## HOUSING PRESERVATION AND DEVELOPMENT

### ■ PUBLIC HEARINGS

**PLEASE TAKE NOTICE** that a public hearing will be held on April 8, 2025 at 250 Broadway, 16th Floor at 11:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 576-a(2) of the Private Housing Finance Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development (“HPD”) of the City of New York (“City”) has proposed the sale of the following City-owned property (collectively, “Disposition Area”) in the Borough of Brooklyn:

<u>Address</u>	<u>Block/Lot(s)</u>
457 Nostrand Avenue	Block 1844, Lot 1

Under HPD’s New Construction Finance programs, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable housing units with a range of affordability, including units for formerly homeless families. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits.

Under the proposed project, the City will sell the Disposition Area to a qualified and eligible sponsor to be designated by HPD (“Sponsor”) for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value. The Sponsor will construct one new building with up to 240 dwelling units and community facility space on the Disposition Area.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For questions about accessibility and requests for additional accommodations, please contact [swerts@council.nyc.gov](mailto:swerts@council.nyc.gov) or [nbenjamin@council.nyc.gov](mailto:nbenjamin@council.nyc.gov) or (212) 788-6936 at least three (3) business days before the hearing.

**PLEASE TAKE NOTICE** that a public hearing will be held on April 8, 2025 at 250 Broadway, 16th Floor at 11:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 576-a(2) of the Private Housing Finance Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development (“HPD”) of the City of New York (“City”) has proposed the sale of the following City-owned property (collectively, “Disposition Area”) in the Borough of Brooklyn:

<u>Address</u>	<u>Block/Lot(s)</u>
1134 Pacific Street	Block 1205, Lot 11
1142 Pacific Street	Block 1205, Lot 14
Pacific Street	Block 1205, Lot 111

The Disposition Area is privately-owned and was previously conveyed by HPD to a housing development company for the purpose of rehabilitating an existing residential building for affordable housing. The Disposition Area is now vacant, there are no tenants of record, and a new construction project is proposed. The City will re-acquire the Disposition Area and then dispose of it to facilitate the proposed project.

Under HPD’s Extremely Low and Low Income Affordability Program, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create

affordable rental housing. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing to families with a range of incomes from 30% to 130% of the Area Median Income ("AMI"), with up to 30% of the units targeted to incomes between 80% and 130% of AMI. Projects may include tiers of units with rents affordable to households earning up to 100% of AMI. Subject to project underwriting, up to 30% of the units may be rented to formerly homeless families and individuals.

Under the proposed project, the City will sell the Disposition Area to a qualified and eligible sponsor to be designated by HPD ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will then construct one building containing a total of approximately 119 rental dwelling units, plus one unit for a superintendent, on the Disposition Area.

The City's capital subsidy may be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For questions about accessibility and requests for additional accommodations, please contact [swerts@council.nyc.gov](mailto:swerts@council.nyc.gov) or [nbenjamin@council.nyc.gov](mailto:nbenjamin@council.nyc.gov) or (212) 788-6936 at least three (3) business days before the hearing.

**NAE\_ JUSTICE INNOVATION INC.** - Negotiated Acquisition -  
Other - PIN# 06925N0027 - Due 4-10-25 at 7:00 P.M.

Human Resources Administration (HRA) Office of Child Support Services (OCSS) is requesting a second Negotiated Acquisition Extension (NAE) for our contract with vendor, Justice Innovation for Resource Coordinator Services. The original agreement had a clause that allowed OCSS to renew the contract for one (1) three (3) year period. A renewal was registered with a contract term from April 1, 2020, to March 2023. Additional time was needed for the release of the RFP and a one-year NAE was registered for 4/1/24 - 3/31/25. The new RFP will not be ready for release by April 1, 2025. Therefore, OCSS is requesting a second NAE for time and money from 4/1/25 - 6/30/26, with a cost not to exceed \$870,690.00.

OCSS Parent Support Program (PSP) serves low-income Non-Custodial Parents (NCPs) who have been summoned to the New York State Family Courts in Kings, Bronx and Manhattan counties for violation of their child support orders. By leveraging the authority of the Family Court and supportive services provided by the Agency and community-based organizations (CBOs), the PSP helps NCPs overcome barriers that could keep them from engaging with their children, finding employment and meeting their child support obligations. Justice Innovation provides a court-based Resource Coordinator that is part of a plan to improve compliance of non-custodial Parents (NCPs) who fail to comply with their child support orders.

The Resource Coordinator will continue to oversee the operation of the program, including all screenings, assessments, referrals and compliance related issues. Any noncompliance issues will be expeditiously reported to the court and NCP participants will be scheduled for compliance hearings. The Resource Coordinator is expected to advance the mission of the national strategic plan to ensure that child support is a reliable source of income for eligible families. Procurement and award are in accordance with Section 3-04(b)(2)(iii) for the reasons set forth herein. The Intent to Award Notice posted on the CR for informational purposes.

#### DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction (“DDC”), on behalf of the New York City Department of Transportation (“DOT”) and the City of New York (“City”), has proposed the acquisition of unlotted streetbed properties on East 72nd Street between Avenue M and Royce Place (Capital Project No. HWK002377) in the Borough of Brooklyn (the “Project”); and

Whereas, the New York State Eminent Domain Procedure Law (“EDPL”) sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to inform the public of the proposed acquisition, including the impact on the unlotted streetbed properties listed below, and to review the public use to be served by the Project, including the impact on the environment and residents; and

Whereas, on January 8, 2025, the City held a public hearing pursuant to EDPL Section 201 in connection with the proposed public project, in the Borough of Brooklyn (with an option to attend virtually). Having given due consideration to the complete hearing record, which includes, amongst other things, all documents submitted and all public comments received, the City makes the following determination and findings concerning the herein described proposed acquisition and Project:

1. The public use and benefit of this project is for the reconstruction of East 72nd Street between Avenue M and Royce Place, including sanitary sewer replacement and water main replacement.
2. The properties proposed to be acquired are within the acquisition limits shown on Damage and Acquisition Map, dated 2/11/2022, and last revised 8/05/2024 (“the acquisition area”) as follows:
  - East 72nd Street between Avenue M and Royce Place.

The unlotted streetbed properties proposed to be acquired include the following locations, adjacent to the lots shown on the Tax Map of the City of New York for the Borough of Brooklyn:

ADJACENT BLOCK NO.	ADJACENT LOT NO.
8362	29, 40
8372	21
8373	40, 42

The City selected these locations based on a need for the reconstruction of the roadway of East 72nd Street between Avenue M and Royce Place, including sanitary sewer replacement and water main replacement. The City has determined that there are no potential alternative locations for the Project.

An environmental assessment of the proposed property acquisition location was conducted in accordance with the requirements of the State Environmental Quality Review Act (SEQRA) and the New York City Environmental Quality Review process. The New York City Department of Transportation, as lead agency, determined that the proposed project was a Type II action requiring no environmental review, and issued a Type II Determination (CEQR No. 23DOT0012K) on January 31, 2023.

Comments were received during the public hearing regarding the Project scope. The record of the hearing remained open for written comments until 5:00 P.M. on January 15, 2025. No written comments were received. All comments have been reviewed, incorporated into the record, and given full consideration by the City.

#### DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

## READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov); and click on Prevailing Wage Schedules to view rates.

### CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

### VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

### SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

### PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

### NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

### ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
