The New York City Department of Homeless Services is seeking to expand and sustain a Nurse Triage Line (NTL) service that allows New York City shelter clients to call a nurse for free 24 hours a day, 7 days a week to receive immediate health advice and referrals to care. This service benefits shelter clients and the city by rapidly addressing client health issues, improving access to immediate virtual urgent care services, and reducing unnecessary calls to 911 and emergency room visits. In addition, the service provides fully funded car services to transport clients to urgent care services if needed and return them to the shelter after the visit.

The purpose of this Negotiated Acquisition is to select a Program to provide: a Nurse Call Line (NTL) line for DHS clients that operates 24 hours a day, seven days a week and provides registered nurse delivered "home care advice", connections to specified telemedicine services for DHS clients, referrals to care, and subcontracts with a health focused car service agency to provide free car service to urgent care or emergency room for eligible clients. CORRECTION: PRE-QUALIFIED LIST (PQL) PROGRAM FOR ASBESTOS SERVICES

NYCHA is excited to introduce you to our pre-qualified list (PQL) for Asbestos services. These services include removal, installation, fabrication, repair, materials, supplies, and other services performed by

the Asbestos trade across NYCHA developments City-wide. We are seeking experienced vendors to join our community and provide these in-demand services!

What is a pre-qualified list?

A PQL is a tool that NYCHA will use to primarily contract for Asbestos services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish Asbestos services contracting opportunities, and the PQL will predominantly be used to procure Asbestos services. After pre-qualifying according to specific criteria, vendors can bid on Asbestos services contracts released to the PQL.

All contractors interested in NYCHA's Asbestos services PQL must follow two important steps:

1. Vendors must prepare and submit applications to NYCHA's Asbestos services PQL at PQL@nycha.nyc.gov. You can view and prepare your response to the Request for Qualifications (RFQ) at <https://www.nyc.gov/site/nycha/business/nycha-pql.page>. To pre-qualify, vendors must meet the minimum requirements listed for experience, licensure, workforce capacity, and integrity. Applications will be evaluated by NYCHA on a rolling basis, but we recommend applying early to gain access to more PQL contracting opportunities!
2. Vendors who are admitted to the PQL can then bid for Asbestos services solicitations at NYCHA. NYCHA will confirm PQL evaluation decisions with applicants via a letter of acceptance or a letter of rejection. Vendors must bid on each Asbestos service contract award, as admission to the PQL does not guarantee contract award. To bid on a specific contract, NYCHA encourages vendors to apply a minimum of 15 days prior to the bid submission closing date to the PQL for an Asbestos services contract to be considered for that solicitation.

GENERAL SCOPE OF WORK - SPECIFICATIONS

NYCHA is currently accepting applications for Asbestos Services Pre-qualified List (PQL) program for the Environmental Consultant/ Third Party Air Monitoring; Investigations for Asbestos-containing Materials; Investigation of individual vacant and occupied apartments, public spaces within apartment buildings and possible filing of an ACP-5. Statement of Basis and Purpose

Section 17-180.1 of the Administrative Code contains various measures aimed at addressing the opioid epidemic. Local Law 124 for the year 2022 added subdivision g of section 17-180.1 of the Administrative Code, which requires the Department to establish a pilot program for the buyback of needles, syringes, and sharps. Through such pilot, the Department will offer financial incentives to individuals who collect and return needles, syringes, and sharps that were used for human non-medical drug consumption in order to ameliorate the litter in New York City communities that results from the opioid epidemic. To accomplish this mandate, the Department proposes to establish a new Chapter 36 within Title 24 of the RCNY to implement the pilot program.

As described in Local Law 124, the program is structured as follows: First, the program will be offered in the five highest-need City Council districts in New York City, as determined by the Department. As set forth in section 36-02, buyback locations will be listed on the Department's website. Further, a person participating in the program cannot receive more than twenty cents per needle, syringe, or sharp returned, and cannot earn more than ten dollars per day, as set forth in section 36-04. However, to participate, individuals must meet the criteria set forth in section 36-03. In particular, individuals must be at least eighteen years of age and undergo training on how to handle, transport, and dispose of needles, syringes, and sharps.

The pilot program will run for one year.

The Department's authority for this proposed amendment is found in sections 389, 556, and 1043 of the Charter, and section 17-180.1 of the Administrative Code.

Section 556 of the Charter provides the Department with jurisdiction to protect and promote the health of all persons in the City of New York. Sections 389 and 1043 grant the Department rulemaking authority. Subdivision g of section 17-180.1 of the Administrative Code requires the Department to promulgate rules establishing a needle, syringe, and sharps buyback pilot program.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

RESOLVED, that Title 24 of the Rules of the City of New York is amended by adding a new chapter 36 to read as follows:

Chapter 36

Needle, Syringe, and Sharps Buyback Pilot Program

§ 36-01. Definitions.

The term "Pilot Program," or "Program," means the needle, syringe, and sharps buyback pilot program established pursuant to this Chapter.

§ 36-02. Establishment of a Needle, Syringe, and Sharps Buyback Pilot Program.

- (a) For one year after commencement of the Pilot Program, the Department will offer the financial incentives set forth in section 36-04 of this Chapter to eligible persons who meet the requirements set forth in section 36-03 of this Chapter, and who collect and return needles, syringes, and sharps previously used for human non-medical drug consumption to specified buyback locations in the manner prescribed herein.
- (b) Buyback locations will be available on the Department's website on or before the date the Program commences. Buyback locations are determined by the Department based on the quantity and public health impact of information received from the public and syringe service providers regarding needle, syringe, and sharps litter as well as the prevalence and location of public drug use on or after the 6 months preceding commencement of the Program, provided, however, that there will be at least one buyback location in each borough.

§ 36-03. Eligibility for Individual Participation in the Needle, Syringe, and Sharps Buyback Pilot Program.

To be eligible, individuals must satisfy the following criteria:

- (a) Enrollment: An individual must enroll in the Pilot Program on a form prescribed by the Department. Enrollment may include proof of age, an agreement to waive liability for unsafe handling, and an agreement to abide by a code of conduct tailored to ensure the health and safety of program participants, staff, and associated individuals. Enrollment forms will be available on the Department's website on or before commencement of the Program.
- (b) Age requirement: Individuals must be eighteen years of age or older. Proof of age may be required.
- (c) Safe handling: Individuals must undertake training offered by the Department on the safe handling of needles, syringes, and sharps. Such training will include, but not be limited to, the proper disposal, containment, and transportation of needles, syringes, and sharps. Instructions regarding such training will be posted on the Department's website.

§ 36-04. Financial Incentives for the Needle, Syringe, and Sharps Buyback Pilot Program.

- (a) Participants will receive twenty cents for each needle, syringe, or sharp returned to a buyback location. However, the total daily payout for any individual participant will not exceed ten dollars.
- (b) Participants may be denied payment for any of the following reasons, as determined by the Pilot Program:
 - (1) The participant failed to comply with any element of the Pilot Program's code of conduct.
 - (2) The participant attempted to return needles, syringes, or sharps that were not used for human non-medical drug consumption.
 - (3) The participant made a material misrepresentation on any of their enrollment forms.
 - (4) The participant sought payment for items returned on a day when participant had already met the maximum daily payout maximum.

NOTE:

1. Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
2. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
3. Items 1 - 4 on contract 4287148 and 5 - 20 on contract 4287149 are effective as of June 1st, 2022.
4. Items 1 - 4 on contract 4387063 are effective as of December 19, 2022.
5. Federal Superfund Tax is included in the DCAS weekly pricing schedule, and it should not show as an additional fee.

REMINDER FOR ALL AGENCIES:

All entities utilizing DCAS fuel contracts are reminded to pay their invoices **on time** to avoid interruption of service. Please send inspection copy of receiving report for all gasoline (E70, UL PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

Starting November 1st, City agencies must transition from non-winterized fuel to winterized fuel. Please make sure your agency orders winter fuel according to the fuel options listed on the weekly price schedule.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing, NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION Section 1.

The Employer recognizes the Union as the sole and exclusive collective bargaining representative for the bargaining unit set forth below, consisting of employees of the Employer, wherever employed, whether full-time, part-time per annum, hourly or per diem, in the below listed title(s), and in any successor title(s) that may be certified by the Board of Certification of the Office of Collective Bargaining to be part of the unit herein for which the Union is the exclusive collective bargaining representative and in any positions in Restored Rule X titles of the Classified Service the duties of which are or shall be equated by the City Personnel Director and the Director of the Budget for salary purposes to any of the below listed title(s):

ARTICLE II - DUES CHECKOFF

Section 1.

- a. The Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Procedures for Orderly Payroll Check-Off of Union Dues and Agency Shop Fees."
- b. Any employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of **STEP A** above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip **STEP C** of this Section and proceed directly to **STEP D**.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 11.

The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 12.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Re: 2007-2009 Building and Construction Inspectors Agreement

Dear Mr. Gugliotta:

This is to clarify our mutual understanding that the addition of the word *written* in the grievance procedure in Article VI, Section 1 of the Agreement between the City of New York and the Allied Building Inspectors for the above period will not change the Union's ability to grieve a verbal order of a superior which is alleged to violate a written policy or order of an agency.

Re: 2007-2009 Building and Construction Inspectors Agreement

Dear Mr. Gugliotta:

This is to confirm the parties' mutual agreement and understanding regarding the disposition of Article III, Section 3., C. of the 2002-2005 Building and Construction Inspectors Agreement.

If, when, and as the Department of Buildings adopts a uniform dress code policy, Local 211 agrees to the following.

The parties understand, agree and intend that employees shall change into and out of uniform outside of compensable hours, and that compensable time shall be calculated from arrival at the first assignment until departure from the last work assignment exclusive of any unpaid meal period.

In lieu of providing time within the tour to change into and out of uniform, and predicated on the additional anticipated productivity gains, Employees in Mayoral agencies, only, shall receive an un-compounded general increase of one percent (1.0%) prospectively based on the salaries in effect as of the date of implementation of the dress code. The 1% increase provided herein is inclusive of a component for "mutual efforts in reducing paid sick leave usage" in the same amount and in the same manner as applied to other civilian Unions. Notwithstanding any other provision(s) of the collective bargaining agreement, the above-referenced un-compounded general wage increase shall be applied to the additions-to-gross in Article III, Sections 7, 8, 9 and 10, only.

If, for any reason, the dress code is not implemented by December 2, 2007, then the parties shall not be required to identify alternative productivity savings, the above-referenced un-compounded general wage increase shall not be applicable at all, and the provisions of Article III, Section 3., C. shall have no further force and effect.

If implementation of the dress code does occur prior to December 2, 2007, in the further event that any provision of this agreement shall at any time for any reason be adjudged to be invalid by a Court of competent jurisdiction, then the parties shall be required to negotiate a new agreement to identify alternative productivity savings to fund the increases provided herein. Upon the execution of such agreement, this agreement shall terminate. Pending the negotiation of such new agreement, this agreement shall be continued in its entirety, and if in the interim any adverse judicial decision is reversed, vacated or otherwise nullified, then the new agreement shall not be deemed necessary and this agreement shall continue.

Nothing contained herein shall limit or diminish the Employer's or the Union's rights pursuant to §12-307(b) of the New York City Collective Bargaining Law, except as specifically provided herein. Notwithstanding this, the Union waives its right to raise any claims of any nature relating to this agreement including, but not limited to, a claim of practical impact relating to the additional productivity gains achieved through this agreement, and the Union agrees that all matters subject to bargaining have been disposed of in this Agreement.

If the above accords with your understanding, please indicate your acceptance by executing the signature line below.

Very truly yours,
/s/
