VERTICAL HYDROPONIC FARM - Request for Information -
PIN#07227Y0409 - Due 8-14-26 at 10:00 A.M.

In accordance with Procurement Policy Board Rule Section 3-05, the New York City Department of Correction (DOC) intends to enter into a sole source agreement with FarmBox Foods LLC. The purpose of this agreement is to procure a Vertical Hydroponic Farm for Persons-in-Custody (PICs) to develop a skill that can be utilized when being released from custody.

The Department of Correction seeks to revitalize its Workforce Development Unit to include new and innovative trades and skill building classes that directly relate to re-entry and reduced recidivism. Based on an evaluation of potential trades and skills that are felony friendly, DOC believes that there is a gap in services as it pertains to urban agriculture, community gardening, local and small business entrepreneurship, local and small business perspectives, and culinary arts. The investment in FarmBox Foods would allow the Department to build and develop two tracks of Workforce Development. One is for participants who would tend to the literal garden and hydroponic farm, and the other is associated with our culinary arts program and allowing food that is grown to be used for staff and people in custody.

The amount of this sole source procurement shall not exceed \$228,000.00. The anticipated contract term for this procurement is 365 consecutive calendar days with a renewal option of one (1) year.

Any vendor that believes it can provide the above referenced product may express interests please submit your expressions no later than August 17, 2026 at 10:00 A.M. to Cristalie Colon at Cristalie.Colon@doc.nyc.gov.

HOMELESS SERVICES**■ AWARD***Human Services/Client Services*

INTEGRATED COMMERCIAL HOTELS PROGRAM - Competitive Sealed Proposals/Pre-Qualified List - Other - PIN#07125P0010044 -
AMT: \$12,708,023.00 - TO: Women In Need, Inc., One State Street
Plaza, 18th Floor, New York, NY 10004.

The Department of Homeless Services ("DHS") is seeking appropriately qualified contractors/vendors to contract for the provision of shelter services for families with children, adult families, and single adults who are temporarily housed in DHS contracted commercial hotels. The selected vendors will provide services as outlined in this RFP to assist clients with their daily needs and to help them move out of the shelter system as quickly as possible.

The mission of DHS is to prevent homelessness when possible and to provide short-term emergency shelter for individuals and families who have no other housing options available. DHS primarily meets this goal by providing services to clients in long-term contracted purpose-built shelters throughout the City. When there are not enough available shelter beds and units in traditional shelters, DHS temporarily uses commercial hotels to house clients while they transition to permanent housing.

Over the last 15 years, DHS has faced numerous crises which have forced DHS to rely on commercial hotels to temporarily house clients. Long term DHS is committed to phasing out the use of commercial hotels.

A Special Case Determination not required since the preference to procure Human Services is through Competitive Sealed Proposals pursuant to PPB Rule Section 3-01(c); judgment is necessary in evaluating proposals to ensure appropriateness of vendor selection to render client services.

MAYOR'S FUND TO ADVANCE NEW YORK CITY

■ SOLICITATION

CHILDCARE MICROGRANTS ADMINISTRATOR RFP - Request for Proposals - PIN#202604 - Due 8-31-26 at 5:00 P.M.

The City of New York ("City") is working toward free, high-quality care and education for every child under five, delivered in a range of culturally competent care settings with educators and caregivers who are trained, respected, and fairly compensated. Under this vision, the Mayor's Office of Child Care and Early Childhood Education (MOCCECE) seeks to ensure it's as easy as possible for both providers

to open, operate, and keep their businesses running, and for families to access and afford the care they need.

Licensed Family Child Care (FCC) and Group Family Child Care (GFCC) providers are central to this vision. These providers are among the most trusted people in their neighborhoods, offering care in the many languages spoken across NYC and serving as lifelines for the families and communities they serve. Many operate small businesses with thin margins, rising costs, and limited access to flexible capital. When urgent business or operational needs go unmet, providers face difficult situations that threaten operations, licensing compliance, or program continuity, ultimately leading them to lose capacity or close.

In April, MOCCECE announced the creation of the Child Care Action Fund (CCAF). Housed at the Mayor's Fund to Advance NYC ("Mayor's Fund"), the CCAF enables philanthropies and private donors to support high-impact initiatives that advance the City's universal childcare vision by moving fast, testing smart solutions, and filling critical gaps. CCAF priorities are:

1. Family outreach and engagement to ensure all families can access care.
2. Direct support for providers to stabilize existing small businesses and assist aspiring providers.
3. Workforce development and expansion of professional pathways that help caregivers build sustainable careers.
4. Physical capacity-building and effective use of existing space.
5. Research and innovation to better understand system needs, inform policy decisions, improve implementation, and measure impact for families and providers.

The Emergency Microgrant Program is one critical way to provide material support to FCCs and GFCCs. The program will provide targeted grants, practical support and resources, and technical assistance to FCC and GFCC providers facing urgent risks. Microgrants are intended to support provider stability and capacity building, particularly in response to one-time events; they are not intended as a wage supplement program or to fund ongoing operational expenses.

RFP Purpose:

The Mayor's Fund seeks proposals from qualified entities to serve as the administrator ("Administrator") for the Emergency Microgrant Program for Licensed Family Child Care and Group Family Child Care Providers. MOCCECE will serve as the project manager and will work with the selected Administrator to finalize the program design before launch.

The selected Administrator will be expected to create a provider-centered model that can distribute emergency microgrants quickly, equitably, and with appropriate fiscal controls. The program is intended to stabilize child care supply by helping eligible providers respond to unexpected situations that threaten their ability to operate safely or continuously to provide services for NYC families.

NOTE:

1. Biodiesel tax credit expired on 12/31/2024. New invoices will not reflect the credit.
2. Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
3. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
4. Federal Superfund Tax is included in the DCAS weekly pricing schedule, and it should not show as an additional fee.

REMINDER FOR ALL AGENCIES:

All entities utilizing DCAS fuel contracts are reminded to pay their invoices **on time** to avoid interruption of service. Please send inspection copy of receiving report for all gasoline (E70, UL PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

Effective July 1, 2025, New York City agencies are no longer permitted to place orders for #2B5 heating fuel. In accordance with updated state regulations, all heating oil sold in NYS must contain a minimum 10% biofuel blend (B10). Starting the winter of 2026/2027, agencies should begin the transition to B20 heating oil, focusing on tanks that are used regularly and not on interruptible sites. Effective July 1, 2030, B20 will be legally required through NY State for heating oil at all sites. As was implemented for B5 and B10, the transition for City facilities should begin in advance of the mandate to ensure a smooth transition to the higher blend. City facilities have used blends of B20 in the past successfully.

April 1st – October 31st transition to Non-Winter fuel.

November 1st – March 31st transition to Winter fuel.
