INNOVATIVE PROCUREMENT METHOD FOR ADVERTISEMENT PLACEMENT - Innovative Procurement - Other - PIN# DCAS2023INN001 - Due 2-28-23 at 2:00 P.M.

The Department of Citywide Administrative Services (DCAS), has implemented the use of the Innovative Procurement Method, pursuant to PPB  $\S3-12$  for "open -ended" request for proposal (RFP) process for advertisement placement services. PPB  $\S3-03(b)(2)$  limits the use of open-ended RFPs to solicit "client services"; this innovative procurement method allows agencies to solicit advertisement placement services, or other non "client services" procurements using the open-ended RFP.

The benefit of open-ended RFPs for procurements beyond "client services" would be for agencies to procure advertisement placement services more quickly than utilizing the competitive sealed proposal method in PPB §3-03 while still allowing for the widest pool of potential vendors to increase competition.

In addition, the open-ended nature would allow the City to continue to conduct ongoing outreach to the industry while the RFP, or applicable 'round' remains open, maximizing the expectation levels of potentially interested vendors and minimizing the length of time between that outreach and a chance to compete for an applicable award. Ideally, this will result in an improvement in the diversity and quantity of vendors trying to do business with the City in this industry.

Determinations required pursuant to PPB Rule §2-02, pre-solicitation review, including public notices of solicitation and the pre-solicitation review of reports and recommendations for awards pursuant to PPB Rule §2-09 will not be required. Agencies shall make a determination of responsibility before issuing an award pursuant to PPB Rule §2-08.

After a vendor has been selected, the contracting officer must issue a contract, as appropriate, to the successful bidder or proposer. The procurement file must include at a minimum all of the requirements of PPB Rule  $\S 3-03(b)(2)$ , (c) and (d), in addition to the dollar amount of the contract. Given the nature of this innovative open-ended RFP, a total dollar value cannot be estimated at this time.

The proposed method will be evaluated to determine whether it is in the City's best interest to be codified and used within the PPB rules.

The proposed method is anticipated to result in registered contracts beginning in Fiscal Year 2023. This method will be in use until there are codified PPB rules addressing these procedures, the time period to utilize such proposed method elapses, or the authority granted pursuant to New York State law elapses, whichever occurs first.

At this time, DCAS would like to give this opportunity to accept comments from the public and expressions of interest from vendors on this proposed method. Comments and expressions of interest may be emailed to Nazmije Toci at NToci@dcas.nyc.gov. Expressions of interest will be recorded and all vendors who have submitted such will be noticed once the innovative solicitation has been issued so that they may apply. Vendor submissions will be evaluated solely on the basis of their response to the solicitation and the evaluation criteria therein. The due date for such expressions of interest shall be not less than twenty (20) days after the final noticed published in the City Record.

*Use the following address* unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

**LABORATORY TECHNICIANS AND DISEASE DETECTIVES - 23DA026501R0X00** - Negotiated Acquisition - Other - PIN#81623N0016 - Due 2-10-23 at 5:15 A.M.

DOHMH, intends to enter into a Negotiated Acquisition contract with Atrium Staffing LLC, who will provide New York State licensed temporary laboratory technicians, clinicians and disease investigative staff in the following two Titles: Laboratory Technicians and Disease Detectives. The temporary staff personnel under this contract will provide support & services to DOHMH in response to infectious diseases. In addition to the unforeseen MPV outbreak, DOHMH is anticipating that new variants of COVID-19 are likely to emerge in the fall/winter, along with other infectious disease outbreaks such as polio and Ebola, causing extensive strain on personnel if temps are unable to be utilized to support NYC's response activities. Therefore, DOHMH determined that it is in the best interest of the city to enter into a Negotiated Acquisition.

The Agency Chief Contracting Officer has determined that it is not practicable or advantageous to the city to use a competitive procurement during this time while there is a need for continuity of service. To avoid a gap in services, DOHMH will negotiate with Atrium Staffing LLC who can provide New York State licensed temporary laboratory technicians, clinicians and disease investigative staff for these required services. Services are currently being utilized through DOHMH temp contracts to maintain operations. Atrium has staff stationed at clinics and will no longer be able to work in these clinics if this NA is not in place. The NA will also be utilized if there is an emerging need to scale these services up.

#### LATE NOTICE

#### SMALL BUSINESS SERVICES

#### ■ NOTICE

On February 1, 2023, pursuant to Section 1-02(h) (1) (3) of the Procurement Policy Board Rules of the City of New York (PPB Rules), the City Chief Procurement Officer (CCPO) ratified a minor Procurement Rules Violation request made on January 26, 2023, by the New York City Department of Small Business Services (DSBS).

The minor rules violation relates to the Sole Source contracts for New York City Economic Development Corporation (NYCEDC) Master Contract in the amount of \$1,836,434,092.00 (EPIN# 80123S0009001), to provide Citywide Economic Development Services and the New York City Economic Development Corporation (NYCEDC) Maritime Contract in the amount of \$443,342,250.00 (EPIN# 80123S0008001) to provide City-Wide economic development services, primarily related to maritime, aviation, rail freight, market and intermodal transportation development. Both contracts have a term of 7/1/2022 to 6/30/2023 with an option to extend up to an additional year.

DSBS and the CCPO have determined that the minor violation, which occurred when DSBS failed to submit the sole source determination letter to the Office of the Comptroller within five (5) days of completion as per Section 3-05 (b)(2), had no significant adverse impact on the procurement process. Therefore, ratification of this minor rule's violation is in the best interests of the City.
