PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)

BODY CAMERAS FOR THE NYPD AND RELATED HARDWARE AND DATA STORAGE SOLUTION - Negotiated Acquisition - Other - PIN# 05615N0001 - Due 8-7-15 at 3:00 P.M.

The New York City Police Department ("NYPD") is conducting a solicitation which seeks a comprehensive end to end solution for capturing, transmitting, and storing video and audio using body-worn cameras carried by patrol officers. The NYPD is soliciting applications from firms with demonstrated experience in designing and maintaining such a solution. The body-worn cameras must be lightweight and functional in all weather conditions. Firms must also provide a data storage solution (either cloud-based or employing on-site data storage) as well as all equipment necessary to operate the cameras (e.g. charging stations, data cables) and to upload captured video and audio data from the cameras for long-term storage (e.g. docking stations). If a vendor employs a cloud storage solution, it must meet the NYPD's security requirements, as outlined in the Solicitation. The contract established as a result of this solicitation will serve as a Requirements Contract for the purchase of hardware, storage, licenses, and maintenance services on an as-needed basis. The anticipated term of the contract would be for five years from January 1, 2016 through December 31, 2020. There would also be three 3-year renewal options.

A Pre-Application Conference for this solicitation is set for Wednesday, July 8th, 2015 at 11:00 A.M. at the Jack Maple Compstat Center, Room 802 - 8th Floor, 1 Police Plaza (NYPD Police Department Headquarters), New York, NY 10038.

Vendors who are interested may obtain a free copy of the application package in 3 ways: (1) Online at www.nyc.gov/cityrecord (on or after 06-16-15), click the "City Record On-Line (CROL) Searchable Database of All Procurement Notices" link, then "Log in" or "Sign up" to download solicitations and/or awards. Once logged in, Click "Search the City Record Bid Opportunities". For "Type of Notice" (#1), select "Solicitation." For "PIN Number" (#7), enter EPIN # 05615N0001. Click Submit. (2) In person, Monday - Friday, 9:00 A.M. - 5:00 P.M. at Contract Administration Unit, 90 Church Street, Suite 1206, New York, NY 10007. (3) Contact Jordan Glickstein at (646) 610-5222 or jordan.glickstein@nypd.org.

A contract award will be made by the Negotiated Acquisition source selection method, pursuant to City of New York Procurement Policy Board Rules (PPB Rules) § 3-04(b)(2) because the NYPD has determined that it is neither practical nor advantageous to award the proposed contract by competitive sealed bids or competitive sealed proposals, and that this source selection method is in the City's best interest. First, there exists a compelling need for the goods and services that cannot be timely met through competitive sealed bidding or competitive sealed proposals. Second, there are a limited number of vendors able to provide the required body cameras and the related equipment and services of the nature and specificity required by the NYPD. Thus, pursuant to Sections 3-04(b)(2)(i)(D) and 3 04(b)(2)(ii) of the PPB Rules, a special case determination has been made that this solicitation should be done using the Negotiated Acquisition method of Source Selection. Any Vendors that wish to express an interest to be considered for this solicitation may download or request the complete solicitation document and submit completed application(s) if they feel that they can supply the required body cameras and related goods and services.

This Procurement is subject to Local Law 1, the City of New York's M/WBE Program.

Development ("HPD") by Chapter 61 of the New York City Charter and by New York City Administrative Code §26-301 and in accordance with section 1043(b) of the Charter, HPD intends to adopt new rules pertaining to relocation services. New material in the following rule is underlined. The proposed rules were published in the City Record on November 28, 2014. A public hearing was held on January 16, 2015.

STATEMENT OF BASIS AND PURPOSE OF THE ADOPTED RULE

 - (ii) If a Relocatee does not accept an offer of Relocation Services within ninety days after the Vacate Date, such offer (or the part not accepted) will be deemed to have been declined and will be permanently withdrawn.
- (2) If a Relocatee accepts an offer of Shelter Services, HPD may order a Relocatee to move from one temporary shelter to another if, in the judgment of HPD, this facilitates the work of HPD or reduces the costs of temporary shelter.
- (3) A Relocatee who declines an offer of Shelter Services may be eligible for other Relocation Services as provided in these Rules. However, a Relocatee who has declined an offer of Shelter Services will not be eligible for any further Shelter Services, despite eligibility for other Relocation Services.
- (4) HPD will provide a Relocatee with a copy of these Rules in English and Spanish and such other language as it deems necessary. - (7) HPD will refer a Relocatee to one Standard Apartment. A Relocatee may request that such standard apartment be located in a particular borough, if available, provided, however, that a Relocatee may not refuse a standard apartment on the basis that it is not located in the preferred borough.
- (8) HPD may withdraw its referral of a Standard Apartment and the Relocatee may withdraw his or her acceptance if the

Standard Apartment is not Prepared for Occupancy within 30 days after the date that the Relocatee informed HPD of his or her acceptance.

- (9) If HPD notifies the Relocatee that the Former Apartment has been repaired, the Relocatee’s unjustified failure or refusal to return to the Former Apartment constitutes grounds for termination of Relocation Services.

(c) Relocation Payments. A Relocatee may be eligible for the following relocation payments:

- (1) Moving Expenses. HPD will reimburse a Relocatee whose possessions are moved from the Former Apartment to a storage facility, a Standard Apartment, or lawful dwelling unit for his or her moving expenses in an amount determined by HPD. HPD will not reimburse a Relocatee if he or she is entitled to payment of moving expenses from another governmental agency or other source.
- (2) Storage Expenses. HPD will reimburse a Relocatee whose possessions are moved from the Former Apartment to a storage facility for his or her storage expenses in an amount determined by HPD. HPD will not reimburse a Relocatee if he or she is entitled to payment of storage expenses from another governmental agency or other source. If Relocatee’s Relocation Services have been terminated or have expired, HPD will not reimburse storage expenses beginning 60 days after HPD has provided a termination or expiration notice to the Relocatee.
- (3) Relocation Allowance Payment for Personal Property. HPD will provide a Relocatee with a relocation allowance payment for personal property as provided in Table A of this subdivision, or in such other amount as may be determined by HPD, if the Relocatee satisfies all of the following criteria:

 - (ii) The Relocatee is not under investigation or the subject of pending charges, and has not been convicted of or pled guilty to any charges, in relation to a fire of suspicious origin or any other unlawful act that caused or contributed to the Vacate Order;
 - (iii) The Relocatee is moving into a Standard Apartment or a lawful dwelling unit; and
 - (iv) The Relocatee’s Relocation Services have not been terminated pursuant to these Rules.

TABLE A--RELOCATION ALLOWANCE PAYMENT FOR PERSONAL PROPERTY

Number of bedrooms	Allowance Payment
1	\$150.00
2	200.00
3	250.00
4	300.00
5	350.00
6 or more	400.00
Single room occupancy unit	100.00

(d) Duties of a Relocatee. A Relocatee will be required to comply with the following:

- (1) The Relocatee will actively seek out a lawful dwelling unit and report his or her progress to his or her Case Manager weekly or at such intervals as HPD requires. A Relocatee will keep HPD informed of his or her current address, telephone number and other contact information.
- (2) Prior to moving from a temporary shelter to a lawful dwelling unit found by his or her own efforts, or to signing a lease for such lawful dwelling unit, the Relocatee will notify his or her Case Manager. This notice will include the address of the Relocatee’s Former Apartment, the address of the lawful dwelling unit, and the names of the Relocatee and his or her Family.
- (3) A Relocatee who believes that a dwelling unit referred to him or her by HPD is not a Standard Apartment will deliver a notice to his or her Case Manager specifically stating in writing the facts upon which such conclusion is based within one week after the referral of such dwelling unit.
- (4) After having accepted a Standard Apartment referred

by HPD and having been notified that it is Prepared for Occupancy, the Relocatee will deliver a notice to his or her Case Manager, within three business days after such notification, stating any facts which in his or her opinion would constitute grounds for a determination that the accommodations have not been Prepared for Occupancy.

- (5) The Relocatee will complete an application with NYCHA for housing or a housing subsidy and provide any information requested by HPD or by NYCHA relating to relocation efforts or the Relocatee's eligibility for Relocation Services.
- (6) The Relocatee will advise HPD whenever he or she finds a lawful dwelling unit through his or her own efforts and keep HPD advised regarding the date of expected occupancy.
- (7) The Relocatee will respond to and comply with all notices of appointments with HPD and with prospective landlords or agents, including, but not limited to, appointments to view potential Standard Apartments.
- (8) If the Former Apartment is subject to rent control or rent stabilization, the Relocatee will apply to DHCR to establish reduced rent for the Former Apartment and file the Vacate Order with DHCR. If DHCR establishes the reduced rent for the Former Apartment at \$1.00 per month or another nominal amount, the Relocatee will pay such rent, without interruption, to establish and maintain such Relocatee's right to reoccupy the Former Apartment when repairs have been completed.
- (9) If the Relocatee enters into an agreement with the owner of the Former Apartment terminating or diminishing his or her legal rights to occupancy of the Former Apartment, such action will result in termination of Relocation Services.

(e) Termination of Relocation Services: Non-occupancy in Temporary Shelter. This subdivision applies to a Relocatee who has accepted an offer of Shelter Services by HPD.

- (1) Before a Relocatee voluntarily moves out of a temporary shelter provided by HPD, he or she will deliver a written notice, which includes the moving date, to his or her Case Manager. Except as otherwise provided in this subdivision, upon such notification, HPD will terminate Relocation Services on the moving date.
- (2) If a Relocatee is or will be absent from any temporary shelter provided by HPD for a period of four or more consecutive days but intends to return, he or she will notify HPD in writing in advance as to the cause of such absence, the date upon which he or she can return, and include any supporting documentation, which is subject to approval by HPD.
- (3) Except where a Relocatee has notified HPD in compliance with paragraph (2) of this subdivision and HPD has approved the absence from the temporary shelter, HPD may terminate Relocation Services as provided in these Rules upon HPD's determination that a Relocatee is not residing at his or her temporary shelter.

(f) Termination of Relocation Services: Refusal of Referral

- (1) After notice and hearing as provided in subdivisions (h) through (l) of these Rules, Relocation Services will be terminated upon a Relocatee's unjustified refusal of one Standard Apartment that is Prepared for Occupancy and referred to him or her by HPD.

(g) Termination of Relocation Services: Other Grounds.

Relocation Services may be terminated after notice and hearing pursuant to subdivisions (h) through (l) of these Rules, even if HPD has made no referral to a Standard Apartment, upon occurrence of any one of the following:

- (1) The Relocatee unjustifiably fails or refuses to move into the Former Apartment after having been notified by HPD or the owner that such dwelling unit has been repaired and is no longer Uninhabitable;
- (2) The Relocatee fails or refuses to fill out an application with NYCHA for housing or a housing subsidy or fails or refuses to provide information required by HPD or NYCHA relating to relocation efforts or the Relocatee's eligibility for Relocation Services;
- (3) The Relocatee fails or refuses to comply with the obligation to actively seek out a lawful dwelling unit and to report his or her progress to the Case Manager on a weekly basis or at such intervals as HPD requires, or fails to keep HPD informed of his or her current address, telephone number and other contact information, as required under these Rules;
- (4) The Relocatee or any member of his or her Family residing

in a temporary shelter provided by HPD engages in conduct which threatens the health, safety or property of a Family member, other residents, guests or visitors in the shelter; City personnel, agents or employees; the owner of the shelter, his or her agents or employees; or any other person;

- (5) The Relocatee makes material misstatements or conceals material facts from HPD, NYCHA, or any other entity concerning his or her initial or continued eligibility for Relocation Services;
- (6) The Relocatee fails to respond to or comply with a notice for an appointment with employees of HPD or with prospective landlords or agents, including, but not limited to, an appointment to view a potential Standard Apartment;
- (7) The Relocatee is ineligible for Relocation Services:
 - (i) because he or she did not in fact dwell in the Former Apartment;
 - (ii) because the Relocatee has failed to file the application to DHCR required by paragraph 8 of subdivision (d) of these Rules or has failed to remain current on his or her obligation to pay a reduced rent of \$1.00 per month or another nominal amount for the Former Apartment as established by DHCR;
 - (iii) because the Relocatee has signed or otherwise entered into an agreement with the owner of the Former Apartment terminating or diminishing his or her legal rights to occupancy of the Former Apartment;
 - (iv) because the Former Apartment is no longer Uninhabitable and the Relocatee has unjustifiably failed or refused to return to the Former Apartment; or
 - (v) because he or she is otherwise ineligible for Relocation Services; or
- (8) The Relocatee behaves in a manner which substantially interferes with the orderly operation of the temporary shelter provided by HPD, including, but not limited to, repeated violations of any rules or regulations of such shelter.

(h) Hearing procedures.

- (1) Prior to the termination of Relocation Services, HPD will give the Relocatee notice of the intended termination and an opportunity to be heard, according to the procedures stated in these Rules.
- (2) HPD will deliver a notice of intention to terminate Relocation Services to a Relocatee in the manner provided in subdivision (m) of these Rules no fewer than seven days prior to the scheduled date of the hearing. The notice will be in Spanish and English and such other language as the Department deems necessary. The notice will state:
 - (i) the date upon which HPD intends to terminate Relocation Services;
 - (ii) the factual and legal basis upon which HPD intends to terminate such Relocation Services;
 - (iii) the time, date and place of the hearing;
 - (iv) that for good cause, the Relocatee may request a change in the hearing date indicated in HPD's notice of intended termination;
 - (v) that appearance at the hearing will stay any intended termination of Relocation Services until at least seven days after a hearing officer's decision; and
 - (vi) that, if the Relocatee requests a hearing, he or she has the right to be represented by an attorney or other representative, to have a translator present, to testify, to produce witnesses to testify, to offer documentary evidence, to cross-examine opposing witnesses, and to examine the Site Occupancy Record, upon request, at a reasonable time prior to the hearing.
- (3) If the Relocatee is unable to attend the hearing at the time, date and place indicated in the notice of intended termination, he or she will deliver notice of such unavailability to HPD in writing at least three days before the proposed hearing date.

(i) Hearing Procedures; Conduct of Hearing.

- (1) The termination hearing will be conducted by an impartial hearing officer designated by HPD. The hearing officer will have the power to administer oaths and have no prior personal knowledge of the facts concerning the proposed termination of Relocation Services.

- (2) The hearing will be informal. All relevant and material evidence will be admissible and the legal rules of evidence will not apply. The Site Occupancy Record will be part of the evidence at any hearing whether or not the Case Manager is or can be present. The hearing will be confined to the factual and legal issues raised in the notice of intended termination of Relocation Services.
- (3) The Relocatee will have a right to be represented by counsel or other representative, to testify, to produce witnesses to testify, to offer documentary evidence, to cross-examine opposing witnesses and to examine the Site Occupancy Record.
- (4) For good cause, the hearing may be adjourned by the hearing officer on his or her own motion or at the request of the Relocatee or HPD.
- (5) HPD will provide translation services for Relocatees who request such services prior to the date of the termination hearing.

(j) Hearing Procedures: Decision.

- (1) The hearing officer will render a decision which includes:
 - (i) written findings of fact;
 - (ii) the legal basis for any decision to terminate or to deny termination of Relocation Services; and
 - (iii) if the termination is granted, the date of termination of Relocation Services.
- (2) A copy of the decision will be provided to the Relocatee. If the termination is granted, a copy of the decision will be provided no fewer than seven days prior to the date of termination set by the hearing officer. In the case of termination for threatening conduct by the Relocatee or a member his or her Family as described in paragraph 4 of subdivision (g) of these Rules, such decision will be provided at least 24 hours before the termination date. Notwithstanding any other provision of these Rules, the hearing officer will not set a date for termination of Relocation Services that is later than 14 days after the date of his or her decision.
- (3) Delivery of the copy of a decision rendered pursuant to this section will be made in the manner for giving notice provided in subdivision (m) of these Rules.
- (4) A decision rendered pursuant to this subdivision will be final absent a timely appeal as described in subdivision (l) of these Rules.

(k) Hearing Procedures: Default.

- (1) Failure to appear at the termination hearing on the date described in HPD's notice of intended termination of Relocation Services, or on any adjourned date, will result in termination of Relocation Services, unless the Relocatee makes a written application to the hearing officer. Such written application will be filed no later than four days before the scheduled date of termination of Relocation Services. In the application, the Relocatee will provide facts establishing that either:
 - (i) the Relocatee was not properly served with a notice of intended termination of Relocation Services and opportunity for a hearing; or
 - (ii) the default was excusable and that Relocatee has a meritorious defense to the intended termination.
- (2) The termination date may be delayed if such written application is made by the Relocatee prior to the scheduled date of termination of Relocation Services.
- (3) The written application submitted to the hearing officer by the Relocatee pursuant to this section may be granted if the Relocatee provides facts establishing either of the grounds described in paragraph (1) of this subdivision. In such circumstance, in accordance with the provisions of subdivision (h) of these Rules, HPD will deliver to the Relocatee a new notice of intention to terminate Relocation Services and opportunity for a hearing. However, the hearing date will be scheduled on the third business day after delivery of such notice.

(l) Appeal.

- (1) An appeal from a decision of a hearing officer may be made in writing to the person designated by the Commissioner of HPD, if it is received within five days after the date of delivery of the hearing officer's decision. The record before the Commissioner's designee will consist of the record of the proceedings, the Site Occupancy Record, the hearing officer's decision and any written arguments which the appellant may wish to submit.

- (2) Termination of Relocation Services will be stayed pending a determination of the appeal. A copy of the decision on appeal will be delivered in the manner for giving notice provided in subdivision (m) of these Rules. Termination will not be ordered during the seven-day period immediately following the delivery of the decision on appeal. However, in the case of termination for threatening conduct of the Relocatee or his or her Family as described in paragraph 4 of subdivision (g) of these Rules, termination may occur within 24 hours after delivery of notice of an adverse decision on appeal.

(m) Notice.

- (i) Any written notice by HPD required under these Rules will be:
 - (1) personally served on Relocatee;
 - (2) mailed to the Relocatee at his or her place of residence in a temporary shelter or other residence;
 - (3) left with a person of suitable age and discretion at Relocatee's place of residence in a temporary shelter or other residence; or
 - (4) placed under the door of Relocatee's place of residence in a temporary shelter and a copy left with the desk clerk or other responsible representative of the proprietor or lessee of the temporary shelter.
- (ii) Unless these Rules specifically require otherwise, where a Relocatee is required to provide any notice under these rules, he or she will provide a copy to his or her Case Manager in writing.

Name, Description and Location of Proposal:

3939 Richmond Avenue – YMCA Parking Lot
The applicant, The YMCA of Greater New York, seeks a zoning authorization pursuant to New York City Zoning Resolution (ZR) section 107-68 (“Authorization for Modification of a Group Parking Facility and Access Regulations”) affecting a site (Block 5236, Lot 31, the “project site”) located in the Eltingville neighborhood of Staten Island, Community District 3. The applicant also seeks an authorization pursuant to ZR Section 107-65 (“Modification of

Existing Topography”), which is a ministerial action not subject to environmental review. The project site is situated in an R3-2 zoning district and is located within the Special South Richmond District (SSRD).

The project site, a 105,126 square foot lot, is developed with an approximately 50,000 gross square foot (gsf) Use Group 4 community facility building (the YMCA of Greater New York); a parking lot containing 182 parking spaces, which are accessed via three existing curb cuts located on Richmond Avenue and Ridgecrest Avenue; and associated landscaping. An authorization to modify group parking facility regulations is required for any parking facility within the SSRD containing more than 30 parking spaces. Of the total 182 accessory parking spaces, 107 spaces were subject to prior CPC actions (ULURP No. N940299RAR), approved in 1994. Since the 1994 CPC actions were approved, the YMCA facility has utilized a temporary parking area (containing 75 parking spaces) on an unpaved portion of lot 31. With the proposed authorization, the 75 space parking area would be paved and formalized and the YMCA facility would have a total capacity of 182 formal parking spaces. Vehicular access to the parking area on the project site would remain unchanged.

The proposed action would facilitate a proposal by the applicant to formalize a temporary, approximately 28,000 square foot area containing 75 parking spaces and associated parking lot landscaping accessory to an existing community facility building on the project site.

The analysis year for the proposed project is 2016.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated June 12, 2015, prepared in connection with the ULURP Application (ULURP Nos. N150249RAR, 150406RAR). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that no significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

1 This Revised Negative Declaration addresses changes to the existing conditions and analysis framework, as noted in the supporting statement of this document.

Name, Description and Location of Proposal:

41 Great Jones Street

The applicant, 41 Great Jones Holdings, LLC, is seeking a Special Permit pursuant to New York City Zoning Resolution (ZR) Section §74-711 to modify the use regulations of ZR Section §42-00 in order to allow Use Group 2 residential uses within an existing building located in an M1-5B zoning district. The proposed action would facilitate a proposal by the applicant to occupy an existing vacant building at 41 Great Jones Street (Block 530, Lot 27, “the project site”) with three residential units. The project site is located within an M1-5B zoning district in the NoHo Historic District Extension in the NoHo neighborhood of Manhattan, Community District 2.

M1-5B districts are light manufacturing districts that permit offices, certain community facilities, and most retail uses; residential uses are not permitted. The currently vacant building at the project site was previously occupied with a non-conforming (Use Group 6) art gallery on the cellar and ground floors and commercial offices (Use Group 6) on floors two through five. In the future with the proposed action, it is the applicant’s intention to enlarge the building by a single story and occupy the building with residential uses. The proposed project is expected to be completed in 2016.

Absent the proposed action, it is expected that the building at the project site would not be enlarged and would remain vacant.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Revised Environmental Assessment Statement, dated June 12, 2015 prepared in connection with the ULURP Application (No.150146ZSM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1. The New York City Landmarks Preservation Commission (LPC) has determined that the proposed addition would be appropriate to the building and historic district and voted to approve it on January 21, 2014. A Certificate of Appropriateness was subsequently issued on March 5, 2014 and an amended Certificate of Appropriateness was issued on June 18, 2014.
2. Since the issuance of the Environmental Assessment Statement (EAS) on January 30, 2015 and Negative Declaration on February 2, 2015 the existing conditions at the project site changed. On February 28, 2015 the building located at the project site was vacated. The Revised EAS was updated to reflect the existing conditions. Previously, the cellar and ground floor were occupied by a non-conforming Use Group 6 art gallery; floors two through five contained Use Group 6 commercial office uses. The Revised EAS was also updated to reflect a changed analysis framework. In the future absent the proposed action, the Applicant expects that the building at the project site would remain vacant. This clarification would not have the potential for significant adverse impacts and would not alter the analyses or conclusions of the environmental review.
3. No significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Revised Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

DEPARTMENT OF HOUSING PRESERVATION & DEVELOPMENT (HPD)
OFFICE OF MANAGEMENT AND BUDGET (OMB)
COMMUNITY DEVELOPMENT BLOCK GRANT – DISASTER RECOVERY PROGRAM
FINAL NOTICE AND PUBLIC EXPLANATION OF A PROPOSED ACTIVITY IN A 100-YEAR FLOODPLAIN

To: All Interested Agencies, Groups, and Individuals:

This publication gives notice that the City of New York (the City) has conducted an evaluation of several proposals under the United States Department of Housing and Urban Development's (HUD) Community Development Block Grant-Disaster Recovery (CDBG-DR) grant, as required by Executive Order 11988 in accordance with HUD regulations 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management. This evaluation is made to determine the potential affect that proposed activities in the floodplain will have on the human environment. Through the "Disaster Relief Appropriations Act, 2013" (Public Law 113-2, January 29), the City's allocation of CDBG-DR funds is \$4.21 billion. Of this total, the City has allocated \$2.46 billion in funding for assistance to address the various unmet housing needs. The focus of this notice is the NYC Build-It-Back: Multi-Family Building Rehabilitation Program, which will be administered by the Department of Housing Preservation & Development (HPD). Of the \$2.46 billion of CDBG-DR funds allocated to housing, \$416 million would be provided to HPD for the rehabilitation of multifamily buildings (5+ units) that are not owner-occupied. Public Explanation of a Proposed Activity in the 100-Year Floodplain:

The City has carried out the procedures required by Executive Order 11988 on Flood Plain Management including the consideration of a no-action alternative, to avoid adverse effects and incompatible development in the floodplain. *The no-action alternative would not achieve the City's goals of restoring the health and safety of hurricane-damaged multi-family housing for its residents, nor would it promote planning and implementation of resilience measures to mitigate damage from future weather extremes. Residents would continue to be displaced from their homes located in the floodplain, live in damaged, unsafe, and unsanitary housing within the hurricane-damaged neighborhoods or seek shelter elsewhere. Poor structural integrity of hurricane-damaged buildings within the floodplain would put residents at a greater risk should a flood event occur, especially if buildings do not meet current elevation requirements. Storm debris fields on the properties of residential buildings would potentially remain unaddressed, also posing a threat to public health and water quality.*

The City has considered alternatives and mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values of the floodplain. It therefore proposes to support the projects because there is no practicable alternative to develop the projects totally outside the floodplain. To minimize potential harm to the floodplain, HPD will require that the projects implement the following mitigation measures:

- 1) Property owners will be required to purchase and maintain

flood insurance for the life of the property or the term of federal assistance; and

- 2) All alterations and repair work must comply with the NYC Department of Buildings requirements for flood-resistant construction (Appendix G of the 2008 Building Code) and resiliency/mitigation measures described above will be implemented as practicable.

This notice is required by Section 2(a)(4) of Executive Order 11988 for Floodplain Management and is implemented by HUD Regulations found at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management. All interested persons, groups and agencies are invited to submit written comments regarding the proposed use of federal funds to support activities located in a floodplain. Written comments should be sent to HPD at 100 Gold Street, New York, NY 10038, Attn: Patrick Blanchfield, AICP, Director of Environmental Planning, Office of Development, Room 9I-7. Comments may also be submitted electronically to nepa_env@hpd.nyc.gov. The minimum 7 calendar day comment period will begin the day after the publication and end on the 8th day after the publication. All comments should be received by HPD on or before June 27th, 2015.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
