HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page

BWT-JOC-26-PWH: HVAC WORK - Competitive Sealed Bids - PIN# 82626B0022001 - AMT: \$2,000,000.00 - TO: ENL Mechanical Incorporated, 134 West End Avenue, Somerville, NJ 08876.

The work under this contract is for HVAC Work under a series of small to medium size construction projects at all Bureau of Wastewater Treatment (BWT) Wastewater Resource Recovery Facilities. In addition to large capital construction projects, BWT has an ongoing need to accomplish smaller, straight forward construction projects at its facilities. Without Job Order Contracts, for each such project, the BWT must prepare complete contract documents and execute the required steps through the competitive bid process. Procuring the construction through this traditional design-bid-build process takes considerable time. Many of the projects are essential to maintain the operation of BWT facilities. The considerable time it takes to get contracts in place can jeopardize the continuation of service and, in some cases, permit the problem to worsen and result in additional costs. This Job Order Contract allows BWT to accomplish the much-needed projects in a fraction of the time while paying competitive prices for the work.

253 Broadway, 2nd Floor, New York, NY 10007

Please bring a government-issued ID to enter the building.

The New York City Charter Revision Commission will hold its initial public meeting on Thursday, June 4, 2026, at 5:00 P.M. The meeting will be held at the Landmarks Preservation Commission Public Hearing Room, 253 Broadway, 2nd Floor, New York, NY 10007. **Government-issued identification is required to enter the building.**

The commission is empowered to consider revisions to the New York City Charter for presentation to the voters at the November 3, 2026 general election, or at another designated election date pursuant to law.

All public hearings and meetings will be livestreamed at the commission's website, www.nyc.gov/charter.

What if I need assistance to observe the meeting?
