HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held on June 24, 2026 at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below. The public hearing will be held via conference call. Call in #:1-646-992-2010 Access Code 717 876 299.

Pursuant to Section 576-a(2) of the Private Housing Finance Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development (“HPD”) of the City of New York (“City”) has proposed the sale of the following City-owned property (collectively, “Disposition Area”) in the Borough of The Bronx:

Address	Block/Lot(s)
351 Powers Avenue	2571/p/o 1

Under HPD’s New Construction Finance Program, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing. Construction and permanent financing are provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing affordable to low- and moderate-income households, with at least 60% of units affordable to households earning up to 80% of Area Median Income (“AMI”) and up to 40% of units affordable to households earning up to 120% of AMI. At least 15% of units are set aside for formerly homeless households.

Under the proposed project, the City will sell the Disposition Area to 351 Powers Housing Development Fund Company, Inc. (“Sponsor”) for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value (“Land Debt”). The Sponsor will then construct one building containing a total of approximately 83 rental dwelling units, plus one unit for a superintendent, approximately 9,505 square feet of community facility space, and up to 30 parking spaces available to NYC Department of Education on the Disposition Area.

The Land Debt or the City’s capital subsidy may be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The proposed Land Disposition Agreement and Project Summary are available for public examination by emailing Margaret Carey at careym@hpd.nyc.gov on business days during business hours.

To make a request for accommodation, such as sign language interpretation services, please contact the Mayor’s Office of Contract Services (“MOCS”) via e-mail at disabilityaffairs@mocs.nyc.gov or via phone at (212) 298-0734. TDD users should call Verizon relay services. CONSULTANT SERVICES, N.Y.C. GROCERIES BRANDING AND DESIGN RFP - Request for Proposals - PIN# 11639 - Due 6-30-26 at 4:00 P.M.

New York City Economic Development Corporation (NYCEDC) is seeking proposals from branding and design firms to develop the visual identity for "N.Y.C. Groceries", a new network of five City-supported grocery stores. A fresh, vibrant brand identity is essential to successfully bring these stores to market, communicate the unique value proposition, and achieve widespread adoption amongst New Yorkers. These brand parameters will also serve as critical inputs for the physical makeup of the stores themselves, guiding everything from materials to signage, lighting, merchandise, and customer flow.

The goals of the N.Y.C. Groceries initiative are to bring down the cost of everyday groceries and household staples, strengthen neighborhood food access, and demonstrate a new role for public sector leadership in food affordability. It is currently anticipated that the five N.Y.C. Groceries stores will be managed by one or more third-party grocery operator(s) and shall each carry a set of highly in-demand items that will be discounted relative to market prices, providing direct relief for shoppers at checkout. The City will cover overhead costs associated with the grocery stores, while the operator will be required to pass savings on to the customers in the form of discounted prices on everyday groceries. The City plans to open five N.Y.C. Groceries stores—one in each borough—by the end of 2029, with the first store expected to open its doors in late 2027.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the demonstrated successful experience in performing services similar to those encompassed in the RFP, the quality of the proposal, the proposed fee, the quality of the firm's management, reputation, and references, and the respondent's proposed plans for encouraging participation by Minority and Women-Owned business enterprises.

It is the policy of NYCEDC to comply with all federal, state and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-owned Business Enterprises (MWBES) share in the economic opportunities generated by NYCEDC's projects and initiatives. Please refer to the Equal Employment and Affirmative Compliance for Non-Construction Contracts Addendum in Appendix F of the RFP.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit an M/WBE Participation Proposal with their response. To learn more about NYCEDC's M/WBE program, visit <http://edc.nyc/opportunity-mwdbe>. For the list of companies who have been certified with the New York City Department of Small Business

Services as M/WBE, please go to the <https://sbsconnect.nyc.gov/certification-directory-search/>.

NYCEDC established the Contract Financing Loan Fund programs for Minority, Women and Disadvantaged Business Enterprise (M/W/DBE) interested in working on public construction projects. Contract Financing Loan Fund facilitates financing for short-term mobilization needs such as insurance, labor, supplies and equipment. CONSTRUCTIVE PARTNERSHIP UNLIMITED, INC. AT MARCUS GARVEY SHELTER - Negotiated Acquisition - Other - PIN# 07126N0020 - Due 6-5-26 at 7:00 PM.

Pursuant to Sections 3-04(b)(2)(i)(D) of the Procurement Policy Board (PPB) Rules DHS intends to enter into a Negotiated Acquisition (NA) contract with United Cerebral Palsy Associations of New York State, Inc. dba Constructive Partnerships Unlimited, Inc. for assessment services at the emergency shelter, located at 357 Marcus Garvey Boulevard, Brooklyn, NY 11221. The current contract CT1-071-20268801252/07125E0008001 expires on 6/30/26, and the proposed NA would extend the incumbent vendor for the emergency shelter operation under the same conditions at the site until 6/30/27. This NA is needed for DHS to have more time to determine options for a new men's city owned assessment site by 7/1/27. Agency needs about 6 months for an appropriate assessment site creation as this process includes the extensive adjustments to the building layout, security assessments and other staffing needs. Hence DHS needs to keep 357 Marcus Garvey as a provider operated site until the assessment of this and other DHS sites are completed. Procurement and award are in accordance with PPB Rule Section 3-04(b)(2)(i)(D) for the reason set herein.

Under this NA the incumbent vendor will continue assessment services at the emergency shelter until a city operated men's assessment site will be moved to an appropriate city owned site. Procurement and award are in accordance with PPB Rule Section 3-04 (b) (2) (i) (D) for the reason set herein.

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE EMINENT DOMAIN PROCEDURE LAW WITH RESPECT TO CERTAIN PROPERTIES TO BE ACQUIRED IN CONNECTION WITH THE WILLETS POINT DEVELOPMENT PLAN AND THE WILLETS POINT URBAN RENEWAL PLAN.

A duly-noticed public hearing was held on February 26, 2026, in accordance with Article 2 of the New York State Eminent Domain Procedure Law (“EDPL”), in connection with the proposal of the City of New York (“City”), by its Department of Housing Preservation and Development (“HPD”), to condemn certain properties needed in furtherance of the revitalization of Willets Point, pursuant to the Willets Point Development Plan and the Willets Point Urban Renewal Plan, as described below. The properties sought to be acquired by the City are Block 1833, Lots 143, 165, 166, and 170, all in the Borough of Queens (the “Subject Properties”). The Subject Properties encompass approximately 48,150 square feet.

As provided by Section 202 of the EDPL, notices were mailed to all affected property owners and published in the City Record and the New York Post advising the public that a hearing would be held on February 26, 2026 and comments would be received concerning the public use to be served by the proposed acquisition and other pertinent facts. The hearing notices also informed the public that they would be given a reasonable opportunity to comment on the proposed acquisition.

The February 26, 2026 hearing provided an opportunity for the public to comment on the proposed acquisition. At the hearing, a representative of the City presented information and the public was

informed of, among other things, the public use, benefits and purposes to be served by the proposed acquisition, the location of the proposed acquisition, the reasons for the selection of that location, and the general effect of the Willets Point Development Plan and the Willets Point Urban Renewal Plan on the environment and its residents.

The City made available for public inspection copies of the exhibits introduced at the hearing, including the published Notice of Public Hearing and proof of its publication and mailing; the proposed Damage and Acquisition Map; the CPC Reports and City Council resolutions related to the Willets Point Development Plan and the proposed acquisition of the Subject Properties, including the 2013 Special Willets Point District Text Amendments and the 2024 Willets Point Phase II plan; and a number of exhibits related to environmental review of the Willets Point Development Plan, including the 2008 Final Generic Environmental Impact Statement (“FEIS” or “FGEIS”); the 2013 Final Supplemental Environmental Impact Statement (“FSEIS”), the 2024 Final Second Supplemental Environmental Impact Statement (“FSSEIS”), and supplemental reviews. In total, 54 exhibits related to the Willets Point Development Plan approvals and environmental reviews were entered into the record at the hearing and made available for public inspection on the New York City Economic Development Corporation’s (EDC) website at <https://edc.nyc/project/willets-point> for the duration of the comment period. The public was also informed at the hearing that they could obtain a complete copy of the hearing record by sending a written request to HPD.

The February 26, 2026 hearing provided an opportunity for the public to comment on the proposed acquisition of the Subject Properties, and the public was informed that the record would remain open for two weeks following the hearing for the submission of written comments to HPD. One oral comment was received into the record during the hearing, by the owner of Queens Block 1833, Lot 170, Tomer Chazbani, and his statement is included in the record. Mr. Chazbani also submitted a written comment which is included in the record. No other comments were received at the hearing or during the written comment period, and the record of the hearing was thus concluded.

Determination and Findings

Pursuant to EDPL §204, and having given due consideration to the complete hearing record, which includes, among other things, all documents submitted and public comments, the City makes the following determination and findings concerning the above-described acquisitions:

(1) The Public Use, Benefit and Purpose to be Served by the Acquisition [EDPL § 204(B)(1)]

The Subject Properties are being acquired in accordance with the Willets Point Development Plan, which was a series of land use actions bearing lead ULURP report number N 080382 ZRQ; the Willets Point Urban Renewal Plan, which was one of the related actions approved as part of the Willets Point Development Plan, bearing report number C 080384 HUQ; and the Designation of the Willets Point Urban Renewal Area bearing report number N 080383 HGQ. All of these actions were adopted by the City Planning Commission (“CPC”) on September 24, 2008 and approved by the City Council on November 13, 2008. The Willets Point Development Plan was later amended through the 2013 Special Willets Point District Text Amendments that were adopted by the CPC on August 21, 2013 and approved by the City Council on October 9, 2013, bearing lead ULURP report number C 130222 ZSQ. In 2024, the Willets Phase II plan was adopted by the CPC on March 6, 2024 and approved by the City Council on April 11, 2024, bearing lead ULURP report number C 240092 ZSQ.

The purpose of the acquisition is to further the comprehensive redevelopment of the Willets Point neighborhood through the creation of new affordable housing, new commercial and community facility spaces, new public open spaces, pedestrian and transit improvements, street redesign, new water and sewer infrastructure and other actions to foster a vibrant, multi-use community. As modified by the CPC, the Willets Point Urban Renewal Plan includes public school facilities to accommodate the needs of the new residential population that was anticipated to grow as a result of the larger Willets Point Development Plan.

(2) Project Location and Reasons for Selection of that Location [EDPL § 204(B)(2)]

The Subject Properties to be condemned are shown on the Tax Map of the City of New York for the Borough of Queens and comprise the following properties: Block 1833, Lots 143, 165, 166, and 170. The Subject Properties will be condemned for the purposes specified in the Willets Point Urban Renewal Plan due to their inclusion in the Willets Point Development Plan.

(3) General Effect of the Project on the Environmental and Residents of the Locality [EDPL § 204(B)(3)]

The general effects of the Subject Properties acquisitions described herein and the planned uses are beneficial in that they would result in development that will sustain and enhance the ongoing revitalization of Willets Point and further deliver on the goals and uses envisioned in the Willets Point Development Plan.

The environmental impacts of the Willets Point Development Plan and its later amendments and modifications were analyzed in exhaustive detail in the environmental review record, as described more fully herein and in the supporting documents. A Notice of Completion for the comprehensive Willets Point Development Plan Final Generic Environmental Impact Statement ("2008 FGEIS") (CEQR No. 07DME014Q) was issued on September 12, 2008. In approving a series of actions related to the Willets Point Development Plan, decision-makers considered the significant environmental impacts, facts, and conclusions disclosed in the 2008 FGEIS and supporting documentation, and weighed and balanced those significant environmental impacts with social, economic, and other considerations. As reflected in related Statements of Findings, the decision-makers provided a reasoned elaboration for decisions approving the Willets Point Development Plan, including certifying that legal requirements had been met and determined that (1) consistent with social, economic, and other essential considerations, from among the reasonable alternatives available, the Willets Point Development Plan would avoid or minimize adverse environmental impacts to the maximum extent practicable, and (2) adverse environmental impacts would be avoided or minimized to the maximum extent practicable by incorporating practicable mitigation measures identified in the environmental review.

Subsequent to the 2008 FGEIS, modifications to the Willets Point Development Plan and related actions were analyzed in a supplemental environmental impact statement (the "2013 FSEIS") prepared in connection with the 2013 Special Willets Point District text amendments, for which a Notice of Completion was issued on August 9, 2013, and in multiple technical memoranda. As reflected in the detailed environmental review record, these analyses concluded that the respective modifications would not result in any new or additional significant adverse impacts beyond those disclosed in the prior environmental review, and that, where practicable, mitigation measures would be implemented. Findings were then made by the decision-makers consistent with the requirements under SEQRA/CEQR.

Subsequent to the 2013 FSEIS, modification to the Willets Point Development Plan and additional actions were analyzed in a second, supplemental environmental impact statement (the "2024 FSSEIS") (CEQR No. 23DME005Q), for which a Notice of Completion was issued on February 23, 2024. The FSSEIS included detailed analyses in multiple technical areas that identified significant adverse impacts and identified mitigation measures and commitments. As reflected in the lead agency Statement of Findings dated March 6, 2024, and related involved-agency findings, the decision-makers considered the relevant environmental impacts, facts, and conclusions disclosed in the FSSEIS and weighed and balanced relevant environmental impacts with social, economic, and other considerations, and determined that adverse environmental impacts would be avoided or minimized to the maximum extent practicable by incorporating practicable mitigation measures and commitments identified in the environmental review record.

In sum, the multiple Statements of Findings for CEQR No. 07DME014Q and CEQR No. 23DME005Q reflect that the agencies responsible for making decisions related to the Willets Point Development Plan: (i) certified that the procedural requirements of SEQRA/CEQR were met; (ii) considered the relevant environmental impacts, facts, and conclusions disclosed in the applicable final EIS documents and subsequent environmental review; (iii) weighed and balanced environmental impacts with social, economic, and other considerations; and (iv) found that, consistent with social, economic, and other essential considerations, the approved actions avoid or minimize adverse environmental impacts to the maximum extent practicable, and that adverse environmental impacts will be avoided or minimized to the maximum extent practicable by incorporating practicable mitigation measures and commitments identified in the environmental review record.

(4) Other Considerations [EDPL § 204(B)(4)]

One comment was received from the public at the February 26, 2026 public hearing, by the owner of Queens Block 1833, Lot 170, Tomer Chazbani, and his statement is included in the record. Mr. Chazbani also submitted a written comment to HPD, which is also included in the record of this hearing. No other comments were received.

Mr. Chazbani's comments did not specifically object to, nor support, the City's proposed condemnations, but included an express reservation of his rights under EDPL Article 2 and Article 5. His comments have been given due consideration by the City.

Determination

Based on due consideration of the record and the foregoing findings, it is determined that the City should exercise its power of eminent domain to acquire the above-described Subject Properties, to promote and permit the purposes of the Willets Point Development Plan and the Willets Point Urban Renewal Plan for the Willets Point neighborhood to be achieved.

PLEASE TAKE NOTICE THAT:
