CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

The City Planning Commission will hold a public hearing accessible both in-person and remotely via the teleconferencing application Zoom, at 10:00 A.M. Eastern Daylight Time, on Wednesday, August 12, 2026, regarding the calendar items listed below. The public hearing will be held in person in the NYC City Planning Commission Hearing Room, Lower Concourse, 120 Broadway, New York, NY.

The meeting will be live streamed through Department of City Planning's (DCP's) website and accessible from the following webpage, which contains specific instructions on how to observe and participate, as well as materials relating to the meeting: <https://www.nyc.gov/content/planning/pages/calendar>

Members of the public attending remotely should observe the meeting through DCP's website. Testimony can be provided verbally by joining the meeting using either Zoom or by calling the following number and entering the information listed below:

877 853 5247 US Toll-free

888 788 0099 US Toll-free

253 215 8782 US Toll Number

213 338 8477 US Toll Number

Meeting ID: **618 237 7396**

[Press # to skip the Participation ID]

Password: 1

To provide verbal testimony via Zoom please follow the instructions available through the above webpage (link above).

Written comments will also be accepted until 11:59 PM, one week before the date of the vote. Please use the CPC Comments form that is accessible through the above webpage.

Please inform the Department of City Planning if you need a reasonable accommodation, such as a sign language interpreter, in order to participate in the meeting. The submission of testimony, verbal or written, in a language other than English, will be accepted, and real time interpretation services will be provided based on available resources. Requests for a reasonable accommodation or foreign language assistance during the meeting should be emailed to [\[AccessibilityInfo@planning.nyc.gov\]](mailto:AccessibilityInfo@planning.nyc.gov) or made by calling 212-720-3366. Requests must be submitted at least five business days before the meeting.

#10 IN THE MATTER OF a proposed revocable consent authorizing Trustees of Columbia University in the City of New York to continue to maintain and use communication conduits, together with a manhole under and across West 125th Street at the intersection with 129th Street, and under and across Broadway, south of West 130th Street, in the Borough of Manhattan. The revocable consent is for term of Ten years from July 1, 2025 to June 30th, 2035 and provides among other terms and conditions for compensation payable to the City according to the following schedule: **R.P. # 2271**

For the period July 1, 2025 to June 30, 2026 - \$13,530/per annum
For the period July 1, 2026 to June 30, 2027 - \$13,891
For the period July 1, 2027 to June 30, 2028 - \$14,252
For the period July 1, 2028 to June 30, 2029 - \$14,613
For the period July 1, 2029 to June 30, 2030 - \$14,974
For the period July 1, 2030 to June 30, 2031 - \$15,335
For the period July 1, 2031 to June 30, 2032 - \$15,696
For the period July 1, 2032 to June 30, 2033 - \$16,057
For the period July 1, 2033 to June 30, 2034 - \$16,418
For the period July 1, 2034 to June 30, 2035 - \$16,779

with the maintenance of a security deposit in the sum of \$16,800.00 and the insurance shall be in the amount of Two Million Dollars (\$2,000,000) per occurrence for bodily injury and property damage, One Million Dollars (\$1,000,000) for personal and advertising injury, Two Million Dollars (\$2,000,000) aggregate, and Two Million Dollars (\$2,000,000) products/completed operations.

#11 IN THE MATTER OF a proposed revocable consent authorizing Trustees of Columbia University in the City of New York to continue to maintain and use a conduit under, along and across east side of Broadway at 132nd Street, in the Borough of Manhattan. The revocable consent is for term of Ten years from July 1, 2025 to June 30th, 2035 and provides among other terms and conditions for compensation payable to the City according to the following schedule: **R.P. # 2272**

For the period July 1, 2025 to June 30, 2026 - \$3,086/per annum
For the period July 1, 2026 to June 30, 2027 - \$3,168
For the period July 1, 2027 to June 30, 2028 - \$3,250
For the period July 1, 2028 to June 30, 2029 - \$3,332
For the period July 1, 2029 to June 30, 2030 - \$3,414
For the period July 1, 2030 to June 30, 2031 - \$3,496
For the period July 1, 2031 to June 30, 2032 - \$3,578
For the period July 1, 2032 to June 30, 2033 - \$3,660
For the period July 1, 2033 to June 30, 2034 - \$3,742
For the period July 1, 2034 to June 30, 2035 - \$3,824

with the maintenance of a security deposit in the sum of \$5,000.00 and the insurance shall be in the amount of Two Million Dollars (\$2,000,000) per occurrence for bodily injury and property damage, One Million Dollars (\$1,000,000) for personal and advertising injury, Two Million Dollars (\$2,000,000) aggregate, and Two Million Dollars (\$2,000,000) products/completed operations.

#12 IN THE MATTER OF a proposed revocable consent authorizing Trustees of Columbia University in the City of New York to continue to maintain and use an emergency power conduits, together with manholes under and along West 131st Street, west of Broadway and under along Broadway, between West 130th and West 131st Streets, in the Borough of Manhattan. The revocable consent is for term of Ten years from July 1, 2025 to June 30th, 2035 and provides among other terms and conditions for compensation payable to the City according to the following schedule: **R.P. # 2284**

For the period July 1, 2025 to June 30, 2026 - \$13,530/per annum
For the period July 1, 2026 to June 30, 2027 - \$13,891
For the period July 1, 2027 to June 30, 2028 - \$14,252
For the period July 1, 2028 to June 30, 2029 - \$14,613
For the period July 1, 2029 to June 30, 2030 - \$14,974
For the period July 1, 2030 to June 30, 2031 - \$15,335
For the period July 1, 2031 to June 30, 2032 - \$15,696
For the period July 1, 2032 to June 30, 2033 - \$16,057
For the period July 1, 2033 to June 30, 2034 - \$16,418
For the period July 1, 2034 to June 30, 2035 - \$16,779

with the maintenance of a security deposit in the sum of \$29,500.00 and the insurance shall be in the amount of Two Million Dollars (\$2,000,000) per occurrence for bodily injury and property damage, One Million Dollars (\$1,000,000) for personal and advertising injury, Two Million Dollars (\$2,000,000) aggregate, and Two Million Dollars (\$2,000,000) products/completed operations.

#13 IN THE MATTER OF a proposed revocable consent authorizing Waterside Propco LLC to continue to maintain and use a sewer pipe in an existing and abandoned coal conveyor tunnel

under the Franklin D. Roosevelt (FDR) Drive north of East 29th Street, in the Borough of Manhattan. The revocable consent is for term of Ten years from July 1, 2026 to June 30th, 2036 and provides among other terms and conditions for compensation payable to the City according to the following schedule: **R.P. # 1035**

For the period July 1, 2026 to June 30, 2027 - \$18,019
For the period July 1, 2027 to June 30, 2028 - \$18,552
For the period July 1, 2028 to June 30, 2029 - \$19,085
For the period July 1, 2029 to June 30, 2030 - \$19,618
For the period July 1, 2030 to June 30, 2031 - \$20,151
For the period July 1, 2031 to June 30, 2032 - \$20,684
For the period July 1, 2032 to June 30, 2033 - \$21,217
For the period July 1, 2033 to June 30, 2034 - \$21,750
For the period July 1, 2034 to June 30, 2035 - \$22,283
For the period July 1, 2035 to June 30, 2036 - \$22,816

with the maintenance of a security deposit in the sum of \$22,800.00 and the insurance shall be in the amount of Five Million Dollars (\$5,000,000) per occurrence for bodily injury and property damage, One Million Dollars (\$1,000,000) for personal and advertising injury, Five Million Dollars (\$5,000,000) aggregate, and Two Million Dollars (\$2,000,000) products/completed operations.

#14 IN THE MATTER OF a proposed revocable consent authorizing WYKOFF SP LLC to construct, maintain and use a fenced-in area including stairs on the north sidewalk of Wyckoff Avenue, between Starr Street and Willoughby Avenue, in the Borough of Brooklyn. The revocable consent is for term of Ten years from the Approval Date by the Mayor and provides among other terms and conditions for compensation payable to the City according to the following schedule: **R.P. # 2695**

From the Approval Date to June 30, 2027 - \$4,500/per annum
For the period July 1, 2027 to June 30, 2028 - \$4,591
For the period July 1, 2028 to June 30, 2029 - \$4,682
For the period July 1, 2029 to June 30, 2030 - \$4,773
For the period July 1, 2030 to June 30, 2031 - \$4,864
For the period July 1, 2031 to June 30, 2032 - \$4,955
For the period July 1, 2032 to June 30, 2033 - \$5,046
For the period July 1, 2033 to June 30, 2034 - \$5,137
For the period July 1, 2034 to June 30, 2035 - \$5,228
For the period July 1, 2035 to June 30, 2036 - \$5,319
For the period July 1, 2036 to June 30, 2037 - \$5,410

with the maintenance of a security deposit in the sum of \$15,000.00 and the insurance shall be in the amount of Two Million Dollars (\$2,000,000) per occurrence for bodily injury and property damage, One Million Dollars (\$1,000,000) for personal and advertising injury, Two Million Dollars (\$2,000,000) aggregate, and Two Million Dollars (\$2,000,000) products/completed operations.

Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) by writing revocableconsents@dot.nyc.gov or by calling (212) 839-6550.

PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

HOMELESS SERVICES

■ AWARD

Human Services/Client Services

INTEGRATED COMMERCIAL HOTELS PROGRAM - Competitive Sealed Proposals/Pre-Qualified List - Other - PIN# 07125P0010015 - AMT: \$53,938,463.00 - TO: Family Services Network of New York Inc, 1420 Bushwick Avenue, Brooklyn, NY 11207-1422.

The Department of Homeless Services is seeking appropriately qualified contractors/vendors to contract for the provision of shelter services for families with children, adult families, and single adults who are temporarily housed in DHS contracted commercial hotels. The selected vendors will provide services as outlined in this RFP to assist clients with their daily needs and to help them move out of the shelter system as quickly as possible.

The mission of DHS is to prevent homelessness when possible and to provide short-term emergency shelter for individuals and families who have no other housing options available. DHS primarily meets this goal by providing services to clients in long-term contracted purpose-built shelters throughout the City. When there are not enough available

shelter beds and units in traditional shelters, DHS temporarily uses commercial hotels to house clients while they transition to permanent housing.

A Special Case Determination not required since the preference to procure Human Services is through Competitive Sealed Proposals pursuant to PPB Rule Section 3-01(c); judgment is necessary in evaluating proposals to ensure appropriateness of vendor selection to render client services.

PROCESS MINING AND PROCESS INTELLIGENCE - Request for Information - PIN#5387 - Due 8-18-26 at 5:00 P.M.

This Request for Information ("RFI"), issued by the New York City Housing Authority ("NYCHA"), seeks responses from qualified firms ("Respondents") interested in providing a no-cost Proof of Concept ("POC") for process mining and process intelligence software to give NYCHA end-to-end, evidence-based visibility into complex business processes that span multiple information systems. Based on the responses to this RFI, NYCHA may offer one or more Respondents the opportunity to participate in a demonstration project to show the effectiveness of their proposed solution. This document is not a solicitation. NYCHA will not award a contract based on the responses to the RFI.

Background

The New York City Housing Authority (NYCHA) is committed to increasing opportunities for low- and moderate-income New Yorkers by providing safe, affordable housing and facilitating access to social and community services. Hundreds of thousands of New Yorkers reside in NYCHA public housing developments across the five boroughs, and NYCHA administers the largest Section 8 Housing Choice Voucher program in the country through its Leased Housing Department, serving approximately 235,000 tenants and more than 30,000 participating private landlords.

To fulfill its mission and better serve residents while modernizing its technology portfolio, NYCHA is evaluating process mining and process intelligence tools that reconstruct and analyze business processes from the event and transaction data recorded in its systems, in order to

identify bottlenecks, measure cycle and dwell times, monitor process health, and support data-driven process improvement.

Scope

NYCHA is seeking vendors to provide a Proof of Concept for process mining and process intelligence software. The primary use case for the POC is NYCHA's annual recertification process, in which households annually verify income and household composition to maintain eligibility and calculate rent. The recertification process spans multiple systems and intake channels, including:

- Case management in Oracle Siebel CRM;
- Document intake through three channels: electronic upload via NYCHA's Self-Service Portal, mail, and walk-in submission at NYCHA offices;
- Document imaging and content management (Oracle UCM/ WebCenter);
- Legacy midrange applications (IBM i / AS400); and
- Notice generation and case status automation within the case management platform.

The objective of the POC is to demonstrate the vendor's ability to construct an end-to-end process view across these systems, including case and document status transitions, dwell time by process stage, identification of stalled cases and documents, conformance of actual process flows to the intended process, and near real-time operational dashboards for business users. NYCHA may, at its discretion, identify a secondary use case of similar scope during the POC.

Any POC will be provided at no cost to NYCHA, under NYCHA's standard proof of concept agreement, non-disclosure agreement, and insurance requirements. NYCHA anticipates a POC period of approximately three (3) months, covering installation and configuration, data connection and analysis, evaluation, and uninstallation and data cleanup. NYCHA expects to use masked or de-identified data wherever feasible; Respondents should describe their approach to data minimization, data protection, and data residency, including any restrictions on processing data outside the continental United States.

The Role of this RFI and Points of Interest to NYCHA

This RFI will be the mechanism by which NYCHA can gauge available process mining and process intelligence solutions. NYCHA's interaction with interested parties will be iterative and may include some or all of the following: written responses to this RFI, follow-up interviews, product demonstrations, and/or meetings. The RFI is intended to focus on:

- Improving NYCHA's understanding of the process mining and process intelligence solutions and services currently on the market; and
- Evaluating the technological opportunities and challenges each solution presents for cross-system process visibility in NYCHA's environment.

RFI Response — Questions and Response Guidelines for Respondents

Respondents are encouraged to provide a detailed description of their process mining and process intelligence solution, a proposed implementation plan and estimated timeline for the POC, relevant case studies, references from previous implementations (public sector, public housing authority, or NYC agency experience preferred), and responses to the following questions:

1. What capabilities does your solution currently provide (process discovery, conformance checking, dwell-time and bottleneck analysis, operational dashboards, alerting, task routing, automation)? What additional functionality is on your product roadmap?
2. Describe your experience extracting event data from Oracle Siebel CRM, Oracle databases, document/content management platforms, and IBM i (AS400) systems. Identify reference customers where your solution has mined Siebel data and indicate whether extraction was performed by your firm or an implementation partner.
3. Describe your recommended architecture and extraction pattern for near real-time process monitoring from on-premises Oracle/Siebel environments without introducing performance or trigger risk to production systems.
4. Describe how your data model represents processes involving multiple related objects across systems (for example: household, recertification case, document, requirement, and notice), including any support for object-centric or multi-object process mining.

5. Describe your deployment models (SaaS, government cloud, on-premises), where monitoring data is stored, your security accreditations and certifications (e.g., FedRAMP, SOC 2, StateRAMP), and your ability to restrict data processing to the continental United States.
6. Describe your approach to data protection during a POC, including data minimization, masking or de-identification, encryption, access controls, breach notification, and data return or destruction at POC conclusion.
7. Provide the following system information: (a) hardware and infrastructure requirements; (b) software features; (c) scalability and flexibility; (d) integration and communication interface requirements; (e) backward and forward compatibility with your product line; (f) expandability in terms of features; (g) acceptance testing program; (h) system installation, integration, and maintenance costs for a production deployment; and (i) support, warranty, and maintenance model.
8. Describe your proposed POC structure and timeline, including the activities, resources, and data access you would require from NYCHA, and confirm your willingness to perform the POC at no cost under NYCHA's standard POC agreement, NDA, and insurance requirements.
9. Describe your licensing model and provide indicative pricing structures for a production deployment following a successful POC, including any pilot or time-boxed licensing options with exit rights.

Submission Details

- Inquiries: Any inquiries concerning this RFI should be made to: Michael.Edugene@nycha.nyc.gov.
- Submission: RFI responses should be submitted to: Michael.Edugene@nycha.nyc.gov, Daniel.Morales@nycha.nyc.gov and Robert.McNally@nycha.nyc.gov.
- Due Date: RFI responses are due by Tuesday, August 18, 2026 at 5:00 P.M. EST. The RFI response is limited to a ten-page response, exclusive of standard marketing attachments.

Additional Information

1. NYCHA, its officials, officers, agents, and employees make no representation or warranty and assume no responsibility for the accuracy of the information set forth in this RFI.
2. NYCHA shall not be liable for any costs incurred by any Respondent in the preparation, submittal, presentation, demonstration, clarification, or revision of its submission, and shall not be obligated to pay any costs in connection with the preparation of such submissions.
3. Participation in this RFI or any resulting POC does not guarantee any Respondent any business opportunity or contract with NYCHA. Any future purchase of software or services will be conducted in accordance with NYCHA's procurement rules and applicable law.
4. NYCHA, at its sole discretion and without limitation, reserves the right to: withdraw the RFI at any time; discuss various approaches with one or more Respondents (including parties not responding to the RFI); use the ideas and/or submissions in any manner deemed to be in the best interests of NYCHA, including but not limited to soliciting competitive submissions relating to such ideas or undertaking the prescribed work in a manner other than that set forth herein; and change any terms of the RFI.
5. All submissions shall become the property of NYCHA and shall not be returned. Respondents acknowledge and understand that none of the information contained in the submissions shall be deemed confidential, and information in the submissions may be shared with other governmental entities or in response to a Freedom of Information Law request. Respondents should not submit any information deemed to be proprietary.
6. NYCHA is subject to the New York State Freedom of Information Law ("FOIL") (Public Officers Law, Sections 87 and 89), which governs the public disclosure of certain records maintained by NYCHA. Individuals or firms that submit materials to NYCHA may request in writing that NYCHA except all or part of such materials from public disclosure on the grounds that the materials contain trade secrets or proprietary information, or that disclosure would cause substantial injury to the competitive position of the individual or firm. The request must state, in detail, the specific reasons for the requested exception and specify the materials or portions thereof for which the exception is

requested. If NYCHA grants the request, NYCHA shall keep such materials or portions thereof in secure facilities.

7. PUBLIC ANNOUNCEMENTS News releases or other public announcements relating to this RFI must not be made by any party without the prior written approval of NYCHA.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Housing Authority, 90 Church Street, New York, NY, 10007. Daniel Morales (212) 306-3602; Daniel.Morales@nycha.nyc.gov; Robert.McNally@nycha.nyc.gov; Michael.Edugene@nycha.nyc.gov

SOLICITATION

Construction / Construction Services

SMD A&CM RFQ #517996 - ELEVATOR REHABILITATION AT STRAUS AND RUTGERS - Competitive Sealed Bids - PIN#517996 - Due 9-10-26 at 11:00 A.M.

Scope of Work

- The Work under this Contract (RFQ No. 517996 – Elevator Package) consists of the rehabilitation, modernization, maintenance, and service of fourteen (14) elevators across seven (7) residential buildings, including ten (10) elevators in five (5) buildings at Rutgers Houses and four (4) elevators in two (2) buildings at Straus Houses. The Contractor shall provide all labor, materials, equipment, supervision, and incidental services necessary to complete the Work in accordance with the Contract Documents.
- The scope includes, but is not limited to, the removal and replacement of existing elevator systems and the furnishing and installation of new elevator equipment, including machines, controls, hoistway components, car enclosures, doors, communication systems, safety devices, and associated electrical components. The Work also includes testing, inspection, commissioning, training, and coordination with NYCHA and other trades, including a separate electrical package.
- The Work shall be performed in phased construction to maintain building operations, with coordination requirements intended to minimize service interruptions and impacts to residents. The Contractor shall comply with all scheduling, outage duration, and performance requirements established in the Contract Documents.
- In addition to construction and modernization activities (Part A), the Contractor shall enter into a separate Maintenance and Service Agreement (Part B) to provide ongoing elevator maintenance and support services following completion of modernization.

RFQ Solicitation Timetable

A non-mandatory virtual pre-bid conference will be held on 8/19/2026 at 11:00 A.M., via Microsoft Teams. Pre-bid Teams Meeting information: (646) 838-1534, Conference ID: (289 527997 635 211) Passcode: fF7kk2rq. Although attendance is not mandatory; it is strongly recommended that all interested vendors attend.

<https://teams.microsoft.com/meet/289527997635211?p=OO4oXozPB399qhJ9bw>

All questions related to this RFQ are to be submitted via email to the A&CM Procurement Unit at atacm.procurement@nycha.nyc.gov with the RFQ number as the Subject line by no later than 8/25/2026 on 2:00 P.M. Bidders will be permitted to ask additional questions at the Pre-bid Conference. Responses to all submitted questions will be available for public viewing in Sourcing under the RFQ.

Bid Submission Requirements

Vendors shall electronically upload a single .pdf containing ALL components of the bid into iSupplier by the RFQ Bid Submission Deadline. NYCHA will NOT accept hardcopy Bids or bids via e-mail, fax, or mail. Instructions for registering for iSupplier can be found at <http://www1.nyc.gov/site/nycha/business/isupplier-vendor-registration.page>.

After Bidder registers for iSupplier, it typically takes 24 to 72 hours for Bidder's iSupplier profile to be approved.

Pre-Bid Conference: August 19, 2026, 11:00 A.M.
Site Visits: August 20, 2026, 9:00 A.M.

RFQ Question Deadline: August 25, 2026, 2:00 P.M.
Question and Answer Release Date: September 1, 2026

It is Vendors' sole responsibility to complete iSupplier registration and submit its Bid before the RFQ Bid Submission Deadline. NYCHA is not responsible for delays caused by technical difficulty or caused by any other occurrence. For assistance regarding iSupplier please email procurement@nycha.nyc.gov.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Services (other than human services)

RFP 521165 - RISK MANAGEMENT CONSULTING SERVICES

- Request for Proposals - PIN#521165 - Due 9-3-26 at 2:00 P.M.

NYCHA, by issuing this RFP 521165, seeks proposals ("Proposals") from qualified firms and nonprofit organizations firms (the "Proposers") to provide NYCHA with Risk Management Consulting Services, as detailed more fully within Section II of this RFP (collectively, the "Services").

NYCHA intends to enter into up to one (1) agreement(s) (the "Agreement(s)") with the selected Proposer(s) (the "Selected Proposer(s)" or the "Consultant(s)") to provide the Services.

A non-mandatory Proposers' conference ("Proposers' Conference") will be hosted online via Microsoft Teams on August 19th, 2026, at 10:00 A.M. Although attendance is not mandatory at the Proposers' Conference, it is strongly recommended that all interested Proposers attend, and that Proposers thoroughly review bid documents in advance of the meeting. To participate in the Pre-Bid Conference, please follow the instructions below:

Option 1: Copy and paste the below into your browser.
<https://teams.microsoft.com/meet/243345058204708?p=oYb8H2QLivEYtiosn>

Meeting ID: 243 345 058 204 708
Passcode: vz6vS3LC

Option 2: call in (audio only)
+1 646-838-1534,,202026880#

Phone Conference ID: 202 026 880#

Option 3: Access the document "TEAMS Meeting Link RFP 521165" and click on the embedded link to join.

Proposals must be successfully submitted into iSupplier in final form no later than 2:00 P.M. on September 3rd, 2026 (the "Proposal Submission Deadline"). Proposals which are saved in iSupplier as a "draft" but not successfully submitted will not be considered. Proposers should refer to Section IV(2) of this RFP for details on Proposal submission requirements.

The anticipated award date of the Agreement(s) to the Selected Proposer(s) is on or about January 2027.

All times stated above are Eastern Standard Time (EST).

Proposer shall electronically upload a single .pdf containing ALL components of the Proposal into iSupplier by 2:00 P.M. on the Proposal Submission Deadline. NYCHA will NOT accept hardcopy proposals. The Proposal shall not include Embedded documents or proprietary file extensions. NYCHA will not accept Proposals via e-mail, fax, or mail. Instructions for registering for iSupplier can be found at <http://www1.nyc.gov/site/nychabusiness/isupplier-vendor-registration.page>. After Proposer registers for iSupplier, it typically takes 24 to 72 hours for Proposer's iSupplier profile to be approved. It is Proposer's sole responsibility to complete iSupplier registration and submit its Proposal before the Proposal Submission Deadline. NYCHA is not responsible for delays caused by technical difficulties or any other occurrence.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Housing Authority, 90 Church Street, 6th Floor, New York, NY 10007. Alexander Davila (212) 306-4512; professionalservices.procurement@nycha.nyc.gov

HUMAN RESOURCES ADMINISTRATION

■ AWARD

Human Services/Client Services

CASE MANAGEMENT SERVICE - Competitive Sealed Proposals/ Pre-Qualified List - Other - PIN#06924P0026002 - AMT: \$500,000.00 - TO: Neighbors 4 Neighbors Incorporated, 76 Church Street, Tarrytown, NY 10591.

DSS/HRA goals and objectives is to provide emergency and on-call case management services to victims affected by a large-scale disaster or other emergencies. Case managers would facilitate the delivery of appropriate resources and services. The selected proposers would work with disaster survivors to develop and carry out a client-specific recovery plan with the goal of stabilization and a return to normalcy. This partnership would facilitate client access to a range of resources. The services to be provided may include an assessment of the client verified disaster-caused unmet needs; development of a goal-oriented plan; organization and coordination of information on available resources; monitoring progress toward reaching the recovery plan goals; and, when necessary, client advocacy. Clients may access services by visiting DASCs, Mobile Outreach Units, or other facilities established by the City. Depending on the size and scope of the disaster, Mobile Outreach Units may be required to canvass the city for those who are unable to reach Restoration Centers. Competition Pool 1 Bronx.

Judgment is required in evaluating competing proposals, and it is in the best interest of the City to require a balancing of price, quality and other factors.

YOUTH AND COMMUNITY DEVELOPMENT**AGENCY CHIEF CONTRACTING OFFICE****■ AWARD***Human Services/Client Services*

FY27 BEACON PROGRAM NAE - Negotiated Acquisition - Other -
PIN# 26026N0030025 - AMT: \$2,951,591.00 - TO: Aspira of New York Inc, 15 West 36th Street, 15th Floor, New York, NY 10018-7107.

DYCD's Beacon programs are collaborative, school-based community centers designed to provide quality services to youth and adults after school, in the evenings, and on weekends. The Beacons represent a unique convergence of youth and community development, through an integrated range of services, provided in an educational environment, and tailored to local needs.

The Extension of these contracts is crucial to ensure continuity of services. The ACCO has determined that an extension of these services will be beneficial to the City since the same terms and conditions remain. In addition, the current contractors are familiar with Community Center Programming and have been performing satisfactory and above on their current contract(s).

✦ a11

LEGAL SERVICES FOR DOMESTIC VIOLENCE. - Negotiated Acquisition - Other - PIN# 26026N0021008 - AMT: \$882,900.00 - TO: Sanctuary for Families Inc, P.O. Box 1406, Wall Street Station, New York, NY 10268-1406.

Legal service contracts provide legal services to non-citizens to assist with applications for citizenship, permanent residence, and many other immigration-related legal services. The services consist of legal services for immigrants, immigrant youth, survivors of domestic violence and trafficking and legal services for immigrant workers. DYCD wishes to extend our current portfolio while the new RFP is being developed.

✦ a11

YOUTH SERVICES**■ AWARD***Human Services/Client Services*

COMPASS PROGRAMS IN PUBLIC SCHOOLS - ELEMENTARY
- Competitive Sealed Proposals/Pre-Qualified List - Other - PIN# 26026P0003014 - AMT: \$8,690,400.00 - TO: School Settlement Assoc Inc, 2 Kingsland Avenue, Brooklyn, NY 11211-2306.

COMPASS and SONYC is one of DYCD's largest programs, with over 820 programs collectively throughout the five boroughs. Families rely on these programs to provide elementary and middle school students, during after school hours, summer and on holidays, programing which includes educational support, recreation, enrichment, and cultural activities to support and strengthen the overall development of our youth. Programs are offered at no cost to youth and are purposefully located in public and private schools, community centers, religious institutions, public housing and parks recreational facilities throughout the City to help families find a place that best fits their youth's needs.

DYCD has determined that Competitive Sealed Bidding is neither practicable nor advantageous to the City because this procurement necessitates the exercise of judgment in evaluating competing proposals and requires a balancing of price, quality, and programmatic factors to achieve the best outcomes. COMPASS programs are a critical part of the City's effort to support working families by providing free, high-quality afterschool and summer childcare services. They offer a wide range of enrichment activities that help students in Kindergarten through Grade 8 develop academically, socially, and emotionally, both in and out of the classroom. Given the complex nature of this work requiring cultural competency, deep community engagement, and tailored programming to meet the diverse needs of NYC youth a proposal-based evaluation is essential. This approach allows DYCD to select providers not only based on cost, but also on their demonstrated

experience, organizational capacity, staffing approach, and commitment to equitable service delivery. Therefore, the use of an RFP, rather than Competitive Sealed Bidding, is the most appropriate method to ensure the highest quality of services are delivered in alignment with the City's goals for youth development and family support.

OFFICE OF NEIGHBORHOOD SAFETY MEDIATION PROGRAM - Negotiated Acquisition - Other - PIN#26026N0032001 - AMT: \$256,244.00 - TO: Congregations Linked in Urban Strategy to Effect Renewal Inc, 28 Wells Avenue, 4th Floor, Yonkers, NY 10701.

The ONS MAP Mediation Program provides borough-based conflict mediation services for as an alternative to court involvement, enabling parties to voluntarily resolve disputes and reach mutually agreed-upon outcomes while preventing escalation of conflict and potential violence. DYCD seeks approval to use the Negotiated Acquisition method in accordance with PPB Rule §3-04 (b) (2) (i) (C). This approach allows the agency to negotiate directly with a qualified community-based organization (CBO) while ensuring there is no gap in the operation of these critical services.

The continuation of these programs will provide borough-based conflict mediation services as an alternative to court involvement, enabling parties to voluntarily resolve disputes and reach mutually agreed-upon outcomes while preventing escalation of conflict and potential violence. DYCD is in the process of completing its solicitation for COMPASS and once that RFP has been approved and awarded, DYCD will work on the RFP for Mediation Services in the Bronx. DYCD will negotiate with this provider with records of satisfactory performance on public contracts of similar scope and nature.

AGENCY RULES**LOFT BOARD****■ NOTICE****Notice of Adoption**

The New York City Loft Board hereby gives notice—pursuant to the authority granted by Multiple Dwelling Law § 282 and New York City Charter § 1043—of the adoption of amendments to its rules in Title 29 of the Rules of the City of New York.

The amendments in this rule were proposed and published on February 4, 2026. A public hearing was held on March 19, 2026. The Loft Board received six comments from the public.

Statement of Basis and Purpose of Rules

Background

In 1982, the New York State Legislature enacted Article 7-C of the Multiple Dwelling Law (MDL), also known as the Loft Law. The Loft Law created a new class of buildings in New York City called interim multiple dwellings (IMD). Initially, the Loft Law allowed the conversion to residential space of former commercial and manufacturing spaces that were used as residences by at least three or more families living independently from April 1, 1980, through December 1, 1981, in zoning districts that permitted residential use. The Legislature subsequently amended the Loft Law to allow for the conversion of commercial or manufacturing space in additional districts and additional time periods. In the most recent amendment, in June 2019, the Legislature adjusted the eligibility criteria for coverage under MDL § 281(5) and expanded the scope of the law to include spaces used as residences for twelve consecutive months between 2015 and 2016.

Legislative findings in MDL § 280 indicate that the Legislature intended Article 7-C to be remedial in nature. The Legislature declared a serious public emergency created by the illegal conversion of former commercial and manufacturing spaces to residential use, without compliance with the applicable laws. The Loft Law legitimized the residential tenancy and designated such converted units as IMDs, directed owners to complete a legalization process, and provided for the possibility of an adjustment in rent to help pay for the costs of compliance. Because the residential tenancy was given legal status, the tenants were not required to relocate. Pursuant to Article 7-C, residential tenants are protected from eviction (also known as “protected occupancy” status), provided that the unit is used as their primary residence.

Recognizing that the issues related to loft units and Loft Law-protected tenants are novel and therefore require a different regulatory approach compared to other types of buildings or structures, the Legislature established the Loft Board, which is charged with overseeing the legalization of IMD spaces. The Loft Board has three primary functions: legislative, quasi-judicial and enforcement. As part of its legislative function, the Loft Board promulgates rules to implement the Loft Law. As part of its quasi-judicial functions, the Loft Board resolves disputes regarding coverage and protected occupancy determinations under Article 7-C, among other disputes, and as part of its enforcement function, the Loft Board may initiate proceedings and impose penalties for violations of Article 7-C or a rule in Title 29 of the Rules of the City of New York.

MDL § 284 explicitly provides that IMD owners must comply with the fire and safety standards of Article 7-B for legalization of IMD units. Prior to Article 7-C, the legalization provisions of Article 7-B only applied to Joint Living-Work Quarters for Artists (“JLWQA”). Article 7-C expanded these provisions to legalization of IMDs under Article 7-C. The Article 7-B provisions were designed to simplify the conversion process of non-residential buildings to residential use. Like the JLWQA units, loft units often have a portion of space that is used for business purposes.

Acknowledging the unique circumstances of loft living, including the historical live/work use in IMDs, and the remedial purpose of the Loft Law, the Loft Board developed a comprehensive multi-factor review of the evidence presented to decide primary residence issues in protected occupancy cases.

The rule amendments clarify the criteria in protected occupancy determinations in § 2-08(s) of Title 29 of the Rules of the City of New York. The amendments make clear that representations and deductions on tax returns prior to filing for protected occupancy alone are not determinative. These representations and deductions are only one factor to be considered by the Loft Board as part of the Board’s review of all relevant evidence submitted. The rule also adds employment records, school records, and bank records as additional factors the Loft Board may consider in making a determination on protected occupancy status.

On July 17, 2025, the Loft Board voted to initiate the rulemaking process under the Citywide Administrative Procedure Act for this rule amendment.

A public hearing was held on March 19, 2026. The Loft Board received six comments from the public. One comment opposed the change, arguing that information included on tax returns should be determinative of whether an individual uses an IMD unit as a primary residence because the common-law tax estoppel principle articulated in *Mahoney-Buntzman v. Buntzman*, 12 N.Y.3d 415 (2009), generally precludes an individual from taking a legal position that is contrary to what is reflected on their tax return. The Appellate Division, First Department expressly applied this default rule to an IMD proceeding

in *Matter of One Double Nine Dashing LLC v. N.Y.C. Loft Board*, 211 A.D.3d 540 (2022). However, the Loft Board’s rulemaking reflects its judgment that the default rule does not serve the distinctive purpose and goals of the Loft Law.

The Loft Law is designed to protect tenants residing in non-residential spaces and compel owners to bring such spaces into compliance with residential safety laws. The statute addresses units that, by definition, are not legalized for residential occupancy. The Loft Law’s objectives are best served when tenants residing in qualifying units without certificates of occupancy are encouraged to bring those units to the attention of the Loft Board so that the units may be legalized, without the process being chilled or thwarted by a rule holding that any inconsistency in tenants’ tax reporting will doom their application. The tax estoppel principle articulated in *Mahoney-Buntzman* and applied in *One Double Nine Dashing* thus fails to effectuate the purposes of the Loft Law. Protected occupancy proceedings under the Law are not intended to police tax code compliance, but to enable tenants residing in units without certificates of occupancy to claim certain residential protections, provided that the unit is their primary residence.

One Double Nine Dashing provides an excellent example of why the *Mahoney-Buntzman* rule does not best effectuate the Loft Law’s purposes. It was undisputed there that the tenants used the pertinent loft as their primary residence and listed it as such on their federal and state tax returns throughout the pertinent period. The Appellate Division nevertheless precluded them from claiming the loft as their primary residence because they had taken a partial rental deduction as a business expense, in alleged violation of a federal tax code provision that purportedly prohibited taking such an exemption for a unit used as both a business location and a primary residence.

It is the view of the Loft Board that this application of the common-law rule undermined the purpose of the Loft Law, which is to protect tenants who have been living and working in certain buildings even if they did so in violation of law. It is the further view of the Loft Board that a more holistic rule better suits the Loft Law’s underpinnings, which are inconsistent with “clean hands” principles requiring strict legal compliance before tenants may claim legal protections against the landlords who profited from their illegal residency.

Under the review process as amended by this rule, the Board will consider not only tax returns, but also other personal records such as driver’s licenses, school records, bank records, and employment records. The rule as amended does not preclude the Loft Board from considering the information listed in a tax return insofar as it bears on whether the tenants resided in the unit as their primary residence; it merely allows the Board to also consider other relevant information. Therefore, no changes have been made in response to this comment.

Another comment did not address the proposed amendment. The other four comments were supportive.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Paragraph 5 of subdivision (s) of section 2-08 of Title 29 of the Rules of the City of New York is amended, and new subparagraphs (iii) and (iv) are added, to read as follows:

(5) (i) In addition to the requirements contained in paragraphs (1), (2), (3) and (4) of this subsection, the Loft Board may find an individual is a protected Occupant only if the individual uses the IMD unit as a primary residence on the filing date of the Application for protected occupancy.

(ii) In determining whether an individual uses the IMD unit as a primary residence, the Loft Board may refer to precedent from the Housing Part of the Civil Court for guidance as to the type of evidence commonly used to prove primary residence. [Although no single factor is determinative, factors for the Loft Board to consider]

(iii) The Loft Board shall consider all relevant evidence presented in determining whether the individual uses the IMD unit as a primary residence [include] including, but [are] not limited to:

(A) Whether the individual resides in the IMD unit;

(B) Whether the individual keeps furniture, clothing and other personal effects in the IMD unit;

(C) Whether the individual listed the IMD unit as a residential address on official documents, [filed with government agencies.] Such documents may include, but are not limited to, a tax return, employment records, school records, bank records, a motor vehicle registration, a driver license, or a voter registration;

(D) Whether the individual subleased the unit to another in violation of law or the Loft Board’s rules; and

(E) Any other factor the Board deems relevant.

(iv) No single category of relevant evidence described in clauses (A) through (E) of subparagraph (iii) of this paragraph, including a tax return, shall, by itself, be determinative of the Board's decision whether an individual uses the IMD unit as a primary residence.

Metropolitan Museum of Art, Interior Landmark			
Metropolitan Museum of Art, Individual Landmark			

To the Mayor, the Council, and the NYC Department of Parks and Recreation;

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission, at the Public Meeting of May 19, 2026, following the Public Hearing of the same date, voted to issue a favorable report for the proposed work, as put forward in your application completed on April 27, 2026.

The proposed work consists of installing sixty-seven (67) signs, all featuring a black finished panel, with lettering and illustrations in lighter colors, providing information about rules and hours of operation for the park, and placed near the entrances throughout the perimeter of Central Park, including ten (10) resin composite sign panels, measuring 41" wide x 28" high (Type A signs), mounted on paired black painted metal posts, and installed within landscaping; fifty (50) resin composite sign panels, measuring 20" x 35" high (Type B signs), including one sign, attached with black finished metal banding straps, at the ironwork fence at Vanderbilt Gate at East 106th Street, and forty-nine (49) signs, mounted on single black painted metal posts and installed within landscaping; and six (6) metal sign panels, measuring 13" wide x 24" high (Type C signs), attached to existing lampposts with black finished metal banding straps, near entrances to the park, without large expanses of landscaping close by. The work was shown in a digital presentation, titled "Consolidated Rules Signage in Central Park" and dated May 19, 2026, consisting of ninety-seven (97) slides of existing conditions photographs, renderings, and drawings, all prepared by Central Park Conservancy, and presented at the Public Hearing and Meeting.

In reviewing this proposal, the Commission noted that the Central Park Scenic Landmark Designation Report describes Central Park as an English Romantic style public park designed in 1857-58 by Frederick Law Olmsted and Calvert Vaux. The Commission also noted that Advisory Commission Report 97-2328 (LPC 96-3139) was issued on November 12,

1996, for a Master Plan for 42 standard kiosk signs, each triangular in plan and measuring 6'-8" in height.

With regard to this proposal, the Commission found that the installation of the proposed signs will not damage or eliminate any significant historic architectural or landscape features; that the signs provide important site specific and relevant rules and hours of operation in multiple languages, and that the specific spacing, placement and size of the signs will correspond to the circulation at the park entrances; that the proposed signs will be simply and uniformly designed, well scaled to their locations, and consistent with typical park signage in terms of placement, material, and finishes, thereby helping to provide a coherent informational system, without drawing undue attention to the signs; that the materials and finishes of the signs, including black finished metal and composite resin panels, with modestly scaled contrasting lettering and images, and black painted metal posts, will be harmonious with the surrounding materials and finishes at the entrances; and that the work will not obstruct views of prominent vistas or diminish the historic, naturalistic character of the park. Based on these findings, a quorum of Commissioners voted to support the application as presented.

Please note that informational signage for restrooms, attached to buildings and other structures within Central Park, shown in the appendix of the presentation was not reviewed by the Commissioners at the public hearing and meeting of May 19, 2026 and is not part of the work reviewed under this report.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Lacy Williams.

ADDRESS: 96 SOUTH STREET Apt/Floor: 1, MEZZ, 2, MEZZ 2, ROOF		BOROUGH: Manhattan	BLOCK/ LOT: 73 / 11
South Street Seaport Historic District			

To the Mayor, the Council, and the NYC Economic Development Corp,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for interior alterations only at the first through third floors, as described in an email, dated June 3, 2026, prepared by George Giaquinto; and as shown on drawings G-000, G-001, G-002, G-101 through G-105, A-100 through A-105, A-150, A-155 through A-158, A-160, A-200 through A-203, A-250, A-400, A-605, and AS-100 through AS-103, dated May 8, 2026, and prepared by William S. Mandara, R.A.; drawings P-001, P-002, P-300 through P-305, P-500, P-510, P-600, P-700, FP-001, FP-002, FP-300 through FP-305, FP-500, FP-600, FP-700, M-001 through M-006, M-300, M-301 through M-305, M-500, M-501, M-502, M-700 through M-704, M-800, and M-801, dated April 24, 2026;

drawings EN-001 through EN-004, EN-101, and EN-102, dated March 27, 2026, and prepared by John E. Bredehorst, P.E.; all submitted as components of the application.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process. All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval.

The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Brian Blazak.

ISSUE DATE:	EXPIRATION DATE:	DOCKET #:	SRB
06/05/26	6/5/2032	LPC-26-11221	SRB-26-11221
ADDRESS:		BOROUGH:	BLOCK/ LOT:
N/A CITY HALL PARK		Manhattan	122 / 1
African Burial Ground & The Commons Historic District IRT Subway System Underground Interior, Interior Landmark			
New York County Courthouse (Tweed Courthouse), Individual Landmark			
City Hall, Individual Landmark			

To the Mayor, the Council, and the NYC Department of Parks & Recreation;

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing twelve (12) temporary freestanding sculptures ("Genesis Belanger: Heads or Tails") within the south portion of City Hall Park, including four (4) sculptures, featuring patinated brass, powder coated aluminum and steel, and painted bronze, and mounted on steel plates with a neoprene base layer, and placed at select locations on bluestone paving; two (2) patinated bronze sculptures, mounted on concrete bases with a neoprene base layer, and placed at select locations on bluestone paving; and six (6) sculptures, featuring pigmented cast concrete, stainless steel legs, and mounted on steel plates with a neoprene base layer, and placed at select locations within the Jacob Wrey Mould Fountain; and installing temporary PVC signage at existing ironwork utilizing zip ties and tape, including four (4) signs at the perimeter fence, five (5) signs at select lampposts, and two (2) signs at freestanding stanchions, all to be removed by November 15, 2026, as described and shown in a letter, dated May 12, 2026, and prepared by Elizabeth Masella of NYC Parks; an email, dated June 1, 2026, and prepared by Sybil Young; and a letter, dated May 7, 2026, and one 30-page document, dated June 2-November 15, 2026 and prepared by the Public Art Fund; and one 8-page document, dated May 2026 and prepared by the Public Art Fund, all submitted as components of the application.

In reviewing this proposal, the Commission notes that the African Burial Ground and the Commons Historic District Designation reports describe City Hall Park, formerly known as the southern portion of the Commons, as a landscaped park designed in 1870, and later altered, following a proposal by Robert Moses, in 1935.

With regard to this proposal, the Commission finds that the work is in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, including Section 2-05 for Temporary Installations. Based on these findings, the Commission determines the proposed work to be appropriate to City Hall Park and to the African Burial Ground and the Commons Historic District.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>.

In issuing this report, the Commission stipulates that should artifacts, human remains, or other cultural material be encountered during the course of work, work should stop immediately pending Commission notification and review. If artifacts or other cultural material are encountered, contact Amanda Sutphin at (212) 669-7823.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Lacy Williams.

06/08/26	6/8/2032	LPC-26-11265	SRB-26-11265
ADDRESS:		BOROUGH:	BLOCK/ LOT:
336 CLINTON STREET		Brooklyn	324 / 42
Cobble Hill Historic District			

To the Mayor, the Council, and the NYC Department of Parks and Recreation;

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for alterations at the sidewalk adjacent to 336 Clinton Street, including expanding a tree pit by removing two bluestone pavers, adjacent to the tree pit, as described and shown in existing conditions photographs; a letter, dated May 15, 2026, and prepared by Zane Weinberger; and an undated 6-page document, consisting of written descriptions, drawings, and annotated photos, prepared by NYC Parks, all submitted as components of the application.

In reviewing this proposal, the Commission notes that the Cobble Hill Historic District Designation Report describes 336 Clinton Street as a rowhouse built in the mid-19th Century; and that the building's style, scale, materials, and details are among the features that contribute to the special architectural and historic character of the historic district.

With regard to this proposal, the Commission finds that the work is in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-19 for Sidewalks, including Section 2-19(h) for installation or expansion of tree pits, sidewalk planting areas, or bioswales. Based on these findings, the Commission determined that the work is appropriate to the building and to the Cobble Hill Historic District. The work, therefore, is approved.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially

different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ISSUE DATE:	EXPIRATION DATE:	DOCKET #:	SRB
06/02/26	6/2/2032	LPC-26-11359	SRB-26-11359
ADDRESS:		BOROUGH:	BLOCK/ LOT:
N/A		Manhattan	/
Lampposts Greenwich Village Historic District			

To the Mayor, the Council, and the Office of Technology and Innovation, This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing a telecommunications poletop antenna and shroud, and associated transmitter box mounted on an existing light pole, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located within the Greenwich Village Historic District. The work consists of installing one (1) grey finished telecommunications poletop equipment shroud and transmitter box, in conjunction with replacing the pole shaft and base, in-kind; temporarily removing and reinstalling any existing attachments at the new shaft, as needed; and excavating concrete paving where the concrete will be replaced to match the pre-existing tint and scoring, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated May 19, 2026, prepared by Judith Garcia of NYC OTI, all submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions; and that the Public Design Commission issued Certificate 27570 on August 10, 2020, approving the design of shrouds for 4G and 5G mobile telecommunications equipment on light poles, with associated conditions. The Approved poletop identification number within the Greenwich Village Historic District is: 9726.

With regard to this proposal, the Commission finds that the neutral finish, simple design, and mounting height of the proposed poletop antenna and transmitter box will help them to be discreet installations at the upper portions of the light poles; that the installations will not call attention to themselves and will not detract from the streetscape; that the replacement shaft and base will match the existing in terms of placement, material, design, and finish; that the temporary removal and reinstallation of attachments will facilitate the installation of the telecommunications equipment; and that any concrete sidewalks to be excavated will be replaced with new concrete to match the tint and scoring of the adjacent concrete paving. Based on these findings, the

proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch archival-quality color photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Robert Watkins.

ADDRESS:		BOROUGH:	BLOCK/ LOT:
1698 BERGEN STREET		Brooklyn	1356 / 124
Houses on Hunterfly Road, 1698 Bergen Street, Individual Landmark			

To the Mayor, the Council, and the NYC Department of Design & Construction

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for exterior work at the primary and secondary facades, including installing horn strobes with metal damage stoppers, all with a white finish, located adjacent to the entrances, in conjunction with upgrading the fire alarm system, as shown on drawings labeled A-101.00 and A-200.00 dated April 24, 2020 and last revised September 2, 2025, prepared by Daniel Joseph Allen, R.A. and submitted as components of the application.

In reviewing this proposal, the Commission notes that the Houses on Hunterfly Road, 1698 Bergen Street Individual Landmark Designation Report describes 1698 Bergen Street as one of four vernacular frame houses built circa 1830.

With regard to this proposal, the Commission finds that the work is in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-20(b) for Health, Safety, and Utility Equipment. Based on these findings, the work is approved.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately.

ADDRESS:		BOROUGH:	BLOCK/ LOT:
1700 BERGEN STREET		Brooklyn	1356 / 26
Houses on Hunterfly Road, 1700 Bergen Street, Individual Landmark			

To the Mayor, the Council, and the NYC Department of Design & Construction

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for exterior work at the primary and secondary facades, including installing horn strobes with metal damage stoppers, all with a white finish, located adjacent to the entrances, in conjunction with upgrading the fire alarm system, as shown on cut sheets; and drawings labeled A-102.00 and A-201.00 dated April 24, 2020 and last revised September 2, 2025, prepared by Daniel Joseph Allen, R.A. and submitted as components of the application.

In reviewing this proposal, the Commission notes that the Houses on Hunterfly Road, 1700 Bergen Street Individual Landmark Designation Report describes 1700 Bergen Street as one of four vernacular frame houses built circa 1830.

With regard to this proposal, the Commission finds that the work is in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-20(b) for Health, Safety, and Utility Equipment. Based on these findings, the work is approved.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. 1702-04 BERGEN STREET		Brooklyn	1356 / 126
Houses on Hunterfly Road, 1702 Bergen Street, Individual Landmark			

To the Mayor, the Council, and the NYC Department of Design & Construction

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for exterior work at the primary and secondary facades, including installing horn strobes with metal damage stoppers, all with a white finish, located adjacent to the entrances, in conjunction with upgrading the fire alarm system, as shown on cut sheets; and drawings labeled A-103.00 and A-202.00 dated April 24, 2020 and last revised September 2, 2025, prepared by Daniel Joseph Allen, R.A. and submitted as components of the application.

In reviewing this proposal, the Commission notes that the Houses on Hunterfly Road, 1702-04 Bergen Street Individual Landmark Designation Report describes 1702-1704 Bergen Street as one of four vernacular frame houses built circa 1830.

With regard to this proposal, the Commission finds that the work is in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-20(b) for Health, Safety, and Utility Equipment. Based on these findings, the work is approved.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Caroline Pasion.

Houses on Hunterfly Road, 1706 Bergen Street, Individual Landmark			

To the Mayor, the Council, and the NYC Department of Design & Construction,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for exterior work at the primary and secondary facades, including installing horn strobes with metal damage stoppers, all with a white finish, located adjacent to the entrances, in conjunction with upgrading the fire alarm system, as shown on cut sheets; and drawings labeled A-103.00 and A-202.00 dated April 24, 2020 and last revised September

2, 2025, prepared by Daniel Joseph Allen, R.A. and submitted as components of the application.

In reviewing this proposal, the Commission notes that the Houses on Hunterfly Road, 1706-08 Bergen Street Individual Landmark Designation Report describes 1706-1708 Bergen Street as one of four vernacular frame houses built circa 1830.

With regard to this proposal, the Commission finds that the work is in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-20(b) for Health, Safety, and Utility Equipment. Based on these findings, the work is approved.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Caroline Pasion.

Western Union Building, Individual Landmark			

To the Mayor, the Council, and the Agency - Office of Technology and Innovation,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing a telecommunications poletop whip antenna and associated transmitter box mounted on an existing light pole, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located adjacent to the Western Union Building Individual Landmark. The work consists of installing one (1) gray finished telecommunications whip antenna and transmitter box, as described and shown in existing conditions photographs, locator map, poletop manager print out, drawings, and a letter, dated June 9, 2026, prepared by Judith Garcia of NYC OTI, and submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter boxes are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter

boxes, with associated conditions; and that the Public Design Commission issued Certificate 27570 on August 10, 2020, approving the design of shrouds for 4G and 5G mobile telecommunications equipment on light poles, with associated conditions. The Approved poletop identification number adjacent to the Western Union Building Individual Landmark is: 24728.

With regard to this proposal, the Commission finds that the neutral finish, simple design, and mounting height of the proposed poletop antenna and transmitter box will help them to be discreet installations at the upper portions of the light pole; that the installations will not call attention to themselves and will not detract from the landmark; and that the installation will utilize an existing handhole at the concrete sidewalk adjacent to the light pole. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Winnie Chau.

ADDRESS:		BOROUGH:	BLOCK/ LOT:
476 5TH AVENUE Apt/Floor: OPEN SPACE		Manhattan	1257 / 1
New York Public Library (Stephen A. Schwarzman Building) Interiors, Main Reading Room and Catalog Room, Interior Landmark			
New York Public Library, Interior Landmark			
New York Public Library, Individual Landmark			

To the Mayor, the Council, and the New York Public Library Senior Director of Facilities Management & Operations:

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission reviewed a proposal for multiple temporary installations at the Fifth Avenue-facing east terraced plazas in conjunction with a US 250 exhibition at the New York Public Library in preparation for an outdoor event scheduled to occur on July 1, 2026, including the construction of one (1) 16' x 16' presenters' platform with steps, located slightly off center at the terraced outdoor plaza between the library's monumental entrance stairs and the lower set of stairs set between the two lions, and an adjacent portable ramp to access the events area, to remain in place between June 18, 2026, and July 2, 2026; and the construction of two (2) 22'-tall 10' x 8' steel-framed fabric-clad projection towers at the lowest terrace just east of each lion adjacent to the Fifth Avenue sidewalk to remain in place between June 27, 2026 and July 9, 2026, with all temporary constructions being portable, non-anchored, installed over plywood or other suitable road ply substitutes to protect the historic terraced paving materials, and to be removed promptly after the programming, as described in an annotated materials

checklist, and a letter dated June 10, 2026, and both prepared by Andy Engler Roth, R.A., of Sync Architecture P.C., and on filing drawings labeled A-101.01, A-102.00, A-103.00, A-104.00, A-105.00, A-106.00, A-107.00, and A-108.00, dated (as issued on) March 27, 2026, and prepared by Andy Engler Roth, R.A., all submitted as components of the application.

In reviewing this proposal, the Commission notes that the New York Public Library Individual Landmark Designation Report describes 476 Fifth Avenue (aka 470-476 Fifth Avenue; 1, 11, 25, and 35 West 40th Street; and 2, 24-26, and 38 West 42nd Street) as a monumental Beaux-Arts style civic structure designed by Carrere & Hastings and built in 1898-1911; with the interior spaces separately designated in two interior designations, including the building's main lobby, north and south staircases from the first floor to the third floor, and the central hall at the third floor; and the Main Reading Room and Catalog Room on the third floor.

With regard to this proposal, the Commission finds that the work is in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-05 for Temporary Installations. Furthermore, with regard to these or other aspects of the work, the Commission finds that the proposed work will occur outside of the designated portions of the interior, and therefore will have no effect on significant architectural features. Based on these findings, the Commission determines the proposed work to be appropriate to this Individual and Interior Landmark. The work, therefore, is approved.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to James Russiello.

African Burial Ground & The Commons Historic District			

To the Mayor, the Council, and the Chief Engineer of the NYC Department of Citywide Administrative Services:

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for exterior work including the installation of rooftop air-conditioning units, window louvers on the rear facade, and a pipe enclosure on the rear facade; and interior alterations, as shown in drawings labeled A111, LP100, LP101 and LP103, dated October 9, 2024, prepared by Joseph Spina, RA, and submitted as components of the application.

The Commission has reviewed the application and these drawings and finds that the work will have no effect on the significant protected features of the African Burial Ground and the Commons Historic District. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Lisa Schaeffer.

MAYOR'S OFFICE OF CONTRACT SERVICES

■ NOTICE

Notice of Intent to Issue New Solicitation(s) Not Included in FY 2027 Annual Contracting Plan and Schedule

NOTICE IS HEREBY GIVEN that the mayor will be issuing the following solicitation(s) not included in the FY 2027 Annual Contracting Plan and Schedule that is published pursuant to New York City Charter § 312(a):

Agency: Department of Finance
Description of Services to be provided: DOF is seeking a qualified Contractor to build and host a web-based payment portal that will record and process property tax payments. The qualified contractor will maintain, routinely test, enhance, and update the web-based payment portal. This portal will allow real estate (property) taxpayers to create a secure password protected account to submit ACH (Automated Clearing House) Debit payments or create payment records for ACH Credit and Fed wire payments.
Anticipated Contract Start Date: 11/13/2028
Anticipated Contract End Date: 11/12/2034
Anticipated Procurement Method: Competitive Sealed Proposal
Job Titles: None
Headcounts: 0
