REQUEST FOR INFORMATION (RFI) ON SERVICE CONTRACTS FOR SOLAR PHOTOVOLTAIC (PV) SYSTEMS AND BATTERY ENERGY STORAGE SYSTEM (BESS) OPERATIONS AND MAINTENANCE (O&M) - Request for Information - PIN#N/A - Due 4-21-23 at 5:00 P.M. For over a decade, DCAS has worked with private industry, the New York Power Authority, and City agency partners, to install solar PV generation systems across the City's portfolio of properties. A portion of DCAS's solar PV portfolio, totaling roughly 8.5 MW of generation capacity+ across 90 sites, have been identified as needing operations and maintenance (O&M) attention, with the majority of these installations being rooftop ballasted systems. DCAS is considering procurement of long-term, on-going O&M services for these solar PV systems, as well as existing and planned BESS. DCAS is aiming to contract with multiple O&M service providers for a wide array of O&M services across its portfolio. These O&M services include (1) preventative maintenance, (2) reactive maintenance/repairs, and (3) emergency repairs.

The purpose of this RFI is to gather input from the solar PV and BESS O&M industry, particularly in the New York City region, to help inform a future solicitation(s) for these services. Insight gained from industry respondents will help DCAS develop scopes of work (SOWs) for future solicitation and contract documents. The intent is to ensure that DCAS's O&M program design and procurement/contracting strategy accurately reflects real-world industry practice and capabilities.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

As this procurement is for the retention of Employee Benefits Tax Counsel services, and it has been determined in writing that it is not practical or not advantageous to award this contract by competitive sealed proposals, the Law Department will be using the Negotiated Acquisition method of source selection to award this contract, pursuant to PPB Rules 3-04(b)(2)(iv)(A) and (6). The written determination of the Corporation Counsel, required by § 3-04(b)(2)(iv)(A), is attached. It has been determined that Ice Miller is the best firm with the level of expertise and resources necessary, to provide tax counsel advice related to issues representing the City's 5 pension system in a critical and time-sensitive issue affecting the tax qualified status of all the pension systems implicating Internal Revenue Service involvement. It has been determined that there are a limited number of vendors available and able to perform the necessary services and it would be severely detrimental, to the pension systems' interests as well as very costly if another firm would have to learn the deep institutional knowledge possessed by Ice Miller on this issue and as a result, the Department will be using the Negotiated Acquisition method of source selection to award this contract, pursuant to PPB Rules Sections 3-04(b)(2)(ii) and (6).
