HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held on April 8, 2025 at 250 Broadway, 16th Floor at 11:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 576-a(2) of the Private Housing Finance Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development (“HPD”) of the City of New York (“City”) has proposed the sale of the following City-owned property (collectively, “Disposition Area”) in the Borough of Brooklyn:

Address Block/Lot(s)
 457 Nostrand Avenue Block 1844, Lot 1

Under HPD’s New Construction Finance programs, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable housing units with a range of affordability, including units for formerly homeless families. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits.

Under the proposed project, the City will sell the Disposition Area to a qualified and eligible sponsor to be designated by HPD (“Sponsor”) for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value. The Sponsor will construct one new building with up to 240 dwelling units and community facility space on the Disposition Area.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For questions about accessibility and requests for additional accommodations, please contact swerts@council.nyc.gov or nbenjamin@council.nyc.gov or (212) 788-6936 at least three (3) business days before the hearing.

m26-a8

PLEASE TAKE NOTICE that a public hearing will be held on April 8, 2025 at 250 Broadway, 16th Floor at 11:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 576-a(2) of the Private Housing Finance Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development (“HPD”) of the City of New York (“City”) has proposed the sale of the following City-owned property (collectively, “Disposition Area”) in the Borough of Brooklyn:

Address Block/Lot(s)
 1134 Pacific Street Block 1205, Lot 11
 1142 Pacific Street Block 1205, Lot 14
 Pacific Street Block 1205, Lot 111

The Disposition Area is privately-owned and was previously conveyed

by HPD to a housing development company for the purpose of rehabilitating an existing residential building for affordable housing. The Disposition Area is now vacant, there are no tenants of record, and a new construction project is proposed. The City will re-acquire the Disposition Area and then dispose of it to facilitate the proposed project.

Under HPD's Extremely Low and Low Income Affordability Program, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing to families with a range of incomes from 30% to 130% of the Area Median Income ("AMI"), with up to 30% of the units targeted to incomes between 80% and 130% of AMI. Projects may include tiers of units with rents affordable to households earning up to 100% of AMI. Subject to project underwriting, up to 30% of the units may be rented to formerly homeless families and individuals.

Under the proposed project, the City will sell the Disposition Area to a qualified and eligible sponsor to be designated by HPD ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will then construct one building containing a total of approximately 119 rental dwelling units, plus one unit for a superintendent, on the Disposition Area.

The City's capital subsidy may be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For questions about accessibility and requests for additional accommodations, please contact swerts@council.nyc.gov or nbenjamin@council.nyc.gov or (212) 788-6936 at least three (3) business days before the hearing.

Statement of Basis and Purpose of Proposed Rule

These Procurement Policy Board (PPB) Rule amendments would update the provisions of the PPB Rules relating to public hearings and public notice and comment.

Effective May 21, 2025, New York City Charter § 326 will be amended by New York State law (Chapter 483 of the Laws of 2024) to replace the requirement for public hearings with a requirement for public notice and comment for any contract for goods, services or construction in excess of one hundred thousand dollars to be awarded by other than competitive sealed bidding or competitive sealed bids from prequalified vendors.

This rule amendment that transitions public hearings to public notice and comment as required by the amendments to New York City Charter § 326 would improve efficiency and public participation in the procurement process. Eliminating the need to schedule and host public hearings would help reduce procurement timelines, and implementing notice and comment would provide the public with easier access to comment on a potential contract compared to appearing and giving testimony at a hearing.

Section 1 would amend PPB Rule § 2-11 to rename the section from "Public Hearing Requirements" to "Public Notice and Comment Requirements" and update the section for clarity and consistency with the changes to Charter § 326. The additional requirements for the public notice would detail the contents of the public notices and the process for public comments.

Section 2 would provide an effective date for the amendments made by Section 1.

The PPB's authority to promulgate these rules is found in sections 311, 326, and 1043 of the New York City Charter.

The new material added in the text of the rule is underlined and the deleted material is in [brackets]. "Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly

indicates otherwise.

Section 1. Section 2-11 of Title 9 of the Rules of the City of New York is amended to read as follows:

§ 2-11 Public [Hearing] Notice and Comment Requirements.

Statement of Basis and Purpose of Proposed Rule

These Procurement Policy Board (PPB) Rule amendments would update the provisions of the PPB Rules relating to vendor protests.

Effective March 9, 2025, New York City Charter § 311(b) was amended by Local Law 107 of 2024 to require the PPB to promulgate rules authorizing the submission of a protest by a vendor or a vendor's designated representative of a determination of any procurement action by an agency, except for determinations related to accelerated procurements, emergency procurements, and small purchases.

This rule amendment required by New York City Charter § 311(b) would provide third parties the ability to protest a determination of an agency procurement action on behalf of a vendor.

Section 1 of the proposed rule would amend PPB Rule § 2-10 to allow a vendor's designated representative to protest a determination of a procurement action, create a new paragraph (1) to define "vendor's designated representative," and update the paragraph numbers for paragraphs (1) to (3).

The PPB's authority to promulgate these rules is found in sections 311 and 1043 of the New York City Charter.

The new material added in the text of the rule is underlined and the deleted material is in [brackets]. "Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 2-10 of Title 9 of the Rules of the City of New York is amended to read as follows:

- (i) Protests. Any vendor or vendor's designated representative may protest a determination of any procurement action pursuant to this section, unless another appeal or protest provision is provided in these Rules. Accelerated procurements, emergency procurements, and small purchases are not subject to vendor protests.
- (1) For purposes of this section, a vendor's designated representative means a person, as defined by Section 1-01(e) of these Rules, authorized by a vendor to submit a protest on behalf of the vendor. No more than one person may be a vendor's designated representative at a time. A vendor and the vendor's designated representative may not both submit protests of the same determination. Protests by a vendor's designated representative must include written evidence of such designation.

(2) Time for Protest. A protest shall be made within ten days after the protesting vendor knows or should have known of the facts that prompted the protest but no later than ten days after publication of the notice of award.

[(2)] (3) Form and Content of Protest. The protest shall be filed with the Agency Head and shall briefly state all the facts or other basis upon which the vendor contests the agency decision. Supporting documentation, if any, shall be included. If a vendor has already been selected for the procurement, the Agency Head shall, upon receipt of the protest, mail a copy of the protest to the selected vendor. Filing of the protest shall be accomplished by actual delivery of the protest documents to the office of the Agency Head. The vendor shall also send a copy of its protest to the ACCO and the New York City Comptroller, Office of Contract Administration.

[(3)] (4) Agency Head Determination. The Agency Head may, in his or her sole discretion, invite written comment from the selected vendor (if any) or other interested party, and/or convene an informal conference with the protesting vendor, the selected vendor, and/or any other interested party to resolve the protest by mutual consent. The Agency Head's determination with respect to the merits of the protest shall be mailed to the protesting vendor and the selected vendor (if any) within thirty days of receipt of the protest documents. The determination shall state the reasons upon which it is based. Copies of all documents required by this paragraph shall be forwarded to the CCPO and the Comptroller as such documents become available to the agency. The Agency

EMERGENCY EXECUTIVE ORDER NO. 768

March 24, 2025

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which “represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island”; and

WHEREAS, while there has been improvement in excessive staff absenteeism, the Department of Correction’s (DOC’s) staffing levels continue to contribute to a rise in unrest and disorder and create a serious risk to the necessary maintenance and delivery of sanitary conditions; access to basic services including showers, meals, visitation, religious services, commissary, and recreation; and prompt processing at intake; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC’s staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140; Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that the State of Emergency declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, is extended for thirty (30) days.

§ 2. I hereby direct that section 1 of Emergency Executive Order No. 765, dated March 19, 2025 is extended for five (5) days.

§ 3. This Emergency Executive Order shall take effect immediately. The State of Emergency shall remain in effect for a period not to exceed thirty (30) days or until rescinded, whichever occurs first. Additional declarations to extend the State of Emergency for additional periods not to exceed thirty (30) days shall be issued if needed.

EMERGENCY EXECUTIVE ORDER NO. 769

March 24, 2025

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction (“DOC”), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor (“Monitor”) prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to “evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect” [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect;

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that the State of Emergency declared in Emergency Executive Order No. 624, dated July 27, 2024, and extended by subsequent orders, is extended for thirty (30) days.

§ 2. I hereby direct that section 1 of Emergency Executive Order No. 766, dated March 19, 2025 is extended for five (5) days.

§ 3. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.
