“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

GREEN INFRASTRUCTURE DESIGN SERVICES - Request for Proposals - PIN# 53320014 - Due 3-27-15 at 4:00 P.M.

NYCEDC is seeking up to six design consultants or consultant teams to provide design services for green infrastructure in the HP07-02, HP07-03, HP04-04 and HP02-02 combined sewer overflow (CSO) Tributary areas to the Bronx River in the Bronx and 26W-004 and 26W-005 CSO Tributary areas to Jamaica Bay in Brooklyn. The purpose of this project is to support New York City Department of Environmental Protection's (NYCDEP) Green Infrastructure Program and to deliver green infrastructure capital projects. These capital projects, primarily Right of Way Bioswales (ROWB), are to be implemented in target areas in order to comply with state and federal regulations regarding water quality attainment and mitigation of CSOs, and in connection with replacement projects that will defer consent order capital obligations of "grey" infrastructure projects that would otherwise cost several hundred million dollars.

NYCEDC plans to select consultants on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit an M/WBE Participation Proposal with their response. To learn more about NYCEDC's M/WBE program, visit <http://www.nycedc.com/opportunitymwbe>. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to the www.nyc.gov/buycertified.

NYCEDC established the Kick Start Loan programs for Minority, Women and Disadvantaged Business Enterprise (M/W/DBE) interested in working on public construction projects. Kick Start Loans facilitates financing for short-term mobilization needs such as insurance, labor, supplies and equipment. Bidders/subcontractors are strongly encouraged to visit the NYCEDC website at www.nycedc.com/opportunitymwbe to learn more about the program.

An optional informational, pre proposal session will be held on Thursday, March 12, 2015 at 10:30 A.M. at NYCEDC. Those who wish to attend should RSVP by email to GreenInfrastructure@edc.nyc on or before March 11, 2015.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 5:00 P.M. on Friday, March 13, 2015. Questions regarding the subject matter of this RFP should be directed to GreenInfrastructure@edc.nyc. Answers to all questions will be posted by Friday, March 20, 2015, to www.nycedc.com/RFP. Please submit six (6) sets (5 hard copies and 1 electronic copy) of your proposal.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
