■ PUBLIC HEARINGS

CORRECTED NOTICE

PLEASE TAKE NOTICE that a public hearing will be held on October 15, 2026 at the 9 West 124th Street in the borough of Manhattan, at 11:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed amendments to a deed and land disposition agreement identified below.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") proposed amendments to the terms and conditions of the sale of certain real property previously conveyed by the City of New York (collectively, "Disposition Area") in the Borough of Manhattan:

Address	Block /Lots	Community District
53 East 110 Street	1616/123	11
304 East 126 Street	1802/47	11

201 East 120 Street	1785/1	11
204 West 121 Street	1926/35	10

Under HPD's Division of Property Disposition and Finance program, City-owned vacant and/or occupied multifamily residential buildings may be purchased and gut-rehabilitated by a designated sponsor in order to create affordable rental housing units with a range of affordability. Construction and permanent financing are provided through loans from private institutional lenders and from public sources, including HPD.

On November 23, 2020, the City conveyed the Disposition Area to CLT East Harlem/El Barrio Community Land Trust Housing Development Fund Corporation. The deed and land disposition agreement recorded against the Premises requires compliance with a project summary approved by the Council requiring the development of approximately 36 rental dwelling units, two commercial spaces, and one community facility space. While it was originally intended that there would be commercial spaces in the project, it is now being developed with three community facility spaces and approximately 38 rental dwelling units. On July 16, 2026 (Res. No. 579), the Council approved and amended project summary reflecting these new conditions, and the deed and land disposition agreement will be amended to reflect these changes.

A public file containing copies of the calendar document and other public documents will be made available to Manhattan Community Board 10 for public review at the office of Manhattan Community Board 10 no later than twenty (20) days prior to the public hearing.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For further information on accessibility or to make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office of Contract Services ("MOCS") via e-mail at disabilityaffairs@mocs.nyc.gov or via phone at (212) 788-0010. The contract term is from July 1, 2026 to June 30, 2028 for an amount of \$1,107,315.50 for this period.

The AIM Program is an Alternative to Placement (ATP) intervention designed for high-risk, justice-involved youth on probation. The program provides intensive, community-based mentoring through a one-on-one model that pairs participants with paid advocate-mentors who are available around the clock and serve as consistent, trusted supports. Advocate-mentors are credible messengers with strong ties to the communities served and lived experience that enables effective engagement with participants. SMALL BUSINESS SERVICES

PROCUREMENT

■ INTENT TO AWARD

Services (other than human services)

NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS FOR A QUALIFIED INTERNATIONAL LICENSING AGENT TO SUPPORT THE MANAGEMENT, DEVELOPMENT, AND EXPANSION OF THE CITY'S INTELLECTUAL PROPERTY PORTFOLIO IN GLOBAL MARKETS LOCATED AT VARIOUS INTERNATIONAL LOCATIONS - Other - PIN#NYCCO-2026-01 - Due 10-13-26 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Small Business Services ("SBS"), on behalf of New York City Tourism + Conventions, Inc. ("NYCT"), intends to enter into negotiations for a significant negotiated concession agreement ("concession") for a qualified international licensing agent to support the management, development, and expansion of the City's intellectual property portfolio in global markets located at various international locations.

The concession, which is anticipated to have a term of eight (8) years, will be operated pursuant to a license issued by NYCT. The concession is projected to commence by the end of 2026 and will expire no more than eight (8) years from the commencement date. As compensation to the City, NYCT anticipates receiving a percentage of the negotiated contracts from the agent, which will be based on a royalty on net sales generated by international licensees, inclusive of a guaranteed minimum annual payment structure.

Currently, it is neither practicable nor advantageous to award this concession through a traditional competitive sealed proposal or competitive sealed bidding/proposal process due to the unexpected breakdown in negotiations with the City's prior international agent, which has left the City without dedicated international representation for its licensing program. As a result, NYCT must act expeditiously to secure a qualified replacement capable of immediately managing existing international relationships, identifying new licensing opportunities, and ensuring continuity in the oversight and protection of the City's intellectual property abroad. Further, the ability to efficiently identify and onboard qualified licensees is highly time-sensitive and dependent on existing industry relationships and in-market presence. Delays in securing an experienced international agent could limit the City's ability to capitalize on current market opportunities, including retailer placement windows, seasonal product launches, and territory-specific collaborations, while also hindering efforts to expand into key international markets and generate incremental revenue through licensing and retail distribution. Additionally, delays in establishing consistent in-market representation and oversight may result in gaps in trademark use and enforcement, which could jeopardize the City's ability to maintain and retain its trademark rights in certain international jurisdictions, as well as increase the risk that the City's trademarks are not effectively managed or represented in global markets.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Christina Rowley, Licensing at New York City Tourism + Conventions, Inc., by phone at (212) 484-5437 or via e-mail at Crowley@nycctourism.com by October 13, 2026.

Thereafter, there will be a process for submission of proposals. NYCT will evaluate the proposals on the basis of demonstrated experience in international licensing, strength of global retail and brand relationships, proven ability to generate revenue through licensing programs, and capacity to manage and grow intellectual property portfolios in multiple international markets.

Where applicable, SBS may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal)

Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined a non-major concession as defined by Chapter 7 of the Rules of the City Planning Commission. The concession has been determined to be a significant concession as defined by Section 1-02 of the Concession Rules of the City of New York.

Please note that the concession award is subject to applicable provisions of federal, state, and local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Christina Rowley, Licensing, New York City Tourism + Conventions, Inc., by phone at (212) 484-5437, or via e-mail at Crowley@nycctourism.com.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
