HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held on October 14, 2026 at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below. The public hearing will be held via conference call. Call in #: 1-646-992-2010; Access Code 717 876 299.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-owned property (collectively, "Disposition Area") in the Borough of Brooklyn:

Address	Block/Lot(s)
435 Locke Street	4445/ 50
1050 Ashford Street	4446/ 1
1 Gateway Dr	4445/ 1 (Formerly Block 4445, p/o Lot 1 and Block 4446, p/o Lot 1)

Under HPD's New Construction Finance Program, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing affordable to low- and moderate-income households, with at least 60% of units affordable to households earning up to 80% of Area Median Income ("AMI") and up to 40% of units affordable to households earning up to 120% of AMI. At least 15% of units are set aside for formerly homeless households.

Under the proposed project, the City will sell the Disposition Area to Nehemiah Spring Creek 5B Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct three buildings containing up to 200 rental dwelling units, including one superintendent unit, on the Disposition Area.

The Land Debt or the City's capital subsidy may be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination by emailing Margaret Carey at careym@hpd.nyc.gov on business days during business hours.

To make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office of Contract Services ("MOCS") via e-mail at disabilityaffairs@mocs.nyc.gov or via phone at (212) 298-0734. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS at least three business days in advance of the hearing to ensure availability.

s18

PLEASE TAKE NOTICE that a public hearing will be held on October 15, 2026, at the 9 West 124th Street at 11:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed amendments to a deed and land disposition agreement identified below.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") proposed amendments to the terms and conditions of the sale of certain real property previously conveyed by the City of New York (collectively, "Disposition Area") in the Borough of Manhattan:

Address	Block /Lots	Community District
53 East 110 Street	1616/123	11
304 East 126 Street	1802/47	11
201 East 120 Street	1785/1	11
204 West 121 Street	1926/35	10

Under HPD's Division of Property Disposition and Finance program, City-owned vacant and/or occupied multifamily residential buildings may be purchased and gut-rehabilitated by a designated sponsor in order to create affordable rental housing units with a range of affordability. Construction and permanent financing is provided through loans from private institutional lenders and from public sources, including HPD.

On November 23, 2020, the City conveyed the Disposition Area to CLT East Harlem/El Barrio Community Land Trust Housing Development Fund Corporation. The deed and land disposition agreement recorded against the Premises requires compliance with a project summary approved by the Council requiring the development of approximately 36 rental dwelling units, two commercial spaces, and one community facility space. While it was originally intended that there would be commercial spaces in the project, it is now being developed with three community facility spaces and approximately 38 rental dwelling units. On July 16, 2026 (Res. No. 579), the Council approved and amended project summary reflecting these new conditions, and the deed and land disposition agreement will be amended to reflect these changes.

A public file containing copies of the calendar document and other public documents will be made available to Manhattan Community Board 10 for public review at the office of Manhattan Community Board 10 no later than twenty (20) days prior to the public hearing.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For further information on accessibility or to make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office Of Contract Services ("MOCS") via e-mail at disabilityaffairs@mocs.nyc.gov or via phone at (212) 788-0010. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS at least three (3) business days in advance of the hearing to ensure availability.

COMPASS CENTER-BASED BROOKLYN ELEMENTARY SCHOOL CD 08 - Competitive Sealed Proposals/Pre-Qualified List - Other - PIN# 26026P0004022 - AMT: \$4,788,000.00 - TO: Friends of Crown Heights Educational Centers Inc., 671 Prospect Place, Brooklyn, NY 11216.

COMPASS and SONYC is one of DYCD's largest programs, with over 820 programs collectively throughout the five boroughs. Families rely on these programs to provide elementary and middle school students, during after school hours, summer and on holidays, programming which includes educational support, recreation, enrichment, and cultural activities to support and strengthen the overall development of our youth. Programs are offered at no cost to youth and are purposefully located in public and private schools, community centers, religious institutions, public housing and parks recreational facilities throughout the City to help families find a place that best fits their youth's needs. Award for COMPASS - Community-Based Elementary School BK CD-08 - 671, Prospect Place, Brooklyn, New York 11216.

DYCD has determined that Competitive Sealed Bidding is neither practicable nor advantageous to the City because this procurement necessitates the exercise of judgment in evaluating competing proposals and requires a balancing of price, quality, and programmatic factors to achieve the best outcomes. DYCD is seeking pre-qualified Health and Human Services (HHS) providers to operate COMPASS programs. These programs are located in New York City Public School (NYCPS) sites and charter schools housed within NYCPS buildings and serve elementary and middle school students across all five boroughs. COMPASS programs are a critical part of the City's effort to support working families by providing free, high-quality afterschool and summer childcare services. They offer a wide range of enrichment activities that help students in Kindergarten through Grade 8 develop academically, socially, and emotionally, both in and out of the classroom. Given the complex nature of this work—requiring cultural competency, deep community engagement, and tailored programming to meet the diverse needs of NYC youth a proposal-based evaluation is essential. This approach allows DYCD to select providers not only based on cost, but also on their demonstrated experience, organizational capacity, staffing approach, and commitment to equitable service delivery. Therefore, the use of an RFP, rather than Competitive Sealed Bidding, is the most appropriate method to ensure the highest quality of services are delivered in alignment with the City's goals for youth development and family support.

NOTE:

1. Biodiesel tax credit expired on 12/31/2024. New invoices will not reflect the credit.
2. Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
3. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
4. Federal Superfund Tax is included in the DCAS weekly pricing schedule, and it should not show as an additional fee

REMINDER FOR ALL AGENCIES:

All entities utilizing DCAS fuel contracts are reminded to pay their invoices **on time** to avoid interruption of service. Please send inspection copy of receiving report for all gasoline (E70, UL PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre St, 18 Floor New York, NY 10007.

Effective July 1, 2025, New York City agencies are no longer permitted to place orders for #2B5 heating fuel. In accordance with updated state regulations, all heating oil sold in NYS must contain a minimum 10% biofuel blend (B10). Starting the winter of 2026/2027, agencies should begin the transition to B20 heating oil, focusing on tanks that are used regularly and not on interruptible sites. Effective July 1, 2030, B20 will be legally required through NY State for heating oil at all sites. As was implemented for B5 and B10, the transition for City facilities should begin in advance of the mandate to ensure a smooth transition to the higher blend. City facilities have used blends of B20 in the past successfully.

April 1st – October 31st transition to Non-Winter fuel.

November 1st – March 31st transition to Winter fuel.

DISASTER RECOVERY (CDBG-DR)
NOTICE OF INTENT TO REQUEST RELEASE OF
FUNDS (NOI RROF)

REQUEST FOR RELEASE OF FUNDS

On or about September 28, 2026, the City of New York (the City) will

submit a request to the U.S. Department of Housing and Urban Development for the release of Community Development Block Grant-Disaster Recovery (CDBG-DR) funds, authorized under the Disaster Relief Appropriations Act, of January 29, 2013 (Public Law 113-2), to undertake a project known as the South Street Seaport Museum Exhibition project. The City proposes to award approximately \$51,000 in CDBG-DR funds for an approximately \$147,600 project in order to support the creation of an exhibition of cultural and archaeological resources.

The proposed project aims to create an exhibition at the South Street Seaport Museum, located at 213 Water Street, New York, NY 10038, of cultural resources discovered during archaeological monitoring at Corlears Hook Park, located to the east of the Museum at 397 FDR Drive, New York, NY 10002. Proposed activities would include design and implementation of the exhibition on the fourth floor of the historic A.A. Thomson & Co. building. Specific activities would include, but are not limited to: case fabrication; lighting and art installation; gallery preparation (painting and installation of temporary walls); digital marketing; printing and publication of materials; staff time; and the purchase of materials. All renovations would be temporary and limited to the interior of the structure.

CATEGORICAL EXCLUSION SUBJECT TO SECTION 58.35

In accordance with 24 CFR 58.35 of the HUD Environmental Review Procedures for HUD funded activities, the implementation of the South Street Seaport Exhibition project at the proposed site listed above has been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. The proposed project involves rehabilitation and / or improvements at non-residential structures pursuant to 24 CFR 58.35(a)(3)(iii). Additional project information is contained in the Environmental Review Record (ERR). The ERR is available for review at www.nyc.gov/site/cdbgdr/hurricane-sandy/sandy-environmental-records.page

The ERR will also be made available to the public for review, upon request, either electronically, by U.S. mail, or in person. Please submit your request to NYC OMB by mail or in person at 255 Greenwich Street, 8th Floor, New York, NY 10007, Attention: Juliet Jacobs, Environmental Unit Head, or via email to CDBGComments@omb.nyc.gov. NYC OMB's office is open on weekdays, between the hours of 9:30 AM and 5:30 P.M.

PUBLIC COMMENTS

Any individual, group, or agency may submit comments on the ERR to the NYC OMB by mail, in person, or via email to the addresses listed above. Comments may be submitted by phone to (212) 788-1653. All comments received by September 25, 2026, will be considered by NYC OMB prior to authorizing the submission of a request for release of funds. Comments should specify which part of this Notice is being addressed.

ENVIRONMENTAL CERTIFICATION

NYC OMB certifies to HUD that the City and Julie Freeman, in her capacity as Certifying Officer, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City to use CDBG-DR Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will consider objections to its release of funds and NYC OMB's certification for a period of fifteen days following its actual receipt of the request only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYC OMB; (b) NYC OMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the project have committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to CPDRROFNyc@hud.gov. NOTICE OF RATIFICATION OF A MINOR RULES VIOLATION

On September 11, 2026, pursuant to Section 1-02(h)(1)(ii) of the New York City Procurement Policy Board Rules ("PPB Rules"), the City Chief Procurement Officer ("CCPO") ratified a Minor Rules Violation request submitted by the New York City Department of Probation ("DOP") in connection with the proposed Negotiated Acquisition ("NA") with the Institute for Forensic Psychology ("IFP") for pre-employment psychological examination services.

The Minor Rules Violation concerned DOP's compliance with PPB Rule §3-04(b)(3), relating to obtaining CCPO approval for the use of the Negotiated Acquisition method prior to commencement of procurement activity, and PPB Rule §3-04(d)(1), relating to the timely publication of a Notice of Intent to enter into negotiations.

DOP determined that ratification is in the best interests of the City because it allows the agency to appropriately document and address the procedural noncompliance, complete review of the Negotiated Acquisition, and establish the appropriate procurement vehicle for eligible services provided during the applicable period.
