INTEGRATED COMMERCIAL HOTELS PROGRAM - Competitive Sealed Proposals/Pre-Qualified List - Other - PIN# 07125P0010027 - AMT: \$40,281,375.00 - TO: Neighbors 4 Neighbors Incorporated, 76 Church Street, Tarrytown, NY 10591.

The Department of Homeless Services is seeking appropriately qualified contractors/vendors to contract for the provision of shelter services for families with children, adult families, and single adults who are temporarily housed in DHS contracted commercial hotels. The selected vendors will provide services as outlined in this RFP to assist clients with their daily needs and to help them move out of the shelter system as quickly as possible.

The mission of DHS is to prevent homelessness when possible and to provide short-term emergency shelter for individuals and families who have no other housing options available. DHS primarily meets this goal by providing services to clients in long-term contracted purpose-built shelters throughout the City. When there are not enough available shelter beds and units in traditional shelters, DHS temporarily uses commercial hotels to house clients while they transition to permanent housing.

Over the last 15 years, DHS has faced numerous crises which have forced DHS to rely on commercial hotels to temporarily house clients. Long term DHS is committed to phasing out the use of commercial hotels. However, until such time that DHS can secure sufficient contracted purposed built shelters, DHS will continue to need commercial hotel capacity to meet the legally mandated requirement to provide shelter.

A Special Case Determination not required since the preference to procure Human Services is through Competitive Sealed Proposals pursuant to PPB Rule Section 3-01(c); judgment is necessary in evaluating proposals to ensure appropriateness of vendor selection to render client services.

YOUTH AND COMMUNITY DEVELOPMENT

■ AWARD

FY27 BEACON PROGRAM NAE - Negotiated Acquisition - Other - PIN# 26026N0030005 - AMT: \$2,615,093.00 - TO: Simpson Street Development Association Inc., 997 E 163rd Street, Bronx, NY 10459.

DYCD's Beacon programs are collaborative, school-based community centers designed to provide quality services to youth and adults after school, in the evenings, and on weekends. The Beacons represent a unique convergence of youth and community development, through an integrated range of services, provided in an educational environment, and tailored to local needs.

The extension of these contracts is crucial to ensure continuity of services. The ACCO has determined that an extension of these services will be beneficial to the City since the same terms and conditions remain. In addition, the current contractors are familiar with Community Center Programming and have been performing satisfactory and above on their current contract(s).

COMPASS PROGRAMS IN PUBLIC SCHOOLS - MIDDLE - Competitive Sealed Proposals/Pre-Qualified List - Other - PIN# 26026P0003111 - AMT: \$7,897,500.00 - TO: Inwood Community Services Inc., 651 Academy Street, 2nd Floor, New York, NY 10034.

COMPASS and SONYC is one of DYCD's largest programs, with over 820 programs collectively throughout the five boroughs. Families rely on these programs to provide elementary and middle school students, during after school hours, summer and on holidays, programing which includes educational support, recreation, enrichment, and cultural activities to support and strengthen the overall development of our youth. Programs are offered at no cost to youth and are purposefully located in public and private schools, community centers, religious institutions, public housing and parks recreational facilities throughout the City to help families find a place that best fits their youth's needs.

DYCD has determined that Competitive Sealed Bidding is neither practicable nor advantageous to the City because this procurement necessitates the exercise of judgment in evaluating competing proposals and requires a balancing of price, quality, and programmatic factors to achieve the best outcomes. COMPASS programs are a critical part of the City's effort to support working families by providing free, high-quality afterschool and summer childcare services. They offer a wide range of enrichment activities that help students in Kindergarten through Grade 8 develop academically, socially, and emotionally, both in and out of the classroom. Given the complex nature of this work requiring cultural competency, deep community engagement, and tailored programming to meet the diverse needs of NYC youth a proposal-based evaluation is essential. This approach allows DYCD to select providers not only based on cost, but also on their demonstrated experience, organizational capacity, staffing approach, and commitment to equitable service delivery. Therefore, the use of an RFP, rather than Competitive Sealed Bidding, is the most appropriate method to ensure the highest quality of services are delivered in alignment with the City's goals for youth development and family support.

COMPASS CENTER BASED ELEMENTARY - Competitive Sealed Proposals/Pre-Qualified List - Other - PIN# 26026P0004079 - AMT: \$4,541,634.00 - TO: Northside Center for Child Development Inc., 1475 Park Avenue, New York, NY 10029.

DYCD has determined that Competitive Sealed Bidding is neither practicable nor advantageous to the City because this procurement necessitates the exercise of judgment in evaluating competing proposals and requires a balancing of price, quality, and programmatic factors to achieve the best outcomes. DYCD is seeking pre-qualified Health and Human Services (HHS) providers to operate COMPASS programs. These programs are located in New York City Public School (NYCPS) sites and charter schools housed within NYCPS buildings and serve elementary and middle school students across all five boroughs. COMPASS programs are a critical part of the City's effort to support working families by providing free, high-quality afterschool and summer childcare services. They offer a wide range of enrichment activities that help students in Kindergarten through Grade 8 develop academically, socially, and emotionally, both in and out of the classroom. Given the complex nature of this work—requiring cultural competency, deep community engagement, and tailored programming to meet the diverse needs of NYC youth a proposal-based evaluation is essential.
