizations and nonprofits. Grant requires the City to have funds awarded and expensed prior to the grant end date of June 30, 2026. Therefore, DYCD is allocating \$2,300,000 of this grant for an opportunity to recruit new providers.
