#### HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance

with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The New York City Department of Correction, is contracting with Rangan Consulting for provision of maintenance and software support of the Inmate Information System (IIS). The Department is legally obligated to track its inmates in custody and provide for commissary services among other data collection. DOC still operates legacy software for these functions, and given the uncommon software

The work involves making changes to the systems as needed, whether doing backend changes when there is an anomaly event such as an error in the database as far as reporting where an inmate is in the chain of custody to an error in how much is in an inmate commissary account to software failure glitches that need to be resolved, staff log in account management and resets, or anything else that needs to be resolved to ensure DOC staff can use the software. General expertise required: provide maintenance and support for NYCDC servers that host the production and non-production versions of the business-related IIS system. Design and development business critical system enhancements. Provide 24/7 technical support.

There is a compelling need for good and services that cannot be timely met through a sealed bidding or competitive sealed proposals. There are a limited number of vendors able to provide System maintenance and support to the Inmate Information System (IIS) by the Department of Correction.

00222N0009-NYC CIVIC IMPACT FUNDING - Negotiated Acquisition - Other - PIN# 00222N0009 - Due 2-4-22 at 2:00 P.M.

NEED FOR PROCUREMENT NYC Service (NYCS, a division of the Mayor's Office) seeks appropriately qualified nonprofit and community-based organization (providers), to receive NYC Civic Impact Funding to support efforts to engage volunteers who help deliver essential services to poverty-stricken residents; further impacted by the COVID-19 Pandemic. Organizations across the city are on the front lines - along with their volunteers - supporting residents in a multitude of ways. NYC Civic Impact funding helps organizations strategically leverage volunteers to deliver essential services, as well as strengthen community engagement and support at a time when it is desperately needed. Food access continues to be a particularly high need area, so this funding will focus support on food supplying and/or serving organizations.

1. Requirements & Priorities: NYC Civic Impact Funding is open to all community-based organizations and nonprofits who are currently engaging volunteers to deliver services to communities. In particular, organizations must be engaging volunteers to improve communities' access to healthy and culturally appropriate food. In order to be eligible to apply, an organization must:

- Be community-based (e.g. serving particular neighborhood(s) in the five boroughs, with genuine relationships with community stakeholders and residents.
- Be a current 501(c)(3) nonprofit organization or have a fiscal sponsor.
- Use funding exclusively to support NYC-based volunteer and civic engagement efforts related to increasing access to food and addressing other residual impacts from COVID-19 in high need communities. Organizations that also operate outside of NYC are eligible to apply, but must use this funding for their NYC programming.
- Seek to improve their volunteer management practices and have the ability to run an effective volunteer program designed to deliver critical services (e.g. volunteer food distribution, meal preparation, logistical support, tracking data).
- Supply and/or serve food. Funding may be used to support other COVID-19 response efforts that utilize volunteers, but volunteer-supported food distribution must be a primary component of the programs funded.
- Use funding to provide services to residents in one or more Racial Inclusion & Equity Taskforce Priority Neighborhoods (a list of these neighborhoods can be found online here and is provided after Question #15 in this application).

2. Solicitation/Selection: Request for Quote (RFQ) will be release to qualified providers via Passport. The Applicant may qualify for one-time funding of up to \$10,000 which must be used by June 30, 2022. Up to \$200,000 in total, up to \$10,000 each, will be awarded to approximately 20 organizations. A successful application will demonstrate that funding will be used to support the implementation, improvement, or expansion of volunteer efforts who help deliver essential services to residents throughout New York City.

3. Basis for Contract Award: The contract will be awarded to the highest technically ranked applicant(s) whose price proposal is

determined to be fair and reasonable and is determined to be the most advantageous to the City, taking into consideration the price and such other factors or criteria set forth in the RFA. B. FAIR AND REASONABLE The Office of the Mayor will award up to \$10,000, each, to twenty (20) applicants. The cost is Federal funds. The same award amount was allocated to applicants during Fiscal Year 2020 and 2021; the cost is comparable to the market-price for similar services; therefore, the ACCO has determined the offered price is fair and reasonable.

**Statement of Basis and Purpose of Proposed Rule**

Elevator licensing provisions are found in Articles 401, 421, 422, 425 and 426 of Title 28 of the Administrative Code. Chapters 750 of 2019 and 55 of 2020 of the laws of the State of New York amended some terminology in Articles 401, 421 and 422, and added new Articles 425 and 426 to Chapter 4 of Title 28 of the New York City Administrative Code, creating three new license types:

- elevator agency technician,
- restricted elevator agency technician, and
- elevator agency helper.

On November 7, 2021, Local Law 126 for the year 2021 lapsed into law and further amended Article 425 in relation to the term of elevator technician licenses and the requirement of a New York State elevator mechanic license in addition to the city technician license.

These rules are being amended to reflect the changes made by those laws. Specifically, the amendments:

- Remove fees that no longer apply and add new fees to cover license card processing for the newly created license types.
- Add language regarding the term of the elevator agency technician and restricted elevator agency technician licenses.
- Add a new section regarding the requirement of state elevator licenses in addition to the city licenses issued pursuant to Articles 421, 422, 425 and 426 of the Administrative Code.
- Add elevator agency technician and restricted elevator agency technician licenses to Section 104-26 of Title 1 of the Rules of the City of New York, which relates to the deactivation of licenses.

The Department of Buildings' authority for these rules is found in sections 643 and 1043 of the New York City Charter and Chapter 4 of Title 28 of the New York City Administrative Code.

New material is underlined.  
[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

**■ NOTICE**

**Notice of Adoption of Amendments  
to Chapter 6 of Title 24 of the Rules of the  
City of New York City**

In compliance with section 1043(b) of the New York City Charter (“Charter”), a notice of intention to amend section 6-13 of Chapter 6 of Title 24 of the Rules of the City of New York was published in the New York City Record on January 15, 2020, and a public hearing was held on June 3, 2020. At the hearing, one person testified, and the same person also submitted a written comment. In response to the testimony and comment received, no changes have been made to the proposed amendment. However, on its own initiative, the Department is making certain technical, corrective amendments to other parts of Chapter 6, specifically to section 6-11 and Appendix 6-C-2, as detailed below in the Statement of Basis and Purpose. This notice replaces the notice published in the City Record on December 23, 2021.

**Statement of Basis and Purpose**

**Background**

In 1998, New York State enacted a law that allowed cities having a population of one million or more to issue specialized vending licenses to honorably discharged members of the armed forces of the United States who were physically disabled as a result of injuries received while in service of the armed forces. Such specialized vending licenses authorized holders to hawk or peddle within the city issuing the license in accordance with the provisions of New York General Business Law section 35-a.

In 2013, the Department adopted section 6-13 of Chapter 6 of Title 24 of the Rules of the City of New York. Section 6-13 provides the requirements for disabled veterans with specialized vending licenses to obtain disabled veterans mobile food unit vending permits. These permits allow the operation of mobile food vending units on sidewalks surrounding parks under the jurisdiction of the New York City Department of Parks and Recreation.

The amendment of section 6-13 will remove the requirement that any applicant for a disabled veterans mobile food unit vending permit also hold a currently valid general vendor license from the New York City Department of Consumer Affairs (“DCA”) (now known as the Department of Consumer and Worker Protection). This requirement is being removed to conform the permit requirements applicable to disabled veterans to those requirements applicable to food vendors generally, who are not required to hold a DCA general vendor license to sell food from a mobile unit.

In addition to the above amendment to section 6-13, the Department has identified several technical amendments that are required to correct other parts of Chapter 6, specifically, correcting typographical errors in section 6-11 and Appendix 6-C-2.

**Statutory Authority**

The Department’s authority to adopt this amendment is found in section 1043 of the Charter and section 17-307 of the Administrative Code.

The amendments are as follows:

Underlined text is new.  
Deleted text is in [brackets].

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

**Section 1.** Subdivision (k) of section 6-11 of Chapter 6 of Title 24 of the Rules of the City of New York is amended to read as follows:

(k) *Notification of changes in operations.* Permittees must notify the Department, in writing, on forms approved or provided by the Department, no later than ten business days after [any] there has been a change in:

- (1) Persons operating each unit as indicated on the form described in 24 RCNY § 6-12(c), or
- (2) Commissary used. Permittees must provide a copy of an agreement from the new commissary with such notice.

§ 2. The opening paragraph of section 6-13 of Chapter 6 of Title 24 of the Rules of the City of New York is amended to read as follows:

**§ 6-13 Disabled veterans mobile food unit vending permits.**

Disabled veterans who hold currently valid [(i)] specialized vendor licenses issued pursuant to General Business Law § 35-a, [(ii)] general vendor licenses issued by the Department of Consumer Affairs and [(iii)] mobile food vending licenses issued by the Commissioner[,] may apply for and be issued permits to operate mobile food vending units on sidewalks surrounding parks within the jurisdiction of the New York City Department of Parks and Recreation, or successor City agency, in accordance with the following conditions:

§ 3. The Mobile Food Vending Unit (MFVU) Penalty Schedule Unscored Violations entry for violation code 22-06, located in Appendix 6-C-2 of Chapter 6 of Title 24 of the Rules of the City of New York, is amended to read as follows:

VIOLATION CODE	CITATION	VIOLATION DESCRIPTION	VIOLATION PENALTY*
22-06	24 RCNY § [6-03(f)] 6-03(b)	Vending non-food items	\$200
