HOUSING PRESERVATION AND DEVELOPMENT

PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held on October 15, 2026, at the 9 West 124th Street at 11:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed amendments to a deed and land disposition agreement identified below.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") proposed amendments to the terms and conditions of the sale of certain real property previously conveyed by the City of New York (collectively, "Disposition Area") in the Borough of Manhattan:

Address	Block /Lots	Community District
53 East 110 Street	1616/123	11
304 East 126 Street	1802/47	11
201 East 120 Street	1785/1	11
204 West 121 Street	1926/35	10

Under HPD's Division of Property Disposition and Finance program, City-owned vacant and/or occupied multifamily residential buildings may be purchased and gut-rehabilitated by a designated sponsor in order to create affordable rental housing units with a range of affordability. Construction and permanent financing is provided through loans from private institutional lenders and from public sources, including HPD.

On November 23, 2020, the City conveyed the Disposition Area to CLT East Harlem/El Barrio Community Land Trust Housing Development Fund Corporation. The deed and land disposition agreement recorded against the Premises requires compliance with a project summary approved by the Council requiring the development of approximately 36 rental dwelling units, two commercial spaces, and one community facility space. While it was originally intended that there would be commercial spaces in the project, it is now being developed with three community facility spaces and approximately 38 rental dwelling units. On July 16, 2026 (Res. No. 579), the Council approved and amended project summary reflecting these new conditions, and the deed and land disposition agreement will be amended to reflect these changes.

A public file containing copies of the calendar document and other public documents will be made available to Manhattan Community Board 10 for public review at the office of Manhattan Community Board 10 no later than twenty (20) days prior to the public hearing.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For further information on accessibility or to make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office Of Contract Services ("MOCS") via e-mail at disabilityaffairs@mocs.nyc.gov or via phone at (212) 788-0010. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS at least three (3) business days in advance of the hearing to ensure availability.

Student Center WestOne Pace Plaza (entrance at the corner of Spruce Street and Park Row)
New York, NY 10038

Written comments will be accepted until Monday, November 9, 2026, at 5:00 P.M., and may be submitted at the public scoping meeting, or to the address below.

Directing that an Environmental Impact Statement (EIS) be prepared, the lead agency issued an Environmental Assessment Statement (EAS), Positive Declaration, and Draft Scope of Work on Wednesday, September 23, 2026. These documents are available for review on CEQR Access, see <https://a002-ceqraccess.nyc.gov/ceqr/> (search CEQR # 26DME009M) and from the contact person listed below.

GFP Real Estate LLC, the Developer, and the New York City Economic Development Corporation (NYCEDC), in conjunction with the New York City Department of Citywide Administrative Services (DCAS) and the New York City Department for the Aging (NYC Aging), are proposing a series of land use and other actions (collectively the "Proposed Actions") to facilitate the redevelopment of 100 Gold Street in Manhattan (Block 94, Lot 25, the "Development Site"). The Development Site is an approximately 86,502-sf City-owned corner lot located at the intersection of Gold and Frankfort streets in Lower Manhattan, Community District 1.

The Proposed Actions would result in a new development with approximately 4,000 dwelling units, of which at least 25 percent would be affordable pursuant to Mandatory Inclusionary Housing (MIH); approximately 66,000 gsf of non-residential area, including a new approximately 18,000 gsf Older Adult Center to replace the existing Older Adult Center on the Development Site, approximately 43,000 gsf of recreational facility (commercial gym available to the public), and approximately 5,000 gsf of local retail space. In addition, there would be approximately 40,000 square feet (sf) of new public realm improvements, including publicly accessible open space on the Development Site (22,000 sf) and sidewalk widenings including additional other open areas (18,000 sf) (the "Proposed Project"). The existing Older Adult Center on the Development Site would be relocated prior to the construction of the Proposed Project. The relocation would ensure minimal operational disruptions of essential community services.

Required City Approvals

The Proposed Project would require approval of the following City discretionary actions:

- A zoning map amendment to rezone the Development Site from the existing C6-4 zoning district to an R12 zoning district with a C2-5 commercial overlay.
- A zoning text amendment to Appendix F of the NYC Zoning Resolution (ZR) to establish a Mandatory Inclusionary Housing (MIH) area on the Development Site.
- Zoning text amendments to the ZR that would amend the Lower Manhattan Special District (LM) regulations to:
 - Establish the R12 zoning district within the Lower Manhattan Special District.
 - Maximize permitted residential floor area ratio (FAR) for R12 districts with commercial overlays to 30 FAR within the Lower Manhattan Special District.
- A City Planning Commission authorization to reduce the number of required bike parking spaces.
- Disposition of the Development Site to the Applicant.
- Acquisition of condo unit(s) for existing Older Adult Center to return to the Development Site following project completion.
- Acquisition and Site Selection for the permanent relocation of the Older Adult Center to a new, off-site location, should NYC Aging and the operator determine that this location is preferable to returning to the Development Site.

In addition, to facilitate the Proposed Project, other City approvals such as from the Public Design Commission and for an easement delineation to eliminate an existing sewer easement on the Development Site would be necessary.

Copies of the EAS, Positive Declaration, and Draft Scope of Work for the Proposed Project may be obtained by any member of the public from: CEQR Access, <https://a002-ceqraccess.nyc.gov/ceqr/> (search CEQR # 26DME009M).**Contact:**Mayor's Office of Environmental Coordination

PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

PHOSCRETE CONCRETE REPAIR MATERIALS - Sole Source - Available only from a single source - PIN# 84127Y0884 - Due 10-5-26 at 2:00 P.M.

Pursuant to Section 3-05 of the New York City Procurement Policy Board Rules, the New York City Department of Transportation (NYCDOT) intends to enter into sole source negotiations with Phoscrete Corporation for an agreement to purchase Phoscrete Magnesium-Phosphate-Cement concrete repair materials for a term of three (3) years with an option to renew for two (2) years.

NYCDOT has determined that Phoscrete Corporation is the sole provider of Phoscrete Magnesium-Phosphate-Cement concrete repair materials. The products are proprietary and are sold by Phoscrete Corporation directly to end users. No alternate source exists to provide these products.

On August 19, 2026, the ACCO's office determined, in accordance with Section 3-05(b) of the Procurement Policy Board Rules, that Phoscrete Corporation, is the only entity authorized to manufacture and has controlling source of Phoscrete, Therefore, Phoscrete Corporation is the sole source provider for these products.

Any firm that believes it is qualified to provide these products is invited to do so by responding to the RFI EPIN: 84127Y0884 in PASSPort no later than October 5, 2026, by 2:00 P.M. Any questions should be directed to the authorized agency contact, Kathy Cornwall-Wilson (kcornwallwilson@dot.nyc.gov), at (212) 839-9276.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

- Competitive Sealed Proposals/Pre-Qualified List - Other - PIN#26026P0003078 - AMT: \$1,755,000.00 - TO: Ella Baker Institute, 603 Franklin Avenue, Suite 4B, Brooklyn, NY 11238.

COMPASS and SONYC is one of DYCD's largest programs, with over 820 programs collectively throughout the five boroughs. Families rely on these programs to provide elementary and middle school students, during after school hours, summer and on holidays, programing which includes educational support, recreation, enrichment, and cultural activities to support and strengthen the overall development of our youth. Programs are offered at no cost to youth and are purposefully located in public and private schools, community centers, religious institutions, public housing and parks recreational facilities throughout the City to help families find a place that best fits their youth's needs.

13K301-Restoration Academy.

DYCD has determined that Competitive Sealed Bidding is neither practicable nor advantageous to the City because this procurement necessitates the exercise of judgment in evaluating competing proposals and requires a balancing of price, quality, and programmatic factors to achieve the best outcomes. COMPASS programs are a critical part of the City's effort to support working families by providing free, high-quality afterschool and summer childcare services. They offer a wide range of enrichment activities that help students in Kindergarten through Grade 8 develop academically, socially, and emotionally, both in and out of the classroom. Given the complex nature of this work requiring cultural competency, deep community engagement, and tailored programming to meet the diverse needs of NYC youth a proposal-based evaluation is essential. This approach allows DYCD to select providers not only based on cost, but also on their demonstrated experience, organizational capacity, staffing approach, and commitment to equitable service delivery. Therefore, the use of an RFP, rather than Competitive Sealed Bidding, is the most appropriate method to ensure the highest quality of services are delivered in alignment with the City's goals for youth development and family support.

AGENCY RULES

ADMINISTRATIVE TRIALS AND HEARINGS

■ PUBLIC HEARINGS

Notice of Public Hearing and Opportunity to Comment on Proposed Rule

What are we proposing? The Office of Administrative Trials and Hearings (“OATH”) proposes to amend section 6-17(b) and (c)(2) of Title 48 of the Rules of the City of New York (“RCNY”). This proposed rule would clarify that, where the Department of Consumer and Worker Protection (“DCWP”) is the Petitioner, adjudicated violations of Article 13-F of the New York State Public Health Law would no longer

be treated as recommended decisions. Instead, decisions by OATH Hearing Officers will be final, unless an appeal is filed pursuant to 48 RCNY § 6-19.

When and where is the hearing? OATH will hold a public hearing on the proposed rule. The public hearing will take place **from 11:00 A.M. through 12:00 P.M. on October 30, 2026**. The hearing will be conducted by video conference and is accessible by:

- **Internet Video and Audio.** For access, click: <https://teams.microsoft.com/join/279484574251901?p=vqcFxChZPMWbyxoJIC>
When prompted, enter Meeting ID: 279 484 574 251 901
Password: 9it2gk9b
- **Phone.** For access, dial: 1-646-893-7101
- When prompted, enter Meeting ID: 455 592 437#

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

- **Website.** You can submit comments to OATH through the NYC rules website at <http://rules.cityofnewyork.us/>
- **Email.** You can email written comments to Rules_Oath@oath.nyc.gov.
- **Mail.** You can mail written comments to OATH, Attention: Frank Ng, General Counsel, 66 John Street, 10th Floor, New York, NY 10038.
- **Fax.** You can fax written comments to OATH, Attention: Frank Ng, General Counsel, at (212) 436-0768.
- **By Speaking at the Hearing.** Anyone who wants to comment on the proposed rules at the public hearing may speak for up to three minutes. Please access the public hearing by internet video and audio or by telephone using the instructions above. Please note that the hearing is for accepting oral testimony only and is not held in a "Question and Answer" format.

Is there a deadline to submit written comments? You may submit written comments until **5:00 P.M. on October 30, 2026**.

What if I need assistance to participate in the hearing? You must tell us if you need a reasonable accommodation of a disability at the hearing. You must tell us if you need a sign language interpreter. You may contact us by email at fng@oath.nyc.gov or by telephone at (212) 436-0875 to request a reasonable accommodation. Please tell us by October 27, 2026.

Can I review the comments made on the proposed rule? You can review the comments that have been submitted online by visiting the NYC rules website at <http://rules.cityofnewyork.us/>. Shortly after the public hearing, a summary of oral comments and copies of all written comments will be available to the public on OATH's website, at <https://www1.nyc.gov/site/oath/about/legal-resources-and-rule-making.page>.

What authorizes OATH to make this rule? Sections 1043 and 1049 of the New York City Charter authorizes OATH to make this proposed rule. This proposed rule were not included in OATH's regulatory agenda for this Fiscal Year because the necessity of this rule was not anticipated at the time.

Where can I find OATH's rules? OATH's rules are in Title 48 of the Rules of the City of New York.

What rules govern the rulemaking process? OATH must meet the requirements of section 1043 of the New York City Charter when creating or changing rules. This notice is made according to the requirements of section 1043 of the New York City Charter.

Statement of Basis and Purpose of Proposed Rule

The Office of Administrative Trials and Hearings ("OATH") proposes to amend section 6-17(b) and (c)(2) of Title 48 of the Rules of the City of New York ("RCNY"). The proposed rule would clarify that OATH's adjudications of violations of Article 13-F of the New York State Public Health Law are no longer to be treated as recommended decisions when the Department of Consumer and Worker Protection ("DCWP") is the petitioner. Instead, decisions by OATH Hearing Officers will be final, unless an appeal is filed pursuant to 48 RCNY § 6-19.

On November 21, 2025, the Governor signed Chapter 551 of the Laws of 2025 into law. The legislation amends the definition of an "enforcement officer" in New York City for the purposes of enforcing Article 13-F requirements for the sale of tobacco products, herbal cigarettes and smoking paraphernalia. Specifically, the law adds OATH as an enforcement officer for the purposes of section 1399-ee of the New York State Public Health Law.

DCWP has proposed amending section 6-02 of Title 6 of the Rules of the City of New York to permit OATH to issue final decisions for adjudicated violations of Article 13-F. To avoid confusion or inconsistencies, OATH and DCWP will coordinate to ensure that their respective proposed amendments will become effective on the same date.

OATH's authority for this proposed rule is found in sections 1043 and 1049 of the New York City Charter.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subdivision (b) of section 6-17 of Title 48 of the Rules of the City of New York is amended to read as follows:

(b) Except as provided in subdivision (c) or otherwise provided by law, the decision of the Hearing Officer is the final decision unless an appeal is filed pursuant to 48 RCNY § 6-19.

§ 2. Paragraph (2) of subdivision (c) of section 6-17 of Title 48 of the Rules of the City of New York is amended to read as follows:

(2) For all violations of Article 13-F of the New York State Public Health Law:

(i) where the Department of Consumer Affairs is the petitioner, the Hearing Officer will issue a recommended decision and order, which the Commissioner of such department may adopt, reject or modify, in whole or in part.

(ii), where the Department of Health and Mental Hygiene is the petitioner, the Hearing Officer will issue a recommended decision and order, which the Commissioner of such department may adopt, reject or modify, in whole or in part.

§ 3. This rule takes effect on the same date as a rule entitled Rules Relating to Adjudicatory Proceedings, published by the Department of Consumer and Worker Protection in the City Record, takes effect.

Name, Description and Location of Proposal

100-12 Queens Boulevard Rezoning

The Applicant, 100 Queens Blvd Co. LLC, requests the approval of two discretionary actions (the "Proposed Actions") including a Zoning Map Amendment to rezone Queens Block 3170, Lots 27, 31, 24, 25, 26 and portions of Lots 1 and 23 (the "Proposed Rezoning Area") from R7-1/C1-2, R4B/C1-2, and R4B districts to R9X/C2-4, R7-1, R7-1/C2-4, and R4B districts, and a Zoning Text Amendment to modify Zoning Resolution Appendix F to designate Block 3170, Lots 27 and 31 (the "Project Site") as a Mandatory Inclusionary Housing (MIH) area in the Forest Hills neighborhood of Community District 6, Queens. The Proposed Actions would facilitate the development of a 366,074 total gross square foot (GSF), 215-foot-tall mixed-use building consisting of 322,429 GSF of residential area including 389 dwelling units (DUs), 16,685 GSF of commercial retail area, 18,429 GSF of cellar parking containing 38 accessory residential parking spaces, and 8,531 GSF of mechanical floor area on the Project Site ("Projected Development Site 1"). 20-30% of the DUs (78-117 DUs) would be affordable pursuant to MIH options 1, 2, or 3, at an average of 60%, 80%, or 40% area median income, respectively. The Build Year for the Proposed Actions is 2029.

The Environmental Assessment Statement (EAS) analyzes a Reasonable Worst Case Development Scenario (RWCDs) with a With-Action scenario consistent with the Applicant's Proposed Project, as the FAR of the site's proposed R9X/C2-4 zoning would be maximized. Without the Proposed Actions (the "No-Action Condition"), a 4.8 FAR building containing 187,202 total GSF 95,886 GSF of residential space, 27,426 GSF of retail across the cellar and ground floor, 19,216 GSF of community facility space (non-profit office space), and 33,700 GSF of parking with 109 attended accessory spaces would be developed.

To avoid any potential significant adverse impacts, an (E) designation (E-899) related to hazardous materials, air quality, and noise would be placed on the applicant's property (the "Project Site"), Queens Block 3170, Lots 27 and 31.

The (E) designation text related to hazardous materials is as follows:

Task 1-Sampling Protocol

The applicant submits to OER, for review and approval, a Phase I of the site along with a soil, groundwater and soil vapor testing protocol, including a description of methods and

a site map with all sampling locations clearly and precisely represented. If site sampling is necessary, no sampling should begin until written approval of a protocol is received from OER. The number and location of samples should be selected to adequately characterize the site, specific sources of suspected contamination (i.e., petroleum based contamination and non-petroleum based contamination), and the remainder of the site's condition. The characterization should be complete enough to determine what remediation strategy (if any) is necessary after review of sampling data. Guidelines and criteria for selecting sampling locations and collecting samples are provided by OER upon request.

Task 2-Remediation Determination and Protocol

A written report with findings and a summary of the data must be submitted to OER after completion of the testing phase and laboratory analysis for review and approval. After receiving such results, a determination is made by OER if the results indicate that remediation is necessary. If OER determines that no remediation is necessary, written notice shall be given by OER.

If remediation is indicated from test results, a proposed remediation plan must be submitted to OER for review and approval. The applicant must complete such remediation as determined necessary by OER. The applicant should then provide proper documentation that the work has been satisfactorily completed.

A construction-related health and safety plan should be submitted to OER and would be implemented during excavation and construction activities to protect workers and the community from potentially significant adverse impacts associated with contaminated soil, groundwater and/or soil vapor. This plan would be submitted to OER prior to implementation.

The (E) designation text related to air quality would apply as follows:

Queens Block 3170, Lots 27 and 31: Any new residential, commercial and/or community facility development on the above-referenced property must ensure the HVAC system and hot water equipment are powered by electricity only with no venting or stacks, to avoid any potential significant adverse air quality impacts.

The (E) designation text related to noise is as follows:

Block 3170, Lots 27, and 31: In order to ensure an acceptable interior noise environment, future residential, community facility and/or commercial office uses must provide a closed window condition with a minimum of 28 dBA window/wall attenuation on the northern facade facing Queens Blvd, the eastern facade facing 67th Rd within 50 feet of Queens Blvd, and the western facade facing 67th Ave within 50 feet of Queens Blvd, to maintain an interior noise level not greater than 45 dBA for residential and community facility uses or not greater than 50 dBA for commercial office use. In order to maintain a closed-window condition, an alternate means of ventilation must also be provided. Alternate means of ventilation includes, but is not limited to, air conditioning.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated May 28, 2026, prepared in connection with the ULURP Applications (No. 260184ZMQ; No. 260185ZRQ). The City Planning Commission has determined that the Proposed Actions will have no significant effect on the quality of the environment, once it is modified as follows:

The Applicant agrees to enter into a Restrictive Declaration (RD) to ensure the implementation of Project Components Related to the Environment (PCREs) relating to construction transportation and construction noise that would avoid the potential for any significant adverse impacts. The PCREs are as follows:

1. The Applicant shall implement as part of its development of the Project Site, and at its sole cost and expense, the following construction noise PCREs:
 - a. Source control and path control measures listed below that are beyond those required by New York City regulations:
 - i. Auger drills will be used instead of pile drivers.
 - ii. All compressors will be $\leq$ 350cfm.
 - iii. Generators shall not exceed an Lmax noise level limit of 76 dBA at 23 feet.
 - iv. 15-foot construction barriers around the truck stage areas and west property line.

2. The Applicant shall implement as part of its development of the Project Site, and at its sole cost and expense, the following construction transportation PCREs:
 - a. If future development of the Applicant's property should occur, the property owner will be required to notify the New York City Department of Transportation (NYCDOT) that a signal timing modification would be made at the intersection of Queens Boulevard and 67th Road intersection during construction. The signal timing modification includes shifting three seconds of green time from the eastbound phase to the protected westbound left-turn phase during the morning (AM) construction peak hour. NYCDOT would make this modification.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1. The applicant will enter into a Restrictive Declaration to ensure the implementation of project components relating to construction transportation and construction noise which would avoid the potential for any significant adverse impacts related thereto.
2. No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions, modification, and alterations are not fully incorporated into the Proposed Actions, this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before proceeding further with said proposal.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Authority: SRO, Administrative Code §27-2093

Before the Department of Buildings can issue a permit for the alteration or demolition of a single room occupancy multiple dwelling, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at **CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038** by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call **(212) 863-5277 or (212) 863-8211**.

For the decision on the Certification of No Harassment Final Determination please visit our website at www.hpd.nyc.gov or call 212-863-8266.

Autoridad: SRO, Código Administrativo §27-2093

Antes de que el Departamento de Edificios pueda conceder un permiso para la alteración o demolición de una vivienda múltiple de ocupación de cuartos individuales, el propietario debe obtener una "Certificación de No Acoso" del Departamento de Preservación y Desarrollo de la Vivienda ("HPD") que indique que tiene no haber sido hostigado a los ocupantes legales del edificio durante un periodo de tiempo especificado. El acoso es una conducta por parte de un dueño de edificio que pretende causar, o causa, que los residentes se vayan o renuncien a cualquiera de sus derechos legales de ocupación. Puede incluir, entre otros, no proporcionar servicios esenciales (como calefacción, agua, gas o electricidad), bloquear ilegalmente a los residentes del edificio, iniciar demandas frívolas y utilizar amenazas o fuerza física.

El dueño del edificio identificado anteriormente ha solicitado una Certificación de No Acoso. Si tiene algún comentario o evidencia de acoso en este edificio, notifique a HPD al **CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038** por carta con matasellos no mas tarde que **30 días** después de la fecha de este aviso o por una declaración en persona realizada dentro del mismo periodo. Para hacer una cita para una declaración en persona, llame al **(212) 863-5277 o (212) 863-8211**.

Para conocer la decisión final sobre la Certificación de No Acoso, visite nuestra pagina web en www.hpd.nyc.gov o llame al **212-863-8266**.
