HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-owned property (collectively, "Disposition Area") in the Borough of Manhattan:

and the subsequent reacquisition by the City of a portion of the Disposition Area to be known as the Essex Street Market Condominium as described below.

Under HPD's Mixed Income Program: Mix & Match ("Mix and Match Program") sponsors purchase City-owned land or vacant buildings and construct or rehabilitate multifamily buildings in order to create affordable rental housing units with a range of affordability. Construction and permanent financing is provided through loans from private institutional lenders, the New York City Housing Development Corporation, the State of New York and/or HPD. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed or rehabilitated buildings provide rental housing to income eligible families.

HPD has designated Site 2 DSA Owner LLC ("Sponsor") as qualified and eligible to purchase and redevelop the Disposition Area under the Mix and Match Program. HPD proposes to sell the Disposition Area to

Sponsor at the nominal price of one dollar per tax lot. Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). Sponsor will construct a 25-story building with approximately 195 rental dwelling units (98 affordable units and 97 market rate units), approximately 179,707 square feet of commercial space, an indoor garden at the mezzanine level of the building above the retail base and an urban farm on the roof of the building. The commercial space will consist of a retail marketplace of approximately 43,028 square feet to be known as the Essex Street Market, a movie theater or other commercial space acceptable to the New York City Economic Development Corporation ("EDC") of approximately 95,408 square feet, and a below grade retail space of approximately 41,271 square feet which is a portion of the space to be known as the Market Line that will complement the Essex Street Market.

In addition, Sponsor will create two condominiums for the affordable rental units and separate condominiums for the market rate rental units, the urban farm and each of the non-residential spaces. Upon completion of the proposed project, the condominium comprising the Essex Street Market ("Essex Street Market Condominium") will be conveyed to the City for \$1.00 subject to a long term lease with EDC.

The Land Debt will be repayable out of resale or refinancing profits for a period of sixty (60) years following completion of construction. The remaining balance, if any, may be forgiven in the 60th year.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on May 27, 2015 at Second Floor Conference Room, 22 Reade Street, Manhattan at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Pregualification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)
