The fifteen providers all have at least satisfactory performance. The proposed start date of the contracts is 7/1/2026 and the duration will be for 9 years.

It is not practical or advantageous to award a contract for these services by Competitive Sealed Bidding or Competitive Sealed Proposal as there is a limited number of vendors available and able to perform the work, as evidenced by the open-ended RFPs issued, by both HRA and DOHMH, for supportive housing that remain open for proposals. If there are no vendors interested in providing the additional housing units that the City is seeking through open-ended RFPs, there is no reason to expect that any other vendor would be interested in and able to provide these housing units. NOTE: in accordance with the PPB Rules, Notice of Intent will be published in the City Record for one day; this change, implemented 1/15/24, is not reflected in this Passport PSR form.

FY27 NA/ RECOVERY CENTER/ NEW CONTRACT - Negotiated Acquisition - Other - PIN# 81626N0016001 - AMT: \$1,249,999.00 - TO: New York Therapeutic, 266 West 37th Street, 21st Floor, New York, NY 10018.

Recovery Centers offer non-clinical recovery supports in the form of emotional, informational, instrumental (concrete) support and positive affiliation. Recovery Centers are currently designated by NYS OASAS. Recovery Centers provide a community-based, non-clinical setting that is safe, welcoming and alcohol/drug free for the whole community. The centers promote long-term recovery through skill-building, recreation, employment readiness and the opportunity to connect with peers who are going through similar challenges. Consistent with OASAS's Recovery Center program, the Department enters this Agreement for the Contractor to expand its Recovery Center services.

DOHMH is proposing to use a Limited Pool Negotiated Acquisition to procure human services to expand addiction recovery services available. It is not practical or advantageous to award a contract for these services by Competitive Sealed Bidding or Competitive Sealed Proposal as there is a limited number of vendors available and able to perform the work. Recovery Centers offer non-clinical recovery supports in the form of emotional, informational, instrumental (concrete) support and positive affiliation. Pursuant to Section 3-04(b)(2) (iii) of the Procurement Policy Board (PPB) Rules, the Department of Health and Mental Hygiene is seeking to extend sixteen contracts beyond the cumulative twelve-month extension limit, to allow time for the development and administration of an RFP process. This is the minimum time necessary to meet the need, as we are in the early stages of developing an RFP to replace the current contracts.

DOHMH intends to contract with the existing vendors to ensure continuity of services in order to prevent a gap in services while the development and administration of a new RFP is in process. In addition, the current vendors are familiar with the services under Recreational and Socialization for individuals and families with an autism spectrum disorder. All sixteen vendors have at least satisfactory performance.

FY27 RQM- MHY 9 NON-MEDICAID CARE COORDINATION

- AMT: \$2,144,666.00 - TO: Wellife Network Inc., 1985 Marcus Avenue, Suite 100, New Hyde Park, NY 11042.

The NYS Office of Mental Health requires that we (DOHMH) continue contracting with the same vendors as long as the vendors demonstrate fiscal integrity, positive program performance and administrative compliance. The NYS Office of Mental Health continues to recognize re-solicitation of contracts for ongoing operations may result in different providers which have not previously served the specific population. In such cases, associations between recipients and providers which are of limited duration may prove to be detrimental to recipients' recovery. This is a multi award, non-competitive, state authorized requisition. The program will increase the individuals' capacity to manage their health and wellness, live a self-directed life, and reach their fullest potential by providing individual directed, recovery oriented services. The program will offer the availability of services (direct or indirect) pertaining to mental health and substance use.

COMPASS CENTER BASED - BRONX 09 MIDDLE SCHOOL

- Competitive Sealed Proposals/Pre-Qualified List - Other - PIN#26026P0004033 - AMT: \$3,698,136.00 - TO: Kips Bay Boys and Girls Club Inc., 1930 Randall Avenue, Bronx, NY 10473.

COMPASS and SONYC is one of DYCD's largest programs, with over 820 programs collectively throughout the five boroughs. Families rely on these programs to provide elementary and middle school students, during after school hours, summer and on holidays, programing which includes educational support, recreation, enrichment, and cultural activities to support and strengthen the overall development of our youth. Programs are offered at no cost to youth and are purposefully located in public and private schools, community centers, religious institutions, public housing and parks recreational facilities throughout the City to help families find a place that best fits their youth's needs.

DYCD has determined that Competitive Sealed Bidding is neither practicable nor advantageous to the City because this procurement necessitates the exercise of judgment in evaluating competing proposals and requires a balancing of price, quality, and programmatic factors to achieve the best outcomes. DYCD is seeking pre-qualified Health and Human Services (HHS) providers to operate COMPASS programs. These programs are located in New York City Public School (NYCPS) sites and charter schools housed within NYCPBS buildings and serve elementary and middle school students across all five boroughs. COMPASS programs are a critical part of the City's effort to support working families by providing free, high-quality afterschool and summer childcare services. They offer a wide range of enrichment activities that help students in Kindergarten through Grade 8 develop academically, socially, and emotionally, both in and out of the classroom. Given the complex nature of this work—requiring cultural competency, deep community engagement, and tailored programming to meet the diverse needs of NYC youth a proposal-based evaluation is essential. This approach allows DYCD to select providers not only based on cost, but also on their demonstrated experience, organizational capacity, staffing approach, and commitment to equitable service delivery. Therefore, the use of an RFP, rather than Competitive Sealed Bidding, is the most appropriate method to ensure the highest quality of services are delivered in alignment with the City's goals for youth development and family support.

Beacon Community Centers - DYCD's Beacon programs are collaborative, school-based community centers designed to provide quality services to youth and adults after school, in the evenings, and on weekends. The Beacons represent a unique convergence of youth and community development, through an integrated range of services, provided in an educational environment, and tailored to local needs.

The extension of these contracts is crucial to ensure continuity of services. The ACCO has determined that an extension of these services will be beneficial to the City since the same terms and conditions remain. In addition, the current contractors are familiar with Community Center Programming and have been performing satisfactory and above on their current contract(s).

COMPASS CENTER BASED - QUEENS 13 ELEMENTARY SCHOOL - Competitive Sealed Proposals/Pre-Qualified List - Other - PIN# 26026P0004095 - AMT: \$5,100,093.00 - TO: Homes for the Homeless Inc., 36 Cooper Square, 3rd Floor, New York, NY 10003.

COMPASS and SONYC is one of DYCD's largest programs, with over 820 programs collectively throughout the five boroughs. Families rely on these programs to provide elementary and middle school students, during after school hours, summer and on holidays, programming which includes educational support, recreation, enrichment, and cultural activities to support and strengthen the overall development of our youth. Programs are offered at no cost to youth and are purposefully located in public and private schools, community centers, religious institutions, public housing and parks recreational facilities throughout the City to help families find a place that best fits their youth's needs. Award for Elementary School center based Queens CD13 at 175-15 Rockaway Boulevard, Queens, NY 11434. Comp Pool Queens 13 Elementary.

DYCD has determined that Competitive Sealed Bidding is neither practicable nor advantageous to the City because this procurement necessitates the exercise of judgment in evaluating competing proposals and requires a balancing of price, quality, and programmatic factors to achieve the best outcomes. DYCD is seeking pre-qualified Health and Human Services (HHS) providers to operate COMPASS programs. These programs are located in New York City Public School (NYCPS) sites and charter schools housed within NYCPS buildings and serve elementary and middle school students across all five boroughs. COMPASS programs are a critical part of the City's effort to support working families by providing free, high-quality afterschool and summer childcare services. They offer a wide range of enrichment activities that help students in Kindergarten through Grade 8 develop academically, socially, and emotionally, both in and out of the classroom. Given the complex nature of this work—requiring cultural competency, deep community engagement, and tailored programming to meet the diverse needs of NYC youth a proposal-based evaluation is essential. This approach allows DYCD to select providers not only based on cost, but also on their demonstrated experience, organizational capacity, staffing approach, and commitment to equitable service delivery. Therefore, the use of an RFP, rather than Competitive Sealed Bidding, is the most appropriate method to ensure the highest quality of services are delivered in alignment with the City's goals for youth development and family support.

REMINDER FOR ALL AGENCIES:

All entities utilizing DCAS fuel contracts are reminded to pay their invoices **on time** to avoid interruption of service. Please send inspection copy of receiving report for all gasoline (E70, UL PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

Effective July 1, 2025, New York City agencies are no longer permitted to place orders for #2B5 heating fuel. In accordance with updated state regulations, all heating oil sold in NYS must contain a minimum 10% biofuel blend (B10). Starting the winter of 2026/2027, agencies should begin the transition to B20 heating oil, focusing on tanks that are used regularly and not on interruptible sites. Effective July 1, 2030, B20 will be legally required through NY State for heating oil at all sites. As was implemented for B5 and B10, the transition for City facilities should begin in advance of the mandate to ensure a smooth transition to the higher blend. City facilities have used blends of B20 in the past successfully.

April 1st – October 31st transition to Non-Winter fuel.

November 1st – March 31st transition to Winter fuel.

MAYOR'S OFFICE OF CONTRACT SERVICES

■ NOTICE

Section 4-06 of the Procurement Policy Rules requires City agencies to process contract payments efficiently and expeditiously so as to assure timely contract payments to those suppliers doing business with the City.

The Rule further requires that when payments are made after the Required Payment Date ("RPD"), interest, unless otherwise specified in the Rules, must be paid to the supplier.

The Comptroller and the Office of Management and Budget (OMB) have jointly set the new Prompt Payment Interest Rate. The new Prompt Payment Interest Rate is 4.75% effective on payments for the six month period July 1, 2026 - December 31, 2026.

Questions on this notice should be directed to:
