FY27-28 NEON ARTS CONTRACT NAE WITH RYC - Negotiated Acquisition - Other - PIN#78126N0019001 - AMT: \$1,575,000.00 - TO: Renaissance Youth Center, 3485 Third Avenue, Bronx, NY 10456.

In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board (PPB) Rules, the Department of Probation (DOP) is requesting approval to extend the existing contract with Renaissance Youth Center, through a Negotiated Acquisition Extension (NAE) to support the continuation of services under the NeON Arts Program. The contract term is from July 1, 2026, to June 30, 2028, for an amount of \$1,575,000.00 for this period.

The NeON Arts Program is a community-based initiative that integrates arts programming into the Department's Neighborhood Opportunity Networks (NeONs), which serve as localized probation centers across New York City. In partnership with Renaissance Youth Center and a network of community-based arts organizations, the program engages justice-involved youth and other local young people in culturally relevant arts activities designed to support positive youth development, strengthen community connections, and enhance educational and employment outcomes.

Through structured workshops, public showcases, and collaborative projects, participants develop transferable skills such as creative collaboration, critical thinking, and communication, while building positive peer relationships and connections to their communities. Programming is tailored to reflect the interests and needs of each NeON community, with local stakeholders playing a role in shaping project selection. DOP is working to provide these services with Community Mediation Services, Inc.

Pursuant to Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, DOP intends to extend the subject contract for twenty-four (24) months via the negotiated acquisition extension procurement method. Extending this contract for additional time will prevent a disruption of these critical & mandated services. The RFP is anticipated to be released Late Spring 2027.

84127Y0885 - REQUEST FOR INFORMATION (RFI) REGARDING ELECTRIC VEHICLE CHARGING INCENTIVE PROGRAM - Request for Information - PIN#84127Y0885 - Due 10-14-26 at 5:00 P.M.

The New York City Department of Transportation (NYC DOT) is releasing this Request for Information (RFI) in response to the commitment outlined by the Triborough Bridge and Tunnel Authority (TBTA) in the Congestion Relief Zone Tolling Program Final Mitigation Plan to direct **\$7 million for electric vehicle charging infrastructure** in three specific mitigation communities in the Bronx. These communities include:

- The Crotona-Tremont community including the **Bathgate** Industrial Business Zone (IBZ)
- The Northeast Bronx community including the **Eastchester** IBZ
- The Pelham-Throgs Neck community including the **Zerega** IBZ

This RFI seeks to gather information for and assess interest in a potential new EV Charging Incentive (EVCI) Program run by NYC DOT and funded by TBTA. The new EVCI Program would complement the New York City Clean Trucks Program (NYCCTP) (at <https://www.nycctp.com>) and would provide financial assistance to fleets adopting battery electric vehicles (BEVs) through NYCCTP, covering eligible costs associated with private or public truck charging infrastructure. Fleets must be either located within these communities or conduct a significant portion of their business and travel within these communities.

This RFI is released through PASSPort, New York City's online procurement portal, as an RfX. Responses to this RFI/RfX must be

submitted via PASSPort. To access the RFI, vendors should visit the PASSPort Public Portal. To reach the Public Portal, visit the following site: <https://www.nyc.gov/site/mocs/passport/about-passport.page> then click on the rectangle captioned "Procurement Navigator," whereupon you will arrive at the Portal. To quickly locate the RFI, insert the following EPIN, 84127Y0885, into the Keyword search field, then click search. In order to respond to the RFI, vendors must create an account within the PASSPort system if they have not already done so. Responses to this RFI should be submitted by 5:00 P.M. on 10/14/26, the response due time/date. Any inquiries concerning this RFI should be directed by e-mail under the subject line "EV Charging Infrastructure RFI" to the email address of the Authorized Agency Contact, David Maco, at dmaco@dot.nyc.gov.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

COMPASS PROGRAMS IN PUBLIC SCHOOLS - ELEMENTARY - Competitive Sealed Proposals/Pre-Qualified List - Other - PIN#26026P0003024 - AMT: \$20,563,200.00 - TO: Friends of Crown

Heights Educational Centers Inc, 671 Prospect Place, Brooklyn, NY 11216.

COMPASS and SONYC is one of DYCD's largest programs, with over 820 programs collectively throughout the five boroughs. Families rely on these programs to provide elementary and middle school students, during after school hours, summer and on holidays, programing which includes educational support, recreation, enrichment, and cultural activities to support and strengthen the overall development of our youth. Programs are offered at no cost to youth and are purposefully located in public and private schools, community centers, religious institutions, public housing and parks recreational facilities throughout the City to help families find a place that that best fits their youth's needs. Award for COMPASS Public School Elementary - Brooklyn 3 - 601 Park Avenue, Brooklyn, NY 11226 - Brooklyn 17 - 1100 East New York Avenue, Brooklyn NY 11212 - 60 East 94th Street, Brooklyn, NY 11212.

DYCD has determined that Competitive Sealed Bidding is neither practicable nor advantageous to the City because this procurement necessitates the exercise of judgment in evaluating competing proposals and requires a balancing of price, quality, and programmatic factors to achieve the best outcomes. COMPASS programs are a critical part of the City's effort to support working families by providing free, high-quality afterschool and summer childcare services. They offer a wide range of enrichment activities that help students in Kindergarten through Grade 8 develop academically, socially, and emotionally, both in and out of the classroom. Given the complex nature of this work requiring cultural competency, deep community engagement, and tailored programming to meet the diverse needs of NYC youth a proposal-based evaluation is essential. This approach allows DYCD to select providers not only based on cost, but also on their demonstrated experience, organizational capacity, staffing approach, and commitment to equitable service delivery. Therefore, the use of an RFP, rather than Competitive Sealed Bidding, is the most appropriate method to ensure the highest quality of services are delivered in alignment with the City's goals for youth development and family support.
