Pursuant to Procurement Policy Board Rule Section 3-05, the New York City Department of Health and Mental Hygiene intends to enter into a sole source agreement with Lifeguard Digital Health, Inc., who will provide LifeguardLite, a medical alert device, to avert overdose deaths in New York City due to the fentanyl and xylazine crises, particularly among people that use alone, such as those in supportive housing, who often do not get naloxone administered until it is too late.

DOHMH has determined that LifeguardLite was identified as the only device available to link people using drugs directly with emergency services to deliver naloxone in time to prevent fatal overdose. Lifeguard Lite has been installed in supportive housing units in other jurisdictions and has proven to successfully avert overdose deaths by ensuring that this simple life-saving intervention can be delivered in a timely manner. Lifeguard Digital Health Inc. is the inventor and sole provider of LifeguardLite, and there are no authorized resellers of this product. Therefore, DOHMH seeks to enter into a sole source contract with Lifeguard Digital Health Inc.

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established six (6) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting, Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis), Plumbing and Electrical.

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQL's and to obtain applications, please visit NYCHA's website at: https://www.nyc.gov/site/nycha/business/nycha-pql.page

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

FINANCE

■ NOTICE

NOTICE OF ADOPTION

Pursuant to the authority vested in the Commissioner of the New York City Department of Finance (DOF) by sections 1043 and 1504 of the New York City Charter (Charter), section 19-203 of the Administrative Code of the City of New York, and section 237 of the Vehicle and Traffic Law (VTL), DOF promulgates and adopts amendments to Chapter 39 of Title 19 of the Rules of the City of New York (RCNY) relating to the adjudication of parking summonses issued in New York City.

A proposed version of these rules was published on July 3, 2023. A hearing for public comment was held on August 3, 2023. DOF received oral and written comments.

These rules will go into effect upon the earliest effective date authorized by section 1043(f) of the Charter, except as provided in section thirty-eight of this rule, which delays the application of the amendments to 19 RCNY \S 39-09(a)(4) made by section fifteen of this rule, and the application of the amendments to 19 RCNY \S 39-09(b)(4) made by section twenty-two of this rule, for certain respondents who have 10,000 or more summonses that have not been adjudicated or otherwise satisfied.

STATEMENT OF BASIS AND PURPOSE

DOF's Adjudications Division, which is a component of the Parking Violations Bureau or PVB, adjudicates parking summonses issued in New York City. DOF is amending various provisions of Chapter 39 of Title 19 of the Rules of the City of New York to revise and add defined terms, update pronoun and capitalization usage, and correct ministerial spelling and defined term reference errors. Additionally, this rule amendment updates and clarifies procedures to conform to current practices and improve the operations of PVB and certain special purpose hearing parts. These rules would standardize and update the procedures used in special purpose hearing parts to conform them to new systems and technological improvements that have been implemented since these rules were last updated. These changes will promote the efficient, fair and impartial adjudication of parking summonses for the general public and business community of New York City. DOF is authorized to promulgate these rules under VTL § 237, New York City Administrative Code § 19-203, and Charter § 10-43 and 1504.

A recurring theme in comments received by DOF regarding this rule related to questions of authority. Several commenters questioned the legality of the DOF Fleet Program, generally, based on the principle that the term "Fleet Program" is not specifically invoked in the text of the VTL. One commenter questioned the scope of DOF's rulemaking

authority under VTL § 237(3). Another suggested that Article 2-B of the VTL was unlawfully being amended through this rule change.

In addition, a member of the State Legislature submitted written comments after the public comment period ended objecting to this rule, specifically regarding its purported inconsistency with the VTL and its denial of due process as well as a general comment on the lack of virtual but live adjudication hearings that DOF offers.

As explained in more detail both above and below in this Statement of Basis of Purpose, these objections are unfounded. First and foremost, the New York State Supreme Court Appellate Division, First Department has already upheld the legality of DOF's creation and utilization of special adjudication programs within PVB. The First Department has also upheld the principle that DOF possesses broad authority to promulgate interstitial rules regarding the organization of PVB and the adjudication of parking summonses where such rules further the purposes underlying Article 2-B of the VTL. Accordingly, this rule is not inconsistent with VTL Article 2-B, but rather exercises the flexible authority delegated to DOF by the State Legislature.

DOF is making the following rule amendments described below:

- Section one of this rule amends the definitions of "Business Entity," "Car Rental Program," "Commercial Abatement Program," "Commercial Organization," "Fleet Program," "Operator," "Parking Violations Bureau," "primary filing" and "Stipulated Fine Program" codified in 19 RCNY § 39-01 and adds to such section new definitions for "Consolidated Adjudication Unit (CAU)," "electronic case folder" and "meter number." Following the publication of the proposed version of these rules, DOF amended the name of the Unit known as the "Commercial Adjudication Unit" or "CAU." This unit is now known as "Consolidated Adjudication Unit" and will continue to be referred to through the initialism "CAU." The new definition of the term Consolidated Adjudication Unit in this section reflects that summonses issued to individuals and entities that are not Business Entities can also be adjudicated in that Unit.
- Sections two, nine, ten, eleven, fourteen, twenty-one, twenty-two, twenty-seven, twenty-eight, thirty, thirty-one, thirty-two, thirty-three, thirty-four, thirty-five, and thirty-six of this rule amend 19 RCNY §§ 39-02(d), 39-05(o), 39-08(a)(2), (b)(1), (b)(2) and (h), 39-09(a)(9), (b)(2), (b)(9) and (c)(3), 39-10(h)(2), (j)(1), (j)(2), (j)(3) and (j)(5), 39-12(d)(1), (e) and (g)(1) and 39-14(d) to update pronoun usage.
- Sections three, four, eight, eleven, twelve, fifteen through nineteen, twenty-one, twenty-two, and twenty-four through twenty-seven of this rule amend 19 RCNY §§ 39-02(e)(1) and (e) (2), 39-03(c), 39-05(i), 39-08(c), 39-09(a)(2), (a)(3), (a)(4), (a)(6), (a) (8), (a)(9), (b)(2), (b)(3), (b)(4), (b)(8) and (b)(9) to update outdated terms and defined terms and correct typos and spelling and capitalization errors.
- Section five of this rule amends 19 RCNY § 39-03(f) to permit a hearing to be conducted without the presence of a Fleet Program company or their representative if they have not requested a hearing and submitted their evidence for their in-person hearing prior to such hearing. Both the request and the submission must occur within the required time period of 60 days. Note also that the text of this rule was amended following the publication of the proposed rules to add an additional condition providing that, if a company fails to appear at a hearing and the allotted 60-day time period expires, DOF may conduct such hearing without the company's presence. One commenter expressed concern regarding extreme circumstances in which a respondent is unable to schedule a hearing within 60 days, such as during the COVID pandemic. Existing rule 19 RCNY § 39-14 allows for the expansion of timelines at the discretion of the Director, which would resolve such unusual circumstances. Several commentors also questioned the legality of this regulatory provision in light of the requirement of VTL § 237(8) for PVB to provide a response to a relevant and reasonable inquiry for a parking summons within 45 days. But there is no reason to believe that VTL § 237(8) conflicts with the text of this rule, which is about mandating that adjudications for parking summons take place within a reasonable period of time, rather than mandating that the PVB responds to requests for information in a reasonable period of time. Rather, this rule change is designed to provide flexibility for companies in the Fleet Program while ensuring that hearings in the Fleet Program are conducted without undue delay, and in fact provides a greater amount of time to Fleet Program participants than the amount of time that is currently afforded to respondents outside of the Fleet Program.
- Sections six and seven of this rule amend 19 RCNY § 39-04(a)(2), (b) and (c) to update the procedures for entering pleas and the payment of fines and penalties with a guilty plea.

- Section eleven of this rule amends 19 RCNY § 39-08(b)(3) to permit the Director to determine the method of hearings conducted at PVB, based on those hearing methods established elsewhere in these rules. Such determinations will be made in order to meet the needs of PVB and after considering a variety of factors. Several commentators expressed concern that this rule change could result in a due process violation. A commenter at the public hearing indicated that the Director has no power to dictate the hearing method that a respondent must follow because live, in-person hearings must always be available, with the option to obtain a transcript. With respect to voluntary participation in special purpose hearing parts created by PVB, the Director has the power to control the hearing methods that DOF makes available in order to meet the needs of PVB. As clarified in the text of this rule, any respondent may request a live, in-person hearing at any of DOF's Business Centers if they so choose. That option remains available. Further, DOF added into this rule an additional requirement that the Director consider constitutional due process requirements in making such a determination on available hearing methods. This provision, building off existing rules, establishes a framework for the Director to determine the appropriate methods of conducting hearings, balancing efficiency, workload, staffing and the availability of other resources, while preserving the constitutional due process rights of respondents.
- Section twelve of this rule amends 39-08(d)(2) to add a requirement to provide the email address of counsel on a notice of appearance.
- Section thirteen of this rule amends RCNY § 39-08(f)(2) to clarify that evidence submitted at a hearing must be in a form prescribed by the Director and that all testimony presented at a hearing would be given upon an oath or affirmation issued by an Administrative, Senior or Supervising Law Judge, where appropriate based on policies established by PVB. Based on comments made at a public hearing, DOF added into this rule an additional requirement that the Director consider constitutional due process requirements in determining the form of such evidence. This provision establishes a framework for the Director to determine methods of receiving evidence, balancing efficiency, workload, staffing and the availability of other resources, while preserving the due process rights of respondents. This commenter at the public hearing also questioned the legality of the provision that would permit the Director to determine the form in which evidence may be submitted, and speculated that the result could be inequitable. This commenter suggested that this rule provision would conflict with VTL § 240(2)(c), which states that an Administrative Law Judge (ALJ) is generally not bound by the rules of evidence. But this concern is unwarranted. This provision of the VTL relates to rules of evidence and provides that PVB is not obligated to follow the rigorous statutory rules of evidence. It also does not prohibit DOF from promulgating a rule for the implementation of reasonable procedures for establishing relevant facts in a hearing.
- Section fifteen of this rule amends 19 RCNY § 39-09(a)(2) to
 update the procedures regarding broker registration. This
 provision would work in tandem with existing rules to provide
 the Director appropriate flexibility to manage the affairs of PVB.
 In order to clarify the range of permissible submissions of broker
 registration forms, a provision permitting the electronic
 submission of such forms was added following the publication of
 the proposed rules.
- Section fifteen of this rule amends 19 RCNY § 39-09(a)(4) to require that a Business Entity represented by a broker must be registered in the Fleet Program or the Car Rental Program. Since the publication of the proposed rules, this requirement was amended so that it applies only to Business Entities. The provision allowing for brokers to represent Business Entities enrolled in the Car Rental Program was also added following the publication of the proposed rules. Several commentators argued that the Fleet Program was unnecessary or obsolete, or expressed dissatisfaction with past outcomes adjudicating summonses in the Fleet Program. Several alleged—without further explanation—that this rule would constitute "tortious interference" or speculated regarding DOF's motives in promulgating this rule provision. DOF's motives are to improve efficiency. By mandating that Business Entities using the services of brokers participate in either the Fleet Program or the Car Rental Program, this amendment will improve the efficiency of the Consolidated Adjudication Unit by standardizing applicable procedures and rules. Comments alleging that the Fleet Program has been rendered obsolete by other, more recent electronic platforms managed by the City are not accurate. The data platform supporting the Fleet Program has no functional equivalent elsewhere in the City.

- Sections sixteen and twenty-three of this rule repeal 19 RCNY § 39-09(a)(5) and (b)(5) establishing a hearing log procedure.
- Section eighteen of this rule amends 19 RCNY § 39-09(a)(8) to
 update and clarify the rules regarding broker conduct. Following
 publication of the proposed rule, DOF added a provision to this
 section of the rule to clarify that brokers are prohibited from
 making additional arguments via email—in addition to other
 means of communication listed in the rule—to ALJs or other
 DOF employees outside the context of a hearing.
- Section twenty of this rule amends 19 RCNY § 39-09(a)(8) by adding two new subparagraphs (xiii) and (xiv). These subparagraphs establish additional broker conduct rules and mandate that brokers comply with their clients' instructions and remit payments received from their clients to pay for parking summonses. A commenter at a public hearing expressed concern that this rule would be interpreted to mandate that brokers receive specific client instructions for each individual summons. This concern is unfounded and is not supported by the text of the rule. The text of this rule provides adequate flexibility for clients to authorize their brokers through general authorizations or more specific, tailored authorizations.
- Section twenty-two of this rule amends 19 RCNY § 39-09(b)(2) to update the procedures regarding employee registration.
- Section twenty-two of this rule amends 19 RCNY §39-09(b)(4) to require that a company represented by an employee must be registered in the Fleet Program.
- Sections twenty-four and twenty-five of this rule amend 19 RCNY § 39-09(b)(8) to update and clarify the rules regarding employee conduct. Following publication of the proposed rule, DOF added a provision to this rule language to clarify that employees are prohibited from making additional arguments via email—in addition to other means of communication listed in the rule—to ALJs or other DOF employees outside the context of a hearing.
 - Section twenty-nine of this rule adds a new subdivision (d) to section 19 RCNY \S 39-09 requiring that a respondent, employee, unpaid representative, or any other type of representative consolidate at least the minimum number of summonses into an electronic case folder (ECF) authorized by the Director for a hearing or appeal at the Consolidated Adjudication Unit (CAU). Consistent with DOF's broad regulatory authority, the Director will set such minimum number based on the needs of PVB, and shall consider efficiency, workload, staffing and other resources in making such determination. Based on thematically related comments made at a public hearing, DOF has since added into this rule an additional requirement that the Director also consider constitutional due process and the volume of outstanding ECFs in setting this minimum number. This section twenty-nine also clarifies the decision format for CAU hearings and sets CAU evidence procedures. Several commenters questioned the use of decision codes by the Consolidated Adjudication Unit as vague or unreasonable. DOF considers these codes to be efficient and effective tools in adjudicating summonses before CAU. Further, the use of decision codes has been upheld by the First Department of the New York State Appellate Division. Since the publication of the proposed rules, the number of digits specifying the alpha-numeric character length of a reason code for CAU decisions was removed to ensure that DOF has adequate administrative flexibility in using such decision codes. A commenter also suggested that the evidence procedures set forth in this rule conflict with statutory disclosure provisions. This concern is unfounded. The text of this rule includes an exception for circumstances where statutory disclosure requirements apply. Additionally, a commenter stated that the provision permitting the Director to determine the minimum amount of summonses to be consolidated into one ECF violates VTL § 240(1), which provides that PVB must provide a respondent with notice as to the date the respondent must "answer the charge at a hearing." The commenter stated that requiring a respondent to answer multiple charges at one time conflicts with the use of the singular noun "charge" in VTL § 240(1). This statutory reading is incorrect, and, just as significantly, misstates the effect of the proposed rule: the ECF is a purely administrative tool to facilitate more efficiently scheduling and collecting evidence for summonses. In every instance, a respondent will still answer a single summons with individualized testimony and evidence. This rule only regulates how summonses are grouped together in the administrative electronic folder to save time and resources for PVB and respondents who use CAU alike.
- Section thirty-four of this rule amends 19 RCNY § 39-12(e) by authorizing the Director to determine that the directory 60-day

period set forth in that subdivision is inadequate and thereafter establish a longer period for the adjudication of appeals based on considerations of due process, efficiency, workload, staffing and other resources. This provision was added after the receipt of public comments in order to ensure that the overall effect of this rule change does not disrupt the efficiency of PVB's business processes.

- Section thirty-seven of this rule amends 19 RCNY § 39-19 by explicitly authorizing PVB to implement contemporaneous hearings through virtual videographic methods. This rule also authorizes a pilot program that would allow a small subset of hearings to be conducted virtually before this hearing methodology is expanded more broadly. Comments regarding this rule noted the lack of virtual but contemporaneous adjudications, and encouraged DOF to implement such methods. This rule balances the public's expressed desire for greater access and flexibility with DOF's need to ensure that the roll-out of these hearings occurs smoothly and that PVB maintains the same standards of accuracy and due process in conducting its adjudications.
- Section thirty-eight of this rule sets forth an effective date for all sections of this rule as the earliest effective date provided by \$ 1043(f) of the Charter, except that the amendments to 19 RCNY § 39-09(a)(4) made by section fifteen of this rule and 19 RCNY § 39-09(b)(4) made by section twenty-two of this rule shall not apply to an affected respondent for two additional months for each set of 10,000 summonses against that respondent that have not been adjudicated or otherwise satisfied as of the effective date provided by Charter § 1043(f). For example, if a hypothetical respondent has 32,000 outstanding summonses, the abovementioned provisions would not apply to such respondent until an additional 6 months expired after the Charter effective date. The purpose of this provision is to ensure that those respondents with a high volume of outstanding summonses have adequate time to comply with the requirements of 19 RCNY §§ 39-03 and 39-11(b). However, this provision cannot delay the application of these amendments for any respondent beyond a maximum of 12 months.

- (2) Respondents, Brokers, unpaid representatives, and any other representatives who appear before CAU must consolidate at least the minimum number of summonses authorized by the Director into one ECF for hearing or appeal. Such minimum number of summonses shall be determined by the Director based on the needs of the Bureau, and shall include a consideration of due process, efficiency, workload, staffing, volume of outstanding ECFs and other resources. Where the total number of outstanding summonses pending hearing or appeal against a respondent is less than such minimum number, such minimum number will be deemed to be the total number of summonses pending hearing or appeal, as applicable.

- (i) The term "broker" has the meaning set forth in paragraph (1) of subdivision (a) of this section.
- (ii) The term "employee" has the meaning set forth in paragraph (1) of subdivision (b) of this section.
- (iii) The term "unpaid representative" has the meaning set forth in paragraph (1) of subdivision (c) of this section.
- \S 30. Paragraph (2) of subdivision (h) of section 39-10 of Title 19 of the Rules of the City of New York is amended to read as follows:
- (2) In the case of judgments rendered after hearing, the respondent [shall] <u>must</u> pay such judgments in full immediately. However, for good cause shown, the Director or [his or her] <u>their</u> designee may extend the time for such payment or set conditions therefor.
- \S 31. Paragraphs (1), (2) and (3) of subdivision (j) of section 39-10 of Title 19 of the Rules of the City of New York are amended to read as follows:
- (1) A determination dismissing a charged parking violation that has been procured due to the knowing fraud, false testimony, misrepresentation or other misconduct, or the knowing alteration of a notice of parking violation, by the person so charged or [his or

her] <u>their</u> agent, employee or representative may be set aside by an administrative law judge as hereinafter provided.

- (2) Notice shall be served on the owner by mail to the last known registered address within two years of the time that the enforcing authority discovers, or could with reasonable diligence have discovered, that the dismissal was procured due to the knowing fraud, false testimony, misrepresentation, or other misconduct, or the knowing alteration of a notice of parking violation, by the person so charged or [his or her] their agent, employee or representative. Such notice shall fix a time when and place where a hearing shall be held before an administrative law judge to determine whether or not dismissal of a charged parking violation shall be set aside. Such notice shall set forth the basis for setting aside the dismissal and advise the owner that failure to appear at the date and time indicated in such notice shall be deemed an admission of liability and shall result in the setting aside of the dismissal and entry of a determination on the charged parking violation. Such notice shall also contain a warning that civil penalties may be imposed for the violation pursuant to this subdivision and that a default judgment may be entered thereon.
- (3) Upon a finding by an administrative law judge that the dismissal of a charged parking violation has been procured due to the knowing fraud, false testimony, misrepresentation, or other misconduct, or the knowing alteration of a notice of parking violation, by the person so charged or [his or her] their agent, employee or representative, the dismissal shall be set aside and a determination may be rendered against the owner on the charged parking violation. The administrative law judge may impose monetary penalties for the charged parking violation of up to three times the scheduled fine for the violation pursuant to 19 RCNY § 39-05 and three times the additional penalties that may be imposed for failure to respond to a notice of violation pursuant to 19 RCNY § 39-07. The administrative law judge shall also impose, without multiplying, the surcharge authorized by section 1809-a of the Vehicle and Traffic Law. For purposes of determining the amount of such additional penalties, the administrative law judge shall disregard the plea that procured the dismissal that has been set aside and shall calculate such penalties as if there had been no plea or appearance in the proceeding. In any proceeding under this subdivision to set aside a determination and to impose penalties for the violation, it shall not be necessary for the administrative law judge to find that the owner personally committed the unlawful acts that procured the dismissal of the violation
- \S 32. Paragraph (5) of subdivision (j) of section 39-10 of Title 19 of the Rules of the City of New York is amended to read as follows:
- (5) A default judgment pursuant to paragraph 4 of this subdivision may be entered more than two years after the expiration of the time prescribed pursuant to subdivision (f) of this section, but no more than two years after the time that the enforcing authority discovers, or could with reasonable diligence have discovered, that the dismissal was procured by fraud, false testimony, misrepresentation, or other misconduct, or the knowing alteration of a notice of parking violation by the respondent or by [his or her] their agent, employee or representative.

(1) Within sixty days or a period of time determined by the Director pursuant to paragraph (2) of this subdivision, as applicable, after the filing of the notice of appeal, respondent's briefs or completion of oral argument, whichever date shall come last, the Appeals Board shall render its determination in writing. A copy of such determination shall be sent by ordinary mail or another method deemed appropriate by the Director to the respondent or list or her!
- (2) If the Director determines that the 60-day period set forth in paragraph (1) of this subdivision is inadequate, the Director may establish a longer period based on considerations of due process, efficiency, workload, staffing and other resources.
- § 35. Paragraph (1) of subdivision (g) of section 39-12 of Title 19 of the Rules of the City of New York is amended to read as follows:

- (1) Failure by any Respondent-Appellant to furnish or supply any relevant material required to process [his or her] <u>their</u> appeal, within thirty days of a request by the Bureau therefor shall be deemed an abandonment of such appeal.

§ 39-19 Hearings by Website and Virtual but Contemporaneous Videographic Adjudication Methods.

- (a) The Director may determine certain classes of alleged violations as appropriate for adjudication electronically through the Department of Finance website or using of virtual but contemporaneous videographic means through the Department of Finance website or another website designated by the Department of Finance and may prescribe procedures for such adjudication.
- (b) Notwithstanding any other provision of this Chapter, the Director may establish a virtual hearing pilot program, whereby the Director designates a certain number or percentage of summonses as eligible to be adjudicated through virtual but contemporaneous videographic adjudication methods in order to test the efficacy of such methods. The Director may further limit such pilot program to summonses that are adjudicated in one or more special purpose hearing parts or other programs operated by PVB. Upon a written determination by the Director, such pilot program will terminate, and the Director shall determine whether and how to conduct virtual but contemporaneous videographic adjudication methods in accordance with the procedures set forth in 19 RCNY § 39-08(b)(3).
- § 38. This rule takes effect on the earliest effective date authorized by subdivision f of section 1043 the Charter, provided that:

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays. 5:00 P.M., except on legal holidays

NOTICE TO ALL NEW YORK CITY

CONTRACTORS
The New York State Constitution ensures that all The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES
The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth
of goods, services, construction and construction-related
services every year. The NYC Procurement Policy Board
Rules require that agencies primarily solicit from
established mailing lists called bidder/proposer lists.
Registration for these lists is free of charge. To register
for these lists, prospective suppliers should fill out and
submit the NYC-FMS Vendor Enrollment application,
which can be found online at www.nyc.gov/selltonyc.
To request a paper copy of the application, or if you
are uncertain whether you have already submitted
an application, call the Vendor Enrollment Center at
(212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

WORKSHOP
New and experienced vendors are encouraged to register for a free training course on how to do business with New York City, "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any demial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

PROMPT PAYMENT

PROMPT PAYMENT
It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in
