**CITY PLANNING**

**PUBLIC HEARINGS**

The City Planning Commission will hold a public hearing accessible both in-person and remotely via the teleconferencing application Zoom, at 10:00 A.M. Eastern Daylight Time, on Wednesday, May 13, 2026, regarding the calendar items listed below. The public hearing will be held in person in the NYC City Planning Commission Hearing Room, Lower Concourse, 120 Broadway, New York, NY.

The meeting will be live streamed through Department of City Planning's (DCP's) website and accessible from the following webpage, which contains specific instructions on how to observe and participate, as well as materials relating to the meeting: <https://www.nyc.gov/content/planning/pages/calendar>

Members of the public attending remotely should observe the meeting through DCP's website. Testimony can be provided verbally by joining the meeting using either Zoom or by calling the following number and entering the information listed below:

877 853 5247 US Toll-free  
888 788 0099 US Toll-free

253 215 8782 US Toll Number  
213 338 8477 US Toll Number

Meeting ID: **618 237 7396**  
[Press # to skip the Participation ID]  
Password: 1

To provide verbal testimony via Zoom please follow the instructions available through the above webpage (link above).

Written comments will also be accepted until 11:59 P.M., one week before the date of the vote. Please use the CPC Comments form that is accessible through the above webpage.

Please inform the Department of City Planning if you need a reasonable accommodation, such as a sign language interpreter, in order to participate in the meeting. The submission of testimony, verbal or written, in a language other than English, will be accepted, and real time interpretation services will be provided based on available resources. Requests for a reasonable accommodation or foreign language assistance during the meeting should be emailed to [AccessibilityInfo@planning.nyc.gov] or made by calling 212-720-3366. Requests must be submitted at least five business days before the meeting.

**LANDMARKS PRESERVATION COMMISSION**

**PUBLIC HEARINGS**

**NOTICE IS HEREBY GIVEN** that pursuant to the provisions of Title 25, Chapter 3 of the Administrative Code of the City of New York (Sections 25-303, 25-307, 25-308, 2-309, 25-313, 25-318, 25-320) on Tuesday, May 12, 2026, at 9:00 A.M., a public hearing will be held in the public hearing room at 253 Broadway, 2nd Floor, Borough of Manhattan, with respect to the following properties, and then followed by a public meeting. Participation by video conference may be available as well. Please check the hearing page on LPC's website (<https://www.nyc.gov/site/lpc/hearings/hearings.page>) for updated hearing information.

The final order and estimated times for each application will be posted on the Landmarks Preservation Commission website the Friday before the hearing. Please note that the order and estimated times are subject to change. An overflow room is located outside of the primary doors of the public hearing room. Any person requiring reasonable accommodation in order to participate in the hearing or attend the meeting should contact Elizabeth Le, Community and Intergovernmental Affairs Associate, at [ele@lpc.nyc.gov](mailto:ele@lpc.nyc.gov) or (212) 602-7254 no later than five (5) business days before the hearing or meeting. Members of the public who are not attending in person can observe the meeting on LPC's YouTube channel at [www.youtube.com/nyclpc](http://www.youtube.com/nyclpc) and may testify on particular matters by joining the meeting using either the Zoom app or by calling in from any phone. Specific instructions on how to observe and testify, including the meeting ID and password, and the call-in number, will be posted on the agency's website, on the Monday before the public hearing.

**230 Grosvenor Street - Douglaston Historic District**

LPC-26-09539 - Block 8033 - Lot 44 - Zoning: R1-2

**PROCUREMENT**

*"Compete To Win" More Contracts!*

*Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and*

**Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.**

- **Win More Contracts, at [nyc.gov/competetowin](http://nyc.gov/competetowin)**

**“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”**

**HHS ACCELERATOR PREQUALIFICATION**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at [https://passport.cityofnewyork.us/page.aspx/en/rfp/request\\_browse\\_public](https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public)

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

HUMAN RESOURCES ADMINISTRATION

SOLICITATION

Services (other than human services)

EMERGENCY HEAVY DUTY RESIDENTIAL CLEANING SERVICES - Competitive Sealed Bids - PIN# 06925B0001 - Due 6-11-26 at 2:00 P.M.

The New York City Department of Social Services (DSS)/Human Resources Administration (HRA) will be accepting Competitive Sealed Bids for the provision of Emergency Heavy Duty Residential Cleaning Services (PIN: 25BSEAP01201/EPIN: 06925B0001).

This Competitive Sealed Bid ("RFx") is being released through PASSPort, New York City's online procurement portal on Thursday, May 7, 2026. To access the solicitation, vendors should visit the PASSPort Public Portal at https://www.nyc.gov/site/mocs/passport/about-passport.page, and click on the "Procurement Navigator" blue box. This will take you to the Public Portal of all procurements in the PASSPort system. To quickly locate the RFx, insert the EPIN 06925B0001 into the Keywords search field. Instructions for submitting responses to this RFx can be found via PASSPort. Please submit your bids by both acknowledging the receipt of the RFx in the Acknowledgement tab and completing your response in the Manage Responses tab.

If you need additional assistance with PASSPort, please contact the MOCS Service Desk at https://mocsupport.atlassian.net/serviceesk/customer/portal/8. Vendor resources can also be found at the link below, under the Finding and Responding to RFx heading. Link: https://www.nyc.gov/site/mocs/passport/getting-started-with-passport.page. Until further notice, the Department of Social Services (HRA/DHS) will conduct all in-person meetings (Pre-bid conferences and bid openings) that would normally be open to the public via conference call and/or video-conference only using the Cisco Webex platform. You may participate using your computer, tablet, or smartphone. You will need to download the Webex plug-in or mobile app.

The non-mandatory Cisco Webex platform pre-bid conference will be held on Thursday, May 14, 2026 at 11:00 A.M. Attendance is Strongly Recommended. If you have any questions, please email bredhoff@dss.nyc.gov and tsangtho@dss.nyc.gov with the subject line "06925B0001-Emergency Heavy Duty Residential Cleaning Services" by the close of business Tuesday, May 19, 2026. Please submit your response to RFx EPIN 06925B0001 in PASSPort no later than Thursday, June 11, 2026 at 2:00 P.M. Please note, the bid opening will be held on Friday, June 12, 2026 at 11:00 A.M. via the Cisco Webex platform.

HUMAN RESOURCES ADMINISTRATION

NOTICE

This is a notice that NYC Department of Social Services/HRA is seeking comments from the public about the proposed contract listed below.

Contract Type: General Contract - (CT1)
Contractor: Hamilton Madison House Inc
Contractor Address: 253 South Street, 2nd Floor, New York, NY 10002
Scope of Services: Legal Services to AAPI Communities, Citywide
Maximum Value: \$350,000.00
Term: 07/01/2025 - 06/30/2028
Renewal Clause: No Renewal Option
E-PIN: 06926L0056001
Procurement Method: City Council Discretionary Funds/Line-Item Appropriation
Procurement Policy Board Rule: Section 1-02 (e)

How can I comment on this proposed contract award? Please submit your comment to PublicComments@dss.nyc.gov. Be sure to include the E-PIN above in your message.

Comments must be submitted before 10:00 A.M. on Wednesday, May 13, 2026.

LAW DEPARTMENT

NOTICE

This is a notice that Law is seeking comments from the public about the proposed contract below.

Contract Type: Subscription
Contractor: ALM Global
Contractor Address: 150 E 42nd Street Mezzanine, New York, NY 10017
Scope of Services: VerdictSearch is a subscription service provided by ALM Global, LLC to obtain digital searches
Maximum Value: \$224,685.00
Term: 1/1/24 through 12/31/26
Renewal Clauses: None
E-PIN: 02526U0001001
Procurement Method: Subscription
Procurement Policy Board Rule: Section 3-10

How can I comment on this proposed contract award? Please submit your comment to jmoss@law.nyc.gov. Be sure to include the E-PIN above in your message.

Comments must be submitted before 4:00 P.M. on Friday, May 8, 2026.

CITY PLANNING

NOTICE

NOTICE OF COMPLETION AND NOTICE OF AVAILABILITY OF A FINAL ENVIRONMENTAL IMPACT STATEMENT

Monitor Point

Table with 2 columns: Project Identification and Lead Agency. Project Identification includes CEQR No. 25DCP068K, ULURP Nos. 260110LDK, C260108ZCK, C260105ZMK, N260106ZRK, C260107ZSK, C260109ZSK, C50326MMK, and SEQRA Classification: Type I. Lead Agency is City Planning Commission, 120 Broadway, 31st Floor, New York, NY 10271.

Contact Person

Evren Ulker-Kacar, AICP, Deputy Director (212) 720-3493
Environmental Assessment and Review Division
New York City Department of City Planning

Pursuant to City Environmental Quality Review (CEQR), Mayoral Executive Order No. 91 of 1977, CEQR Rules of Procedure of 1991 and the regulations of Article 8 of the State Environmental Conservation Law, State Environmental Quality Review Act (SEQRA) as found in 6 NYCRR Part 617, a Final Environmental Impact Statement (FEIS) has been prepared for the action described below. Copies of the FEIS are available for public inspection at the office of the undersigned as well as online via the Monitor Point project page on ZAP: https://zap.planning.nyc.gov/projects/2024K0358. To view the Monitor Point FEIS, navigate to the project page in ZAP and select Public Documents, then "FEIS\_25DCP068K." The proposal involves actions by the City Planning Commission (CPC) and the New York City Council pursuant to Uniform Land Use Review Procedure (ULURP). A public hearing on the Draft Environmental Impact Statement (DEIS) was held on March 18, 2026, in conjunction with the CPC's public hearing pursuant to ULURP. Advance notice was given of the time and place of the hearing. Written comments on the DEIS were requested and received and considered by the Lead Agency through March 30, 2026 at 5:00 pm. The FEIS incorporates responses to the public comments received on the DEIS and additional analysis conducted subsequent to the completion of the DEIS.

GO Quay, LLC (the Project Developer) and the New York State Metropolitan Transportation Authority (MTA) (an affiliate of the New York City Transit Authority [NYCTA]) (collectively, the Applicants) are seeking several discretionary actions including a zoning map amendment, zoning text amendment, zoning special permits, certification, and a City Map amendment (collectively, the Proposed Actions). The Proposed Actions would apply to a rezoning area consisting of Brooklyn Block 2590, Lot 25, the majority of Lot 1, and the northern half of the former Quay Street in the Greenpoint neighborhood of Brooklyn, Community District (CD) 1 (the Rezoning Area); the remaining portion of Lot 1 (which would not be rezoned); and a relocation site that would house two NYCTA facilities that are being relocated from their existing locations and consolidated into a new turnkey facility located at 213 Meadow Street (Block 2951, Lots 1, 5, and 45) in the East Williamsburg neighborhood of Brooklyn CD 1 (the NYCTA Relocation Site) that would be constructed by the Project Developer. The Rezoning Area, the remaining portion of Lot 1 that will not be rezoned, and the NYCTA Relocation Site are, collectively, the Affected Area.

The Proposed Actions would facilitate on the Development Site (Brooklyn Block 2590, Lots 1 and 25) a mixed-use development that would comprise three buildings totaling approximately 1,215,000 gross square feet (gsf) (7.13 FAR) (the Proposed Development). The Proposed Development would involve the construction of two buildings on Lot 1 totaling approximately 1,106,500 gsf of residential space for up to approximately 1,150 total dwelling units (DUs). Additionally, the Proposed Development would include the construction on Lot 25 of approximately 35,000 gsf of community facility space (0.25 FAR) earmarked as a permanent home for the Greenpoint Monitor Museum, which is owned by the Monitor Museum. It is the Project Developer's intent to pursue Mandatory Inclusionary Housing (MIH) Option 1, under which 25 percent (up to approximately 300) of the proposed units would be affordable at an average of 60 percent Area Median Income (AMI), pursuant to MIH requirements. However, the Project Developer intends to provide the affordable units at an average of 56 percent AMI. The development would also include approximately 36,500 gsf (0.26 FAR) of local retail commercial space and approximately 37,000 gsf of below-grade parking (approximately 140 spaces) in a single cellar level accessed via a new curb cut on Quay Street on Lot 1.

The Proposed Development would introduce a newly created turnaround at the western end of Quay Street, at its terminus, adjacent to Wharf Drive. The portions of the turnaround area that extend beyond the mapped street would be considered as Public Access Area (PAA), with an area of approximately 2,000 sf. The Proposed Development would also include open space improvements, introducing approximately 50,000 sf (~1.15 acre) of open space—43,000 sf of which would be publicly accessible, including 34,000 sf of required Waterfront Public Access Area (WPAA), which would provide a pedestrian connection between the future Bushwick Inlet Park and the existing Shore Public Walkway to the north of the site and an upland connection between the future Bushwick Inlet Park and West Street, plus an additional 9,000 sf of PAA. The remaining 7,000 sf of open space would be made up of space for museum visitors as well as landscaping and planting areas that have been designed to visually blend and physically connect with the WPAA and PAA spaces. In addition to this new open space, as part of the Proposed Development, long-term funding, in the amount of \$300,000 annually, would be provided to the City/New York City Department of Parks and Recreation (NYC Parks) for the operation of Bushwick Inlet Park.

Furthermore, the Proposed Development would include resiliency and flood protection measures on the Development Site—including installation of a new bulkhead to defend against future flooding due to sea level rise; implementation of wet floodproofing for non-critical and dry floodproofing for critical features; and the inclusion of green roofs, green infrastructure, and soft surfaces where feasible and practicable.

In order to allow for the redevelopment of the Development Site, the Proposed Actions also involve the relocation and consolidation of two existing critical NYCTA facilities to a new 143,000-gsf turnkey facility at the NYCTA Relocation Site. The proposed NYCTA Relocation Site would accommodate the NYCTA Mobile Wash Unit and Materials Storage currently located on a portion of the Development Site (Block 2590, Lot 1) (the NYCTA Facility), and the NYCTA Emergency Response Unit (ERU) facility currently located on 65 Commercial Street (Block 2472, Lot 415) (the ERU Site).

The Proposed Development would remove from the waterfront the existing industrial building on Lot 1, which currently houses NYCTA operations and is a non-compliant industrial use in the existing residential zoning district. Lot 1 was rezoned to an R6 zoning district as part of the 2005 Greenpoint-Williamsburg Rezoning (CEQR No. 04DCP003K), establishing this site for future residential development.

The removal of the NYCTA Facility from the Development Site eliminates a non-compliant industrial use from a neighborhood

increasingly characterized by residential and retail uses, while also improving public safety by removing truck traffic. The removal of the NYCTA Facility on Lot 1 also eliminates a wall to the waterfront, replacing it with a new access point in the form of the WPAA. The relocation of the ERU Facility (currently located at 65 Commercial Street) to the NYCTA Relocation Site would create a fully vacant site at Commercial Street, which would facilitate the full realization of the City's planned Box Street Park by allowing for an additional approximately 25,000 sf of publicly accessible open space at the ERU Site in the future. No land use actions are associated with the departure of the ERU Facility from 65 Commercial Street; the existing ERU Facility operates under a lease, and NYCTA will be terminating the lease and vacating that property.

The NYCTA Relocation Site, located in the North Brooklyn Industrial Business Zone (IBZ) in East Williamsburg, would be redeveloped with an approximate 3-story, approximately 143,000-gsf building (the NYCTA Replacement Facility) that would include space for the Mobile Wash and Material Control uses to be relocated from the NYCTA Facility on Lot 1 and the ERU Facility to be relocated from the ERU Site. To facilitate the Proposed Development, the Applicants are seeking the approval of several discretionary actions/approvals, as part of the Proposed Actions, that would apply to the Rezoning Area, the Development Site, and NYCTA Relocation Site.

To facilitate the Proposed Development, the Applicants are seeking the approval of Proposed Actions, which would apply to the Rezoning Area: **(I) a zoning map amendment** to rezone (1) Block 2590, Lot 25 from M3-1 to R8; (2) a portion of Block 2590, Lot 1 from (a) R6 to R8/C2-4 and (b) R6/C2-4 to R8/C2-4; (3) the northern half of former Quay Street from M3-1 to R6; and (4) modify the park boundary to exclude Lot 25 and the northern half of former Quay Street; **(II) zoning text amendments** to the Zoning Resolution (ZR), as amended will include: (1) To amend ZR Section 62-361 (Special Floor Area Regulations) to allow the underlying MIH FAR to apply to MIH sites within BK-1; (2) To amend ZR Section 62-931 (Waterfront Access Plan BK-1: Greenpoint-Williamsburg) to remove the park identification of Block 2590, Lot 25 and the former Quay Street and update WAP BK-1 maps; (3) To amend ZR Section 62-363 (Special Height and Setback Regulations) to update special height and setback regulations for R8/MIH sites within BK-1; (4) To amend ZR Appendix F to map an MIH area coterminous with the Development Site; (5) To amend ZR Section 74-745 to allow the waiver or reduction of required loading berths as part of a Large Scale special permit within WAP BK-1; **(III) zoning special permits** pursuant to ZR Sections 74-743(a)(2) and 74-745 for Large Scale General Development (LSGD) applicable to the Development Site to allow the following modifications in order to achieve a superior site plan: ZR 62-343, 62-363, 36-62, and 62-332(a) (height and setback, maximum tower width, maximum tower size, loading, and waterfront yard depth); **(IV) a zoning certification** by the Chairperson of the City Planning Commission pursuant to ZR Section 62-811 (Waterfront public access and visual corridor); and **(V) an amendment to the City Map** to remove the existing park identification from Lot 25 and the former Quay Street to facilitate development of a publicly accessible open space and a permanent home for the Greenpoint Monitor Museum as part of the Proposed Development.

In addition to the Proposed Actions, Monitor Museum, as the owner of Lot 25, is seeking the following amendments to currently held State and Federal permits, which are necessary to facilitate the development of the landscaped Waterfront Public Access Area: amendment of existing or new New York State Department of Environmental Conservation (DEC) Tidal Wetland and Protection of Waters permits in connection with shoreline restoration work on Lot 25; application for new DEC Tidal Wetland and Protection of Waters permits on Lot 1 (sought by the Project Developer); and amendment of U.S. Army Corps of Engineers (USACE) Section 10 and Section 404 permits in connection with shoreline restoration work on Lot 25.

The Proposed Development would require the following additional State actions, which are not subject to CPC review: MTA Board approval of the lease and redevelopment of Lot 1 and the lease and redevelopment (including approval of rear yard bulk waiver) of the NYCTA Relocation Site; and DEC for Brownfield Cleanup Program (BCP); not a SEQRA Action.

In addition, the project approvals would include establishment of an (E)-designation (E-870) on the NYCTA Relocation Site to codify restrictions related to hazardous materials and air quality; and a Restrictive Declaration (RD) that would be recorded against the Development Site to codify restrictions and commitments made related to the environmental review.

In order to assess the possible effects of the Proposed Actions, a Reasonable Worst-Case Scenario (RWCDs) was established for both the Future Without the Proposed Actions (No-Action) and the Future With the Proposed Actions (With-Action) Conditions for a 2031 analysis year. The analysis year assumes approval of the Proposed Actions in

2026 and that construction of the NYCTA Replacement Facility would commence shortly thereafter, with construction of the Proposed Development beginning subsequent to the NYCTA's relocation. It is estimated that construction of the NYCTA Replacement Facility would last approximately 18 months, plus an additional 2 months to relocate operations into the new facility, followed by subsequent demolition of the existing NYCTA Facility on Lot 1 (6 months), with construction of the Proposed Development (approximately 36 months) being completed in 2031. This timeline accounts for the construction of a new, approximately 143,000-gsf turnkey NYCTA facility in East Williamsburg; relocation of the existing NYCTA Facility to the NYCTA Relocation Site; demolition of the NYCTA Facility on the Development Site; and the construction of the Proposed Development, including all shoreline improvements and public open space. Accordingly, the EIS uses a 2031 build year.

In the No-Action Condition, it is assumed that existing conditions at both the Development Site and the NYCTA Relocation Site would remain. The With-Action Condition is the same as the Proposed Development, which is described above. The incremental difference between the No-Action and With-Action Conditions serves as the basis of the impact category analyses. The 2021 *CEQR Technical Manual* serves as guidance on the methodologies and impact criteria to evaluate the potential environmental effects of the Proposed Actions.

The EIS assesses whether development resulting from the Proposed Actions could result in significant adverse environmental impacts. The EIS identifies potential significant adverse impacts related to transportation (traffic and pedestrians), and construction (traffic, pedestrians, and noise).

#### **Transportation (Traffic and Pedestrians)**

**Traffic:** Of the 13 intersections analyzed, the Proposed Actions would result in significant adverse traffic impacts at four intersections (at six specific traffic movements) during the weekday AM peak hour, four intersections (at six specific traffic movements) during the weekday midday peak hour, five intersections (at nine specific traffic movements) during the weekday PM peak hour, and five intersections (at seven specific traffic movements) during the Saturday peak hour. Standard traffic capacity improvements typically implemented by the New York City Department of Transportation (NYC DOT), such as signal timing modifications, could mitigate traffic impacts at two intersections during the weekday AM peak hour, three intersections during the weekday midday peak hour, four intersections during the weekday PM peak hour, and two intersections during the Saturday peak hour. However, significant traffic impacts to the following five intersections would remain unmitigated: Franklin Street and Quay Street (weekday midday, weekday PM, and Saturday peak hours); Franklin Street and Greenpoint Avenue (weekday AM peak hour); McGuinness Boulevard and Greenpoint Avenue (Saturday peak hour); West Street and Oak Street (weekday AM peak hour); and Franklin Street and Milton Street (Saturday peak hour).

The proposed mitigation measures are subject to review and approval by NYC DOT. If, prior to implementation, NYC DOT determines that any of the identified mitigation measures are infeasible, and no other alternative and equivalent mitigation measures could be advanced, then the impacts would remain unmitigated and would constitute an unavoidable significant adverse impact.

**Pedestrians:** Of the 22 pedestrian elements analyzed, significant adverse pedestrian impacts were identified at the intersection of Franklin Street and Quay Street (one crosswalk in all peak hours analyzed and at one corner during the Saturday peak hour). No feasible mitigation measures were identified, therefore the significant adverse impacts to these pedestrian elements would remain unmitigated and constitute an unavoidable significant adverse impact.

#### **Construction (Traffic, Pedestrians, and Noise)**

**Traffic:** The detailed traffic analyses determined that three of the 13 intersections analyzed would be significantly impacted during the weekday AM construction peak hour, and four of the 13 intersections analyzed would be significantly impacted during the weekday PM construction peak hour. Standard traffic capacity improvements typically implemented by the NYC DOT, such as signal timing modifications, could fully mitigate impacted traffic movements at the three intersections impacted during the weekday AM construction peak hour and at three of the four intersections impacted during the weekday PM construction peak hour. However, a significant traffic impact during the weekday PM construction peak hour would remain unmitigated at the intersection of McGuinness Boulevard and Greenpoint Avenue. The proposed mitigation measures are subject to review and approval by NYC DOT. If, prior to implementation, NYC DOT determines that any of the identified mitigation measures are infeasible, and no other alternative and equivalent mitigation measures could be advanced, then the impacts would remain unmitigated and would constitute an unavoidable significant adverse impact.

**Pedestrians:** Construction-related activities would generate 567 pedestrian trips during the weekday AM and PM construction peak hours. While the number of construction-related pedestrian trips would be substantially lower than pedestrian trips generated by the Proposed Development (1,262 pedestrian trips during the weekday AM peak hour and 2,278 pedestrian trips during the peak hour), significant impacts that could not be mitigated were identified at were identified at the south crosswalk at the intersection of Franklin Street and Quay Street under weekday operational conditions). Therefore, it is possible that construction activities could result in significant adverse pedestrian impacts, although the potential for significant pedestrian impacts during construction would be no worse than what has been identified for the operational condition.

**Noise:** The construction noise analysis assesses the potential for construction to cause significant adverse noise impacts on nearby sensitive noise receptors. The Project Developer has committed to using grid power instead of the generators during Foundation, Superstructure, and Finishing phase, where grid power is sufficient and available, which would be implemented as a Project Component Related to Environmental Review (PCRE). Construction noise from mobile sources would not increase by 3 A-weighted decibels (dBA) or more, and there would be no significant adverse noise impacts at the existing and future receptors due to construction mobile sources. However, since construction noise levels would exceed the thresholds for exterior increase in noise as well as the thresholds for acceptable interior noise levels for residential uses, there would be potential for a significant adverse construction noise impact to the future building at 3 West Street located across the street from the Development Site. No other receptors analyzed would experience significant adverse construction noise impacts. Construction activities at the Development Site would be required to adhere to New York City's construction noise regulations, including the requirement to prepare and implement a Construction Noise Mitigation Plan and to construct an 8-foot-tall construction noise barrier, as well as additional measures (i.e., limiting the usage of generators) beyond what is required by the code, which is assumed in the noise modeling analysis. Even with these measures, construction noise would exceed the threshold for a significant adverse construction noise impact at one receptor location, 3 West Street, during certain phases of construction. As such, this significant adverse impact would be unmitigated and therefore unavoidable.

The FEIS considers three alternatives to the Proposed Actions: (1) a No-Action Alternative, (2) an Existing Zoning Alternative, and (3) a No Unmitigated Significant Adverse Impacts Alternative. The No-Action Alternative is the "Future Without the Proposed Project," or "No-Action condition," described above in "Analysis Framework" and analyzed in the EIS. Under the No-Action Alternative, the relocation of the existing NYCTA Facility and ERU Site would not occur and existing conditions would remain on the Development Site. In the Existing Zoning Alternative, the Applicants would seek MTA Board Approval (a discretionary action subject to SEQRA) to relocate the existing NYCTA Facility on Lot 1, facilitating a new development on the Development Site pursuant to the existing R6 and R6/C2-4 zoning district. The Existing Zoning Alternative could result in significant adverse impacts similar to those of the Proposed Actions; however, it would provide for significantly less housing and no affordable housing. Further, many of the intended public benefits of the Proposed Actions would not be realized with the Existing Zoning Alternative. The No Unmitigated Significant Adverse Impacts Alternative examines a scenario in which the projected density increase and other components of the Proposed Actions are changed specifically to avoid the unmitigated significant adverse impacts associated with the Proposed Actions, which include transportation (traffic and pedestrians) and construction (traffic, pedestrians, and noise). However, to eliminate all identified unmitigated significant adverse impacts, the Proposed Actions would have to be modified to a point where the principal goals and objectives of the Proposed Actions would not be fully realized.

Unavoidable significant adverse impacts are those that would occur if a proposed project or action is implemented regardless of the mitigation employed, or if mitigation is impracticable. As previously noted, the Proposed Actions have the potential to result in significant adverse impacts related to transportation (traffic and pedestrians), and construction (traffic, pedestrians, and noise). Mitigation measures have been proposed to the extent practicable for these significant adverse impacts. However, in some instances, no practicable mitigation has been identified to fully mitigate the significant adverse impact, and there are no reasonable alternatives that would meet the purpose and need of the Proposed Actions, eliminate potential impacts, and not cause other or similar significant adverse impacts. Identified mitigation measures will be codified in an RD that would be executed by the Applicant upon approval of the Proposed Actions. In the absence of the implementation of these mitigation measures, the impacts would be unmitigated and would constitute an unavoidable significant adverse impact.

Effective December 30, 2024, Section 8-0109(2)(k) of the New York

State Environmental Conservation Law (ECL) requires that EISs include a statement of the effects of the Proposed Actions on disadvantaged communities, including whether the Proposed Actions may cause or increase a disproportionate pollution burden. On January 29, 2025, the DEC proposed draft revisions to its SEQRA regulations (6 NYCRR Part 617) to implement this new statutory provision in the context of environmental reviews. The assessment considers the impacts that have been identified pursuant to the 2025 CEQR Technical Manual as well as applicable guidance from DEC in determining whether the Proposed Actions would result in disproportionate impacts on disadvantaged communities. The area affected by the Proposed Actions would affect census tracts comprised of Disadvantaged Communities (DACs) - both higher and lower vulnerability levels - and non-DACs. As discussed above, the Proposed Actions have the potential to result in significant adverse impacts in the following CEQR technical areas: transportation (traffic and pedestrians) and construction (traffic, pedestrians, and noise). The assessment concludes that there would not be any disproportionate pollution burden on DACs because of the Proposed Actions related to transportation and construction. Although many of the potential impacts would occur in DACs with "higher burdens and vulnerabilities," the potential impacts would not cause or increase a pollution burden in DACs.

Copies of the FEIS may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 120 Broadway, 31st Floor, New York, NY 10271, Evren Ulker-Kacar, AICP, Deputy Director (212) 720-3493, and on DCP's website via the Monitor Point project page on ZAP: <https://zap.planning.nyc.gov/projects/2024K0358>.

**COMPTROLLER**

**NOTICE**

NOTICE OF ADVANCE PAYMENT OF AWARDS PURSUANT TO THE STATUTES IN SUCH cases made and provided, notice is hereby given that the Comptroller of the City of New York, will be ready to pay, at 1 Centre Street, Room 629, New York, NY 10007 on 5/19/2026 to the person or persons legally entitled an amount as certified to the Comptroller by the Corporation Counsel on damage parcels, as follows:

Damage Parcel No.	Block	Lot
303	13663	PART OF LOT 46
304 & 304A	13663	PART OF AND ADJACENT TO LOT 43
305 & 305A	13663	PART OF AND ADJACENT TO LOT 41
306 & 306A	13663	PART OF AND ADJACENT TO LOT 40
307 & 307A	13663	PART OF AND ADJACENT TO LOT 38

Acquired in the proceeding entitled: Rosedale Area Streets - Stage 2 subject to any liens and encumbrances of record on such property. The amount advanced shall cease to bear interest on the specified date above.

MARK D. LEVINE  
Comptroller  
my5-18
